I Capture the Castle

The story of the history-making meeting between scorned master composer Johann Sebastian Bach and Prussia's Frederick the Great discusses Frederick's abuse-

marked upbringing, his challenge to Bach to improvise an intricate fugue, and their clashes about faith as they reflected the Reformation and Enlightenment periods. 30,000 first printing.

Soul Revival

Readers will feel they know someone just like the characters in this timely novel on social status and social media. Steen Sand, CEO of Stensure Networks, is the head honcho at an IT firm that's developed an Internet service to monitor, compute, and publish people's social status. His chief operating officer, Irene Lund, serves as his muse. He needs her to be part of his world, or he can't achieve anything of significance. But does she feel the same? Chief financial officer, Michael Jensen, is a hard-core pessimist who has learned the hard way not to speak up against the status quo, in spite of his natural inclination to do so. Jensen's a numbers guy. He relates to spreadsheets better than he does to people. Will this cost him in the end? Louise Hald, chief marketing officer, joined Stensure's management team after leaving her post as an assistant professor at a business school. She's beginning to wonder if she'll ever move past the "assistant" part in the eyes of her coworkers. What can she do to ensure she gets ahead? And then there's Sophie Bech. She's made the long trip back to Denmark from South Africa for her own private reasons, and everything looks different to her now. She wonders what her return will hold for her. Was it a mistake? Will her fresh set of eyes-and values-help

or hinder the team? Reductionism-understanding complex things by reducing them to fundamental parts and interactions-comes up against social status, so subtle, intricate, and sought-after, in this intriguing modern-day novel. Will these characters-and their supporting players-make the changes they need to survive in today's world? Or will they succumb to the allure of using easy but underhanded methods to get ahead?

Frederick Chopin, as a Man and Musician

Mary Kate Dupree has been spinning her wheels for too long. Trapped in an abusive marriage to an overbearing good ol' boy, she finally decides to break the cycle when she heads out to pick up her husband's dry cleaning and instead picks up a handsome hitchhiker. They impulsively set off on a road trip of self-discovery, peeling away layers of their dark pasts en route to Niagara Falls, but once there will they take the leap?

Evening in the Palace of Reason

Reenchanting Humanity

What does a henchman do to change jobs? How does a universal translator deal with hand-to-hand-combat? Where do the super-powered get their uniforms cleaned? There's a short story for each of these and more. This collection of stories is full of quick to read stories and cover the other aspects of super-powered life. Who cleans up after super fights? What if a team-mate is fed up and wants to change sides? Tired of the clichéd heroes? Peel the pages of this book and get lost in different lives. Try the sample and see if Super Shorts fit you.

Ghost Granny

Now available in paperback, this landmark biography was first published in 2000 to mark the 250th anniversary of J. S. Bach's death. Written by a leading Bach scholar, this book presents a new picture of the composer. Christoph Wolff demonstrates the intimate connection between Bach's life and his music, showing how the composer's superb inventiveness pervaded his career as a musician, composer, performer, scholar, and teacher.

Enchanted Dreams -

Now with new graphics and Kiddie Verse. Once upon a time, there was a far-away Kingdom that was in terrible trouble because it hadn't rained in years. In those

days, everybody thought that rain was caused by the sneezes of a Dragon. They said that lightning came out of the Dragon's nose and that thunder was the sound of him sneezing. And that that would break open the clouds and let the rain out. All the Knights tried to get the Dragon to sneeze, but all the Knights failed. The King and Queen's three children (Danielle 8, Brett 5 and Erica 1) decided to try for themselves, and they started out on their perilous quest. Problem was: they thought Daddy had said, "Dragon's Knees" instead of "Dragon Sneeze,"so they went out to find dragon's knees. Not seven blocks from the castle, they ran into the world's one-and-only Three-Headed Doppelganger! And right after that, they met the world's one-and-only Blue Whistletoe! Then Erica suddenly disappeared, and when Danielle and Brett found her, she was sitting right between two green trees. But those two green trees weren't trees at all! They were legs! And attached to them was a HUGEGREENDRAGON!!!

