The Disappearing Island

A secretly married couple spends the summer tracking a herd of Rocky Mountain goats which they conclude must not be hunted, even by the boy's determined father.

Luka's Quilt

Find out what your dog is really saying -- and talk back! Jean Craighead George, Newbery Medal -- winning author of over 80 books about nature and animals, demonstrates in words and photos how to communicate with your best friend.

Hawaiian Islands

A young giraffe living on the African plains learns how to be wise as well as fearless when a lion attacks.

War of the Realms

The study of the mapping, function, structure, evolution and editing of genomes is studied under genomics. Genes direct the production of proteins through enzymes and messenger molecules. Research in genomics delves into functional genomics, which studies gene transcription, translation and protein-protein interactions. It further strives to understand the functional role of DNA at the level of genes, RNA transcripts and protein products. Proteomics is the in-depth study of proteins. It is an interdisciplinary field which has rapidly advanced due to the progress in genomics. This book is a valuable compilation of topics, ranging from the basic to the most complex advancements in the fields of genomics and proteomics. It includes some of the vital pieces of work being conducted across the world, on various topics related to the functional and computational aspects of these domains. It is a complete source of knowledge on the present status of these important fields.

How the B-52 Cockroach Learned to Fly

Around the World: Who's Been Here?

A young girl helps her grandfather tend his bee hives one morning in spring.

Howling at the Moon

Katie has plans to go to Suzanne's all-girl sleepover party, but Jeremy wants her to ride the hot new rollercoaster. Annoyed, Jeremy and the other boys from Class 3A decide that all girls have cooties. When Katie finds herself in Jeremy's shoes- literally-she tries to reunite the boys and girls. Will Katie's plan work? Or will it just be one big mess?

How to Talk to Your Cat

In 1889 Emma Goldman and Alexander Berkman met in a Lower East Side coffee shop. Over the next fifty years they became fast friends, fleeting lovers, and loyal comrades. This dual biography offers a glimpse into their intertwined lives, the influence of the anarchist movement they shaped, and their unyielding commitment to equality and justice.

The Harry Bosch Novels Volume 5

Describes how the colonists aboard the Mayflower founded New Plymouth and celebrated their first harvest with a feast of thanksgiving.

Dear Katie, the Volcano Is a Girl

A collection of stories about animals which became beloved and famous, including Balto the sled dog which found his way through a blinding snowstorm and Koko the gorilla which learned sign language.

If We Were Giants

A grandmother and her granddaughter argue over whether a volcano is a geophysical phenomenon or an angry Hawaiian goddess.

Beekeepers

Examines the plants and animals of Hawaii, discussing such elements as species diversity, endangered species, and conservation efforts.

Genomics and Proteomics: Functional and Computational Aspects

A grandmother explains to her granddaughter how the arrival of winter brings

changes in nature and the earth's creatures, and how the return of spring and summer will bring more changes.

How to Talk to Your Dog

In an ecological mystery, twelve-year-old Maggie, who lives with her parents at the Biological Research Center, tries, with the help of young computer genius Mitch, to figure out what is killing her fire bugs. Reprint.

Zoo Ah-choooo

Simu, a young white rhinoceros, gets lost while playing on the African plains, but is rescued by his mother and aunt.

Girls Don't Have Cooties #4

Follows Oksi, daughter of Frightful, the peregrine falcon, as she journeys from hatchling to adulthood in the Catskill Mountains.

Me and My Ghoulfriends

What would you see and hear if you traveled to every corner of the world in search of wildlife in all its forms? Here is the answer -- and your passport to adventure. Follow Miss Lewis as she circumnavigates the globe aboard the ship Explorer and reports her experiences in photographs, sketches, and letters sent back to her students at home. What bird or animals has been in each habitat and left its unique trace? From Antarctica to Kenya, China to Alaska, there are natural wonders to observe and logical clues to piece together. Keep your eyes and mind open you won't want to miss a moment.

