The South Western Reporter

Can we prove that the Bible makes false claims? Do the gospels all agree on details in the life, death, and resurrection of Jesus? Does the Bible ever exaggerate historical facts? Do its moral teachings justify it being called "The Good Book?" Written by an ex-fundamentalist and graduate of Liberty University, this book goes straight to the evidence and presents a concise case-by-case analysis of the most salient irrationalities in the Christian Scriptures. With insightful commentary concerning frequent rebuttals used by apologists, it makes a solid case against evangelical claims to inerrancy. A valuable resource for believers and skeptics alike. Also included are examples of bogus prophecies and scribal manipulations of the New Testament.

Dawn of a New Day (American Century Book #7)

Ben Jacobs was on his third tour of duty in Afghanistan in 2009 when his world changed forever; he was severely injured during an explosion and was left hovering near death. Upon returning to New York, Ben finds it difficult to handle the pain of his injuries and becomes one of the many who call the streets home. There are those who try to help Ben and encourage him to see God and the good in life. But one cold night, Ben stumbles onto a scene he can't quite comprehend: he sees his homeless friends from Vernal Hill being loaded onto a bus at gunpoint. Ben wonders what he should do. Certainly no one will believe his claims; he's a homeless alcoholic veteran with a bad brain and a strange angel living inside him. Why French Women Smell Bad

"History shows that people who save and invest grow and prosper, and the others deteriorate and collapse. As Financial Reckoning Day demonstrates, artificially low interest rates and rapid credit creation policies set by Alan Greenspan and the Federal Reserve caused the bubble in U.S. stocks of the late '90s. . . . Now, policies being pursued at the Fed are making the bubble worse. They are changing it from a stock market bubble to a consumption and housing bubble. And when those bubbles burst, it's going to be worse than the stock market bubble. . . . No one, of course, wants to hear it. They want the quick fix. They want to buy the stock and watch it go up twenty-five percent because that's what happened last year, and that's what they say on TV." —Jim Rogers, author of the bestseller *Adventure Capitalist* from the Foreword to *Financial Reckoning Day* Advanced praise from bestselling authors "An investment book that will not only enlarge your investment horizon, but also make you laugh and thoroughly entertain you for a few hours." —Dr. Marc Faber, author of the bestseller *Tomorrow's Gold* "Financial Reckoning Day is . . . in the category of scintillating sex or good vision, something to be savored and enjoyed before it is too late." —James Dale Davidson, author of the bestseller *The Great Reckoning* and *The Sovereign Individual* "A powerful and insightful vision . . . each paragraph stimulates a new rush of thoughts that fills in gaping holes in the investor's understanding of what has happened to their dreams . . . while prepping them to confront any new confusion that may arrive." —Martin D. Weiss, author of the bestseller *Crash Profits*

Happiness Is a Choice

"Jackie Lee Miles is a wise and perceptive writer with a keen understanding of human frailties."-Julie Cannon, author of Truelove and Homegrown Tomatoes "Perfect in voice and detail, chock full of girl talk and seat-of-the pants crises, Miles' book is a winner." -Rosemary Daniell, award-winning author of Secrets of the Zona Rosa: How Writing (and Sisterhood) Can Change Women's Lives "Miles is a fascinating new voice in Southern fiction. Readers will rejoice." -Karin Gillespie, author of Bet Your Bottom Dollar "For those of us looking for relationships that feel authentic, you will find them in this novel!" -Edward Mooney, Jr. author of The Pearls of the Stone Man

Part one of "Leap of Faith From Fear to Fulfillment" is a wonderful source of encouragement, empowerment and enlightenment. The chapters, like rungs on a ladder, carefully guide the reader to hold on, act upon their desires and embrace the opportunity to live their dreams. As they courageously leap to their Divine right place in life they truly experience the AHHH of fulfillment. The pages are also speckled with some of my own personal experiences. Part two has proven to be a healing and very rewarding experience for all those who graciously accepted my invitation to share their "Pearls of Wisdom," " Reiki Experiences and Leaps of Faith," and "Poetry." Barry Spilchuk co-author of "A Cup of Chicken Soup for the Soul" and creator of You're My Hero Books has offered this quote for "Leap Of Faith From Fear to Fulfillment: " "In a world where everything is RUSH, RUSH, RUSH, And we are told we have to be POWERFUL to succeed, Along comes this timely book from Suzanne Harmony. This book will allow you to GENTLY start to heal, claim your power and put you on your path to CELEBRATING YOUR GOD GIVEN gifts and talents to the fullest of your ability."