The Collapse

After years of being called a tease and then being labeled the Virgin Queen, Andi Kane decides that when she goes off to college, she's ready to ditch the labels. She's grabbing the bull by its horns and riding as wild as she can. Fate must be smiling on her the night she meets Cohen Wellington, the cute boy-next-door and fellow music lover. Their connection is instant, and as the night progresses, she knows she's found The One. Onlyit doesn't go exactly the way she had planned it.

And even though she can't get him off her mind, some humiliations are just too much to overcome. She walks away, never planning to see him again. Three years and a whole lot of experience later, Andi and Cohen are suddenly drawn together again, and it doesn't take long before it's clear their connection is stronger than ever. Fate. Destiny. Kismet. Whatever you want to call it, these two fall hard and fall fast. Their love burns hot, but when their plans for the future seem to move in two different directions, will it be enough to sustain the flames, or will the fire consume them, their relationship combusting before their very eyes? Sometimes love comes quickly without question, without hesitation, and without fear. But this kind of love is once in a lifetime, and sometimes you just have to ask yourself, can it really last?

Bach

Music Across the Senses provides music educators with practical ideas for facilitating student music listening skill development. Written both for in-service and pre-service music educators, the book shows how to facilitate PK-12 students' listening skills using multisensory means in general music and performance ensemble classes. As a whole, Music Across the Senses helps teachers enable students to learn how to devise independent strategies for listening that they can employ and enjoy both now and throughout their lives.

The Diary of a Nobody

This book offers explanations about what the spiritual seeker will experience on their journey to higher level conscious awareness. It provides real life experiences from the author and his associates over the years as examples to guide others in understanding their own process to cognitive advancement.

Richard Wagner

The story of Little and Tim continues in Toolbox Tale's. I invite you to listen to the same story that Little told you but told from the perspective of Toolbox himself. You will see it is a vastly different story to Little's version. In Book Two you will witness a man locked in a battle to keep himself together after a life altering brain injury and a plunge into the dark life of a drug addict after the abandonment of his family. Like me, you may weep to see him fall as he did. But he is not a man to stay down and his story continues to 'Surprise' me, even faced with a life time in prison. I hope you enjoy both of my introductory Novels, Little's Toolbox Books One & Two.

The Theta Timeline

Welcome to the nightmarish future of The Theta Timeline, where '1984' meets 'Slaughterhouse-Five.' Leaders who rely on war and fear. The men and women who refuse to accept a tyrannical government. And an unreliable means of time travel in which most people don't survive. Freedom was not stolen overnight, but gradually chipped away through a campaign of war and terror. People were told new laws and restrictions were for their own good. But the reality was a monstrous regime bent on controlling its subjects. Now, there is only one way to stop the Tyranny: go back in time and prevent it from ever starting. At times eloquent, funny, satirical, and infuriating, The Theta Timeline is not only Dietzel's most powerful book, it is as important as any dystopian vision created to date.

Combust

City Maps Manado Indonesia is an easy to use small pocket book filled with all you need for your stay in the big city. Attractions, pubs, bars, restaurants, museums, convenience stores, clothing stores, shopping centers, marketplaces, police, emergency facilities are only some of the places you will find in this map. This collection of maps is up to date with the latest developments of the city as of 2017.

We hope you let this map be part of yet another fun Manado adventure :)

Ephaidria

Meet Zegin. He is a Shooter. As the best starship diagnostic troubleshooter in Cydonia, he has contained and averted countless catastrophes. Not all jobs go as planned, however, and even the best shooter can't foresee the future. Follow Zegin as he battles against time, defeating rogue computer viruses, seeking solutions to tricky, puzzling problems, averting war, disaster, and avoiding almost certain death! Look inside for Zegin's first two action packed adventures: Zegin's Infection, and Zegin's Abduction, and the added bonus of Jezi's Dilemma. A story about Jezi, who finds herself misrouted, and exceedingly late, after waking from stasis. Also inside, a special sneak peek at Timothy's next work in progress, and a Zegin's Adventures Glossary. Crack the book and take a look! Adventure awaits you in Epsilon!

A Bit of Skulduggery and Other Barmy Ballads from Ireland

A popular series of transcriptions and adaptations for the student. Books feature large notes, carefully edited fingering and a wealth of historical and performance notes.

