Now in full color, with over 1,400 photographs and illustrations, the Sixth Edition of this market-leading text is a step-by-step, highly visual guide to the how-to's of periodontal instrumentation. It takes students from basic skills such as patient positioning, intraoral finger rests, and basic instrumentation, all the way to advanced techniques such as assessment of periodontal patients and instrumentation of multirrooted teeth, root concavities, and furcation areas. Critical thinking activities and patient cases promote application of concepts and problem-solving skills. A brand-new bonus DVD packaged with this edition includes video clips demonstrating the techniques covered in the book.

## **Abbreviation Dictionary**

This manual implements Air Force Policy Directive (AFPD) 36-28, Awards and Decorations Programs; and AFPD 36-31, Personal Affairs. This manual governs the Air Force special trophies, awards, decorations and memorialization programs. It applies to Regular Air Force, Air Force Reserve and Air National Guard personnel; and where specified applies to Air Force civilian employees paid through appropriated funds. In collaboration with the Chief of Air Force Reserve (AF/RE) and Director of the Air National Guard (NGB/CF), the Deputy Chief of Staff for Manpower, Personnel, and Services (AF/A1) develops personnel policy for the Air Force Awards and Memorialization Program. Ensure all records created as a result of processes prescribed in this publication are maintained in accordance with Air Force Manual (AFMAN) 33-363, Management of Records, and disposed of in accordance with the Air Force Records Disposition Schedule located in the Air Force Records Information Management System.

The Tongue and Quill has been a valued Air Force resource for decades and many Airmen from our Total Force of uniformed and civilian members have contributed their talents to various editions over the years. This revision is built upon the foundation of governing directives and user's inputs from the unit level all the way up to Headquarters Air Force. A small team of Total Force Airmen from the Air University, the United States Air Force Academy, Headquarters Air Education and Training Command (AETC), the Air Force Reserve Command (AFRC), Air National Guard (ANG), and Headquarters Air Force compiled inputs from the field and rebuilt The Tongue and Quill to meet the needs of today's Airmen. The team put many hours into this effort over a span of almost two years to improve the content, relevance, and organization of material throughout this handbook. As the final files go to press it is the desire of The Tongue and Quill team to say thank you to every Airman who assisted in making this edition better; you have our sincere appreciation!

## **My Days With Father Clancy**

### **Public Health Service publication no. 487, 1959-61**

"My Days with Father Clancy" is a heart-warming story of a larger than life individual who served as a parish priest for 75 years and was able to say Mass at 100 years old, a very rare event in the history of the Catholic Church. The central focus of this humorous, witty and nostalgic story, as seen through the eyes of Father John J Clancy's all-purpose 10 year old assistant or "boy," captures the essence of life in a small town Catholic parish during the late 50s and early 60s. To say the least, Father Clancy was an extremely strong-willed Irishman deeply steeped in rich life experiences who rode herd literally rode herd over a magical shining village on the hill namely the Church, the School, and the Families---the Ultimate Trifecta. He was an authoritarian, at best a benevolent despot, who instilled fear and respect and love in those who had the privilege to know him. If you grew up Catholic or went to a Catholic school or even know someone who is Catholic, you will "belly laugh" and maybe even shed a tear of happiness as you make your way through this "Bells of St Mary's" trip down memory lane.

Dental Technician (CDT) Passbook(R) prepares you by sharpening the skills and abilities necessary to succeed on your upcoming entrance exam. It provides a series of informational texts as well as hundreds of questions and answers in the areas that will likely be covered on your upcoming exam, including but not limited to: general dentistry; materials; oral anatomy and physiology; dentures; orthodontics; and more.

### **Army-Navy-Air Force Register and Defense Times**

March 1945 edition of Bombardiers' Information File BIF 1-6-3. When you receive BIF revisions you are required by AAF Regulations 62-15 and 15-24 to do the following: 1. Sign the receipt portion of Form 24BA (which is always enclosed as the first sheet of every revision). Hand this receipt at once to the operations office where you receive the revision. 2. Read the directions on the envelope which contains the revision. 3. Remove from your BIF and destroy the pages which are listed on the envelope. Don't try to short-cut and place the revision pages in at the same time you remove the replaced pages. You are sure to make mistakes. Do it one step at a time. Go clear through your book and take all pages out that are listed on the envelope. This is vital. 4. Read and study the revision sheets until you understand them. 5. Place the revision sheets in their proper place in your copy of BIF. 6. When you have done all of the above, and not until you have done it all properly, sign the compliance section of Form 24BA and return it to your Operations Officer so that it may be placed in your
