the workforce, a witty, practical guide to 200 difficult professional conversations—featuring all-new advice from the creator of the popular website Ask a Manager and New York’s work-advice columnist. There’s a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don’t know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You’ll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you’re being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate’s loud speakerphone is making you homicidal • you got drunk at the holiday party Advance praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide “Clear and concise in its advice and expansive in its scope, Ask a Manager is

The Law of Financial Success

Sawkill Girls meets Beautiful Creatures in this lush and eerie debut, where the boundary between reality and nightmares is as thin as the veil between the living and the dead. If I could have a fiddle made of Daddy's bones, I'd play it. I'd learn all the secrets he

kept. Shady Grove inherited her father's ability to call ghosts from the grave with his fiddle, but she also knows the fiddle's tunes bring nothing but trouble and darkness. But when her brother is accused of murder, she can't let the dead keep their secrets. In order to clear his name, she's going to have to make those ghosts sing. Family secrets, a gorgeously resonant LGBTQ love triangle, and just the right amount of creepiness make this young adult debut a haunting and hopeful story about facing everything that haunts us in the dark.

The Adventures of Ook and Gluk, Kung-Fu Cavemen from the Future

This is the second annual edition of the Long List Anthology. Every year, supporting members of WorldCon nominate their favorite stories first published during the previous year to determine the top five in each category for the final Hugo Award ballot. Between the announcement of the ballot and the Hugo Award ceremony at WorldCon, these works often become the center of much attention (and contention) across fandom. But there are more stories loved by the Hugo voters, stories on the longer nomination list that WSFS publishes after the Hugo Award ceremony at WorldCon. The Long List Anthology Volume 2 collects 18 fiction stories from that nomination list, along with 2 essays from the book Letters to Tiptree that was also on the nomination list, totaling over 500 pages of fiction by writers from all corners of the world. Within these pages you will find a mix of science fiction and
