Eric the Zombie Slayer

Something rotten is happening in the town of Millport, on the island of Cumbrae. Plans are being made, money is being thrown around, an empire is being built and people are getting murdered. A man has a stiletto thrust into his eye socket,

Read Book Barney Thomson Zombie Slayer

another his windpipe brutally squeezed shut, whilst a kidnapped youth lies curled in a cage, unaware of what it is that lives inside him. Meanwhile, at the local barbershop, Barney Thomson lives a quiet life, cutting hair, wishing his customers would stop talking, and happy that he doesn't seem to be involved in the latest horror to be visited upon the town. However, as Barney has known for a long time, you can't always get what you want, particularly when you don't know what it is you want in the first place.

Douglas Lindsay is the author of over twenty novels, including *BALLAD IN BLUE*, *A ROOM WITH NO NATURAL LIGHT*, *BEING FOR THE BENEFIT OF MR KITE!* and *LOST IN JUAREZ*, as well as the *DS HUTTON* and *DCI JERICHO* crime series. The first book in the *BARNEY THOMSON* series, *THE LONG MIDNIGHT OF BARNEY THOMSON*, was released as a motion picture in 2015, starring Robert Carlyle, Emma Thompson and Ray Winstone. Three titles in the *DI WESTPHALL* series will be coming from Mulholland Books in 2019. He lives in Somerset, England.

"Lindsay has a real ear for dialogue and a highly visual imagination." - *SUNDAY MIRROR*

Praise for Barney Thomson novels: "Gleefully macabre, hugely enjoyable black burlesque." *The Scotsman* "Gloriously over the top, very bloody, and very, very funny." *The Daily Telegraph* "Highly entertaining black comedy." *Heat* "Another great instalment in what is becoming a cult series." *Booklore* "Satisfyingly surreal." *Birmingham Post* "A mad, macabre romp with surreal characters and cutting black humour." *The Sunday Mirror* "This is extremely well-written, highly amusing and completely unpredictable in its outrageous plot twists and turns." *The List* "With classic timing and delight in the grotesque, Lindsay has

crafted a macabre masterpiece where content lives up to style." What's On

Zombie Slayer

This book argues that 'deviance' represents a central issue in neo-Victorian culture, and that the very concept of neo-Victorianism is based upon the idea of 'diverging' from accepted notions regarding the nineteenth-century frame of mind. However, the study of the ways in which the Victorian age has been revised by contemporary authors does not only entail analogies with the present but proves - by introducing what is perhaps a more pertinent description of the nineteenth century - that it was much more 'deviant' than it is usually depicted and perceived. *Deviance in Neo-Victorian Culture: Canon, Transgression, Innovation* explores a wide variety of textual forms, from novels to TV series, from movies and graphic novels to visual art. The scholarly and educational purpose of this study is to stimulate readers to approach neo-Victorianism as a complex cultural phenomenon.

Birthday

"An impressive book. An important book."—Jamie Lee Curtis "I blame mirrors. If it weren't for them we wouldn't need plastic surgeons. In the meantime, anyone tempted to re-shape face, body and mind by means of knife should first read

Read Book Barney Thomson Zombie Slayer

Blum's intelligent, persuasive and absorbing book. Both enticed and alarmed, the reader will at least know what she's doing and more importantly why. This is a book that takes you and shakes you by the throat, and leaves you the better for it."—Fay Weldon, author of *The Life and Loves of a She-Devil* "An eye-opening look at the dangers, both physical and emotional, of plastic surgery and of the power of beauty in all of our lives. Blum's book is an impressive interweaving of observation, oral interviews, cultural studies, and historical sources. An absorbing read, this is a scholarly book that general readers can enjoy."—Lois Banner, author of *American Beauty* "A provocative and thoroughly persuasive argument that we live in a culture of cosmetic surgery where identity is sited on the shifting surfaces of the body. *Flesh Wounds* brilliantly explores the link between the seductions of surgical self-fashioning and the star system, drawing on a stunning array of materials ranging from interviews with plastic surgeons, psychoanalytic theory, and the novel to the visual media of digital photography, film, and television."—Kathleen Woodward, author of *Aging and Its Discontents: Freud and Other Fictions*

We Are Death

This book is also available in THE BARBERSHOP SEVEN - the collected Barney Thomson novels Barney Thomson is a restless soul in search of a quiet town in which to settle. He thinks he might just have found it in Millport on the Isle of Cumbrae and life can at last bring him some peace. Or, at least, it might have

