### **Dracula (The Annotated & Illustrated) Version**

Para aquellos de nosotros que siempre hemos estado fascinados con lo inexplicable, o lo explicado inadecuadamente, los secretos y misterios de este mundo, Sylvia Browne ahora nos brinda su entendimiento profundo. A través de una combinación de información de Francine, su guía espiritual, así como de sus propios e increíbles poderes psíquicos, Sylvia amplía las informaciones científicas actuales para ofrecernos explicaciones detalladas de conceptos en apariencia inexplicables. Desde la Gran Pirámide hasta Stonehenge, Sylvia revela datos sorprendentes sobre algunos de los sitios más misteriosos del mundo. La verdad detrás de objetos polémicos y sagrados como el Manto Sagrado de Turín y el Santo Grial salen a la luz; y temas fascinantes y desconcertantes como los círculos de las cosechas, el Continente Perdido de la Atlántida, los ovnis, la Isla de Pascua y mucho más, son tratados y aclarados. Sylvia elimina las explicaciones oscuras y obsoletas que ocultan las verdades subyacentes sobre estos fascinantes temas.

## **Monstruos Y Gigantes**

In this irresistibly-priced short story, catch a glimpse of the inner struggles and triumphs that drive Stalking Jack the Ripper's endearing but troubled hero. Enigmatic, brooding, and darkly handsome, Thomas Cresswell has always been the one mystery Audrey Rose has never been able to fully solve. As brilliant partners in crime investigation, they understand each other perfectly but as young lovers, their passionate natures have led to both euphoria and heartbreak throughout the Stalking Jack the Ripper series. This novella features a collection of scenes that takes place during and after the pair's horrifying Atlantic voyage in *Escaping From Houdini*. Experience new and familiar scenes from Thomas's unique point of view, including an intensely personal look into his plea for Audrey Rose's hand in marriage. With a romance for the ages, Audrey Rose and Thomas reach the conclusion to their epic, irresistible partnership in their final adventure, *Capturing the Devil*.

## **Last Descendants**

Dracula is one of the most well-known characters in the world. Now, read the story of the man who inspired the legend in this graphic novel available again for the first time in almost 30 years. A prince of Wallachia and son of Vlad Dracul (The Dragon), Vlad Dracul the Younger (Vlad Dracula) is taken hostage as a young man by Sultan Mehmed I to ensure his father's loyalty. When his father is killed at the hands of traitorous nobles in his own land, he assumes the crown and wages a cruel war to regain his lands and avenge his father. Throughout his life, he continued the fight to retain his kingdom, committing acts that would later lead to the formation of the famous character created by Bram Stoker. Originally published in the 1990s, it is now presented for the first time in black and white to showcase the beautiful art of Esteban Maroto.

## **Eiji Tsuburaya: Master of Monsters**

In the centuries following the first expeditions down the great rivers of northern Russia by Viking traders and adventurers, the foundations for a new state were laid. Many influences combined in this colourful culture which grew up first around the great cities of Kiev and Novgorod – Scandinavian, Finnish, Slav, steppe Turkish, Byzantine. By the time of the Mongol invasions of the 12th century the small enclaves of the old pagan Rus', tolerated by the Khazar Khans for their commercial usefulness, had evolved into a Christian nation. Its story is told here in fascinating detail, and illustrated with striking colour reconstructions of the warriors themselves.

## **The Historian**

Transilvania, 1501. Tras un arduo viaje, el príncipe Horvathy llega al castillo de Poienari, en los Cárpatos, con la misión de conocer la verdad acerca del conde Vlad Tepes, antiguo voivode de Valaquia. Para lograr su objetivo deberá entrevistarse con las tres personas más cercanas al conde durante su tormentosa existencia. Tres testimonios desgarradores le revelarán la verdadera personalidad de uno de los más fabulosos personajes que han existido. El primer relato es el de Ion Tremblac, antiguo caballero y amigo de Vlad, que lleva años prisionero. El segundo es de Ilona Ferenc, una misteriosa mujer que en su día fue amante de Vlad. El tercero es del hermano Vasilie, un ermitaño que hizo las veces de confesor del conde Drácula durante años. Los tres testimonios se entrelazan para generar un complejo retrato del legendario personaje Vlad Tepes, el sanguinario empalador, que ha dado origen al mito del vampiro más famoso de todos los tiempos: el conde Drácula. Fruto de una minuciosa investigación, Vlad es una novela cruda y veraz que atrapa desde la primera página.

