### Standard First Aid and Personal Safety

### Advanced First Aid and Emergency Care

### American Red Cross Abridged Text-book on First Aid

Cat First Aid, by the American Red Cross, is a color-coded guide and accompanying DVD that includes basic responsibilities like spaying and neutering to managing breathing and cardiac emergencies to preparing for disasters. The guide includes nearly 70 cat first aid topics and the DVD shows step-by-step how to perform the skills needed to administer care to a cat. Cat First Aid is a quick reference guide designed to help everyday people manage emergency situations on their own, with speed and confidence.

### Born A Crime

Original Boy Scout Handbook is the official handbook of the Boy Scouts of America. It is a descendant of Baden-Powell's original handbook, Scouting for Boys, which has been the basis for Scout handbooks in many countries, with some variations to the text of the book depending on each country's codes and customs. The original edition of the handbook was based on Baden-Powell's work. Ernest Thompson Seton combined his Woodcraft manual, the Birch Bark Rolls, with Baden-Powell's Scouting for Boys. Subsequent works were done by other authors. William "Green Bar Bill" Hillcourt wrote the 6th, 7th, and 9th editions. Frederick L. Hines wrote the 8th, and Robert Birkby the 10th, 11th and 12th editions. The first Official Handbook, subtitled A Handbook of Woodcraft, Scouting, and Life-craft was published from

July 1910 until March 1911 and appeared in eight distinct variations. It was written by Ernest Seton and drew greatly on Baden-Powell's Scouting for Boys, it included information on the organization of Scouting, signs and signaling, and camping, as well as Scouting games and a description of several Scouting honours. Notably, this book did not place emphasis on first aid, knife and axe use, or map and compass work, as later editions would. Because this edition was intended solely as a temporary guide until an authoritative handbook could be made, it is now known as the 1910 Original Edition Handbook. ### **First Aid/ CPR/ AED Participant's Manual**

#### **Infant and Child CPR**

As the number of community pools and waterparks grows nationwide, participation in aquatic activities is also growing. Lifeguards must receive proper and effective training, and maintain their skills to ensure their ability to work effective with others as a part of a lifeguard team. This manual will supplement your in-service training to keep your knowledge and skills sharp.

#### **A Family Guide to First Aid and Emergency Preparedness**

One of the finest first aid books I've seen. --Mel Otten, M.D., Wilderness Medical Society • New chapters on judgment and decision-making and mental health • First-aid topics--patient assessment, shock, soft tissue injury, burns, fractures and dislocations, and chest, head, and abdominal injury • How to handle environmental problems--heat, cold, water, altitude, and poisonous plants and animals

#### **Boy Scouts Handbook The First Edition 1911**

The treatment of wounds, shock, poisoning, and burns are covered in this basic text on accident prevention and emergency first aid

#### **American Red Cross First Aid/CPR/AED Participant's Manual**

#### **Heartsaver First Aid CPR AED Student Workbook (International English)**

#### **Dog First Aid**

Presents a training guide to becoming a safe, responsible, and successful babysitter, focusing on what to do when children suffer different kinds of accidents and illnesses.

#### **Basic Water Rescue**

“A book of major historical importance—the first contemporary novel to chronicle gay life with unsparing honesty and wild humor.”—Erica Jong In print since its original publication in 1978, Larry Kramer’s *Faggots* has become one of the bestselling novels about gay life ever written. The book is a fierce satire of the gay ghetto and a touching story of one man’s desperate search for love there, and reading it today is a fascinating look at how much, and how little, has changed. “As

a documentation of an era, as savage and savagely funny social parody, as a cry in the wilderness, and as a prescient, accurate reading of the writing on the wall, the novel is peerless and utterly necessary. It is brilliant, bellicose, contemptuous, compassionate and—as is true of everything Kramer writes—behind its delectable, entertaining, sometimes maddening harshness is a profoundly moving plea for justice and for love. There are few books in modern gay fiction, or modern fiction for that matter, that must be read. Faggots is certainly one of them.”—Tony Kushner “A Vesuvian explosion about the gay life that spares no one and no thing . . . there is much truth and honesty to be found here.”—Chicago Tribune “True comic brilliance—a vicious Swiftian satire that, like all satire, contains a strong moral voice.”—New York “Faggots, for all its excesses, is frequently right on target and, when it is on target, is appallingly funny.”—Edward Albee “Larry Kramer is one of America’s most valuable troublemakers. I hope he never lowers his voice.”—Susan Sontag

## **First Aid Cpr Aed Program**

Frequently reissued with the same ISBN, but with slightly differing bibliographical details.

## **CPR/AED for the Professional Rescuer**

"Designed for use by persons who are responsible for giving emergency care to the sick and injured. It provides the essential information for developing the functional first aid capabilities required by policemen, firemen, emergency squad members, and ambulance attendants."--Preface.

PORTABLE LITERATURE: READING, REACTING, WRITING, Ninth Edition, includes a wide selection of essential classic and contemporary readings along with brief introductions to the literary genres, useful study questions and prompts, and a down-to-earth, accessible guide to writing about literature. This streamlined edition is an affordable, portable alternative to the full-length and compact versions of this popular Introduction to Literature text. This edition has been updated to reflect guidelines from the 2016 MLA HANDBOOK, Eighth Edition. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

## **American Red Cross Lifeguarding Manual**

The fourth volume in the Be Red Cross Ready Safety Series, A Family Guide to First Aid and Emergency preparedness provides crucial information needed during a medical emergency or regional disaster, and also serves as a resource parents can use to teach their children how to respond to these types of emergencies. The tabbed, full color reference guide also includes a companion DVD that enhances learning with demonstrations of the steps needed to prepare for and respond to an emergency. The guide takes a positive approach to learning, and fun interactive activities get the whole family involved. Topics include: - Preventing injuries - How to respond to medical emergencies - Creating a family emergency preparedness plan - Assembling an emergency preparedness kit - Activity pages to help parents present preparedness information to children - Special instructions for specific disasters

## **Faggots**

Discusses the history and techniques of swimming and diving, safety rescue techniques, and skills for a variety of aquatic activities.

