Essentials for Christian Living

The New Nature

The Glory of Heaven

The Church in God's Program is a biblical study covering the entire scope of the church - its beginning, government, ministries, and the new covenant.

The Mackintosh Treasury: Miscellaneous Writings

In recent years, more and more Christians have come to appreciate the Bible's teaching that the ultimate blessed hope for the believer is not an otherworldly heaven; instead, it is full-bodied participation in a new heaven and a new earth brought into fullness through the coming of God's kingdom. Drawing on the full sweep of the biblical narrative, J. Richard Middleton

unpacks key Old Testament and New Testament texts to make a case for the new earth as the appropriate Christian hope. He suggests its ethical and ecclesial implications, exploring the difference a holistic eschatology can make for living in a broken world.

Hard to Believe

This in-depth look at what the Bible has to say about heaven, angels, and the afterlife gives Christians an encouraging glimpse of the home that awaits them. Now redesigned, re-edited, and expanded to include 3 new chapters and a revised introduction.

The Believer's Payday

In *Dispensational Truth*, Clarence Larkin maps the Prophetic Scriptures of the Old and New Testaments. The culmination of three decades of bible study, Larkin's elaborate prophetic charts and descriptions made the literal interpretation of the Bible accessible to a vast audience and greatly influenced conservative Protestant visual culture. After the first edition of his *Dispensational Truth* quickly depleted, Larkin expanded his work twofold in charts and descriptive matter for the 1920 edition, which is reprinted here. This singular, exhaustive work draws on the works of figures like C. I. Scofield and John Nelson Darby and provides the definitive foundation of premillennialism. Clarence Larkin (1850-1924) renounced his career as a draftsman to pursue a spiritual life. In 1882, he became a Baptist minister and used his drafting skills to visually interpret the eras of the Bible in accordance with premillennialist dispensationalism.

Defiant Grace

Can the Lord come back before the elect are saved? This and many other questions are answered in Anderson's thought-provoking study.

Dispensational Truth Or God's Plan and Purpose in the Ages

What do Catholics believe? How are we supposed to act? In this compact little book, "Essentials for Christian Living" summarizes the core of what Catholics must know and put into practice. Rediscover the traditional prayers and formulas of Catholic doctrine as well as the basic pillars of the faith-the Creed, sacraments, and commandments-in this pocket-sized volume. Encourage yourself to reflect more deeply using the blank space found on each page. Write down a thought, draw a picture, formulate a resolution, or highlight a key word.

Genesis to Deuteronomy: Notes on the Pentateuch

In an age characterized by skepticism and ignorance of the Holy Scriptures, this timely volume clearly sets forth the biblical truths and teachings that long have been cherished by Christians. Virtually a classic for this century, Major Bible Themes includes chapters on doctrines that merit particular attention in the contemporary religious scene, such as the Holy Spirit, the nature of the Church, and the second coming of Christ. Designed for group and individual study, for pastors, laymen, and students, Major Bible Themes is an indispensable tool, providing the biblical basis for fifty-two doctrines, complete with topical and Scripture indexes. Questions for discussion and review follow each chapter. Whether your purpose is to explore Bible doctrines as a new Christian, to erase confusion stemming from conflicting views in the contemporary church, or to establish a stronger basis for witnessing to your beliefs, Major Bible Themes is essential for study and reference.

Except Ye Repent

Gospel

I'm Saved! Now What?

Ground-breaking research and surprising conclusions offer fresh perspectives on apostles and elucidate why the early church exploded with growth. Anderson learned to relate to apostles the hard way. Personal agony and church crisis sparked in-depth study of the New Testament. The book contains case studies of every local church in the NT, reveals all 25 NT apostles mentioned, and describes the variety of local church and apostle relationships. Targeted to pastors and church leaders, the book is a brilliant resource for all who yearn to grasp Biblical roots, unleash the Spirit-power of God's people, and build vibrant churches today.

