"Civil service test review for the Civil Service Examination"--cover.

Associate Transit Customer Service Specialist

All civil service exams contain a mandatory math section. If you're like many candidates, you haven't taken math in years, and you might be nervous about putting your math skills to the test. *Math for Civil Service Tests* is an indispensable math workbook and resource guide that gives you the edge you need to ace the exam and beat the rest. The book provides two complete practice tests including full answer explanations, basic math instruction-including lessons on fractions, decimals, percentages, and measurement, practical math strategies and advice that break down and solve all math problems. There's also proven methods for setting up and solving word problems and a glossary of math terms to help you remember key concepts at test time. Plus, you'll get two study plans to meet your scheduling needs: a step-by-step 30-day plan and a concentrated 14-day
