The International Journal of Accounting

Development of accountancy education - Classification of accountancy education - Research questions and method - Global country studies - Characteristics of accountancy education - Differences in accountancy education.

ACCA P5 Advanced Performance Management

The CLE Journal and Register

The much anticipated fourth edition of Craig Deegan's Financial Accounting Theory delivers authoritative and completely up to date material with the discussion of both existing theories and newer theories that have surfaced as financial reporting

has become more international. This edition includes a new selection of modern 'Accounting Headlines' which provide current examples of organisations and individuals putting accounting theory into practice in both local and global settings. Financial Accounting Theory covers additional topics such as critical perspectives, public sector accounting and fair value. Workflows and processes are presented using enhanced visual charts to help demonstrate how accounting works in practice. Deegan presents the concepts in a clear and straightforward style, while challenging students to think critically about the range of accounting theories. Financial Accounting Theory provides a sound basis for readers contemplating further research and develops habits of analytical reasoning and critical thinking.

International Accounting and Reporting Issues

Written for the ACCA syllabus, this title combines focus on the exam, clear format and useful learning tools. It features end of chapter roundups, question in each chapter, quick quizzes in a variety of formats, and a bank of exam standard questions, with full solutions.

Acca Paper 3. 1 Audit and Assurance Service

The first edition of The Internal Auditing Handbook received wide acclaim from readers and became established as one of the definitive publications on internal auditing. The second edition was released soon after to reflect the rapid progress of the internal audit profession. There have been a number of significant changes in the practice of internal auditing since publication of the second edition and this revised third edition reflects those changes. The third edition of The Internal Auditing Handbook retains all the detailed material that formed the basis of the second edition and has been updated to reflect the Institute of Internal Auditor's (IIA) International Standards for the Professional Practice of Internal Auditing. Each chapter has a section on new developments to reflect changes that have occurred over the last few years. The key role of auditors in reviewing corporate governance and risk management is discussed in conjunction with the elevation of the status of the chief audit executive and heightened expectations from boards and audit committees. Another new feature is a series of multi-choice questions that have been developed and included at the end of each chapter. This edition of The Internal Auditing Handbook will prove to be an indispensable reference for both new and experienced auditors, as well as business managers, members of audit committees, control and compliance teams, and all those who may have an interest in promoting corporate governance.

BPP Learning Media is the sole Platinum Approved provider of ACCA content. Our examiner-reviewed Study Texts and

Practice & Revision Kits, and our interactive study tools will provide you with the up-to-date material you need for exam success.

Social Web Evolution: Integrating Semantic Applications and Web 2.0 Technologies

Foundations in Accountancy (FIA) awards are entry-level, core-skill focused qualifications from ACCA. They provide flexible options for students and employers, and as official ACCA Approved Learning Provider - Content, BPP Learning Media's study materials are tailored to the exams students will take.

Accountancy

An accessible beginner's guide to the fundamentals of audit and assurance. Audit and assurance is a basic and vital aspect of the financial world and a key element of all professional accountancy programs. Whereas professional training on the topic frequently immerses students in too much detail while glossing the basics, this book begins with the fundamentals and expands to cover the details in a more measured way. With practical examples and end-of-chapter examples, External Audit and Assurance Essentials breaks down a difficult and challenging field of professional accounting.

Night in Tehran

BPP Learning Media is an ACCA Approved Content Provider. Accountant in Business (AB) - Study Text

Foundations in Accountancy (FIA) awards are entry-level, core-skill focused qualifications from ACCA. They provide flexible options for students and employers, and as an ACCA Approved Content Provider, BPP Learning Media's suite of study tools will provide you with all the accurate and up-to-date material you need for exam success.

ACCA P1 Governance, Risk and Ethics

The Internal Auditing Handbook

The Association of Chartered Certified Accountants (ACCA) is the global body for professional accountants. With over 100 years of providing world-class accounting and finance qualifications, the ACCA has significantly raised its international profile in recent years and now supports a BSc (Hons) in Applied Accounting and an MBA. BPP Learning Media is an ACCA Official Publisher. The F8 Audit and Assurance paper aims to develop your knowledge and understanding of the process of carrying out an assurance engagement, using the external audit as an example. As well as emphasising the practical aspects of carrying out assurance engagements, this paper also seeks to establish your understanding of the professional regulatory framework in place. It focuses on the following key themes: * Audit framework and regulation, including ethical and professional considerations * Internal audit and how this differs from the external audit * The external audit process, from planning through to audit fieldwork and final review * Reporting - the audit report and other reports. The examiner-reviewed F8 Study Text includes everything you need for this paper, including detailed guidance on the exam and the pilot paper questions. The question bank includes questions in the style of the F8 paper, and each chapter contains useful exam focus points. The Study Text provides an excellent introduction to the main professional and regulatory aspects of audit and assurance engagements, focussing on ethics and regulation, before going through the external audit process as an example of a key assurance engagement. BPP Learning Media is the publisher of choice for many ACCA students and tuition providers worldwide. Join them and plug into a world of expertise in ACCA exams.

Audit and Assurance Essentials

The Dictionary of Auditing is a one-stop resource for key auditing terminology, concepts, and processes essential to auditors and of increasing interest to those that work with them. Covers key regulatory developments such as Sarbanes Oxley and provides links for further reading.

ACCA F8 Audit and Assurance

Based on historic events, and frighteningly relevant to today's headlines -- a taut thriller about one American diplomat's year of living dangerously in Tehran in the days leading up to the Iranian Revolution ... In the style of Alan Furst, this suspenseful thriller -- based on real events -- places an idealistic American diplomat in a turbulent, US-hating Tehran in the days leading up to the Iranian Revolution. Backed by the CIA, and trailed by a beautiful and engaging French journalist he suspects is a spy, David Weisman's mission is to ease the Shah of Iran out of power and find the best alternative between the military, religious extremists, and the political ruling class -- many of whom are simultaneously trying to kill him.

FIA Foundations of Financial Accounting FFA (ACCA F3)

In the last five years accounting for the environment has taken an increasingly central role in shaping discussion within the international accounting profession. Environmental accounting is now seen as an essential element in any organization's environmental response. This book seeks to answer the question "What can/should accountants do in response to the developing environmental agenda?" It lays out the best accounting practice with regard to the environment world-wide, and provides ideas for experimentation and future development.

ACCA, for Exams in 2011

This unique international guide presents up-to-date, factual data on professional accounting throughout the world. It contains the certification requirements, responsibilities and activities of professional accountants, and information on accounting organizations and periodicals in over 100 countries. With current emphasis on globalization by many industrial and service organizations, accounting firms, and universities, the author has provided a resource for all those who participate in or who are interested in learning about globalization. Based on responses to his worldwide survey and other sources of information, the author presents material on reciprocity for professional accountants (the present state-of-the-art status of such policies); certification requirements for various levels or categories of professional accountants in different countries; primary functions of the professional accountants and the types of documents reviewed by them in various countries; current requirements for continuous education; names and addresses of organizations which control or supervise the accounting program in each country; and ethical standards for professional accountants. This guide book provides a wealth of information for consultants and executives involved, directly or indirectly, in globalization and could easily be used as supplementary reading in college-level international accounting and business courses.
