An exploration of the role that dreaming, psychedelic experiences, and mystical visions play in visionary art • Includes discussions with 18 well-known female artists, including Josephine Wall, Allyson Grey, Amanda Sage, Martina Hoffmann, Penny Slinger, and Carolyn Mary Kleefeld • Reveals how they have all been inspired by deep inner experiences and seek to express non-ordinary visions of reality, reminiscent of shamanic trance states, lucid dreams, and spiritually transcendent experiences • Shows how visionary art often contains an abundance of feminine energy, helping us to heal ourselves and see that we are all connected Since early humans first painted from their mystic eye onto cave walls, artists have sought to share their sacred visions with the world. Created in every medium, from oil painting and sculpture to contemporary digital modeling, these visionary works of art give those who experience them a chance to “see the unseen,” realize wider modes of perception, and discover spiritual and mystical realms. In this full-color illustrated book, David Jay Brown and Rebecca Ann Hill examine the work and inspirations of eighteen of today’s leading female visionary artists, including Josephine Wall, Allyson Grey, Amanda Sage, Martina Hoffmann, Penny Slinger, and Carolyn Mary Kleefeld. They explore the creative process and the role that dreaming, psychedelic experiences, sexuality, and divine guidance play in the work of these women, alongside full-color examples of their art. They discuss the future of visionary art and reveal how these artists have all been informed and inspired by deep inner experiences and seek to express non-ordinary visions of reality, often reminiscent of those encountered in shamanic trance, lucid dreams, psychedelic states, spiritually transcendent experiences, and other altered states. Showing how visionary art often contains an abundance of feminine energy, helping us to heal ourselves and see that we are all connected, the authors explore with each artist what it is about being a woman that has most influenced their artwork. They also examine the connection between visionary art and spirituality, the influence of Nature and sacred geometry, and how this creative form is simultaneously ancient, futuristic, and timeless, providing an accessible doorway into the visionary realm.

Daily Devotions for People Who Hate Daily Devotions Let’s face it. A lot of Christian resources can feel cheesy, out-of-touch, and a little boring. But when Skye Jethani started doodling and writing up some of his thoughts about God, his Twitter and email list blew up. What If Jesus Was Serious? is a compilation of all-new reflections (and hand-drawn doodles) from Skye.

He takes a look at some of Jesus' most demanding teachings in the Sermon on the Mount and pushes us to ask whether we're really hearing what Christ is saying. The visual component of the book makes it memorable and enjoyable to read, and Skye's incisive reflections make it worthwhile for any Christian. If you've traditionally been dissatisfied with Christian devotional resources but love to learn about Jesus and think deeply, this book was written for you.