Rhino Romp

By world-renowned musician, environmentalist, and humanitarian Dave Matthews, an exciting and poignant fantasy set in wondrous natural environments about a girl who must summon the courage to face her own mistakes before she can help save her peaceful community from a gigantic threat. Kirra, a curious, agile, and outgoing girl, lives in an idyllic community hidden inside a dormant volcano. She and her father are the only two people allowed to venture beyond its walls. Kirra is in training to become a Storyteller like him, and together they travel from village to village spreading fearsome tales designed to keep outsiders away from their secret nest. One day, after hearing rumors of strangers called the "Takers," Kirra leaves the volcano by herself, hoping to discover her own story. But she unknowingly leads the Takers back to her doorstep, and they rob her of everything she has ever held dear. A devastated Kirra is found by a boy named Luwan and adopted into his family, which lives among others high in the trees of a dense forest. Now quiet and withdrawn, Kirra hides her dark past from everyone and never wants to leave the safety of her tree dwelling. Luwan, on the other hand, loves to explore. One day it leads to trouble: He is captured while spying on a group of strangers. The Takers have returned. To save the Tree Folk, Kirra must face her inner demons and

summon all her storytelling to weave the most important tale of her life. This compelling novel about overcoming loss, embracing community, and living in harmony with nature is highlighted with a full-color insert of concept artwork, making it perfect for family sharing.

The Story of Chinaman's Hat

"By day, Larue Donovan is a down-to-earth bookstore owner. But by night, she's a world-renowned psychic investigator dedicated to helping lost spirits find peace. Dead people won't leave her alone and Abraham Lincoln think she's in charge of her lovelife. Larue can handle ghosts and undead presidents. It's the living that drive her crazy. When Callahan Weiss moves to town, the handsome newcomer opens a coffee shop rights next door. She's smitten from the start, but she's not the only one--the boutique owner across the street has her eye on Callahan too, and uses witchcraft to fight dirty. When Callahan gets hit by a love spell, Larue will need more than a little help from her ghouf-friends to save the day"--Page [4] of cover.

The Seismic Seven

A child enjoys a camping trip with Grandma that includes hiking, canoeing, fishing, and cooking out.

Go Hog Wild

On a sleepy Sunday at the zoo, all the animals suddenly begin to sneeze.

Hawaii Is a Rainbow

A collection of riddles about farming and farm animals, including "What do Hawaiian cows wear?" ("moo-moos") and "What does a farmer plow but never plant?" ("snow").

A Girl Called Problem

Explores the natural wonders, people, and customs of Hawaii, in photographs grouped by color. A section in the back of the book provides additional information.

Gorilla Gang

The acclaimed final book in the trilogy that begins with the Newbery Medal-winning *Julie of the Wolves* In this exciting adventure about the wolf pack that saved the life of a young girl when she was lost on the tundra, Julie has returned to her family, but her wolf pack has a story all its own. Fearless but inexperienced Kapu is now the new leader of the pack. He must protect his wolves from the threats of famine and disease and, at the same time, defend himself from bitter rivals, both inside and outside the pack, who are waiting for their chance to overthrow him. The strength of Kapu's leadership will determine not just the well-being of the pack but its very survival. Jean Craighead George's research and first-hand observation

form this engrossing epic tale that's sure to draw readers into the fascinating world of wolves. Don't miss any of the books in Jean Craighead George's groundbreaking series: *Julie of the Wolves*, *Julie*, and *Julie's Wolf Pack*.

The Fire Bug Connection

The #1 international bestseller about love, war and betrayal from the author of *The Alchemist's Daughter* In 1854, adventurous Rosa Barr travels to the Crimean battlefield with Florence Nightingale's nursing corps. For Mariella Lingwood, Rosa's cousin, the war is contained within the letters she receives from her fiancé, Henry, a celebrated surgeon who also has volunteered to work in the shadow of the guns. When Henry falls ill, Mariella impulsively takes an epic journey to the ravaged landscape of the Crimea and the tragic city of Sebastopol. What she finds there, as her world beings to crumble, is that she has much to learn about secrecy, faithfulness, and love

Julie's Wolf Pack

The Rose of Sebastopol

Luka and her grandmother Tutu are best friends until Luka shows her disappointment at the traditional Hawaiian quilt that Tutu makes for her. Tutu is hurt, Luka is upset, and things just aren't the same anymore. But when Lei Day comes, the two set aside there differences to enjoy the holiday. "Guback's storytelling proves as affable as her bright, intricate cut-paper collages." -- Publishers Weekly.