Have you ever told yourself that you're done being nice to people? Have you ever felt that you didn't want to deal with drama in your life anymore? Are you a person who claims to hate drama, but seems to find yourself in it at every turn? Then you are not alone. Olivia felt that way, too. How is it, that drama became the catch-phrase of the moment-and how is it that everyone seems to know what it means? When it comes to drama, Olivia knows it. One bad mood and a car crash later, Olivia finds herself having to re-live the drama of life all over, in a very unconventional (yet trendy) kind of way. Join her as she relives the tales of love and lust, money and sex, and ponders the meaning of life through the sympathetic ear of a total stranger. Powerful, personal and controversial, Olivia "tells it like it is" as she relays her experiences that many people can identify with, but would never admit to. You may laugh, you may cry, you may strongly disagree-but you won't feel alone anymore, and we all need that from time to time.

All the Wrong Moves

We're All Important

The complex moral ambiguities of seduction and revenge make *Les Liaisons dangereuses* (1782) one of the most scandalous and controversial novels in European literature. The subject of major film and stage adaptations, the novel's prime movers, the Vicomte de Valmont and the Marquise de Merteuil, form an unholy alliance and turn seduction into a game - a game which they must win. This new translation gives Laclos a modern voice, and readers will be able to judge whether the novel is as 'diabolical' and 'infamous' as its critics have claimed, or whether it has much to tell us about the kind of world we ourselves live in. David Coward's introduction explodes myths about Laclos's own life and puts the book in its literary and cultural context. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

The Awakening of Poppy Edwards

Pray from Your Gut Satan is alive, well, and actively searching for opportunities to ruin you. Perhaps your trying circumstances or struggling relationships reflect his schemes. Does that make you angry? If you've ever suppressed simmering anger toward the enemy, seeing it as an intrusion into your prayers, it's time you experience the power of violent prayer. These very emotions of hatred and anger against Satan are fuel for life-changing prayer. Overcome an unhealthy, passive approach to prayer that dilutes your communion with the reigning Victor. When you move from defensive, reactive prayers to offensive, proactive prayers with an aggressive agenda, things begin to change. And you don't want to miss out. When the Battle Rages, Wage Prayer You witness evil all around and it bothers you. You fall to your knees and tentatively, hopefully, you approach God and ask Him to step in. But nothing happens. Goodness and righteousness seem to be fighting a losing battle. You wonder, Why is God so passive? Perhaps the better question is this: Why are you so passive when it comes to prayer? Embrace the infuriating, passionate emotion that wells up within you against Satan and his schemes. Turn your righteous anger into proactive, aggressive prayers that invite God to intervene and destroy the evil around you. Engage in violent prayer. "Chris Tiegreen writes with wisdom, knowledge, and creativity. Violent Prayer is a wonderful resource for Christians who want to make prayer a more powerful part of their lives." Carol Pipes Editor, On Mission Story Behind the Book "Especially in praying for my family, I've learned that there is a connection between the emotional content of my prayers and the results I see later. Many such experiences have convinced me that 'violent' prayers can be quite appropriate and effective. My book gets into the nuts and bolts of praying God's agenda without reducing it to formulas, hierarchies, military strategies, or any other clichéd approach to spiritual warfare. It primarily addresses the emotional attitude of the believer and describes how to incorporate God's holy anger into prayer for specific situations. Christians will learn how to pray from their gut-level reactions to the enemy's agenda." —Chris Tiegreen
