God's Crime Scene

2011 Retailers Choice Award winner! "Why are Christians against same-sex people

getting married? . . . Why do you believe God exists at all? . . . Why would God allow evil and suffering? . . . Why trust the Bible when it's full of mistakes? . . . How could a loving God send people to hell? . . . What makes you think Jesus was more than just a good teacher? . . . Why are Christians so judgmental?" Some questions can stop a conversation. Today, more than ever, people are raising difficult, penetrating questions about faith, God, and the Bible. Based on an exclusive new Barna survey of 1,000 Christians, *The Questions Christians Hope No One Will Ask* presents compelling, easy-to-grasp answers to ten of the most troubling questions facing Christians today. These include everything from the existence of heaven to the issues of abortion and homosexuality, as well as the question of whether evolution eliminates our need for a God.

Drawing Fire

Twenty years after Germany's victory in World War II, while the entire country prepares for the U.S. president's visit, Berlin Detective Xavier March attempts to solve the murder of a high-ranking Nazi commander. Reprint.

Forensic Faith

A Los Angeles County homicide detective and former atheist examines the claims

of the New Testament using the skills and strategies of a hard-to-convince criminal investigator, giving readers new confidence in Christ and a renewed passion for articulating the case for Christianity. Original.

I Don't Have Enough Faith to Be an Atheist [Large Print]

We believe what the Bible says, and we follow it . . . straight out of the new age deception, and into the loving arms of Jesus. There are people who say that the Bible has errors, lost books, that Jesus didn't really mean what he said, etc. There are those who want to twist scripture to justify their actions that aren't sanctioned in the Bible. They won't like this book. But for those searching for the truth that Jesus taught, and for a deeper relationship with God, this book is the result of our online support group of those leaving the new age movement, and turning to Christ for answers, guidance, and true love.

Five Sacred Crossings

If you think atheists have reason, evidence, and science on their side, think again! Award-winning author Dr. Frank Turek (I Don't Have Enough Faith to be an Atheist) will show you how atheists steal reason, evidence, science, and other arguments from God in trying to make their case for atheism. If that sounds contradictory, it's

because it is! Atheists can't make their case without appealing to realities only theism can explain. In an engaging and memorable way, *Stealing from God* exposes these intellectual crimes atheists are committing and then provides four powerful reasons for why Christianity is true.

The Questions Christians Hope No One Will Ask

On October 26, 1961, after an evening of studying with friends on the campus of Transylvania University, nineteen-year-old student Betty Gail Brown got into her car around midnight -- presumably headed for home. But she would never arrive. Three hours later, Brown was found dead in a driveway near the center of campus, strangled to death with her own brassiere. Kentuckians from across the state became engrossed in the proceedings as lead after lead went nowhere. Four years later, the police investigation completely stalled. In 1965, a drifter named Alex Arnold Jr. confessed to the killing while in jail on other charges in Oregon. Arnold was brought to Lexington, indicted for the murder of Betty Gail Brown, and put on trial, where he entered a plea of not guilty. Robert G. Lawson was a young attorney at a local firm when a senior member asked him to help defend Arnold, and he offers a meticulous record of the case in *Who Killed Betty Gail Brown?* During the trial, the courtroom was packed daily, but witnesses failed to produce any concrete evidence. Arnold was an alcoholic whose memory was unreliable, and his confused, inconsistent answers to questions about the night of the homicide did not add up.

Since the trial, new leads have come and gone, but Betty Gail Brown's murder remains unsolved. A written transcript of the court proceedings does not exist; and thus Lawson, drawing upon police and court records, newspaper articles, personal files, and his own notes, provides an invaluable record of one of Kentucky's most famous cold cases.