Sasha and Emma

Show biz memoir at its name-dropping, bridge-burning, profane best: the music industry's most outspoken, outrageous, and phenomenally successful executive delivers a rollicking memoir of pop music's heyday. During the 1970s and '80s the music business was dominated by a few major labels and artists such as Michael Jackson, Bruce Springsteen, the Rolling Stones, Bob Dylan, Billy Joel, Paul Simon, Barbra Streisand and James Taylor. They were all under contract to CBS Records, making it the most successful label of the era. And, as the company's president, Walter Yetnikoff was the ruling monarch. He was also the most flamboyant, volatile and controversial personality to emerge from an industry and era defined by sex, drugs and debauchery. Having risen from working-class Brooklyn and the legal department of CBS, Yetnikoff, who freely admitted to being tone deaf, was an unlikely label head. But he had an uncanny knack for fostering talent and intimidating rivals with his appalling behavior—usually fueled by an explosive combination of cocaine and alcohol. His tantrums, appetite for mind-altering substances and sexual exploits were legendary. In Japan to meet the Sony executives who acquired CBS during his tenure, Walter was assigned a minder who confined him to a hotel room. True to form, Walter raided the minibar, got blasted and, seeing no other means of escape, opened a hotel window and vented his rage by literally howling at the moon. In *Howling at the Moon*, Yetnikoff traces his

journey as he climbed the corporate mountain, danced on its summit and crashed and burned. We see how Walter became the father-confessor to Michael Jackson as the King of Pop reconstructed his face and agonized over his image while constructing Thriller (and how, after it won seven Grammys, Jackson made the preposterous demand that Walter take producer Quincy Jones's name off the album); we see Walter, in maniacal pursuit of a contract, chase the Rolling Stones around the world and nearly come to blows with Mick Jagger in the process; we get the tale of how Walter and Marvin Gaye—fresh from the success of “Sexual Healing”—share the same woman, and of how Walter bonds with Bob Dylan because of their mutual Jewishness. At the same time we witness Yetnikoff's clashes with Barry Diller, David Geffen, Tommy Mottola, Allen Grubman and a host of others. Seemingly, the more Yetnikoff feeds his cravings for power, sex, liquor and cocaine, the more profitable CBS becomes—from \$485 million to well over \$2 billion—until he finally succumbs, ironically, not to substances, but to a corporate coup. Reflecting on the sinister cycle that left his career in tatters and CBS flush with cash, Yetnikoff emerges with a hunger for redemption and a new reverence for his working-class Brooklyn roots. Ruthlessly candid, uproariously hilarious and compulsively readable, Howling at the Moon is a blistering You'll Never Eat Lunch in this Town Again of the music industry.

Lilo & Stitch

On the island of O'ahu, Kimo, a brave young cockroach, dreams of a better life for all roaches. Tired of living in the garbage, Kimo sets off on his quest to prove that roaches deserve a respected place in the insect kingdom.

The First Thanksgiving

In 1967 Tanzania, when President Nyerere urges his people to work together as one extended family, the people of Litongo move to a new village which, to some, seems cursed, but where thirteen-year-old Shida, a healer, and her female cousins are allowed to attend school. Includes glossary and author's note.

Protecting Truth

Find out what your cat is really saying -- and talk back! Jean Craighead George, Newbery Medal-winning author of over 80 books about nature and animals, demonstrates in words and photos how to communicate with that ever-mysterious, ever-lovable animal -- the cat.

Incredible Animal Adventures

Experiment 626 escapes the clutches of the Galactic Council and flees to earth, landing in the Hawaiian Islands. Stitch meets island girl, Lilo, and the fun is nonstop.

When I Go Camping with Grandma

Freya and the Valkyries must stop a war before two worlds are destroyed in this

third book of an exciting series that School Library Journal described as perfect for “those looking for Rick Riordan read-alikes.” In the world of Asgard, living among Odin, Thor, and Loki, are the Valkyries of legend. They are Norse goddesses who reap the fallen souls from human battlefields and have the power to cause death with just one touch. At the end of *The Runaway*, Freya and the Valkyries were about to leave the human world when they learned that the Frost Giants, Fire Giants, and Dark Searchers had united to declare war on the Realms. Bifrost, the legendary rainbow bridge linking the human world to Asgard, had been closed. With their only entry back to Asgard barred, how can the Valkyries get back to fight to protect their homeland? Loki claims he knows a secret route, but can they trust him? And even if they find a way—is there anything they can do to stop the war? As the War of the Realms spills over into Earth, Freya and the Valkyries must find a way to save not just the Norse world but the human world as well. With everything at stake, can Freya become the Hero she was destined to be?