## **Covenant with the Vampire**

Descripción / Resumen (Español / Castellano): "Mito y literatura en la filmografía de Francis Ford Coppola. Un estudio

intertextual y mitocrítico a partir de *Apocalypse Now*” se enmarca dentro del ámbito académico de Teoría de la Literatura y Literatura Comparada y del área filosófica de la Estética y Teoría de las Artes. Partiendo de la interrelación que desde sus orígenes el cine ha tenido con la literatura, han sido muchos los estudios que se han realizado desde diversas perspectivas de la narración literaria sobre la creación fílmica. En este sentido juegan un papel destacado la multitud de teorías literarias que surgieron durante el pasado siglo y que a la postre sentaron las bases de los futuros estudios sobre teoría y crítica cinematográfica. Entre todas ellas existen un conjunto de teorías literarias que tuvieron especial relevancia en la primera mitad del siglo XX y que se caracterizan por estudiar la creación literaria partiendo de sus orígenes más ancestrales: el mito y el rito. Entre ellas destacan la teoría mítico-ritualista, el psicoanálisis, la teoría simbolista, el estructuralismo, la mitocrítica, etc. Todas coinciden en estudiar el mito desde perspectivas multidisciplinares diferentes con el objetivo de corroborar cómo las primeras narraciones de la humanidad han perdurado en la historia de la cultura humana a través de creaciones literarias, pictóricas o cinematográficas. Todas las teorías literarias antes nombradas ayudaron a que desde finales del siglo XIX se produjera un proceso de «remitologización» muy importante que ayudó a que, dentro de diferentes ámbitos culturales, especialmente en la literatura, se incorporase el mito y el rito ancestral como epicentro de la creación artística. Teorías como las de Frazer, Freud, Jung, Joseph Campbell o Mircea Eliade se fueron incorporando tanto a la crítica como a la creación literaria. Debido a la influencia de todas estas teorías antropológicas, psicológicas, sociológicas o lingüísticas sobre el estudio del mito y su relación con la literatura se fue creando una «poética del mito» clave para la creación literaria de la primera mitad del siglo XX. Sobre ellas trabajaron autores como James Joyce, Thomas Mann, Frank Kafka, H. D. Lawrence o T. S. Eliot entre otros. El propósito del siguiente estudio es comprobar y valorar cómo ha influido la «poética del mito» en el ámbito cinematográfico. La intención es rastrear qué grado de asimilación han tenido las teorías antes nombradas en la creación fílmica y para ello tomaremos como referencia la filmografía del director norteamericano Francis Ford Coppola. A través del análisis de algunas de sus películas intentaremos demostrar como el cine ha supuesto (aunque más tímidamente que la literatura) otro eslabón en el proceso de remitologización que sufrió la cultura occidental en el siglo XX. Partiendo de esta idea preliminar, nos hemos centrado en algunas de las películas de Francis Ford Coppola para comprobar como es aplicable al cine algunas de las conclusiones críticas y creativas de la «poética del mito» desarrollada en el ámbito literario en la primera mitad del siglo XX. Tomaremos como obra de referencia *Apocalypse Now* (1979), película que consideramos una de las propuestas más cercanas a lo que supondría un «filme mitologizante», sin olvidarnos de otras películas de referencia en la filmografía del director norteamericano como son la trilogía de *El Padrino*, *Drácula de Bram Stoker* o *El hombre sin edad*. Descripción / Resumen (Inglés): *Myth and Literature in the filmography of Francis Ford Coppola. A study in myth-criticism based on Apocalypse Now, within both the academic fields of the theory of literature and comparative literature and, from a philosophical perspective, that of aesthetics and art theory. Since its inception cinema and literature have been closely intertwined, and there have been many studies from various narrative perspectives about the matter of film creation. In this sense, the multiple literary theories that arose during the last century and that laid the foundation for future cinematographic theory and criticism play a fundamental role. There exists amongst all of these a group of literary theories which were especially relevant in the first half of the 20th century, which are categorized through*

