Prayers for Hard Times

Finalist for the Dayton Literary Peace Prize • “In all of the literature addressing education, race, poverty, and criminal justice, there has been nothing quite like Reading with Patrick.”—The Atlantic A memoir of the life-changing friendship between an idealistic young teacher and her gifted student, jailed for murder in the Mississippi Delta Recently graduated from Harvard University, Michelle Kuo arrived in the rural town of Helena, Arkansas, as a Teach for America volunteer, bursting with optimism and drive. But she soon encountered the jarring realities of life in one of the poorest counties in America, still disabled by the legacy of slavery and Jim Crow. In this stirring memoir, Kuo, the child of Taiwanese immigrants, shares the story of her complicated but rewarding mentorship of one student, Patrick Browning, and his remarkable literary and personal awakening. Convinced she can make a difference in the lives of her teenaged students, Michelle Kuo puts her heart into her work, using quiet reading time and guided writing to foster a sense of self in students left behind by a broken school system. Though Michelle loses some students to truancy and even gun violence, she

is inspired by some such as Patrick. Fifteen and in the eighth grade, Patrick begins to thrive under Michelle's exacting attention. However, after two years of teaching, Michelle feels pressure from her parents and the draw of opportunities outside the Delta and leaves Arkansas to attend law school. Then, on the eve of her law-school graduation, Michelle learns that Patrick has been jailed for murder. Feeling that she left the Delta prematurely and determined to fix her mistake, Michelle returns to Helena and resumes Patrick's education—even as he sits in a jail cell awaiting trial. Every day for the next seven months they pore over classic novels, poems, and works of history. Little by little, Patrick grows into a confident, expressive writer and a dedicated reader galvanized by the works of Frederick Douglass, James Baldwin, Walt Whitman, W. S. Merwin, and others. In her time reading with Patrick, Michelle is herself transformed, contending with the legacy of racism and the questions of what constitutes a "good" life and what the privileged owe to those with bleaker prospects. "A powerful meditation on how one person can affect the life of another . . . One of the great strengths of Reading with Patrick is its portrayal of the risk inherent to teaching."—The Seattle Times "[A] tender memoir."—O: The Oprah Magazine

Nobel Laureate Desmond Tutu has long been admired throughout the world for the heroism and grace he exhibited while encouraging countless South Africans in their struggle for human rights. In *God Has a Dream*, his most soul-searching book, he shares the spiritual message that guided him through those troubled times. Drawing on personal and historical examples, Archbishop Tutu reaches out to readers of all religious backgrounds, showing how individual and global suffering can be transformed into joy and redemption. He helps us to “see with the eyes of the heart” and to cultivate the qualities of love, forgiveness, humility, generosity, and courage that we need to change ourselves and our world. Echoing the words of Martin Luther King, Jr., he writes, “God says to you, ‘I have a dream. Please help me to realize it. It is a dream of a world whose ugliness and squalor and poverty, its war and hostility, its greed and harsh competitiveness, its alienation and disharmony are changed into their glorious counterparts. When there will be more laughter, joy, and peace, where there will be justice and goodness and compassion and love and caring and sharing. I have a dream that my children will know that they are members of one family, the human family, God’s family, my family.’” Addressing the timeless and universal concerns all people share, *God Has a Dream* envisions a world transformed through hope and compassion, humility and kindness, understanding and forgiveness.

Christian Reflections

Each generation asks in its own way, "What does it mean to be human?" In *True Myth*, James Menzies addresses this question by exploring myth and religion in the thinking of mythologist Joseph Campbell and Oxford don C. S. Lewis. Joseph Campbell understood Christianity as comprised of mythical themes similar to those in other religious and secular myths. Admitting that certain portions of the biblical record are historical, he taught the theological and miraculous aspects as symbolic, as stories in which the reader discovers what it means to be human today. C. S. Lewis defined Christianity, and being truly human, as a relationship between the personal Creator and his creation mediated through faith in his son, Jesus Christ. In contrast to Campbell, Lewis took the theological and miraculous literally. Although Lewis understood how one could see symbolism and lessons for life in miraculous events, he believed they were more than symbolic and indeed took place in human history. Not only does Menzies consider the ways Campbell and Lewis utilize myth in answering the question for their generation, but he also probes the influence and presence of myth in philosophy, media, ethics, history, literature, art, music, and religion in a contemporary context, thus helping readers consider answers for their own age.

From the Library of C. S. Lewis

Why do we read literature and how do we judge it? C. S. Lewis's classic *An Experiment in Criticism* springs

Where To Download Cs Lewis Readings For Meditation And Reflection

from the conviction that literature exists for the joy of the reader and that books should be judged by the kind of reading they invite. He argues that 'good reading', like moral action or religious experience, involves surrender to the work in hand and a process of entering fully into the opinions of others: 'in reading great literature I become a thousand men and yet remain myself'. Crucial to his notion of judging literature is a commitment to laying aside expectations and values extraneous to the work, in order to approach it with an open mind. Amid the complex welter of current critical theories, C. S. Lewis's wisdom is valuably down-to-earth, refreshing and stimulating in the questions it raises about the experience of reading.
