D&B Reference Book of Corporate Managements

This is the first edition of a unique new plastics industry resource: Who's Who in Plastics & Polymers. It is the only biographical directory of its kind and includes contact, affiliation and background information on more than 3300 individuals who are active leaders in this industry and related organizations. The biographical directory is in alphabetical order by individual name. After each individual name, current affiliation and contact information is provided. This includes job title, full name of affiliation (e.g., business, university, association, research institute), business address, and electronic contacts-telephone, fax, e-mail and Web site. Home addresses and contacts are also provided for most of the entries. In the biographical summary section for each individual, the following information is provided: date and place of birth, education and educational achievements, work experience including company or other organization names, positions held and time periods. Also included in this section are the number of patents awarded, articles, and book chapters authored, and conference sessions chaired. Other information includes titles of books edited or written by the individual, listing of conferences where the person had a leadership position, and listing of memberships and positions held in professional organizations. Finally, professional and civic awards are listed. Indexes provide listings of individuals by company or other organization name, and also by geographical location. Who's Who in Plastics & Polymers is now published in a limited edition of 1,000 copies. This edition will not be reprinted. To be sure of receiving your copy, please act now. Information on ordering follows sample pages on the reverse.

The staff of the Business Library of the Brooklyn Public Library answers more than 175,000 reference questions each year, many of them requests for rankings information. To provide quick answers to questions in the highest interest subject areas, we have compiled Business Rankings Annual. Working from a bibliographic file we have built up over the years, we have culled thousands of items from periodicals, newspapers, financial services, directories, statistical annuals and other printed material. The "top ten" from each of these rankings appears in this

volume, grouped under standard subject headings for easy browsing. Typical entries provide: sequential entry number; rankings title: A descriptive phrase, identifying the contents of the list cited; ranked by: Indicates the criteria that establish the hierarchy; remarks: Provides additional details relating to the list from the source material; number listed: Notes the number of listees in the ranking source; top 10 items on the list; and source. Readers can quickly locate all rankings in which a given company; person or product appears by consulting the reference's comprehensive index. In addition, a complete listing of more than 300 sources used to compile Business Rankings Annual is provided in the bibliography.