Super Shorts

As the Gypsies gather in the ancient village of Les-Saintes-Maries-de-la-Mer for the annual celebration honoring their patron saint, a mystical convergence of events brings four adolescents together at a haunted house and sets them on a perilous quest to locate a centuries-old manuscript that holds the power to release the devastating force of the Ancient Ones upon the Earth. Fifteen-year-old Sarah and her younger brother Luca are lonely Gypsy kids who travel about Europe with their parents. Forced by their Gypsy father to beg and pick pockets for money, Sarah and Luca find it impossible to earn their father's approval. Fifteen-year-old Edgar cannot stand his parents (and the feeling is mutual) when the family moves from New Jersey to France so that his parents can live out their dream of being French aristocracy. Fourteen-year-old Aleck's world is turned upside down when his parents are killed in a car crash and his older sister decides that he would be better off in France with their Aunt and Uncle whose real concern is their own lavish lifestyle. Beset by their parents and guardians, the four young people must also survive the mercurial activities of a spirit haunting the house that holds clues to the location of the manuscript which is also sought by a secret society bent on locating it for their own purposes. In a frenzied chase that takes them from the ancient villages of Provence through the blood-soaked quarries of Roussillon to the macabre catacombs of Paris, the four must put aside their differences and suspicions to outwit the evil forces who would stop at nothing to get their hands on

the ancient book. "From the Grave: The Prayer" is a classic tale of terror, suspense and intrigue set in southern France, written by the Master of the Macabre, William Castle.

From the Grave

The Horsemen Next Generation

Zoey Sanders is spending her senior year at a mysterious castle in Scotland that she believes is haunted. The mystery deepens and she has strong speculations that spirits are inhabiting her body at night when she dreams. As she tries to figure out what is going on, two students fall into a deep coma. Something sinister is happening and Zoey is determined to figure it out. She also vows to save the castle spirits that desperately need her help.

Spirit of Love

2087

Two kids from the streets are adopted by the President of an MC. They grow up to be Royalty. This is the saga of them all grown. They are the next generation of the Horsemen. Victor is a Prince and a warrior. He will someday be the King. Katie is a fighting Princess that wears designer things with her weapons. They live in a

castle. They are the Royals of The Horsemen MC.

Unapologetically, Me.

Johann Sebastian Bach, His Work and Influence on the Music of Germany, 1685-1750

Things unknown in 1763.--Had a traveler landed on our shores in 1763 and made a journey through the English colonies in America, he would have seen a country utterly unlike the United States of today. The entire population, white man and black, freeman and slave, was not so great as that of New York or Philadelphia or Chicago in our time. If we were to write a list of all the things we now consider as real necessities of daily life and mark off those unknown to the men of 1763, not one quarter would remain. No man in the country had ever seen a stove, or a furnace, or a friction match, or an envelope, or a piece of mineral coal. From the farmer we should have to take the reaper, the drill, the mowing machine, and every kind of improved rake and plow, and give him back the scythe, the cradle, and the flail.

Music in the Castle of Heaven

One of the 20th Century's most beloved novels is still winning hearts! *I Capture the Castle* tells the story of seventeen-year-old Cassandra and her family, who live in not-so-genteel poverty in a ramshackle old English castle. Here she strives, over six turbulent months, to hone her writing skills. She fills three notebooks with sharply funny yet poignant entries. Her journals candidly chronicle the great changes that take place within the castle's walls, and her own first descent into love. By the time she pens her final entry, she has "captured the castle"-- and the heart of the reader-- in one of literature's most enchanting entertainments. "This book has one of the most charismatic narrators I've ever met." -- J.K. Rowling, author of the Harry Potter series

City Maps Manado Indonesia

A second helping of humorous poetry by Robert E. Wilson, illustrated by Kathryn Bannister. Whether it's the tale of two farmers quarrelling over their sheep, two elderly ladies with their own motoring rules, a fellow who's invented an imaginary ailment so he can down a wee pint or even an ancient magician on a Belfast bus, these ballads should produce a smile or two (and are all family friendly!) If anything, this collection's even barmier than the first!

Famous Composers and Their Music

Navigating Into the Second Cognition

Strange things can happen on Midsummer Night. A funeral pyre can burn and a girl can slide through time. After that things just keep getting stranger for Roxy Hart. There are witch trials and ferrymen, corsets that pinch and young girls with dark secrets. Of course Roxy knows someone needs saving, but who, how and from what? Join Roxy Hart as she denies destiny, reallocates luck and sifts truth from lies to find a reality she never could have imagined.