the study of literary creation from their very roots: myth and ritual. Of these the theories of myth-ritualism, myth criticism, psychoanalysis, structuralism and symbolist theory deserve particular attention. All of these theories agree on one thing, and that is the study of myth from various multidisciplinary perspectives with the aim of corroborating how the earliest human narrations have endured in the history of human culture by means of literary, pictorial or cinematographic creation. In addition, all of the aforementioned literary theories were of great help in the highly important process of re-mythologisation that took place at the end of the nineteenth century which helped to introduce myth and ancestral ritual as the epicentre of artistic creation. Theories such as those of Frazer, Freud, Jung, Joseph Campbell and Mircea Eliade were incorporated into both literary criticism as well as literary creation. It is due to the influence of all of these anthropological, psychological, sociological and linguistic theories in the study of myth and its relation with literature that an essential “myth poetic” was established for the literary creation of the first half of the twentieth century, attracting the attention of such authors as James Joyce, Thomas Mann, Franz Kafka, H.D. Lawrence and T.S. Eliot amongst others. The main objective of this study is to try to understand and evaluate how “myth poetics” have influenced the cinematographic field. The aim is to identify the extent to which the aforementioned theories have been assimilated in film creation, using as a reference the filmography of the American film director Francis Ford Coppola. Through the analysis of some of his films we will try to prove how cinema has been, albeit to a lesser extent than with literature, another step in the process of re-mythologization that affected western cultural production in the twentieth century. Taking this idea as our starting point, we have focused on some of the films of Francis Ford Coppola to examine how some of the critical and creative conclusions of “myth poetics” developed in the literary field in the first half of the twentieth century can be applied to cinema. As a reference we will examine *Apocalypse Now* (1979), since it is a film which corresponds closely with the concept of a “mythologizing film”, without forgetting other the director’s other important works such as *The Godfather* trilogy, *Bram Stoker’s Dracula* or *Youth without Youth*.

## **Becoming the Dark Prince: A Stalking Jack the Ripper Novella**

Having discovered the double identity of the wealthy Transylvanian nobleman, Count Dracula, a small group of people vow to rid the world of the evil vampire.

## **Drácula**

Las nuevas generaciones experimentan en la actualidad un enorme interés por las historias de vampiros. Su desarrollo en la literatura y en el cine ha dado lugar a la creación de nuevas características dentro de un género de larga tradición y ha generado una renovación profunda de los modelos existentes. Sin embargo, un regreso a los orígenes puede permitir un acercamiento más interesante a las manifestaciones contemporáneas de este tipo de textos. *Drácula* es, sin duda, uno de

los mayores exponentes de esta tradición literaria y uno de los puntos de partida para la creación del mito moderno del vampiro.

## **Vlad Dracula**

### **Mito y literatura en la filmografía de Francis Ford Coppola**

#### **The Vampyre**

When a young Dublin student goes to pay his last respects to his dying uncle, he never imagines that he might chance upon a terrifying family secret. Who is the sinister old man in the portrait and why is his uncle so anxious for him to burn it? Why is the Spanish man who saves him from drowning so frightened when he hears the name Melmoth? As he digs deeper into the mystery, an intricate and blood-chilling story begins to unfold. For the past two hundred years, the accursed Melmoth has been searching desperately for an escape from the infernal bargain he once made. Melmoth has traversed the globe leaving destruction and misery in his wake, from Inquisition-era Spain to a remote island in the Indian Ocean - and there have been recent sightings of him in County Wicklow, where our narrator is still piecing the story together. This Victorian classic has captured the imaginations of readers since 1820 and inspired numerous other gothic masterpieces, including Oscar Wilde's *The Picture of Dorian Gray* and Sarah Perry's novel *Melmoth*.

#### **Vlad**

A sensual, terrifying, incredibly accomplished first novel, this fascinating prequel to the classic and most popular horror novel of all time, *Dracula*, focuses on Dracula's great-nephew, who inherits the job of managing his great-uncle's estate and his appetite. Written in diary form as *Dracula* is, this compulsively readable book has revelations that will shock and delight readers of the original. More erotic than Anne Rice, Kalogridis is a major new voice in vampire fiction. The first chilling tale

in an exciting new trilogy is a rich and terrifying historical novel set fifty years before the opening of Bram Stoker's Dracula. At the castle of Prince Vlad Tsepesh, also known as Dracula, Vlad's great-nephew Arkady is honored to care for his beloved though strange great-uncle until he begins to realize what is expected of him in his new role. It seems that either he provides his great-uncle with unsuspecting victims to satisfy his needs, or Vlad will kill those Arkady loves. He is trapped into becoming party to murder and sadistic torture. And it is in his blood. When Arkady learns that his newborn son is being groomed one day to follow in his footsteps, he knows that he must fight Dracula, even if it means death.