1 Peter

Even in churches and movements founded on the truths of the Bible, man-centered approaches have often quickly eclipsed the simple power of the Gospel. The result is spiritual infertility and weariness in religion. The burnout and ineffectiveness of most evangelical churches is proof enough of the problem. J.D. Greear's new book, simply titled Gospel, cuts through the superficiality of religion and reacquaints readers with the revolutionary truth of the Gospel. If we can ever just grasp what the Gospel shows us about God, that will lead us from a life of self-involvement to one of joy, freedom, love, and radical

generosity. We are freed from meaninglessness and selfishness by the beautiful truth about Jesus. Most effectively, Greear anchors the mission and theology within the writing here with a disciplined daily "gospel prayer" he wrote celebrating God's faithfulness, presence, love, and promise. It begins to give readers an applicable, exciting vision of how God might use them to bring His healing to this world.

The Kingdom of God in America

Peter Rhea Jones has spent the majority of his career studying and teaching the parables. Studying the Parables of Jesus is a primer on the historical and -literary approaches to biblical study. It informs and inspires in dialogue with contemporary methods and contemporary meanings. It provides an introduction to the methods of interpretation of the parables as well as an opening chapter on the recent history of interpretation. The chapters of exegesis approach a select group of parables for a more intensive analysis. While reserving much of the technical details for the endnotes, the text includes -discussion of critical issues and alternative opinions. Questions and exercises are appended at the close of each chapter for personal use or classroom -discussion.

Growing Up Spiritually

A Dispensational Theology

The New Life

Using Paul's radical letter to the Philippians as his road map, Matt Chandler forsakes the trendy to invite readers into authentic Christian maturity. The short book of Philippians is one of the most quoted in the Bible, yet Paul wrote it not for the popular sound bites, but to paint a picture of a mature Christian faith. While many give their lives to Jesus, few then go on to live a life of truly vibrant faith. In this disruptively inspiring book, Chandler offers tangible ways to develop a faith of pursuing, chasing, knowing, and loving Jesus. Because if we clean up our lives but don't get Jesus, we've lost! So let the goal be Him. To live is Christ, to die is gain—this is the message of the letter. Therefore, our lives should be lived to Him, through Him, for Him, with Him, about Him—everything should be about Jesus.

Must Faith Endure for Salvation to Be Sure?

In this revised edition, the author has included three new appendices that examine the issue of limited atonement and sharing the gospel, key biblical passages regarding the topic of "double predestination," and recent presentations of the limited atonement view. (Biblical Studies)

Local Churches Global Apostles

A rich devotional guide that shows the unfolding of the revelation of the person and work of Jesus Christ in the Pentateuch. Has provided precious spiritual help for four generations.

Young, Restless, No Longer Reformed

Christians who follow the Bible readily acknowledge that faith in Jesus Christ is necessary for eternal salvation. But if faith is necessary to be saved in the first place, then what happens when a person stops believing? What if a person's faith falters, fails, or is unfruitful? Will that person be lost? *Must Faith Endure for Salvation to Be Sure?* answers these questions in detail by examining the key biblical passages on perseverance in faith and the believer's preservation in Christ. This book shows from Scripture that all who have placed their faith in Jesus Christ alone, rather than their own good works, will be kept safe and eternally secure by God's grace and power. Rather than the traditional Reformed doctrine of the perseverance of the saints, the Bible teaches that a person's eternal salvation rests solely upon the perseverance of the Savior in keeping His

own secure. While perseverance is necessary for the believer's ongoing fellowship with the Lord and spiritual fruitfulness in service to Him, it is not a requirement to possess eternal life. Believers in Christ can be personally assured that they will never perish forever because their salvation rests solely upon the faithfulness and finished work of the Savior on their behalf.

The Restoration of All Things

A substantive commentary that will help pastors, students, and teachers understand the historical significance of 1 Peter.