## Futureville

Stop Living Your Life Under, Over, From and For God and Start Living in Communion With Him. Endorsements: If we've grown weary of Christianity, if we find most any local church uninspiring, maybe the problem lies not in the Christian faith or these faithful bodies, but in our own disgruntled hearts. In *With*, Syke Jethani tenderly unmasks the clichéd posturing that too often masquerades as genuine communion with Christ. More importantly, he takes readers to the humble place they must occupy—in prayer, studying Scripture, with the Church—if faith, hope, and love are to truly mark our lives. -James H. Gilmore, author, *The Experience Economy* Made of the stuff of spiritual classics and presented in simple, contemporary terms, Skye Jethani does each of us a great service in calling us to reimagine the way we relate to God. We so readily fall prey to living out distortions and reductions to our Christian faith—with disastrous consequences. You and I are far more than sinners, consumers, managers, and servants. We are dearly loved by God and made for eternal communion with him. Everything looks different when we live life in response to God's love. -Paul Louis Metzger, Ph.D., Professor of Christian Theology & Theology of Culture, Multnomah Biblical Seminary and author of *The Gospel of John: When Love Comes to Town* Cleverly using four prepositions—under, over, from, and for, Skye Jethani convincingly diagnoses the reigning paradigms of life—whether secular or religious—and shows how each one has captured some element of truth but in the end is deficient; Ultimately, they miss the most important thing—real communion with the living God. Thus utilizing one final preposition, *With*, he lays out what it really means to know and experience communion with God—a life of faith, hope and love—the very things that we all desperately want and need. This is a helpful, encouraging, and inspiring book. -Jim Belcher, author of *Deep Church* It doesn't matter, as old theologians were rumored to argue, how many angels can dance on a pinhead. But it does matter which preposition governs your faith—over, after, against, for, from, under, with. Who knew what huge worlds turn on such tiny words? Who knew what theological riches were laced into the bones of grammar? Skye has done a great service to the church. In prose elegant and clear, with insights keen and deep, he shows how everything changes with just one word: *With*. It's a book I want my whole church to read. -Mark Buchanan, author of *Spiritual Rhythm* Who knew that a preposition had so much influence? Skye's book will challenge the way that you think about God and faith digging deep into our motivations and heart issues. You can't read this book and not see yourself and others differently! -Margaret Feinberg, author of *Scouting the Divine* and *Hungry for God* This book will do for our generation what J.B. Phillips, in his classic *Your God is Too Small*, did for his. *With* reveals views of God that can't satisfy and opens up the possibility for exploring a life with God that more than satisfies. -Scot McKnight, author of *One Life* and *The Blue Parakeet*, professor of theology and

biblical studies at North Park University Since I dove into With, I can't stop thinking about it. Skye Jethani's insights will change how you think about God and you and how the two of you relate. -Dr. Kara E. Powell, Executive Director of the Fuller Youth Institute

"Hannah Bronfman is challenging us all to rethink our default standards of beauty and definitions of 'healthy' —and I, for one, couldn't be happier to hear this from another woman of color in the wellness community. Do What Feels Good is a practical, inspirational, and beautiful guidebook to feeling good in your own skin." --Gabrielle Union, actress and bestselling author of *We're Going to Need More Wine* As a food lover, beauty product addict, exercise junkie, and wellness entrepreneur, Hannah Bronfman practically radiates confidence and health. But she'll be the first one to admit that the road to wellness and self-acceptance hasn't been easy. As a woman of color who grew up watching a close family member struggle with an eating disorder, Hannah's had to forge her own path and create her own standards of beauty. And what she's learned is this: Healthy is beautiful. And healthy should feel good. In *Do What Feels Good*, Hannah offers real talk about getting in touch with your body's needs, baring her soul and sharing her story along the way. Hannah provides insight on everything from gut health to nutrition to fitness to skincare, sharing insight from top experts on how to understand your body's unique chemistry so that you can fuel it with more of the things that feel good and less of the things that don't. And since delicious food is one of the things that makes everyone feel good, Hannah shares more than 50 of her favorite recipes for healthy hedonism (desserts and cocktails included!). Enlightening, empowering, and educational, this is an approach to wellness that is holistic, hedonistic, and real. Because self-care should not feel self-punishing, and every body deserves to feel good.

An "excellent" A-to-Z reference of female fighters in history, myth, and literature—from goddesses to gladiators to guerrilla warriors (*Library Journal*). This is an astounding collection of female fighters, from heads of state and goddesses to pirates and gladiators. Each entry is drawn from historical, fictional, or mythical narratives of many eras and lands. With over one thousand entries detailing the lives and influence of these heroic female figures in battle, politics, and daily life, Salmonson provides a unique chronicle of female fortitude, focusing not just on physical strength but on the courage to fight against patriarchal structures and redefine women's roles during time periods when doing so was nearly impossible. The use of historical information and fictional traditions from Japan, Europe, Asia, and Africa gives this work a cross-cultural perspective that contextualizes the image of these unconventional depictions of might, valor, and greatness.

McKeon. Darrick's D.K., all right, but so are his brothers. One of them has to be the father. After all, he's the good brother—the one who always looks before he leaps. But then he remembers a certain mountaintop and a lovely, lissome pilot who landed him there...nine months ago.