Best of Bach

Four clairvoyant Earthlings are summoned to a distant galaxy, to assist an abducted race of humans; struggling to defeat an invasion of astral entities. This epic sci-fi/fantasy draws us out of ordinary reality and into multiple worlds of extraterrestrial beauty, fabled history, and life-and-death stakes. Read and be transported.

Ungava

"Nathaniel Cosgray is a musician with oodles & oodles of talent. There isn't

anything he can't play on either the piano or the violin. He just can't make a career of it. Carnegie Hall is about as far away as the moon He is impecunious and is constantly seeking affection from pretty girls, which eventually leads to trouble-- big trouble His story is accurately recalled from a series of diaries that he kept throughout his life and encouraged by the one woman who made life meaningful for him "--Publisher.

Canoemates

Best known for the challenging four-opera cycle *The Ring of the Nibelung*, Richard Wagner (1813–83) was a conductor, librettist, theater director, and essayist, in addition to being the composer of some of the most enduring operatic works in history, such as *The Flying Dutchman*, *Tannhäuser*, and *Tristan and Isolde*. Though his influence on the development of European music is indisputable, Wagner was also quite outspoken on the politics and culture of his time. His ideas traveled beyond musical circles into philosophy, literature, theater staging, and the visual arts. To befit such a dynamic figure, acclaimed biographer Martin Geck offers here a Wagner biography unlike any other, one that strikes a unique balance between the technical musical aspects of Wagner's compositions and his overarching understanding of aesthetics. Wagner has always inspired passionate admirers as well as numerous detractors, with the result that he has achieved a mythical stature nearly equal to that of the Valkyries and Viking heroes he popularized.

There are few, if any, scholars today who know more about Wagner and his legacy than Geck, who builds upon his extensive research and considerable knowledge as one of the editors of the Complete Works to offer a distinctive appraisal of the composer and the operas. Using a wide range of sources, from contemporary scholars to the composer's own words, Geck explores key ideas in Wagner's life and works, while always keeping the music in the foreground. Geck discusses not only all the major operas, but also several unfinished operas and even the composer's early attempts at quasi-Shakespearean drama. *Richard Wagner: A Life in Music* is a landmark study of one of music's most important figures, offering something new to opera enthusiasts, Wagnerians, and anti-Wagnerians alike.

Johann Sebastian Bach

ent the final collapse of the Cold War order.

Music Across the Senses

Johann Sebastian Bach is one of the most unfathomable composers in the history of music. How can such sublime work have been produced by a man who (when we can discern his personality at all) seems so ordinary, so opaque—and occasionally so intemperate? John Eliot Gardiner grew up passing one of the only two authentic

portraits of Bach every morning and evening on the stairs of his parents' house, where it hung for safety during World War II. He has been studying and performing Bach ever since, and is now regarded as one of the composer's greatest living interpreters. The fruits of this lifetime's immersion are distilled in this remarkable book, grounded in the most recent Bach scholarship but moving far beyond it, and explaining in wonderful detail the ideas on which Bach drew, how he worked, how his music is constructed, how it achieves its effects—and what it can tell us about Bach the man. Gardiner's background as a historian has encouraged him to search for ways in which scholarship and performance can cooperate and fruitfully coalesce. This has entailed piecing together the few biographical shards, scrutinizing the music, and watching for those instances when Bach's personality seems to penetrate the fabric of his notation. Gardiner's aim is "to give the reader a sense of inhabiting the same experiences and sensations that Bach might have had in the act of music-making. This, I try to show, can help us arrive at a more human likeness discernible in the closely related processes of composing and performing his music." It is very rare that such an accomplished performer of music should also be a considerable writer and thinker about it. John Eliot Gardiner takes us as deeply into Bach's works and mind as perhaps words can. The result is a unique book about one of the greatest of all creative artists.

Dragon's Knees

Reenchanting Humanity is a work of systematic theology that focuses on the doctrine of humanity. Engaging the major anthropological questions of the age, like transgender, homosexuality, technology, and more, author Owen Strachan establishes a Christian anthropology rooted in Biblical truth, in stark contrast to the popular opinions of the modern age.