## **Armies of Medieval Russia 750-1250**

En el siglo XV, la antigua Valaquia, conocida hoy como Transilvania, fue escenario de cruentas luchas entre turcos, cristianos y los propios habitantes de esta zona geográfica –entre otros, eslavos, macedonios, serbios y croatas-. Ésta es la historia de Vlad III Dracul, llamado por sus contemporáneos “el Empalador”, quien, en medio de estos combates sin cuartel, luchó con tales medios por la independencia de su país que hasta hoy se recuerda su crueldad sin límites. De él se cuenta, entre otros muchos detalles pavorosos, que solía almorzar rodeado de sus prisioneros agonizantes atravesados por un palo. El camino que conduce desde la historia real hasta la leyenda es oscuro y tortuoso, pero no es de extrañar que en el siglo XIX el escritor irlandés Bram Stoker se inspirara en el sanguinario príncipe Vlad Dracul para concebir la figura del conde Drácula, sediento de sangre, y al que, ya en el siglo XX, el cine convertirá en uno de nuestros mitos más terroríficos.

## **Invasión y colaboracionismo**

Durante medio siglo, una hermosa mujer ha sido prisionera de la crueldad de un hombre. Se trata de Zsuzsanna, la otrora exquisita sobrina de Vlad Tsepesh, también conocido como Drácula. Ahora, a través de una ceremonia de sangre y pasión, Zsuzsanna está a punto de ser liberada por la caricia de una mujer, Elisabeth de Bathory, la hermosa y sensual condesa decidida a destruir a Vlad. Pero cuando Zsuzsanna viaja a Inglaterra con Elisabeth, recibirá una amarga sorpresa, pues mientras las amantes acechan a Abraham Van Helsing, Zsuzsanna descubre que Elisabeth tiene una vida secreta... un pacto con un ser más poderoso y peligroso que Drácula: el mítico Señor Oscuro.

## **Among the Believers**

Dracula, Prince of Many Faces reveals the extraordinary life and times of the infamous Vlad Dracula of Romania (1431 - 1476), nicknamed the Impaler. Dreaded by his enemies, emulated by later rulers like Ivan the Terrible, honored by his countrymen even today, Vlad Dracula was surely one of the most intriguing figures to have stalked the corridors of European and Asian capitals in the fifteenth century.

## Los "Drácula"

Naipaul's controversial account of his travels through the Islamic world was hailed by The New Republic as "the most notable work on contemporary Islam to have appeared in a very long time." From the Trade Paperback edition.

## Dracula: Vlad the Impaler

“Esta obra marca un precedente importante en lo que se refiere al estudio del vampirismo. Bajarlía, a través de un lenguaje directo y contundente, analiza la tríada vampiro-Stoker-vampirismo, como tres lados de un mismo rostro. Un Jano diabólico que seduce y aniquila. Una bestia repugnante y a la vez seductora. Los capítulos del libro desgranar el arcano de los vampiros haciéndolo asequible al lector, tanto iniciado como profano. Desde “Una vida en enigma”, pasando por “La novela sangrienta”, “Vladislaus Drakulya”, ó “El germen vampiriis”, Bajarlía deja en claro su habilidad para descender hasta lo profundo de la bestia, para hallar su símbolo hermético y convertirlo en manjar para el lector. Es un ensayo que transita los aspectos más fundamentales del vampiro stokeriano, a la par de exponer las raíces históricas de éste, sin dejar de lado la influencia que ha tenido en la postrera literatura y cinematografía internacional. Pero lo que agrega aún más relevancia al trabajo de Bajarlía, es la incorporación de cuatro capítulos inéditos hasta el momento, y que forman parte del cuerpo de esta reedición. El primero, titulado Los muertos vivientes, explora el folklore haitiano, el poder oculto de la niebla, las mujeres vampiro y el poder de la estaca para fulminar a la bestia. El segundo capítulo (La noche de Walpurgis) analiza el descartado Huésped de Drácula de Bram Stoker, primerísima versión de lo que luego se convertiría en la historia ya clásica de Drácula. El tercer capítulo inédito agregado a esta edición ahonda en Lestat, el último vampiro. Es un estudio minucioso de la vida y obra de Anne Rice, pasando por sus principales novelas vampíricas. Finalmente, en La vampiro Pandora, Bajarlía se sumerge en el vampiro femenino también desarrollado por Rice en sus escritos, que expone un nuevo modelo del succionador de sangre, en este caso en una atmósfera de oscura feminidad”. Diego Arandojo

