Moshe Dayan

Rising young comedian Moshe Kasher is lucky to be alive. He started using drugs when he was just 12. At that point, he had already been in psychoanalysis for 8 years. By the time he was 15, he had been in and out of several mental institutions, drifting from therapy to rehab to arrest to you get the picture. But KASHER IN THE RYE is not an "eye opener" to the horrors of addiction. It's a hilarious memoir about the absurdity of it all. When he was a young boy, Kasher's mother took him on a vacation to the West Coast. Well it was more like an abduction. Only not officially. She stole them away from their father and they moved to Oakland, California. That's where the real fun begins, in the war zone of Oakland Public Schools. He was more than just out of control-his mother walked him around on a leash, which he chewed through and ran away. Those early years read like part Augusten Burroughs, part David Sedaris, with a touch of Jim Carrol but a lot more Jewish. In fact, Kasher later spends time in a Brooklyn Hasidic community. Then came addiction. Brutally honest and laugh-out-loud funny, Kasher's first literary endeavor finds humor in even the most horrifying situations.

Moshe Idel: Representing God

In 1727, while immersed in kabbalistic speculations, Luzzatto claimed to have heard the voice of a maggid - a divine power inclined to reveal heavenly secrets to human beings. Henceforth, the revelations of the maggid served to comprise future kabbalistic writings, only a few of which survived and were published.

Concealment and Revelation

This book constitutes the first attempt to address the category of Sonship in Jewish mystical literature as a whole — a category much more vast than ever imagined. By this survey, not only can the mystical forms of Sonship in Judaism be better understood, but the concept of Sonship in religion in general can also be enriched>

The Martyrdom of a Moroccan Jewish Saint

Rabbi Moshe Chaim Luzzatto

Das Moshe Ve-yehiedit (romanized Form) Oder Jüdisch-mosaischer Religionsunterricht Für Die Israelitische Jugend

This vital addition to carceral, prison, and disability studies draws important new links between deinstitutionalization and decarceration. Prison abolition and decarceration are increasingly debated, but it is often without taking into account the largest exodus of people from carceral facilities in the twentieth century: the closure of disability institutions and psychiatric hospitals. *Decarcerating Disability* provides a much-needed corrective, combining a genealogy of deinstitutionalization with critiques of the current prison system. Liat Ben-Moshe provides groundbreaking case studies that show how abolition is not an unattainable goal but rather a reality, and how it plays out in different arenas of incarceration—antipsychiatry, the field of intellectual disabilities, and the fight against the prison-industrial complex. Ben-Moshe discusses a range of topics, including why deinstitutionalization is often wrongly blamed for the rise in incarceration; who resists decarceration and deinstitutionalization, and the coalitions opposing such resistance; and how understanding deinstitutionalization as a form of residential integration makes visible intersections with racial desegregation. By connecting deinstitutionalization with prison abolition, *Decarcerating Disability* also illuminates some of the limitations of disability rights and inclusion discourses, as well as tactics such as litigation, in securing freedom. *Decarcerating Disability's* rich analysis of lived experience, history, and culture helps to chart a way out of a failing system of incarceration.

Modern Theories of Art 2

A broad, systematic account of one of the most original and creative kabbalists, biblical interpreters, and Talmudic scholars the Jewish tradition has ever produced Rabbi Moses b. Nahman (1194–1270), known in English as Nahmanides, was the greatest Talmudic scholar of the thirteenth century and one of the deepest and most original biblical interpreters. Beyond his monumental scholastic achievements, Nahmanides was a distinguished kabbalist and mystic, and in his commentary on the Torah he dispensed esoteric kabbalistic teachings that he termed “By Way of Truth.” This broad, systematic account of Nahmanides’s thought explores his conception of halakhah and his approach to the central concerns of medieval Jewish thought, including notions of God, history, revelation, and the reasons for the commandments. The relationship between Nahmanides’s kabbalah and mysticism and the existential religious drive that nourishes them, as

well as the legal and exoteric aspects of his thinking, are at the center of Moshe Halbertal's portrayal of Nahmanides as a complex and transformative thinker.

Speak

The first ten lies they tell you in high school. "Speak up for yourself--we want to know what you have to say." From the first moment of her freshman year at Merryweather High, Melinda knows this is a big fat lie, part of the nonsense of high school. She is friendless, outcast, because she busted an end-of-summer party by calling the cops, so now nobody will talk to her, let alone listen to her. As time passes, she becomes increasingly isolated and practically stops talking altogether. Only her art class offers any solace, and it is through her work on an art project that she is finally able to face what really happened at that terrible party: she was raped by an upperclassman, a guy who still attends Merryweather and is still a threat to her. Her healing process has just begun when she has another violent encounter with him. But this time Melinda fights back, refuses to be silent, and thereby achieves a measure of vindication. In Laurie Halse Anderson's powerful novel, an utterly believable heroine with a bitterly ironic voice delivers a blow to the hypocritical world of high school. She speaks for many a disenfranchised teenager while demonstrating the importance of speaking up for oneself. *Speak* was a 1999 National Book Award Finalist for Young People's Literature.