Read Book Barney Thomson Zombie Slayer

done, but for the dead body at the bottom of the stairs, the ghost tormented for all time to go to the bathroom, the evil Chinese businessman, the disturbing package in the freezer, the mysterious cathedral, Barney's deaf, mute, hunchbacked assistant, the ancient society protecting a 2,000-year-old secret, the Vatican spies, the intended murder, the curious collective of ninety-year-old men looking for Robbie Williams' haircuts, the promiscuous vicar named Judas, the rookie exorcist, the volatile cheese sandwich, and the very outside possibility of Armageddon. And, at the end it all, twelve men will meet around a table and the very future of humanity will be decided. Either that, or they will go home for a cup of tea and a plate of chips. THE LAST FISH SUPPER is book 5 in the Barney Thomson series. Praise for THE LONG MIDNIGHT OF BARNEY THOMSON (book 1) "This chilling black comedy unfolds at dizzying speed an impressive debut novel." - Sunday Mirror "The plot, Russian literature fans, is a modern spin on Dostoyevsky's Crime and Punishment. The bloody ending, movie buffs, is pure Reservoir Dogs." - The Mirror "This is pitch-black comedy spun from the finest writing. Fantastic plot, unforgettable scenes and plenty of twisted belly laughs." - New Woman Praise for THE BARBER SURGEON'S HAIRSHIRT (book 2): "A mad, macabre romp with surreal characters and cutting black humour." - The Sunday Mirror "Gloriously over the top, very bloody and very, very funny." - Daily Telegraph "A novel which is both genuinely silly and a fun read." - The Scotsman "A flawless follow-up to an impressive debut, this is extremely well-written, highly amusing and completely unpredictable in its outrageous plot twists and turns." - The List "Lindsay's

Cinderella Liberator

Games are poised for a major evolution, driven by growth in technical sophistication and audience reach. Characters that create powerful social and emotional connections with players throughout the game-play itself (not just in cut scenes) will be essential to next-generation games. However, the principles of sophisticated character design and interaction are not widely understood within the game development community. Further complicating the situation are powerful gender and cultural issues that can influence perception of characters. Katherine Isbister has spent the last 10 years examining what makes interactions with computer characters useful and engaging to different audiences. This work has revealed that the key to good design is leveraging player psychology: understanding what's memorable, exciting, and useful to a person about real-life social interactions, and applying those insights to character design. Game designers who create great characters often make use of these psychological principles without realizing it. *Better Game Characters by Design* gives game design professionals and other interactive media designers a framework for

Read Book Barney Thomson Zombie Slayer

understanding how social roles and perceptions affect players' reactions to characters, helping produce stronger designs and better results.

Deviance in Neo-Victorian Culture

Read the series that's sold more than 2 million copies--if you dare! Warning: this description has not been authorized by Pseudonymous Bosch. As much as he'd love to sing the praises of his book (he is very vain), he wouldn't want you to hear about his brave 11-year old heroes, Cass and Max-Ernest. Or about how a mysterious box of vials, the Symphony of Smells, sends them on the trail of a magician who has vanished under strange (and stinky) circumstances. And he certainly wouldn't want you to know about the hair-raising adventures that follow and the nefarious villains they face. You see, not only is the name of this book secret, the story inside is, too. For it concerns a secret. A Big Secret.

Zombie Slayers

The Hanged Man is coming, and there's nothing you can do to stop him Durrant was the most brutal, psychopathic killer the Met had ever come across. Captured in the early '80s, he should have been in prison for the rest of his life. Someone had other ideas. Thirty years later, DCI Jericho, the man who put Durrant away, is