At Grandpa's Sugar Bush

A baby boy is given an Inupiat name to go with his English one and grows up learning the traditional ways of the Eskimo people living in the Arctic.

Frightful's Daughter

This action-packed, science-infused adventure from the critically acclaimed author of *The Countdown Conspiracy* follows a group of seven kids racing to save the world from a deadly supervolcano. Perfect for fans of Chris Grabenstein and Peter Lerangis. Brianna Dobson has been chosen to work with world-renowned geologist Dr. Grier in Yellowstone National Park for the summer, and she couldn't be more excited! But then Dr. Grier tells her and the other kids on the project the real reason she's invited them to Yellowstone: A massive supervolcano in the park is about to erupt—and if they can't stop it, Earth will be plunged into an endless winter, and civilization will be destroyed. Bri and her new friends are ready and willing to help stop the eruption, but unexpected dangers threaten to foil their efforts. Will the Seismic Seven be able to defy nature and save the world?

Giraffe Trouble

Alex enjoys kayaking behind the raft of his aunt and uncle as they journey down Idaho's Salmon River, until they find themselves in the middle of a forest fire.

Fire Storm

THE OVERLOOK sees Harry Bosch plunged into the dangerous world of international terrorism. When a physicist is murdered in LA it seems the killer has no fear of publicity, leaving the body on The Mulholland overlook, a site with a stunning view over the city. And when it's discovered that the victim turned over a quantity of a lethal chemical to his killer before he died, Harry knows he has more than just a single death to worry about. Alongside the forces of Homeland Security, Harry realizes he must solve the murder or face unimaginable consequences. In *NINE DRAGONS*, the shooting of a Chinese liquor store owner in LA brings Harry

Bosch back to the Rodney King riots and the moment a stranger gave a young cop sanctuary. Now, the debt must be repaid, and Harry soon discovers the old man's death was no ordinary holdup. Homing in on clues disregarded by the cops on the scene, Harry builds a picture of corruption and intimidation, with the local Triads at the heart of it. But as he tries to build a case and breach the impenetrable wall of silence in the local community, he finds he is taking a dragon by the tail - a dragon whose talons reach well beyond LA, and even the States. Suddenly the most precious thing in Harry's life is under threat, and he will need to leave the familiarity of his home turf, alone and without backup, if he is going to stop his worst nightmare from happening. Harry Bosch is facing the end of the line in THE DROP. He's been put on the Deferred Retirement Option Plan - and given three years before his retirement is enforced. Seeing the end of the mission coming, he's anxious for cases. He doesn't have to wait long. First a cold case gets a DNA hit for a rape and murder which points the finger at a 29-year-old convicted rapist who was only eight at the time of the murder. Then a city councilman's son is found dead - fallen or pushed from a hotel window - and he insists on Bosch taking the case despite the two men's history of enmity. The cases are unrelated but they twist around each other like the double helix of a DNA strand. One leads to the discovery of a killer operating in the city for as many as three decades; the other to a deep political conspiracy that reached back into the dark history of the police department.

Dear Rebecca, Winter Is Here

A Chinese boy grows enormous and floats across the ocean to old Hawai'i in this new legend about the origin of Chinaman's Hat islet in Kane'ohe Bay.

Arctic Son

Seraphina's keeping a secret from her Wandering team: she's perfecting her fighting skills. But telling Sam and Bishop the truth would only alert them to her plan: to go back in time, save her mom, and finish what she started. With the help of Turner, Bishop's handsome twin, she progresses toward her goal but plummets deeper into dangerous territory where the lines of friendship and romance are blurred. One passionate kiss changes everything, leading Sera to unravel a shocking web of family secrets, heartbreaking ulterior motives, and sinister agendas. Love and lies collide in a haunting climax, where the truest souls may not survive.

Going to the Sun

When a young boy spends his spring vacation at his grandfather's farm during sugaring season, he finds the hard work involved in making maple syrup is worth the effort when he tastes the fresh syrup on his pancakes. Reprint.