The Case for Miracles

****A Guardian 'Best Thriller of the Year!'**** The New York Times bestselling author of *Magpie Murders* and *Moriarty* brilliantly reinvents the classic crime novel once again with this clever and inventive mystery starring a fictional version of the author himself as the Watson to a modern-day Holmes, investigating a case involving buried secrets, murder, and a trail of bloody clues. A woman crosses a London street. It is just after 11am on a bright spring morning, and she is going into a funeral parlor to plan her own service. Six hours later the woman is dead, strangled with a crimson curtain cord in her own home. Enter disgraced police detective Daniel Hawthorne, a brilliant, eccentric man as quick with an insult as he is to crack a case. And Hawthorne has a partner, the celebrated novelist Anthony Horowitz, curious about the case and looking for new material. As brusque, impatient, and annoying as Hawthorne can be, Horowitz—a seasoned hand when it comes to crime stories—suspects the detective may be on to something, and is irresistibly drawn into the mystery. But as the case unfolds, Horowitz realizes he's

at the center of a story he can't control . . . and that his brilliant partner may be hiding dark and mysterious secrets of his own. A masterful and tricky mystery which plays games at many levels, *The Word Is Murder* is Anthony Horowitz at his very best.

The Heart Mender

Soon to be a Showtime documentary, *Murder in the Bayou* is a New York Times bestselling chronicle of a high-stakes investigation into the murders of eight women in a troubled Southern parish that is “part murder case, part corruption exposé, and part Louisiana noir” (New York magazine). Between 2005 and 2009, the bodies of eight women were discovered in Jennings, Louisiana, a bayou town of 10,000 in the Jefferson Davis parish. The women came to be known as the Jeff Davis 8, and local law enforcement officials were quick to pursue a serial killer theory, stirring a wave of panic across Jennings’ class-divided neighborhoods. The Jeff Davis 8 had been among society’s most vulnerable—impoverished, abused, and mired with mental illness. They engaged in sex work as a means of survival. And their underworld activity frequently occurred at a decrepit motel called the Boudreaux Inn. As the cases went unsolved, the community began to look inward. Rumors of police corruption and evidence tampering, of collusion between street and shield, cast the serial killer theory into doubt. But what was really going on in the humid rooms of the Boudreaux Inn? Why were crimes going unsolved and

police officers being indicted? What had the eight women known? And could anything be done to stop the bloodshed? Mixing muckraking research and immersive journalism over the course of a five-year investigation, Ethan Brown reviewed thousands of pages of previously unseen homicide files to posit what happened during each woman's final hours delivering a true crime tale that is "mesmerizing" (Rolling Stone) and "explosive" (Huffington Post). "Brown is a man on a mission he gives the victims more respectful attention than they probably got in real life" (The New York Times). "A must-read for true-crime fans" (Publishers Weekly, starred review), with a new afterword, *Murder in the Bayou* is the story of an American town buckling under the dark forces of poverty, race, and class division—and a lightning rod for justice for the daughters it lost.

Who Killed Betty Gail Brown?

Christian Apologetics

There are four ways to die, and only one of them requires an intruder. Suicides, accidental, and natural deaths can occur without any evidence from outside the room. But murders typically involve suspects external to the crime scene. If there's evidence of an outside intruder, homicide detectives have to prepare for a chase.

Intruders turn death scenes into crime scenes. Join J. Warner Wallace, former atheist, seasoned cold-case detective, and popular national speaker as he tackles his most important case with you on the jury! With the expertise of a cold-case detective, J. Warner examines eight critical pieces of evidence in the “crime scene” of the universe to determine if they point to a Divine Intruder. If you have ever wondered if something (or someone) outside the natural realm created the universe and everything in it, this is the case for you.

Cold-Case Christianity

A leading evangelical thinker offers this brand-new way of addressing life's most important questions: Does God exist, and can we know Him? J.P. Moreland, distinguished professor of philosophy at Talbot School of Theology, abandons traditional didactic apologetics and entices skeptics and dissatisfied believers into a conversation about the emptiness and anxiety so many feel today. He invites them to the abundant life Jesus offers but that so few seem to be experiencing. Moreland shows that people are created by a benevolent God and given a life-enhancing purpose. He empowers readers to overcome obstacles to faith, including questions about science and religion embrace an enticing view of Jesus and the kingdom of God replace unhelpful images of God with the truth Readers will find practical and effective ways to experience intimacy with God, an effective life of prayer, and a confident hope in life after death.