Read Book Barney Thomson Zombie Slayer

working in quiet anonymity in the West Country, living with the guilt of the one case he never solved: the disappearance of his own wife. The Hanged Man tarot card that arrives in the mail seems like a trivial joke, but it's only the beginning. Soon people are disappearing, and Durrant is back to his old ways. Suddenly Jericho is being thrown to the wolves. The noose tightens, the body count rises, and events spin helplessly towards a shocking and bloody climax. The second book in the DCI Jericho series, *We Are Death*, will be published by Blasted Heath in June 2016. Praise for Douglas Lindsay "This chilling black comedy unfolds at dizzying speed" - Sunday Mirror "The plot, Russian literature fans, is a modern spin on Dostoyevsky's *Crime and Punishment*. The bloody ending, movie buffs, is pure *Reservoir Dogs*." - The Mirror "Fantastic plot, unforgettable scenes and plenty of twisted belly laughs." - New Woman "A mad, macabre romp with surreal characters and cutting black humour." - The Sunday Mirror "Gloriously over the top" - Daily Telegraph "Lindsay's burlesque thrills offer no sex, no drugs, no desperation to be cool. Just straightforward adult story; fantastic plot, classic timing and gleeful delight in the grotesque. With more talent than Irvine Welsh could dream of, Lindsay has crafted a macabre masterpiece where content lives up to style." - What's On Douglas Lindsay is the author of more than a dozen novels, including *The Unburied Dead* (DS Hutton series), *We Are The Hanged Man* (DCI Jericho series), the surreal thriller *Being For The Benefit of Mr Kite!* and *The Legend Of Barney Thomson*, now a major movie starring Robert Carlyle and Emma Thompson.

Leveled Books (K-8)

When the newly promoted Judge Kraken, under the influence of the mysterious and evil Sisters of Death (from the 'Deadworld' dimension which was the original home of Judge Death and the other Dark Judges), kidnaps Psi-Judge Agee, all hell breaks loose in Mega-City One. The sisters use Agee's powerful psi abilities to free the Dark Judges from dimensional limbo (where they were exiled by Judge Anderson). Now it's up to Dredd, Anderson, and all the other Judges in Mega-City One to stop these extraordinarily powerful beings - before they can completely lay waste to the city, and go on to kill all the inhabitants of Dredd's future Earth.

Birthday is among the very best of Aira—it will surprise readers new to his work, and will deeply satisfy his many fans Before you know it you are no longer young, and by the way, while you were thinking about other things, the world was

Read Book Barney Thomson Zombie Slayer

changing—and then, just as suddenly you realize that you are fifty years old. Aira had anticipated his fiftieth—a time when he would not so much recall years past as look forward to what lies ahead—but the birthday came and went without much ado. It was only months later, while having a somewhat banal conversation with his wife about the phases of the moon, that he realized how little he really knows about his life. In *Birthday* Aira searches for the events that were significant to him during his first fifty years. Between anecdotes and memories, the author ponders the origins of his personal truths, and meditates on literature meant as much for the writer as for the reader, on ignorance, knowledge, and death. Finally, *Birthday* is a little sad, in a serene, crystal-clear kind of way, which makes it even more irresistible.

The Boys Vol 4

"Great fun and daft as monkeys" — Stuart MacBride, #1 bestselling author of *THE MISSING AND THE DEAD* Barney Thomson — awkward, diffident, Glasgow barber — lives a life of desperate mediocrity. Shunned at work and at home, unable to break out of a twenty-year rut, each dull day blends seamlessly into the next. However, there is no life so tedious that it cannot be spiced up by inadvertent murder, a deranged psychopath, and a freezer full of neatly packaged meat. Barney Thomson's uninteresting life is about to go from 0 to 60 in five seconds, as he enters the grotesque and comically absurd world of the serial killer Praise for

The essays in this collection use the interpretative lens to interrogate the meanings of Meyer's books, making a compelling case for the cultural relevance of Twilight and providing insights on how we can "read" popular culture to our best advantage.

Extreme Metal Bass

Read Book Barney Thomson *Zombie Slayer*

This book provides an engaging and informative insight into the experiences, dreams and hopes of children and teenagers in contemporary Ireland. O'Connor analyzes a unique data set: a random sample of 4,100 texts drawn from roughly 34,000 texts written by young people aged 10-12 years and 14-17 years, in response to a nationwide invitation to describe themselves and the Ireland they inhabit. The young people's voices give the book a vivid reality, which is illuminated by the application of sociological concepts including global and local, individualization, and ways of 'doing boy/girl.' The study leads us towards a better understanding of contemporary social problems by locating these young people's accounts within the broader context of cultural change where collective identities have become weaker; where the local is enmeshed with the global; where children anticipate a predictable future and teenagers focus on an extended present; where gender is no longer salient but yet in many ways remains a submerged framework mapping their life styles, life choices and relationships. Written in an accessible style, the book presents a picture that is sometimes challenging, sometimes reassuring but always informative. Containing extensive quotations, it will be of interest not only to students and lecturers in sociology, education, child and youth studies, Irish studies and psychology but to thoughtful parents and teachers at first and second level, and especially those whose students took part in the Write Hear, Write Now project.