Idolatry

An unprecedented highest level account of Israeli war, peace, and politics, and a stern accusation about how the Bush administration intervened in Israel's internal politics, dictated its foreign policy, and abetted the fall of the Likud government.

***** CLICK THE AUTHOR NAME "SILVA PLANNERS" FOR MORE DAILY WEEKLY & MONTHLY PLANNERS ***** Be prepared and keep yourself organized for anything with this stylish 2 Year weekly planner! It will help you plan every day throughout 2020 & 2021. This unique planner provides the ideal way to stay organized every day of the year. A special place to note daily tasks, meetings, birthdays and other occasions. Also helpful when documenting your daily life. This glossy finished planner comes complete with 132 pages (a page for each week of the year and more). The first page is a full calendar for the year. The rest of the planner is broken up into monthly sections At the start of each month you will find a full monthly calendar and a seperate notes page. Following this you will find a page for each week on the left page of the planner, and on the right side you will find a page, which is half blank on the top, and half wide ruled on the bottom so you can easily make notes for the whole of 2020 and for easy reference. It has a flexible lightweight paperback cover in a cool, trendy design, which makes it easier to carry around. Dimensions: 8.5  x 11  giving plenty of writing space to prepare for each day ahead. This planner is perfect to help: Keep on top of tasks & activities Stay organized with planning Keep track of personal health & medications Noting down things you want to do or read Documenting life Noting down ideas for blog writing or other forms of writing And so much more Time to

take the stress out of your life and become more organized. Set yourself up for success to help you reach your goals and aspirations in 2020 and beyond by being well-prepared with this full two-year weekly planner. Please note that this product does not contain real silver. The silver text is an ink-printed design graphic for effects only. Order yours now!

I Found God in Me

Instantly recognizable with his iconic eye patch, Moshe Dayan (1915–1981) was one of Israel's most charismatic—and controversial—personalities. As a youth he earned the reputation of a fearless warrior, and in later years as a leading military tactician, admired by peers and enemies alike. As chief of staff during the 1956 Sinai Campaign and as minister of defense during the 1967 Six Day War, Dayan led the Israel Defense Forces to stunning military victories. But in the aftermath of the bungled 1973 Yom Kippur War, he shared the blame for operational mistakes and retired from the military. He later proved himself a principled and talented diplomat, playing an integral role in peace negotiations with Egypt. In this arresting biography, Mordechai Bar-On, Dayan's IDF bureau chief, offers an intimate view of Dayan's private life, public career, and political controversies, set against an original analysis of Israel's political environment from pre-Mandate Palestine through the early 1980s. Drawing on a wealth of Israeli archives, accounts by Dayan and members of his circle, and firsthand experiences, Bar-On reveals Dayan as a man unwavering in his devotion to Zionism and the Land of Israel. Moshe Dayan makes a unique contribution to the history of Israel and the complexities of the Arab-Israeli conflict.

Moshe

In *Reading and Re-reading Scripture at Qumran*, Moshe J. Bernstein gathers over three decades worth of his essays on biblical interpretation in the Dead Sea Scrolls. They address the Genesis Apocryphon and 4Q252, as well various legal texts and pesharim.

Kabbalah

Safdie is one of the greatest and most energetic architectural thinkers of our time. This book features essays on his work, illustrated in color photographs.

Encyclopedia of Jewish Medical Ethics

Moshe Idel, the Max Cooper Professor Emeritus at the Hebrew University of Jerusalem, and Senior Researcher at the Shalom Hartman Institute, is a world-renowned scholar of the Jewish mystical tradition. His historical studies of rabbinic, philosophic, kabbalistic, and Hasidic texts have transformed modern understanding of Jewish intellectual history.

Moshe Safdie: Volume 1

Since Habitat, his seminal experimental housing project constructed for Montreal's

Expo 67, Safdie has continued to contribute meaningfully to the development of many building types. Moshe Safdie: Volume Two features an essay by Safdie presenting his tho

"Moshetry, Volume2 ~ The Black Love Movement"

This is a new format of The Orthodox Jewish Bible in daily readings for reading through the Tanakh and Brit Chadasha in one year. This version uses the Whole Chapter Bible in a Year© format. The dates are generic; if you start in the middle of the year, it just continues to the next numerical day, it does not rely on starting on January first. This daily version covers the Tanakh, Tehillim twice, Mishlei, (one a day), and the Brit Chadasha. The Besuras HaGeulah and Gevurot ARE read through twice, and a one a day chapters of Mishlei are adjusted according to the number of days in each month.