A 30-Minute Overview of Cold-Case Christianity

Western society is in crisis, the result of our culture's embrace of naturalism and postmodernism. At the same time, the biblical worldview has been pushed to the margins. Christians have been strongly influenced by these trends, with the result that the personal lives of Christians often reflect the surrounding culture more than the way of Christ, and the church's transforming influence on society has waned. In *Kingdom Triangle*, J.P. Moreland issues a call to recapture the drama and power of kingdom living. He examines and provides a penetrating critique of these worldviews and shows how they have ushered in the current societal crisis. He then lays out a strategy for the Christian community to regain the potency of kingdom life and influence in the world. Drawing insights from the early church, he outlines three essential ingredients of this revolution: ? Recovery of the Christian mind ? Renovation of Christian spirituality ? Restoration of the power of the Holy Spirit He believes that evangelical Christianity can mature and lead the surrounding society out of the meaningless morass it finds itself in with humility and vision.

Murder in the Bayou

A cold-case homicide detective helps Christians understand why it's important to

develop a “forensic faith” and provides a unique template to help them become effective “Christian Case Makers.” Forensic Faith will help readers: understand why they have a duty to defend the truth develop a training strategy to master the evidence for Christianity learn how to employ the techniques of a detective to discover new insights from God’s Word become better communicators by learning the skills of professional case makers With real-life detective stories, fascinating strategies, and biblical insights, Wallace teaches readers cold-case investigative disciplines they can apply to their Christian faith. Forensic Faith is an engaging, fresh look at what it means to be a Christian.

Cold-Case Christianity

In a world increasingly indifferent to Christian truth, followers of Christ need to be equipped to communicate with those who do not speak their language or accept their source of authority. Gregory Koukl demonstrates how to get in the driver's seat, keeping any conversation moving with thoughtful, artful diplomacy. You'll learn how to maneuver comfortably and graciously through the minefields, stop challengers in their tracks, turn the tables and---most importantly---get people thinking about Jesus. Soon, your conversations will look more like diplomacy than D-Day. Drawing on extensive experience defending Christianity in the public square, Koukl shows you how to: - Initiate conversations effortlessly - Present the truth clearly, cleverly, and persuasively - Graciously and effectively expose faulty

thinking - Skillfully manage the details of dialogue - Maintain an engaging, disarming style even under attack Tactics provides the game plan for communicating the compelling truth about Christianity with confidence and grace.

Cold-Case Christianity

Lauren's job as a cold case homicide detective is her life. And life just got complicated. Lauren Riley is an accomplished detective who has always been on the opposite side of the courtroom from slick defense attorney Frank Violanti. But now he's begging to hire her as a private investigator to help clear his client of murder. At first Lauren refuses, wanting nothing to do with the media circus surrounding the case—until she meets the eighteen-year-old suspect. To keep an innocent teen from life in prison, Lauren must unravel the conflicting evidence and changing stories to get at the buried facts. But the more she digs, the more she discovers that nothing is what it first appears to be. As Lauren puts her career and life in danger, doubt lurks on every corner . . . and so does her stalker. Praise: "Recommend this one to anyone who loves courtroom dramas where lawyers tear into witnesses like pit bulls. And to anyone hot for a police procedural where tired cops make mistakes but slowly, relentlessly—and with morbid humor—get the job done. Redmond delivers both in one packageThe real attraction here is a keyhole view into a world that turns our expectations upside down—a world where a bullying, quasi-fascist cop can be the only one with a handle on reality. Keep your

eyes on Redmond, a retired cop who knows how to write."—Booklist "Redmond, a recently retired Buffalo PD homicide detective, keeps everything moving nicely in this well-constructed crime novel."—Publishers Weekly "An excellent police procedural combined with a psychological thriller."—Kirkus Reviews "A Cold Day in Hell is a fine first novel and Lauren Riley is cool new addition to the world of PI and cop protagonists. A retired detective, Lissa Marie Redmond gives it to the reader without the sugarcoating and lifts the veil off how the system really works or doesn't."—Reed Farrel Coleman, New York Times bestselling author of What You Break "Ex-cop Lissa Redmond has a sure hand with police procedure, which should be no surprise. The joy of A Cold Day in Hell comes from her equally sure hand with storytelling. This is a welcome new voice on the crime scene."—SJ Rozan, bestselling author of Ghost Hero "Redmond has concocted a well-crafted story with plenty of twists, but more importantly good characterization."—Mystery Scene Magazine