Boy in the Well

Read Book Barney Thomson Zombie Slayer

This book is also available in THE BARBERSHOP SEVEN - the collected Barney Thomson novels As Barney Thomson is closing up his barbershop for the night, an old man enters looking for a Cary Grant cut and a bit of a chat. The following day, Barney discovers that last night's customer appears to have been the captain of a fishing trawler found mysteriously abandoned on the Clyde over a hundred years ago. In a sinister echo of the past, a trawler is discovered drifting in a flat calm just off the island of Cumbrae, where Barney lives and works. Of the three trawlermen known to have been on board the Bitter Wind, one is found dead on the vessel. The other two are missing. As the ghosts mount up for Barney, could it just be that he is in an episode of Scooby Doo, featuring a lot of villains in masks? Or is it a real, dark and menacing evil which haunts his sleepy seaside town? THE HAUNTING OF BARNEY THOMSON is book 6 in the Barney Thomson series. Praise for THE LONG MIDNIGHT OF BARNEY THOMSON (book 1) "This chilling black comedy unfolds at dizzying speed an impressive debut novel." - Sunday Mirror "The plot, Russian literature fans, is a modern spin on Dostoyevsky's Crime and Punishment. The bloody ending, movie buffs, is pure Reservoir Dogs." - The Mirror "This is pitch-black comedy spun from the finest writing. classic metal to modern metal and beyond Extreme Metal Bass will supply the bass skills you crave. Extreme Metal Bass also includes access to enhanced audio with demonstration and play-along tracks of all the examples in the book, plus play-along MIDI drum files for optimum practicing. This book is designed for players who use a standard-tuned five-string bass (low to high: B-E-A-D-G). If you do not have a five-string bass, a four string (tuned B-E-A-D) will work for much of the material presented.

Better Game Characters by Design

A zombie book for people who don't like zombies. A celebrity couple from Mexico find themselves, their friends and total strangers involved together to stop a zombie outbreak, save their own lives and the world. It takes creativity, teamwork, mutual trust and learning new skills to confront and survive the danger. The action is non-stop as they search for weapons, unforeseen (and unthinkable) allies throughout England. The character development is fascinating as they grow through tormenting situations. We learn to care about them, both those who make it and those who give the supreme sacrifice in trying.

Icons of Horror and the Supernatural

Read Book Barney Thomson Zombie Slayer

“What would the world look like if girls grew up reading fairytales made from the magic they carry inside themselves? Breathtakingly beautiful, is what.” —Lidia Yuknavich, national bestselling author In her debut children’s book, Rebecca Solnit reimagines a classic fairytale with a fresh, feminist Cinderella and new plot twists that will inspire young readers to change the world, featuring gorgeous silhouettes from Arthur Rackham on each page. In this modern twist on the classic story, Cinderella, who would rather just be Ella, meets her fairy godmother, goes to a ball, and makes friends with a prince. But that is where the familiar story ends. Instead of waiting to be rescued, Cinderella learns that she can save herself and those around her by being true to herself and standing up for what she believes. “Being a princess is absolutely fine if that’s what you choose. It’s having those choices taken away from you that make for big problems. Cinderella in Solnit’s book is given that choice. She’s allowed to say what her dreams are, and then she goes out and attains them. And they’re not huge ridiculous dreams but small, happy, manageable ones. Ultimately, that’s the gift Ms. Solnit is giving kids with this book.” —School Library Journal “This is a reminder of hope and possibility, of kindness and compassion, and—perhaps most salient—imagination and liberty. Through the imaginations of our childhoods, can we find our true selves liberated in adulthood?” —Chelsea Handler “This is, hands down, a wonderful book—one that even the jaded reader will clasp upon completion with a contented sigh.” —The New York Times

Bringing Light to Twilight

Probably no decade saw as many changes in the Hollywood film industry and its product as the 1930s did. At the beginning of the decade, the industry was still struggling with the transition to talking pictures. Gangster films and naughty comedies starring Mae West were popular in urban areas, but aroused threats of censorship in the heartland. Whether the film business could survive the economic effects of the Crash was up in the air. By 1939, popularly called "Hollywood's Greatest Year," films like *Gone With the Wind* and *The Wizard of Oz* used both color and sound to spectacular effect, and remain American icons today. The "mature oligopoly" that was the studio system had not only weathered the Depression and become part of mainstream culture through the establishment and enforcement of the Production Code, it was a well-oiled, vertically integrated industrial powerhouse. The ten original essays in *American Cinema of the 1930s* focus on sixty diverse films of the decade, including *Dracula*, *The Public Enemy*, *Trouble in Paradise*, *42nd Street*, *King Kong*, *Imitation of Life*, *The Adventures of Robin Hood*, *Swing Time*, *Angels with Dirty Faces*, *Nothing Sacred*, *Jezebel*, *Mr. Smith Goes to Washington*, and *Stagecoach* .

