D.L. Moody

"The Gospel Awakening."

He burst upon the fusty corridors of Victorian spirituality like a breath of fresh air, regaling the prime minister with his sense of humor, and touching the lives of seven presidents. Who was this man? A sterling philanthropist and educator, D. L. Moody was also the finest evangelist in the nineteenth century—bringing the transformative message of the gospel before 100 million people on both sides of the Atlantic in an age long before radio and television. Thousands of underprivileged young people were educated in the schools he established. Before The Civil War, he went to a place no one else would: the slums of Chicago called Little Hell. The mission he started there, in an abandoned saloon, in time drew children in the hundreds, and prompt a visit from president-elect. Abraham Lincoln in 1860. But all this is just to begin to tell the life of D.L. Moody. Drawing on the best, most recent scholarship, D. L. Moody - A

After becoming the most educated woman in the American South, Lottie Moon (1840-1912) spent thirty-nine years in China. As she watched her fellow missionaries fall to disease and exhaustion, she became just as dedicated to educating Christians about the often preventable tragedies of missionary life as she was to educating Chinese people about the Christian life. Today, an annual missionary offering taken in her name continues to enable countless others to give their all for the gospel.

D.L. Moody's reaction was quick and to the point. "No! A thousand times no! I have no intentions of standing off here in New York City and approving something I know so little about. But I'll think it over, Emeline. Then one of these days, I'll come out to Chicago and

we can talk some more about it." Moody's initial reaction to that "something" was to change through God's leading. That "something" is now the world-renowned Moody Bible Institute, which trains hundreds of men and women each year to understand and use the Scriptures. D.L. Moody dared to take up a challenge and see what God could do with a life totally committed to Him. Here is the story of the greatest American evangelist of the 1800s and the founder of the Moody Bible Institute.

Bible studies at Northfield, by D.L. Moody and others

A great many persons; imagine that anything said about heaven is only a matter of speculation. Now there would not have been so much in Scripture on this subject if God had wanted to leave the human race in darkness about it, All Scripture, we are told, is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness, that the man of God may be perfect thoroughly furnished unto all good works. What the Bible says about heaven, is just as true as what it says about everything else. It is inspired. What we are taught about heaven could not have come to us in any other way but by inspiration. No one knew anything about it but God, and so if we want to find out anything about it, we have to turn to His Word. This book will help you understand more about heaven and God's plan for your life.

“The preparation of my Father’s biography has been undertaken as a sacred trust. Early in the spring of 1894 he was asked by an old friend for permission to issue a biography with his approval. This my Father declined to do, and, on that occasion, expressed the wish that I should assume the task when his life-work was ended. In reply to my objection that such an undertaking demanded a literary experience that I did not possess, he said: ‘I don’t care anything about that. What I want is that you should correct inaccuracies and misstatements that it would be difficult to straighten out during my life. You are the one to do this. All my friends will unite on you and give you their assistance. There are many who think they know me better than any one else, and would feel themselves best able to interpret my life. IF you do not do this work there will be many inaccurate and conflicting ‘Lives.’” —From the Introduction

Why God Used D. L. Moody

Read Online D L Moody Bringing Souls To Christ Christian Heroes Then Now

A plainspoken follower of Jesus, Dwight L. Moody embodies passionate, unflinching obedience to God. It's 1860, the eve of America's Gilded Age. A man in a gray, woolen suit stands in a dilapidated building in Chicago's "Little Hell," a slum forgotten by the world. He is surrounded by grimy children, attentive and watchful in this makeshift school Moody established just for them. They are waiting for Abraham Lincoln to speak. Why America's greatest president and one of America's most celebrated spiritual giants are among the poorest of the poor is just the beginning of D.L. Moody, a biography with a novel-like narrative style that unveils the eternal power one life can have. This book reintroduces the unlikely accomplishments of a man desperate to obey God's call and shows how one committed heart can impact the kingdom of God and the spiritual heritage of a nation. We learn about life through the lives of others. Their experiences, their trials, their adventures become our schools, our chapels, our playgrounds. Christian Encounters, a series of biographies from Thomas Nelson Publishers, highlights important lives from all ages and areas of the Church through prose as accessible and concise as it is personal and engaging. Some are familiar faces. Others are unexpected guests. Whether the person is D.L. Moody, Sergeant York, Saint Nicholas, John Bunyan, or William F. Buckley, we are now living in the world that they created and understand both it and ourselves better in the light of their lives. Their relationships, struggles, prayers, and desires uniquely illuminate our shared experience.