Cold Case Investigations

A unique blend of historical fact and engaging fiction showing the power of forgiveness. While digging up a withering wax myrtle tree beside his waterfront home on the Gulf coast, author Andy Andrews unearths a rusted metal container filled with Nazi artifacts and begins an intriguing investigation that unlocks an unspoken past that took place in his backyard . . . literally. In 1942, as the country

gears up for a full-scale commitment to WWII, German subs are dispatched to the Gulf of Mexico to sink U.S. vessels carrying goods and fuel. While taking a late-night walk, Helen Mason-widowed by war-discovers the near-lifeless body of a German sailor. Enraged at the site of Josef Landermann's uniform, Helen is prepared to leave him to die when an unusual phrase, faintly uttered, changes her mind. Set in a period simmering with anger and suspicion *The Heart Mender* offers the very real chronicle of a small town preparing itself for the worst the world has to offer. As cargo from torpedoed ships begins to wash up on the beach, Josef and Helen must reconcile their pasts to create a future. Blending his unique style of historical accuracy with unparalleled storytelling, New York Times best-selling author Andy Andrews offers a tale of war, faith, and forgiveness illuminating the one principle that frees the human spirit. Previously released as *Island of Saints*, this new edition includes a reader's guide and a "Where Are They Now?" update on the real-life characters.

A Cold Day in Hell

This fully-illustrated, eight-session guide takes participants through ten important principles employed by detectives, applying these techniques to the New Testament Gospel accounts. Designed to work seamlessly with the original book and DVD, this guide is accessible and engaging for participants and leaders alike. It includes questions for reflection, notes for discussion, and examples to help users

investigate the claims of Christianity using the skills of a cold-case detective. Participants will grow in certainty and unite in confidence as they learn how to defend the truth through this unique investigative experience.

So the Next Generation Will Know

The Christian worldview proposes answers to the most enduring human questions. But are those answers reliable? In this systematic text, Douglas Groothuis makes a comprehensive apologetic case for Christian theism—proceeding from a defense of objective truth to a presentation of the key arguments for God from natural theology to a case for the credibility of Jesus, the incarnation and the resurrection. Throughout, Groothuis considers alternative views and how they fare intellectually.

The Murder Book

Several young detective cadets investigate a mystery involving a Corgi puppy as they learn real detective skills that will help them understand and share the truth about Jesus.

Kingdom Triangle

Between the ages of 8 and 12, kids often start to wonder if Christianity is true. In *Cold-Case Christianity for Kids*, detective J. Warner Wallace draws readers into the thrill of high-stakes investigation by showing them how to think rather than telling them what to think. In this children's companion to the bestselling *Cold-Case Christianity*, detective Wallace gets kids excited about testing witnesses, examining the evidence, and investigating the case for Christianity. Includes author illustrations and links to a website (coldcasechristianityforkids.com) where kids can download activities, fill in case notes, and earn a certificate of merit. Detective Wallace gets kids excited about testing witnesses, examining the evidence, and investigating the case for Christianity.

Tactics

From the disappearance of the Beaumont children to the abduction of William Tyrrell to the double murder of Karlie Pearce-Stevenson and her daughter Khandalyce, Xanthé is determined to expose the truth to maximise dignity for both deceased victims and those left behind. Xanthé talks to experts to uncover the how's and why's of tragic murders and haunting disappearances. Along the way readers will also be introduced to new forensic techniques and scientific methods that could - or did - help move the case forward. *Cold Case Investigations* covers mostly murders or suspected murders - such as Ashley Coulston, Mr Cruel and Ivan Milat - with the victims as the focus. Not only because, criminologically speaking,

the more you can learn about your victim the more you can extrapolate about the person who killed or abducted them, but also because they deserve their stories to be told. They deserve for people to know their names. They shouldn't just be someone's victim.