## **The Trailsman #240**

CHRISTIANITY TODAY'S PASTORAL/CHURCH LEADERSHIP BOOK OF THE YEAR 2017 "In my first seminary class, we were asked to introduce ourselves and say why we enrolled. I'll never forget what one student said... 'My denomination wants me to have an M.Div., but once they see I can grow a big church, I don't think they'll make me finish the program.'" The priorities of this future pastor were startling, but he's not alone in them. In the years since that class, author and minister Skye Jethani has seen more and more pastors swallowed by the celebrity syndrome. Not long ago, ministers were among the most trusted and admired people in our culture. But not anymore. A 2013 study from Gallop revealed that Americans' admiration for clergy has reached an all-time low. That, taken with reduced trust of institutional religion overall, makes it easy to see why ministers feel insecure about their calling. In response to this trend, some pastors have looked to emulate those who are praised by the culture—business leaders, entertainers, and social activists. This has led to a new understanding of what a minister should be. We've turned away from viewing our pastors as shepherds, and now expect them to be celebrities. Immeasurable will help ministers recognize the cultural forces shaping their view of the calling, and then reimagine what faithful church leaders can look like in the twenty-first century. Through short essays and reflections on the pastor's soul and skills, this book will help prospective pastors explore their calling to ministry, and it will help veteran pastors reframe their vision for the work. Drawing on cultural dynamics, personal stories, and his own experience working in a church and with church leaders, Skye Jethani will address matters like ambition, anger, community, consumerism, fame, health, justice, platform, preaching, rest, simplicity, success, vision, and more. There are endless resources to help pastors do the practical work of ministry, but there are far fewer that speak to the pastor's soul and spirit. Immeasurable provides affirmation and encouragement for church leaders faithfully serving God. It commends the true work of ministry—shepherding, teaching, encouraging—while redefining what we mean by success in ministry. It's a book church leaders can return to again and again for insight and inspiration.

In *TOUCHED (BOOK #2 OF THE SHADOW VAMPIRES)*, Keira Blaine is on the run with her new love, Cooper. Having just finished vanquishing the first wave of Shadow Vampires, the small town of Everstock is no longer a safe place for them. They have to flee, and search for a safe haven together. Keira can't return home anyway, especially after running away from her parents to be with Cooper. As they embark on their journey together, Cooper tells Keira about his long-lost mother and her tribe, The Torches, a race of positive vampires, rival enemies to the Shadow Vampires. Separated from her at birth, Cooper is determined to find his mother, and to follow the clues and his magical ring that will lead him to her. Keira is determined to find out more about who she is becoming, too, and where her new powers are coming from mysterious powers that are growing by the day. Is she a vampire, too? Where is her strength coming from? What is her destiny? Keira and Cooper continue on their fantastical journey to mysterious islands in Lake Michigan. They manage to find Cooper's mother and her tribe but once there, Keira has to confront a beautiful young Torch woman, Tua, who falls in love with Cooper and is determined to make him her own. Keira is forced to face danger alone at a club in Chicago, and to go back home and face her family and her old high school where she realizes that she is no longer welcome. Worse, the Shadow Vampires won't let them rest. They hunt them down, and enlist their most gorgeous soldier the teenage Percy to seduce Keira's sister, Amanda, and have her lead them to her. Amanda, despite herself, falls deeply in love, and Percy finds himself feeling unexpected feelings of his own. Will he have to betray his tribe? Keira and Cooper, too, are falling more deeply in love with each other but life circumstances seem determined to pry them apart. Will their love withstand the test? Will Keira find out who she really is? And will the Shadows hunt them down before they can each fulfill their mission? *TOUCHED* is Book #2 of the Shadow Vampires (following *SAVED*), and yet it also stands alone as a self-contained novel.