Good News on the Frontier

THE MACKINTOSH TREASURY -- by Charles Henry Mackintosh was originally published in 1898 in six volumes under the title: Miscellaneous Writings. We offer the entire collection in a single volume in its entirety. Charles Henry Mackintosh known world wide as "C.H.M.," was born in 1820 in Country Wicklow, Ireland. He was spiritually stirred when he was eighteen by letters from his sister after her conversion. But his own peace was resolved by the statement: "It is Christ's work for us, not His work in us, that gives us peace" in J.N. Darby's Operations of the Spirit. It is his writing that has made "C.H.M." so widely known, particularly his "Notes on the Pentateuch". These continue to be read and to change lives around the world. It is an interesting spiritual commentary on C.H. Mackintosh that his first tract in 1843 was "The Peace of God," whereas his last, shortly before his death on Nov. 2, 1896, was "The God of Peace."

The Charismatics

Paul's Use of the Old Testament

Dane Ortlund takes us through each of the four gospels (one chapter on each), directing attention to what Christ did and taught, reminding us of His wonderful love. This is done by highlighting what Bryan Chapell calls "high-octane grace.the kind of grace that makes disciples so love the Saviour that they will give their lives for Him." Here is a picture of "defiant grace," attractively and compellingly presented. The open welcome of divine grace that Jesus offered, open to anyone who would simply leave their moral resume at home, is not predictable. It is not safe. It is defiant. In each Gospel, the message and mission of Jesus is deeply surprising: - In Matthew, we see the surprise of disobedient obedience - In Mark, we see the surprise of the king undergoing the fate of a criminal - In Luke, we see the surprise of the insiders becoming outsiders and the outsiders becoming insiders - In John, we see the surprise of the Creator of the universe becoming one of his own

creatures Such surprises confound our law-marinated hearts. But the good news that Jesus won with his own blood will not be tamed. This good news is defiant. This book exists to exult in this good news and the scandalous mercy Jesus loves to pour out on needy sinners, on people like you and me.

The Eternal Sonship of Christ

Fully convinced in my own mind that the doctrine of repentance is the missing note in many otherwise orthodox and fundamentally sound circles today, I have penned this volume out of a full heart. I hope and pray that God will be pleased to use it to awaken many of His servants to the importance of seeking so to present His truth as to bring men to the only place where He can meet them in blessing. That place is the recognition of their own demerit and absolute unworthiness of His least mercies and a new conception of His saving power for all who come to Christ as lost sinners, resting alone upon His redemptive work for salvation, and depending upon the indwelling Holy Spirit to make them victorious over sin's power in daily life.

Testimonies for the Church

The classic reflection of the Protestant roots and ethos behind pluralistic American and its religions today.

A New Heaven and a New Earth

Jesus Christ did not die on the cross so you and I could have a nice day. Ministers and teachers who water down the gospel of Christ in order to make it more popular and appealing may be leading their fun-loving audiences down the road to eternal punishment. This book is John MacArthur's unflinching, unapologetic treatise on the modern tendency to alter the true message of Christianity in order to meet the whims and desires of a culture hoping for nonconfrontational messages, easy answers, and superficial commitments. Too many people just want a Madison Avenue Jesus to make them well, make them happy, and make them prosperous. But Jesus Christ isn't a personal genie. He is the Savior. He died in agony to satisfy the wrath of a holy God and to forgive the sins of humankind. Faith in Him demands a willingness to make any sacrifice He asks. The hard truth about Christianity is that the cost is high, but the rewards are priceless: abundant and eternal life that comes only from faithfully following Christ.

Major Bible Themes

These study guides, part of a set from noted Bible scholar John MacArthur, take readers on a journey through biblical texts

to discover what lies beneath the surface, focusing on meaning and context, and then reflecting on the explored passage or concept. With probing questions that guide the reader toward application, as well as ample space for journaling, The MacArthur Bible Studies are invaluable tools for Bible students of all ages. Studying the Parables of Jesus

The use of the Old Testament in the New has long been recognized as an important field of research, Ó writes the author. Too often, however, the emphasis placed upon rabbinic and Hellenistic influences has tended to subordinate and obscure the unique place of the Old Testament in the minds and theology of the early Christian writers. Ó The purpose of this volume is to discover the rationale underlying the Pauline usage both in its textual manifestation and in its theological application. Ó The author concludes that, while rabbinic Judaism has influenced the mechanics of Pauline citation, one must look to the apostolic Church and to Christ Himself to find the primary source of the apostle's understanding and use of the Old Testament. Ó

The Death Christ Died

The most significant payday for a Christian will be when he or she stands before the judgment seat of Christ. The Believer's Payday is a thorough study of the time when a Christian will appear before Christ to receive his or her reward.