## Vlad : la última confesión del Conde Drácula

An all-new series based on the hit video game franchise Assassin's Creed! Nothing in Owen's life has been right since his father died in prison, accused of a crime Owen is certain he didn't commit. Monroe, the IT guy at school, might finally bring Owen the means to clear his father's name by letting him use an Animus-a device that lets users explore genetic memories buried within their own DNA. During a simulation, Owen comes uncovers the existence of a powerful relic long considered a legend-the Trident of Eden. Now two secret organizations will stop at nothing to take possession of this artifact-the Brotherhood of Assassins and the Templar Order. It becomes clear the only way to save himself is to find the Trident first. Under the guidance of Monroe, Owen and a group of other teenagers go into a memory they all share within their DNA: the

1863 Draft Riots in New York City. Owen and his companions will find themselves tested on the violent streets of New York, and their experiences in the past will have far-reaching consequences in the present.

## **The land beyond the forest**

Jonathan Harker, a young English lawyer, travels to Castle Dracula in the Eastern European country of Transylvania to conclude a real estate transaction with a nobleman named Count Dracula. As Harker wends his way through the picturesque countryside, the local peasants warn him about his destination, giving him crucifixes and other charms against evil and uttering strange words that Harker later translates into "vampire." Frightened but no less determined, Harker meets the count's carriage as planned. The journey to the castle is harrowing, and the carriage is nearly attacked by angry wolves along the way. Upon arriving at the crumbling old castle, Harker finds that the elderly Dracula is a well educated and hospitable gentleman. After only a few days, however, Harker realizes that he is effectively a prisoner in the castle.

## **Drácula, el vampirismo y Bram Stoker**

Discusses the life and career of the pioneering special effects director who was responsible for numerous Japanese science fiction and fantasy films and almost all the iconic images of monsters destroying Tokyo.

## **Secretos y Misterios del Mundo**

Most of the vast audience attracted to the subject of Dracula know him only in his fictional, one-dimensional form: vampire! Yet the truth behind the historical character--voevode, warlord--of 15th C. Romania is at least as equally fascinating as any contrived account of his supernatural persona. Vlad Dracula faithfully follows his life story as hostage, fugitive, prince, and prisoner, as well as his legend. His principality of Wallachia was caught between two voracious predators: the kingdom of Hungary and the Ottoman empire. They tried to break Dracula with overwhelming force and terror. But Dracula turned their own tactics against them, and against criminals and factions in his own land, earning the name Tepes--The Impaler--in the process. He was a strange mix of husband, father, soldier, statesman, and berserker. He annihilated 50,000 people--one-tenth of his own population. Cursed by his native Orthodox Christian Church, he indeed evolved into a legend. But even today he is Romania's Robin Hood.

## **Dracula**

An "innovative" (The New Yorker) retelling of the story of Dracula. Told with the flourish and poise of a talented storyteller,

Kostova turns the age-old tale into a compelling "late night page-turner" (San Francisco Chronicle) When a young woman discovers a cache of ancient letters, she is thrown into the turbulent history of her parents' dark pasts. Uncovering a labyrinthine trail of clues, she begins to reconstruct a staggering history of deceit and violence. Debut novelist Elizabeth Kostova creates an adventure of monumental proportions, a relentless tale that blends fact and fantasy, history and the present, with an assurance that is almost unbearably suspenseful and utterly unforgettable.

## Vampires Are Us

"Vampires. Why do we care? In these pages you will find what is very simply, the most literate, imaginative, and just plain fascinating answer to that question ever written." —Whitley Strieber In a culture that does not do death particularly well, we are obsessed with mortality. Margot Adler writes, "Vampires let us play with death and the issue of mortality. They let us ponder what it would mean to be truly long lived. Would the long view allow us to see the world differently, imagine social structures differently? Would it increase or decrease our reverence for the planet? Vampires allow us to ask questions we usually bury." As Adler, a longtime NPR correspondent and question asker, sat vigil at her dying husband's bedside, she found herself newly drawn to vampire novels and their explorations of mortality. Over the next four years—by now she has read more than 270 vampire novels, from teen to adult, from gothic to modern, from detective to comic—she began to see just how each era creates the vampires it needs. Dracula, an Eastern European monster, was the perfect vehicle for 19th-century England's fear of outsiders and of disease seeping in through its large ports. In 1960s America, Dark Shadows gave us the morally conflicted vampire struggling against his own predatory nature, who still enthralls us today. Think Spike and Angel, Stefan and Damon, Bill and Eric, the Cullens. Vampires Are Us explores the issues of power, politics, morality, identity, and even the fate of the planet that show up in vampire novels today. Perhaps, Adler suggests, our blood is oil, perhaps our prey is the planet. Perhaps vampires are us.