Reading and Re-Reading Scripture at Qumran (2 vol. set)

THE ORTHODOX JEWISH TANAKH TORAH NEVI'IM KETUVIM BOTH TESTAMENTS The Orthodox Jewish Bible is an English language version that applies Yiddish and Hasidic cultural expressions to the Messianic Bible.

Kasher in the Rye

Urban 2 picks up where the previous collection left off: collating and capturing new writing about the current urban experience of young South Africans across the board. Featuring a new writing from a large cross section of South Africans, this collection once again seeks to tap into the mind set and attitudes of what is really happening out there in the streets of this country. It reaches the soft underbelly of the city mind, and reveals that not all is angst, doom and gloom in the South Africa of today.

Broken Covenant

In this volume, the third in his classic series of texts surveying the history of art theory, Moshe Barasch traces the hidden patterns and interlocking themes in the study of art, from Impressionism to Abstract Art. Barasch details the immense social changes in the creation, presentation, and reception of art which have set the history of art theory on a vertiginous new course: the decreased relevance of workshops and art schools; the replacement of the treatise by the critical review; and the interrelation of new modes of scientific inquiry with artistic theory and praxis. The consequent changes in the ways in which critics as well as artists conceptualized paintings and sculptures were radical, marked by an obsession with intense, immediate sensory experiences, psychological reflection on the effects of art, and a magnetic pull to the exotic and alien, making for the most exciting and fertile period in the history of art criticism.

Nahmanides

Ben Gurion Looks Back in Talks with Moshe Pearlman

Ranging with authority from the Talmud to Maimonides, from Marx to Nietzsche and on to G.E. Moore, this account of a subject central to our culture also has much to say about metaphor, myth, and the application of philosophical analysis to religious concepts and sensibilities.

Night

I Found God in Me is the first womanist biblical hermeneutics reader. In it readers have access, in one volume, to articles on womanist interpretative theories and theology as well as cutting-edge womanist readings of biblical texts by womanist biblical scholars. This book is an excellent resource for women of color, pastors, and seminarians interested in relevant readings of the biblical text, as well as scholars and teachers teaching courses in womanist biblical hermeneutics, feminist interpretation, African American hermeneutics, and biblical courses that value diversity and dialogue as crucial to excellent pedagogy.

Yemin Moshe

During the twelfth and thirteenth centuries, great new trends of Jewish thought emerged whose widely varied representatives--Kabbalists, philosophers, and astrologers--each claimed that their particular understanding revealed the actual secret of the Torah. They presented their own readings in a coded fashion that has come to be regarded by many as the very essence of esotericism. Concealment and Revelation takes us on a fascinating journey to the depths of the esoteric imagination. Carefully tracing the rise of esotericism and its function in medieval Jewish thought, Moshe Halbertal's richly detailed historical and cultural analysis gradually builds conceptual-philosophical force to culminate in a masterful phenomenological taxonomy of esotericism and its paradoxes. Among the questions addressed: What are the internal justifications that esoteric traditions provide for their own existence, especially in the Jewish world, in which the spread of knowledge was of great importance? How do esoteric teachings coexist with the revealed tradition, and what is the relationship between the various esoteric teachings that compete with that revealed tradition? Halbertal concludes that, through the medium of the concealed, Jewish thinkers integrated into the heart of the Jewish tradition diverse cultural influences such as Aristotelianism, Neoplatonism, and Hermeticisms. And the creation of an added concealed layer, unregulated and open-ended, became the source of the most daring and radical interpretations of the tradition.

The One Year Orthodox Jewish Bible

Moshe Safdie Two

A creative and inviting way for parents and children to enjoy together the beauty of learning about reciting blessings. Since a major part of our day is spent praising and thanking Hashem for the good He bestows upon us, it is vital for all parents to

give their children the tools they need to say their berachos properly. Contains many delightful, colorful illustrations and engaging activities. In the back there is a section called 'Finding Out More' for those who want to understand the finer points of the Halacha. Large format.