George Washington Zombie Slayer

Read Book Barney Thomson Zombie Slayer

From the creator of the cult Barney Thomson crime series, comes a darker and more sinister novel. The government is watching. 4 million names on the DNA database and counting; CCTV cameras on every street corner; telephone records available to any agency which requests them; restrictions on movements around Westminster; ID cards and spy satellites. All in the name of freedom. When his latest book is shelved due to government interference, Lake Weston -- international best-selling, Bob Dylan-addicted children's author -- decides that it is time to stand up for personal rights. He writes and anonymously publishes a scathing Animal Farm-esque diatribe against a government which seeks to restrict civil liberties under the guise of protecting democracy. The book quickly achieves notoriety and within a month is banned under an obscure paragraph of anti-terror legislation. The media is animatedly curious about the author of the book; the government, however, already knows. As the security services close in, Weston finds his name dragged through the gutter press, and suddenly he must run for his life, not knowing who he can trust and with nothing in his pocket except a few pounds and an iPod loaded with 1256 Bob Dylan tracks.

The Legend Of Barney Thomson

Morlock is coming. Death will follow. DCI Jericho may have evaded the Hanged Man, but he knew there was something missing. He knew there was still someone out there. He knew there would be more death A man is murdered on the

December 2009. MPs are being murdered in revenge attacks for the expenses scandal, and Westminster is in a state of turmoil. With the government on the verge of collapse, the last Labour Prime Minister — desperately clinging to power — decides there is only one way to reclaim the government's authority. Relying on dubious intelligence, he instructs the Army to make plans to launch an invasion of the eastern seaboard of the United States of America. As humanity stands on the brink of war, it may well be that we have reached the End of Days. The world of men is at a crossroads: will it be annihilated, or will it survive and be allowed to evolve naturally into a beer-drinking sloth species with no appendages? Ultimately, when the blood stops flowing and the last money-grabbing MP has been stabbed in the head, the fate of us all and of Planet Earth itself will rest in the hands of one man: renegade barbershop legend, Barney Thomson. Praise for Douglas Lindsay: "pitch-black comedy spun from the finest writing. Fantastic plot, unforgettable scenes and plenty of twisted belly laughs." - New Woman "This chilling black comedy unfolds at dizzying speed, managing to blend the surreal with the dullness of routine" - Sunday Mirror

Alice Liddell, Zombie Slayer

Read Book Barney Thomson Zombie Slayer

Thirteen-year-old Dinah Lance is in a rock band with her two best friends and has a good relationship with her mom, but when a mysterious figure threatens her friends and family, she learns more about herself and her mother's secret past.

So Many Sounds

DI WESTPHALL. No ordinary detective. No ordinary investigations. A twisting new crime series set in the Scottish Highlands. For fans of Stephen King, Christopher Brookmyre and John Connolly. 'A dark and satisfying mystery . . . This one comes thoroughly recommended' James Oswald The body of a young boy is discovered at the bottom of a well that has been sealed for two hundred years. Yet the corpse is only days old . . . No one comes forward to identify #Boy9, and DI Ben Westphall's only suspects are the farmers on whose land the well sits. They certainly seem as though they have something to hide. But it might not be what he thinks. Soon, similarities from an old crime emerge and Westphall must look to the past to piece together the dark and twisted events taking place in the present. ***** WHAT READERS ARE SAYING ABOUT BOY IN THE WELL 'Intricately and expertly plotted . . . What an ending! One which left me wholly satisfied' 'The mystery surrounding #Boy9 as he comes to be known is a genuine puzzle and had me hooked from start to finish as I was desperate to know who he was and how he got there' 'Westphall is a great character and a breathe of fresh air in this genre. A great series you will be pleased you've found.'