Zegin's Adventures in Epsilon

Faith Andrews is trying to make a major life decision. Things never had been easy for her. First, she ends up in a relationship built in hell then she ends up falling for her best friend. She never did make the right decision with men. Years before, Faith had walked away hand in hand with a man she thought was her soul mate. This time, life would change completely with the blink of an eye. It isn't until Faith goes wandering around the Grand Ole Opry that she realizes what she needed all along. Faith gets advice over and over from someone who calls herself Patsy. When Faith asks more, she realizes she's talking to the country legend, Patsy Cline. Patsy knows what to do - Never ever let go of a dream. Fight to make your dreams come true. No matter what the situation, Patsy always knows just what to say. Jamie Gilbert had been writing and singing music since his teenage years. When he finally met Faith, he fell hard. He let her go once when she left to be with Evan. There wasn't going to be a second time. He was putting a ring on her finger. Now all he needed to do was convince her. Jason had warned Jamie more than once that

if he did Faith wrong, he'd be replaceable. When he saves Faith from a situation that nobody expected, he starts to fall for her. The fact that she's married means nothing. Love triumphs. Now he just has to convince Faith of that.

Life Ain't Kind

The Diary of a Nobody is an English comic novel that records the daily events in the lives of a London clerk, Charles Pooter, his wife Carrie, his son Lupin, and numerous friends and acquaintances over a period of 15 months.

Constructed

Dodging Africa parallels the experiences and transformation of Willa and Nora Dodge, two sisters raised apart, one in Africa, the other Boston. The novel shifts rapidly, and sometimes shockingly, between the sisters

A School History of the United States

This book is a compilation of my thoughts-- transformed into poems, quotes, and self notes. At the unseasoned age of 20, I can testify to life taking me through some expected changes and detours. There were many days that I couldn't speak,

think, or even write clearly. Through silence, prayer, and this little writing outlet, I've learned so much. I've found inspiration in the most unexpected places. I've learned that it's okay to cry. It's okay to not know all the answers. It's okay to be you-- Unapologetically you. Sometimes, it's even okay to feel lost.. So long as you remember who you are. We're all destined for greatness and success. I pray this book opens minds, encourages smiles, and inspires creativity. Above all, I'm forever grateful to my Heavenly Father for his magnificent plan over my life.

The House of Martha

Dodging Africa

In the year 2087, life happens fast. Ben Zieglar, the main character and protagonist, is a product of this situation. Ben is a manager for Benevolence Corporation (B Corp.). B Corp is one of three main corporations in The Country (formerly the USA but referred to throughout the novel as The Country). The Country has cut itself off from the world and has fallen behind quite a ways in relation to the other powers of the world. At the corporations and throughout society, there are 3 levels of people. The highest levels are the Founders, who have acquired massive wealth and for the general advancement of mankind,

control society. This is a small percent of people in The Country, less than even 0.1% of the people. On his walk home, Ben sees a lovely dark haired tan woman with Greenish-Blue Eyes. Ben doesn't talk to her and instead goes home. He then falls asleep and goes to work the next day. There at work, Ben meets his newest co-worker Jessica and they immediately hit it off. Then, the number 2 at B corp., Jonathan Vilheim II(2), is introduced into the novel. His uncle Jonathan, the first, is the current CEO. But Vilheim 2 is starting to run the entity and was instrumental in bringing Jessica into town. Vilheim 2 is the antagonist although at first it is unclear whether he is good or evil. Ben's best friend and co-worker Wally Elmore is introduced to the novel. Wally is a Founder himself and is a good friend to Ben. Wally is a little eccentric in his dress and only wears old style Vintage tuxedos. Wally has a twin brother Thomas, who is 5 minutes older than Wally. Thomas is the head of F corp. (Faction) and makes his way to town for the annual Elmore party. Wally and Thomas' relationship is strained because Thomas is a rebel and does not participate in the society of Ultra City (B Corp.) or Los Angeles (M corp.). Thomas, however, is quite smart, and due to his power, the technologically advanced societies must deal with him. Thomas meets Ben and believes he can turn Ben to the Faction. Next, a series of events is set off that threatens to unravel the delicate balance of society in the Year 2087.