Liḳuṭe Moharan: Lessons 1-6, pt. 2

"Bill Orr has produced a handy compendium of statistics, with cogent explanations, on the world economy in the 1990s. National incomes, output, trade, asset markets, debt, foreign aid and population are presented by nation, region and level of development. As a tool, it belongs in the office, study, or newsroom next to the dictionary, and the atlas." --Charles P. Kindleberger, Professor of Economics, Emeritus Massachusetts Institute of Technology
The Global Economy in the 90s provides a broad statistical guide for all of us in an era of increasing international interdependence: a much-needed contribution. --Alfred J. Malabre, Jr., author of Within Our Means
"Talk about timely! Like a light in the dark swamp of geo-political-governmental charts, graphs, and tables. [Orr] is there standing over your shoulder, showing you how he interprets each and every graph, and before you know it, you've got your calculator out, and you start to see things that you never saw before. It's addictive. No boring textbook, this book is a masterfully navigated experience through a very confusing jungle. Orr has taken the statistics from dozens of sources and recast them into graphs that are so easy to read. Try it yourself, open the book anywhere. This is a real gem." –Richard Barnaby, C.P.A., C.D.P. President, Business Support Services, Inc.
Software for the Petroleum Trading Industry
The Global Economy in the 1990s presents, in one comprehensive volume, essential facts and analyses of all aspects of an increasingly integrated global economy. Filled with hundreds of lively graphs that reveal trends and relationships, hundreds of tables that provide concrete numbers for individual research, and succinct short essays that put each facet of economic activity in its global context, this invaluable reference is derived and enhanced from over 20 official sources--including the World Bank, International Monetary Fund, GATT, United Nations, the U.S. Federal Reserve System, the U.S. Central Intelligence Agency, and the European Community.

With His Own Hands

An account of the life of Eliahu Shamir.

Abba Hillel Silver, Moshe Shertok, Chaim Weizmann Before the United Nations, October, 1947

Modern Theories of Art: From impressionism to Kandinsky

Jewish Mystical Leaders and Leadership in the 13th Century

Muslim Resistance to the Tsar

English and in the back of the book in Hebrew. there is a mitzvah checklist for each of the Picture/Pages at the back.

Frame Works

In this prizewinning new interpretation of Jewish mysticism, Moshe Idel emphasizes the need for a comparative and phenomenological approach to Kabbalah and its position in the history of religion. Idel provides fresh insights into the origins of Jewish mysticism, the relation between mystical and historical experience, and the impact of Jewish mysticism on western civilization. "Idel's book is studded with major insights, and innovative approaches to the entire history of Judaism, and mastery of it will be essential for all serious students of Jewish thought."--Arthur Green, New York Times Book Review "Moshe Idel's original, scholarly, and stimulating study of Kabbalah contains the promise of a masterwork."--Elie Wiesel "Moshe Idel's book can help the nonspecialized reader to reconsider the whole of Kabbalistic tradition in comparison with many aspects of contemporary thought."--Umberto Eco "There can be no dispute about the importance and originality of Idel's work. Offering a wealth of complementary insights to Gershom Scholem and his school, it will command a great deal of attention and serious discussion."--Alexander Altmann

Chazoras Hashas: Tractate Berachos ; Tractate Shabbos 2-50

Moshe Weinfeld's contributions to the study of the Bible and its literature, as well as the social and political situation of the Bible in its ancient Near Eastern context, are well known. In this volume, 35 colleagues and students contribute essays organized according to four subjects: (1) Exegetical and Literary Studies on the Bible; (2) Studies on Biblical Hebrew, History, and Geography; (3) Ancient Near Eastern and Amarna Studies; and (4) Studies on Qumran, Post biblical Judaism, and the Jewish Medieval Commentaries. A bibliography and biography of the honoree round out the volume.

Ben: Sonship and Jewish Mysticism

Sefer Moshe

The Orthodox Jewish Bible

Ethical issues in modern medicine are of great concern and interest to all physicians and health-care providers throughout the world, as well as to the public at large. Jewish scholars and ethicists have discussed medical ethics throughout Jewish history.

Responsa of Rav Moshe Feinstein: Care of the critically ill

First published in 2003. Routledge is an imprint of Taylor & Francis, an informa company.

Moshe Mendel the Mitzva Maven and the Wonderful World of Berachos

The martyrdom of a young Jewish girl from Tangier in 1834 sparked a literary response that continues today. This book translates and analyzes printed and manuscript versions of her story in Hebrew, Judeo-Arabic, Judeo-Spanish, Spanish and French written in the first century after her death.

Decarcerating Disability

As well as Black and white pictures.

Moshe Mendel the Mitzva Maven and His Amazing Mitzva Quest

Born into a Jewish ghetto in Hungary, as a child, Elie Wiesel was sent to the Nazi concentration camps at Auschwitz and Buchenwald. This is his account of that atrocity: the ever-increasing horrors he endured, the loss of his family and his struggle to survive in a world that stripped him of humanity, dignity and faith. Describing in simple terms the tragic murder of a people from a survivor's perspective, Night is among the most personal, intimate and poignant of all accounts of the Holocaust. A compelling consideration of the darkest side of human nature and the enduring power of hope, it remains one of the most important works of the twentieth century. New translation by Marion Wiesel, with a new introduction by Elie Wiesel.