Shakespeare / Not Shakespeare

This essay collection addresses the paradox that something may at once “be” and “not be” Shakespeare. This phenomenon can be a matter of perception rather than authorial intention: audiences may detect Shakespeare where the author disclaims him or have difficulty finding him where he is named. Douglas Lanier’s “Shakespearean rhizome,” which co-opts Deleuze and Guattari’s concept of artistic relations as rhizomes (a spreading, growing network that sprawls horizontally to defy hierarchies of origin and influence) is fundamental to this exploration. Essays discuss the fine line between “Shakespeare” and “not Shakespeare” through a number of critical lenses—networks and pastiches, memes and echoes, texts and paratexts, celebrities and afterlives, accidents and intertexts—and include a wide range of examples: canonical plays by Shakespeare, historical figures, celebrities, television performances and adaptations, comics, anime appropriations, science fiction novels, blockbuster films, gangster films, Shakesploitation and teen films, foreign language films, and non-Shakespearean classic films.

Flesh Wounds

A plague has been unleashed, decimating the planet. The bodies of the infected dead are reanimating with one obsession . . . to feast on the living. While bands of

humans fight to survive, elite groups live comfortably behind hastily built walls. In Lansing, Michigan, an old man wields his power over one such community with an iron fist. Enter Eric Wapowski, a bumbling hospital security guard who bluffs his way into the false paradise. An unfortunate series of events leaves the old man, along with his entourage, stranded with Eric far from the safety of the walled community. Eric assures them that his extensive knowledge and training will keep them safe during their journey back home. God help them. For those who love to hate Eric, follow him as he discovers secrets about a new, powerful dystopian society that is beginning to rise from the ashes of the devastated planet. His exciting journey through a zombie-filled Michigan will keep you rooting for him, or possibly hoping for his death.

We Are The Hanged Man

Provides an introduction to American pulp fiction during the twentieth century with brief author biographies and lists of their works.

Aye, Barney

Its been years since Dorothy was last in Oz. She is older now, but the memories of her time in that magical place have never left her. And the magical slippers that

brought her home after her last visit were always with her, serving as a constant reminder. But now, Oz is in peril once again, and the Wizard has brought her back to help. All of her old friends are there: The Scarecrow, the Tin Woodsman, and the Lion but who is Scaps, and what part does she play in the troubles that are plaguing Oz? Why are the dead coming back to life, and how can an old prophecy save them all? And, in a land where the dead are truly undead, can an old enemy stay down for good?

Irish Children and Teenagers in a Changing World

A stark and brutal portrayal of a police officer on the edge and a killer in control. The Plague Of Crows plants his victims in a forest clearing, bound to chairs embedded in the ground. The lucky ones die quickly, the tops of their skulls missing, birds feeding on the flesh inside. Detective Sergeant Thomas Hutton lives on the side of a Scottish mountain, only coming down for weekly psychiatric sessions in town. But this new serial killer forces Hutton to end his sick leave and return to duty in Glasgow. As the months pass and the police remain clueless in the face of the horrors perpetrated by the most inhuman serial killer of his time, Hutton finds himself haunted by his past and plummeting further and further into a desperate world of sex, alcohol and guilt. And while he has no idea where to look for the Plague of Crows, the killer knows exactly where to find him Also by Douglas Lindsay featuring DS Thomas Hutton, The Unburied Dead, and coming in October

2014, The Blood That Stains Your Hands"I thoroughly enjoyed Plague Of Crows. It's another superb example of Scottish crime noir. There are a number of elements to highlight. The writing is excellent. Sharp, fast paced, gripping." - Crime Fiction Lover"An excellent, well written story that will appeal to readers of gritty, down to earth crime / noir" - Big Al's Books And Pals"The brilliant and totally entertaining aspect of this novel is the characters, their shenanigans and their humour. Lindsay is funny and he writes about real folk like you and me who are just as confused, jealous, broken, greedy and damaged as we are." - I Meant To Read That"Douglas Lindsay is a fine Scottish export that should be hailed in the same way as whisky, Rankin, haggis, tartan and those Jimmy hats that you can pick up from the Royal Mile. Super stuff." - Sea Minor"I was at once cringing at the horror of the murders and then laughing from Hutton's interactions with the finer sex. It takes a talented author to pull off such a seamless switch of gears and Douglas Lindsay is just that." - Just A Guy Who Likes To Read"If you like very dark and disturbing fiction, that is superbly written and beautifully addictive, then this one is definitely for you. Extremely highly recommended." - Old Dogs And New Tricks Douglas Lindsay is the author of 13 novels, including The Unburied Dead (DS Hutton series), We Are The Hanged Man (DCI Jericho), the surreal thriller Being For The Benefit of Mr Kite! and The Long Midnight Of Barney Thomson (the Legend of Barney Thomson series), now a major movie starring Robert Carlyle and Emma Thompson.
