The past ten years in South Africa has seen many changes in education - the creation of a single department of education; common examinations for all learners in public schools in the country, a new outcomes based education curriculum which was introduced to learners in the general education and training phase since 1998 and will be introduced to the further education and training phase from 2006. To evaluate the success of these changes South African researchers still use the indicator of student achievement. The matriculation examination is the visible, high profile and public performance indicator. Every year parents, learners, teachers, researchers, government officials, policymakers, and the general public get involved in the debate around the matric examination with the most frequently asked questions being - Did the pass rate go up? Are standards

dropping? Are the results real or have they been manipulated? How is our education system doing? Are we meeting the development goals? What should the matriculation examination of the future look like? participants from government (national and provincial),

The National Eligibility cum Entrance Test (NEET) is conducted every year to grant admission to aspirants into MBBS / BDS courses across the country. From 2020 onwards, NEET is conducted by the National Testing Agency (NTA). Earlier, it was known as All India Pre-Medical Test (AIPMT) and was conducted by the Central Board of Secondary Education (CBSE). The Medical Council of India (MCI) has recommended the syllabus for NEET after review of various State syllabi as well as those prepared by CBSE, NCERT and COBSE. This was done to establish uniformity across the country keeping in view the relevance of different

areas in Medical Education. NEET is held every year in the month of May. In the final test paper, there are total 180 questions with 45 questions from Physics, 45 questions from Chemistry and 90 questions from Biology (45 questions from Botany + 45 questions from Zoology). It is observed that most of the questions asked are based on chapters from NCERT textbooks. With the motto of Learning Made Simple, Oswaal Books have developed NEET Question Banks for all the aspirants who wish to crack NEET and come out with flying colors. The Question Banks are a compilation of questions from the last 32 Years' Question Papers of AIPMT to enable exam oriented preparation. Some benefits of studying from Oswaal NEET Question Banks are:

- Chapter-wise and Topic-wise presentation
- Chapter-wise Objectives: A sneak peek into the chapter
- Mind Map: A single page snapshot of the entire chapter
- Revision Notes: Concept based study material
