Hinrichs ist Taucher; er ist alt geworden in diesem Beruf. Fast zwanzig Jahre lang ist er Tag für Tag hinuntergestiegen in das trübe Wasser des Hafenbeckens, um dort seiner gefahrvollen Arbeit nachzugehen. Jetzt will er sich nicht ausbooten lassen; er will das Sausen in den Ohren, den Druck auf dem Herzen nicht zugeben, er will die Beklemmung, die er plötzlich in der Tiefe spürt, nicht wahrhaben. Um seine Anstellung nicht zu verlieren, fälscht er seine Papiere und macht sich jünger. Er tut dies mit der Entschlossenheit und Überlegung eines Mannes, der seine letzte Chance wahrnimmt.

National Union Catalog

This comprehensive guide is an ideal reference work for film specialists and enthusiasts. First published in 1984 but continuously updated ever since, CineGraph is the most authoritative and comprehensive encyclopedia on German-speaking cinema in the German language. This condensed and substantially

revised English-language edition makes this important resource available to students and researchers for the first time outside its German context. It offers a representative historical overview through bio-filmographical entries on the main protagonists, from the beginnings to the present day. Included are directors and actors, writers and cameramen, composers and production designers, film theorists and critics, producers and distributors, inventors and manufacturers. An appendix includes short introductory essays on specific periods and movements, such as Early Film, Weimar, Nazi Cinema, DEFA, New German Cinema, and German film since unification, as well as on cinematic developments in Austria and Switzerland. Sections that crossreference names around specific professional groups and themes will prove equally invaluable to researchers.