## **Cat First Aid**

### **The Red Cross in Peace and War**

This New American Red Cross CPR/AED for the Professional Rescuer Participant's Manual and course reflect changes based on the 2005 Consensus on Science for CPR and Emergency Cardiovascular Care (ECC) and the Guidelines 2005 for First Aid. Changes to this program and manual include simplifications to many of the CPR skill sequences, which helps improve retention. There have also been changes to help improve the quality of CPR. The integration of CPR skills into the operation of AEDs had changed to help improve survival from sudden cardiac arrest. Professional rescuers are now trained to use AEDs on adults and children. Information has been updated and added to this program to help professional rescuers administer epinephrine, aspirin and fixed-flow-rate oxygen. The skills learned in this course include adult, child and infant rescue breathing, conscious and unconscious choking, CPR, two-rescuer CPR and adult and child AED. Additional training can be added to this course including bloodborne pathogens training and emergency oxygen administration. While the skills and knowledge that professional rescuers use are increasing, this training will help you meet your most important responsibility as a professional rescuer- the responsibility to save lives.

### **Sport Safety Training**

This manual is developed for use within advanced first aid, CPR, and AED training courses offered through the Emergency Care & Safety Institute. Based on the 2010 International Consensus Guidelines for Cardiopulmonary Resuscitation (CPR) and Emergency Cardiac Care (ECC), Advanced First Aid, CPR, and AED, Sixth Edition is ideal for use within college-level courses designed to certify individuals in first aid, CPR, and AED. More than a stand-alone text, this student manual is the center of an integrated teaching and learning system that offers many resources to better support instructors and prepare students. This manual includes: Coverage of the 2010 CPR and ECC Guidelines: Clear, concise direction on how to perform CPR and use an AED during an emergency. Current information on injuries and illnesses: Core information for first aiders presented in a clear and straightforward format. Skill Drills: Offer step-by-step explanations and visual summaries of important skills. Emergency Care Wrap-Up Tables: Provide a concise summary of what signs first aiders should look for and what treatment steps they should take. About the Emergency Care & Safety Institute The Emergency Care & Safety Institute (ECSI) is an internationally renowned organization that provides training and certifications that meet job-related requirements as defined by regulatory authorities such as OSHA, The Joint Commission, and state offices of EMS, Education, Transportation, and Health. ECSI's courses are delivered throughout a range of industries and markets worldwide, including colleges and universities, business and industry, government, public safety agencies, hospitals, private training companies, and secondary school systems. ECSI offers world-class training solutions in the areas of: Advanced Cardiac Life Support Automated External Defibrillation Babysitter Safety Bloodborne and Airborne Pathogens CPR (Layperson and Health Care levels) Driver

Safety Emergency Medical Responder (formerly known as First Responder) First Aid (Standard, Advanced, Pediatric, Wilderness, and other levels) Oxygen Administration

### **NOLS Wilderness Medicine**

#### **The American Red Cross First Aid and Safety Handbook**

WINNER OF THE THURBER PRIZE The compelling, inspiring, (often comic) coming-of-age story of Trevor Noah, set during the twilight of apartheid and the tumultuous days of freedom that followed. One of the comedy world's brightest new voices, Trevor Noah is a light-footed but sharp-minded observer of the absurdities of politics, race and identity, sharing jokes and insights drawn from the wealth of experience acquired in his relatively young life. As host of the US hit show *The Daily Show with Trevor Noah*, he provides viewers around the globe with their nightly dose of biting satire, but here Noah turns his focus inward, giving readers a deeply personal, heartfelt and humorous look at the world that shaped him. Noah was born a crime, son of a white Swiss father and a black Xhosa mother, at a time when such a union was punishable by five years in prison. Living proof of his parents' indiscretion, Trevor was kept mostly indoors for the first years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, take him away. A collection of eighteen personal stories, *Born a Crime* tells the story of a mischievous young boy growing into a restless young man as he struggles to find his place in a world where he was never supposed to exist. *Born a Crime* is equally the story of that young man's fearless, rebellious and fervently religious mother - a woman determined to save her son from the cycle of poverty, violence and abuse that ultimately threatens her own life. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Noah illuminates his curious world with an incisive wit and an unflinching honesty. His stories weave together to form a personal portrait of an unlikely childhood in a dangerous time, as moving and unforgettable as the very best memoirs and as funny as Noah's own hilarious stand-up. *Born a Crime* is a must read.

#### **Responding to Emergencies**

*Dog First Aid*, by the American Red Cross, is a color-coded guide and accompanying DVD that includes basic responsibilities like spaying and neutering to managing breathing and cardiac emergencies to preparing for disasters. The guide includes nearly 70 dog first aid topics and the DVD shows step-by-step how to perform the skills needed to administer care to a dog. *Dog First Aid* is a quick reference guide designed to help everyday people manage emergency situations on their own, with speed and confidence.
