Baby's First Bible

Named a Most Anticipated Book of 2020 by Apple Books, Literary Hub, The Millions, and The Week An indelible novel of teenage alienation and adult complacency in an unraveling world. Pulitzer Prize finalist Lydia Millet's sublime new novel—her first since the National Book Award long-listed *Sweet Lamb of Heaven*—follows a group of twelve eerily mature children on a forced vacation with their families at a sprawling lakeside mansion. Contemptuous of their parents, who pass their days in a stupor of liquor, drugs, and sex, the children feel neglected and suffocated at the same time. When a destructive storm descends on the summer estate, the group's ringleaders—including Eve, who narrates the story—decide to run away, leading the younger ones on a dangerous foray into the apocalyptic chaos outside. As the scenes of devastation begin to mimic events in the dog-eared picture Bible carried around by her beloved little brother, Eve devotes herself to keeping him safe from harm. *A Children's Bible* is a prophetic, heartbreaking story of generational divide—and a haunting vision of what awaits us on the far side of Revelation.

The Friends' Book

An illustrated collection of Bible stories for bedtime, including activities, questions, prayers, and concepts to think about just before sleep.

The King Without a Shadow

An elegantly illustrated collection of ten favourite Bible stories with an interesting twist. Margaret McAllister imaginatively retells these tales from the point of view of the women involved: Noah's wife, Miriam, Ruth, Mary mother of Jesus, Pilate's wife, Mary Magdalene are among some of the women who put their side of the story forward. A stylish compilation of Bible stories with a difference, this is a perfect gift for girls and boys alike.

Egermeier's Bible Story Book

Desmond Tutu retells more than fifty of his most beloved Bible stories, artfully highlighting God's desire for all people to love one another and to find peace and forgiveness in their hearts. Many of the finest artists from around the world—such as Jago, E.B. Lewis, Javaka Steptoe, and Xiao Xin—have been selected to illustrate the stories, portraying the stories with the style and richness of their own culture. Creating the first truly global Bible for children, their stunning full color illustrations allow readers to experience the Bible stories as if they were there—with Adam and Eve in the garden, with Noah on the ark, with Abraham in the desert, and with Jesus on the mountaintop. Every story shows how God works through history and ends with a short prayer, which personalizes the message for each reader's own life. Archbishop Tutu's wisdom, compassion, and sense of humor shine throughout as he reminds us that, "We are all God's children." Author, civil rights activist, and APARTHEID opponent Archbishop Desmond Tutu was awarded the Nobel Peace Prize in 1984 for his lifelong struggle to bring equality, justice, and peace to his native country of South Africa. As Desmond Tutu quotes: "In the spirit of celebrating children all over the world, each illustrator in this book has been invited to draw on their own unique and rich cultural heritage in their portrayal of these Biblical stories. Their art is truly a marvelous reflection of how we are all made in God's image."

Who's Who in the Bible

The Bible is a big Book, and we are blessed to have such a collection of inspired writing – the Word of God – at our finger tips. Yet, due to its sheer volume, fine print and writing style, children usually find it difficult to pick up and read a standard version of the Bible. THE BIBLE MADE EASY – FOR KIDS by Dave Strehler is aimed at helping children make sense of the Bible by engaging them in practical ways to make learning about the Bible fun and interesting. THE BIBLE MADE EASY – FOR KIDS guides children through the Bible by:

- providing interesting facts to stimulate them and get them excited
- offering visual descriptions of what they read to help them remember
- drawing modern-day comparisons to certain Bible concepts/traditions and putting it into context