Observations on the Conversion and Apostleship of St. Paul

What the Bible Teaches is a classic volume that provides numerous outlined studies of what the Bible has to say on over fifty major doctrines of the Bible. The work examines what the Bible teaches about God, Jesus, the Holy Spirit, man, angels, Satan, prayer, worship, faith, and more. In this work, Torrey has made an attempt at a careful, unbiased study and statement of biblical truth, based upon a careful study of the original text. Beginning with one or more Scripture references as a starting point, these studies furnish a thorough analysis of a specific doctrinal truth. This orderly, systematic and thorough handbook is ideal for use as a reference work or in devotional study. It has been completely reformatted and the language has been updated to provide a useable study reference book for today's students of the Bible. Copyright © Libri GmbH. All rights reserved.

This one volume contains all 12 volumes (90) essays of the original work. There is a linked table of contents to each of them. The Fundamentals: A Testimony To The Truth is a set of 90 essays published from 1910 to 1915 by the Bible Institute of Los Angeles. The essays were designed to affirm, among other things, conservative Protestant beliefs, especially those of the Reformed tradition, and defend against ideas deemed inimical to them. They are widely considered to be the foundation of modern Christian fundamentalism. The essays set out what was believed to be the fundamentals of Christian faith. The volumes defended orthodox Protestant beliefs and attacked higher criticism, liberal theology, Catholicism socialism, Modernism,atheism, Christian Science, Mormonism, Millennial Dawn, Spiritualism, and evolutionism. Biographical Sketches of the Pioneer Preachers of Indiana

Examines essential elements of the Christian eschatological hope to show that it is a confident expectation rooted in the historical reality of Christ's death and resurrection. A Gospel Coalition booklet.

The Church in Gods Program

The doctrine of eternal Sonship declares that the second person of the triune godhead has eternally existed as the Son. There was never a time when he was not the Son of God. At the incarnation he became a man; he did not become the Son. Those who deny this foundational truth teach that Jesus became the Son of God at some point in history. Some say that he became the Son at his baptism; others at his resurrection. Most, however, say that he became the Son at the incarnation. In this timely book the authors present with clarity the scriptural basis for the doctrine of the eternal Sonship of Christ, deal thoroughly with alternate views that deny this essential doctrine, and conclude with an explanation of why this truth is so vital to evangelical Christianity.

The Pastor's Justification

For many months I was myself in much doubt and confusion of thought until God by His Holy Spirit showed me through His Word the true ground of peace. That was many years ago, and as I write I find myself living over again the conflict of those days, and recalling, as though it were but yesterday, the gladness that filled my soul when I rested in Christ alone, and entered into a lasting peace with God that has known no disturbance throughout the years. The clouds may at times veil my sky. Sorrows and difficulties may try my soul. New discoveries of the corruption of my own heart may bring humiliation and repentance. But this peace with God remains unchanged, for it rests not on me, not on my frames of mind or experiences, but on the finished work of Christ and the testimony of the Word of God, of which it is written: "For ever, O Lord, thy word is settled in heaven."

The Fundamentals

Romans 9-16

Does it really matter? Does it matter if we have free will? Does it matter if Calvinism is true? And does what you think about it matter? No and yes. No, it doesn't matter because God is who he is and does what he does regardless of what we think of him, just as the solar system keeps spinning around the sun even if we're convinced it spins around the earth. Our opinions about God will not change God, but they can change us. And so yes, it does matter because the conversations about free will and Calvinism confront us with perhaps the only question that really matters: who is God? This is a book about that question--a book about the Bible, black holes, love, sovereignty, hell, Romans 9, Jonathan Edwards, John Piper, C. S. Lewis, Karl Barth, and a little girl in a red coat. You've heard arguments, but here's a story--Austin Fischer's story, and his journey in and out of Calvinism on a trip to the center of the universe.