## **Women of Visionary Art**

This collection brings together world-leading and emerging scholars to explore how the concept of "protection" was applied to Indigenous peoples of Britain's antipodean colonies. Tracing evolutions in protection from the 1830s until the end of the nineteenth century, the contributors map the changes and continuities that marked it as an inherently ambivalent mode of colonial practice. In doing so, they consider the place of different historical actors who were involved in the implementation of protective policy, who served as its intermediaries on the ground, or who responded as its intended "beneficiaries." These included metropolitan and colonial administrators, Protectors or similar agents, government interpreters and church-affiliated missionaries, settlers with economic investments in the politics of conciliation, and the Indigenous peoples who were themselves subjected to colonial policies. Drawing out some of the interventions and encounters lived out in the name of protection, the book examines some of the critical roles it played in the making of colonial relations.

## **Everyone Is Different, Everyone Is Special**

In a mythic Scotland, two unlikely heroes must make a dangerous journey to save their people. Agatha is a Hawk, brave and fierce, who protects her people by patrolling the high walls of their island home. She is proud of her job, though some in her clan whisper that it is meant to keep her out of the way because of the condition she was born with. Jaime, thoughtful and anxious, is an Angler, but he hates the sea. Worse, he's been chosen for a duty that the clan hasn't required for generations: to marry. The elders won't say why they have promised him to a girl in a neighboring clan, but there are rumors of approaching danger. When disaster strikes and the clan is kidnapped, it is up to Agatha and Jaime to travel across the haunted mainland of Scotia to Norveg, with help along the way from a clan of nomadic Highland bull riders and the many animals who are drawn to Agatha's extraordinary gift of communication. Thrilling and dark yet rich with humor and compassion, this is the first book in the Shadow Skye trilogy, written by a wonderful new voice in fantasy and introducing a welcome new kind of hero.

## **Falling for the Beast**

Want to see the future? It is brighter than you think. What we believe about tomorrow determines how we live today. As Christians debate how to faithfully engage with our rapidly changing world, our vision of the future has never been more important. But rather than providing a clear sense of purpose for our lives, popular Christian ideas about the future steal it from us by saying our work in the world, apart from ministry, has no eternal value. Is it any wonder why young adults are less interested in church, or why a culture desperate for meaning and hope dismisses our message? In Futureville, Skye Jethani offers us a vision-shifting glimpse of the world of tomorrow described in Scripture. He reveals how a biblical vision of the future can transform every person's work with a sense of purpose and dignity today. Futureville is a smart, inspiring call to cultivate the order, beauty, and abundance that reflects the heart and vision of God for our world.

## **Aboriginal Protection and Its Intermediaries in Britain's Antipodean Colonies**

Life is a Gift, is a story about a young girl's faith in the midst of very troubled times. After being involved in a serious accident the struggles of wanting to live become alive, even as her world quickly becomes dark. No one but God can work the miracles that Skye prays for. Will her life change forever? Or will she stand firm believing that God works all things for good to those who love him?

## **Library Journal**

The best way to take care of your self is to take care of your Self. With its unique three-fold approach, this book helps you nurture and nourish the mind, body, and spirit within the natural course of every day: Mind Take a break from the (bad) news. It's hard to find spiritual sustenance and renewal in a world rocked by tension. So turn off the television and radio, stay off the Internet, and stop the daylong bombardment of negativity from virtually every media outlet. Body Drink a cup of gyokuro tea. Theanine is an amino acid that increases alpha brainwave activity--and gyokuro tea is chock full of it. One cup of this Japanese green tea and you'll be calmer and wiser for up to four hours. Spirit Choose a natural talisman. A talisman is a token chosen to create a certain effect. Crystals, stones, and feathers are natural talismans you can use to protect yourself from anxiety, relieve stress, and remind you who you really are. From alternative medicine and ayurvedic nutrition to chakra healing and tantric sex, this book allows you to weave self-care into the weft and woof of your lives, transforming your lives--moment to moment, hour to hour, day to day.