Cold Case

Cold case detective Lauren Riley wakes up in the hospital certain of two things: she was stabbed and left for dead and the person who did it was a cop. After being brutally stabbed at her desk late one night, Lauren Riley works her way backwards through the haze to piece together who attacked her and why. A mysterious phone message forces her to enlist the help of a retired lieutenant to track down a witness who is desperate not to be found. As she digs into the Buffalo Police Department's hidden past she uncovers a terrible secret, one a fellow officer would kill to protect. Packed with suspense and featuring a detective who "relentlessly—and with morbid humor—gets the job done" (Booklist), *The Murder Book* continues a series praised by Kirkus Reviews as "an excellent police procedural combined with a psychological thriller." Praise for *The Murder Book*: An Amazon and Barnes and Noble Bestseller "A simply riveting read from cover to cover."—Midwest Book Review "Fans of contemporary police procedurals will want to see more of the plucky Lauren."—Publishers Weekly "A pulse-racing pace, well-chosen details of Buffalo's mixed industrial landscape and characters to bleed for

make this a stunningly good second book. Highly recommended."—Kingdom Books Praise for *A Cold Day in Hell*, Book 1 of the Cold Case Investigation series:

"Recommend this one to anyone who loves courtroom dramas where lawyers tear into witnesses like pit bulls. And to anyone hot for a police procedural where tired cops make mistakes but slowly, relentlessly—and with morbid humor—get the job done. Redmond delivers both in one package. The real attraction here is a keyhole view into a world that turns our expectations upside down—a world where a bullying, quasi-fascist cop can be the only one with a handle on reality. The joy of *A Cold Day in Hell* comes from her equally sure hand with storytelling. This is a welcome new voice on the crime scene."—SJ Rozan, bestselling author of *Ghost Hero*

Cold-Case Christianity for Kids

New Testament Documents: Are They Reliable?

Christianity Has the Resources to Address Intellectual and Cultural Issues. Do You? Christians can feel overwhelmed at the sheer number of competing worldviews in today's pluralistic, multicultural society. Thankfully, you don't have to memorize a different argument to answer every new issue. Instead, you can master a single line of defense, grounded in Scripture, that applies to any theory. In Romans, Paul reveals the strategy for defending the Christian message in a pluralistic culture where many are hearing it for the first time. Finding Truth is the real-world training manual that equips you to confidently address issues you'll face in the classroom, workplace, and popular culture.

Cold-Case Christianity Participant's Guide

"A phenomenal resource that is both user-friendly and up-to-date, [and will] equip believers to defend this crucial issue." - Josh McDowell. Includes an interactive CD in a game-show format to test your memory of the key issues and concepts.

The Lazarus Files

“For almost two decades, investigative journalist Jerry Mitchell doggedly pursued the Klansmen responsible for some of the most notorious murders of the civil rights movement. This book is his amazing story. Thanks to him, and to courageous prosecutors, witnesses, and FBI agents, justice finally prevailed.” —John Grisham, author of *The Guardians* On June 21, 1964, more than twenty Klansmen murdered three civil rights workers. The killings, in what would become known as the “Mississippi Burning” case, were among the most brazen acts of violence during the Civil Rights Movement. And even though the killers’ identities, including the sheriff’s deputy, were an open secret, no one was charged with murder in the months and years that followed. It took forty-one years before the mastermind was brought to trial and finally convicted for the three innocent lives he took. If there is one man who helped pave the way for justice, it is investigative reporter Jerry Mitchell. In *Race Against Time*, Mitchell takes readers on the twisting, pulse-racing road that led to the reopening of four of the most infamous killings from the days of the Civil Rights Movement, decades after the fact. His work played a central role in bringing killers to justice for the assassination of Medgar Evers, the firebombing of Vernon Dahmer, the 16th Street Church bombing in Birmingham and the Mississippi Burning case. Mitchell reveals how he unearthed secret documents, found long-lost suspects and witnesses, building up evidence strong enough to take on the Klan. He takes us into every harrowing scene along the way, as when Mitchell goes into the lion’s den, meeting one-on-one with the very murderers he is seeking to catch. His efforts have put four leading Klansmen behind bars, years

after they thought they had gotten away with murder. *Race Against Time* is an astonishing, courageous story capturing a historic race for justice, as the past is uncovered, clue by clue, and long-ignored evils are brought into the light. This is a landmark book and essential reading for all Americans.

The Case for the Resurrection of Jesus

Whether you're a Christian parent, youth leader, or educator who works with Generation Z, this book was written for you. As powerful ideas in our increasingly secular culture shape more of this generation, trusted leaders must share what they know about Jesus in ways that will reach them. But how? Backed by the latest research and first hand experience, this powerful book shows how to share biblical truth with a generation that desperately needs to hear it in a way that draws them in instead of pushing them away. Written by two youth influencers and experts on Generation Z, Sean McDowell, Ph.D., and J. Warner Wallace, *So the Next Generation Will Know* is an extraordinarily practical and relatable guide for anyone concerned with ensuring the next generation understands and embraces a biblical worldview.

Man, Myth, Messiah

Teaching a world religions course at a community college, professor Michael Jernigan draws on the wisdom of a rare text that poses five key spiritual conundrums and identifies Christianity as the only faith that satisfactorily addresses each. Original.

The Word is Murder

You're busy with work, family, and life; but with the new Faith Blueprints series from David C Cook, there is still time to learn from some of the world's best thinkers on the subjects of faith and culture. Faith Blueprints are executive summaries, designed to quickly and efficiently provide you with the main concepts and highlights from some of David C Cook's best books. These blueprints are most effective when used alongside the original book as a quick reference or outline, but they can also be used by themselves. Written by an L. A. County homicide detective and former atheist, Cold-Case Christianity examines the claims of the New Testament using the skills and strategies of a hard-to-convince criminal investigator. Christianity could be defined as a "cold case": it makes a claim about an event from the distant past for which there is little forensic evidence. In Cold-Case Christianity, J. Warner Wallace uses his nationally recognized skills as a homicide detective to look at the evidence and eyewitnesses behind Christian beliefs. Including gripping stories from his career and the visual techniques he developed in the courtroom, Wallace uses illustration to examine the powerful

evidence that validates the claims of Christianity. A unique apologetic that speaks to readers' intense interest in detective stories, Cold-Case Christianity inspires readers to have confidence in Christ as it prepares them to articulate the case for Christianity.

Fatherland

Did Jesus Really Exist? The search for the historical Jesus continues to be headline news. Any speculative theory seems to get instant attention as the debate rages about His real identity and the claims made in His name. Did Jesus really exist? Is there real historical evidence that demonstrates that He lived and actually said and did the things the Gospels record? Is there any validity to the speculative claims that the Jesus story was a myth, borrowed from a variety of pagan cultures of the ancient world? In this follow-up to the book *God's Not Dead* (that inspired the movie), *Man, Myth, Messiah* looks at the evidence for the historical Jesus and exposes the notions of skeptics that Jesus was a contrived figure of ancient mythology. It also looks at the reliability of the Gospel records as well as the evidence for the resurrection that validates His identity as the promised Messiah. *Man, Myth, Messiah* will be released concurrent to the *God's Not Dead* movie sequel, which will cover the same theme.

The God Question

New York Times bestselling author Lee Strobel trains his investigative sights on the hot-button issue of whether it's credible to believe God intervenes supernaturally in people's lives today. This provocative book starts with an unlikely interview in which America's foremost skeptic builds a seemingly persuasive case against the miraculous. But then Strobel travels the country to quiz scholars to see whether they can offer solid answers to atheist objections. Along the way, he encounters astounding accounts of healings and other phenomena that simply cannot be explained away by naturalistic causes. The book features the results of exclusive new scientific polling that shows miracle accounts are much more common than people think. What's more, Strobel delves into the most controversial question of all: what about miracles that don't happen? If God can intervene in the world, why doesn't he do it more often to relieve suffering? Many American Christians are embarrassed by the supernatural, not wanting to look odd or extreme to their neighbors. Yet, *The Case for Miracles* shows not only that the miraculous is possible, but that God still does intervene in our world in awe-inspiring ways. Here's a unique book that examines all sides of this issue and comes away with a passionate defense for God's divine action in lives today.

Cold-case Christianity Video Bundle

Winner of the 2018 Anthony Award for Best First Novel Winner of the 2017 Agatha Award for Best First Novel Also a Lefty Award Winner and a Barry Award-Nominated Title The Surprise Hit of the Season! Finding Truth

A deeply-reported, riveting account of a cold case murder in Los Angeles, unsolved until DNA evidence implicated a shocking suspect – a female detective within the LAPD’s own ranks. On February 24, 1986, 29-year-old newlywed Sherri Rasmussen was murdered in the home she shared with her husband, John. The crime scene suggested a ferocious struggle, and police initially assumed it was a burglary gone awry. Before her death, Sherri had confided to her parents that an ex-girlfriend of John’s, a Los Angeles police officer, had threatened her. The Rasmussens urged the LAPD to investigate the ex-girlfriend, but the original detectives only pursued burglary suspects, and the case went cold. DNA analysis did not exist when Sherri was murdered. Decades later, a swab from a bite mark on Sherri’s arm revealed her killer was in fact female, not male. A DNA match led to the arrest and conviction of veteran LAPD Detective Stephanie Lazarus, John’s onetime girlfriend. The Lazarus Files delivers the visceral experience of being inside a real-life murder mystery. McGough reconstructs the lives of Sherri, John and Stephanie; the love triangle that led to Sherri’s murder; and the homicide investigation that followed. Was Stephanie protected by her fellow officers? What did the LAPD know, and when did they know it? Are there other LAPD cold cases with a police connection that remain unsolved?

God's Crime Scene Participant's Guide

Homicide Detective Abby Hart's parents were murdered and the restaurant they owned set on fire while she was inside-- and only six years old. When an elderly woman with ties to Abby's past becomes a victim of a possible serial killer stalking elderly women in her jurisdiction, the only link is Luke Murphy, an irritating private investigator who saw a suspect flee the latest scene. Together they delve deep into the past to find out what happened-- and how they can right the injustices that have plagued them both for so long.

Hollywood Homicide

When thirteen-year-old Oz Keiller finds a dead body in his family's Santa Fe, New Mexico, restaurant, he is determined to solve the mystery in which his older brother is implicated, but which also involves their long-dead father, who was accused of being a spy.

From New Age to Christianity

In this eight-session downloadable video series, with facilitator's guide, viewers will learn how to employ ten important detective skills as they watch Detective Wallace

test the accuracy and reliability of the New Testament Gospel accounts. They'll follow along as he investigates the historical evidence and "questions" the witnesses, teaching viewers how to become good Christian case makers. Designed to accompany the original book and all-new participant's guide, and facilitator's guide, these videos are perfect for small groups and leaders. This series will help small groups grow in their confidence as they investigate the accuracy and reliability of the Gospel accounts and learn how to defend the truth.

Race Against Time

Custom illustrated by the author, renowned cold-case detective, author, and speaker J. Warner Wallace, this exclusive participant's guide engages the audience in the "investigation" into whether the universe as we see it just happened, or if there is evidence of a divine "intruder"—or rather, God. Companion to the eight-part video series, participants will dive into one of the most meaningful and challenging questions: Does God exist? This highly visual guide helps the participant engage with the content to ultimately develop an investigative skill set similar to what a detective might use in investigating a homicide.

Letter to a Christian Nation

Cold-case detective J. Warner Wallace narrates a video series accompanying his bestselling book, *Cold-Case Christianity*, as he investigates the reliability of the New Testament and the claims related to Jesus's resurrection.

Forensic Faith for Kids

Written by an L. A. County homicide detective and former atheist, *Cold-Case Christianity* examines the claims of the New Testament using the skills and strategies of a hard-to-convince criminal investigator. Christianity could be defined as a “cold case”: it makes a claim about an event from the distant past for which there is little forensic evidence. In *Cold-Case Christianity*, J. Warner Wallace uses his nationally recognized skills as a homicide detective to look at the evidence and eyewitnesses behind Christian beliefs. Including gripping stories from his career and the visual techniques he developed in the courtroom, Wallace uses illustration to examine the powerful evidence that validates the claims of Christianity. A unique apologetic that speaks to readers’ intense interest in detective stories, *Cold-Case Christianity* inspires readers to have confidence in Christ as it prepares them to articulate the case for Christianity.

Stealing from God

Argues that the increasing power of Christian fundamentalists in American politics threatens the country's citizens, blames the Bible for promoting intolerance of other faiths, and describes atheism as "an admission of the obvious."