## Surviving Anne

va pasando el tiempo en un ir y venir por el pasillo, y para el alba la tormenta ha perdido la fuerza, mientras que ?la Escopetilla? ha recuperado las suyas. Recostada entre las almohadas, sorbe una infusión de contrití que Junípero ha hecho para ella. A su lado, Juan José le toma el pulso que ahora late con normalidad. Ninguno de los tres tiene explicación para lo sucedido, hasta que entre las almohadas una bolsa del tamaño de una rosquilla de San Isidro asoma junto al camisón amarillo. En su interior, un dedo de mono seco, quizá el dedo corazón, y una pequeña hoja medio marchita? Esta es la historia de la familia Camaró y "Ojos de Gato", que tras La Guerra Civil Española de 1936, y bajo el régimen del General Franco, emprenden una nueva vida en una tierra extraña y fascinante, como fue La Guinea Española -hoy Guinea Ecuatorial-. Una historia de sentimientos a flor de piel, que marcaron la vida de una niña hasta que en 1968-con la

independencia- su familia, como la gran mayoría de los coloniales, dejó esa tierra bendita para no volver.

## **La Sombra del Egombe - egombe**

Featuring an appendix of discussion questions, the Diversion Classics edition is ideal for use in book groups and classrooms. From ghost stories to spine-chilling mysteries, the horror genre is perfect reading for the Halloween season and year-round. Including Mary Shelley's FRANKENSTEIN, Robert Louis Stevenson's THE STRANGE CASE OF DR. JEKYLL AND MR. HYDE, and Bram Stoker's DRACULA, these terrifying tales will stay with you long after they're finished.

## **Drácula, el hijo del Dragón**

From the international bestselling author of Dracul comes the authoritative sequel to Bram Stoker's original horror classic. London, 1912. A quarter of a century after Count Dracula "crumbled into dust," Quincey Harker—the son of Jonathan and Mina Harker—leaves law school to pursue a career on stage, only to stumble upon the troubled production of Dracula, directed and produced by Bram Stoker himself. As the play plunges Quincey into the world of his parents' terrible secrets, death begins to stalk the original band of heroes that defeated Dracula a quarter-century ago. Could it be that the count survived and is now seeking revenge? Or is there another, far more sinister force at work whose relentless purpose is to destroy anything and anyone associated with Dracula, the most notorious vampire of all time Dracula the Un-Dead is the true sequel to Bram Stoker's classic novel, written by his direct descendant and a well-known Dracula historian. Dracula the Un-Dead provides answers to all the questions that the original novel left unexplained, as well as new insights into the world of iniquity and fear lurking just beneath the surface of polite Victorian England.

## **Drácula**

"Trust nothing that you've heard." Winter 1431, a son is born to the Prince of Transylvania. His father christened him "Vlad." His people knew him as "The Dragon's Son." His enemies reviled him as "Tepes"-The Impaler. He became the hero of a nation. We know him as Dracula. Vlad: The Last Confession is a novel about the real man behind the Bram Stoker myth. It tells of the Prince, the warrior, the lover, the torturer, the survivor and, ultimately, the hero. "A great tale, finely woven with action, palpably real characters and terrific twists of fate." -Simon Scarrow

## **Las 50 grandes masacres de la historia**

The horrors and brutality of the Holocaust are captured in this gripping graphic novel, which follows the story of a couple,

Kazik and Cessia, who lose a daughter at Auschwitz and barely survive the concentration camp themselves, in a historical saga based on the reminiscences of actual concentration-camp survivors.

## **Vlad the Impaler**

This novel is an intimate exploration of the severe psychological difficulties suffered by a woman whose parents survived a Nazi concentration camp. In it, Anne meets Dr. Palmer, with whom she begins a psychotherapeutic journey that will lead her to a surprising resolution. Much more than the misfortunes of a singular drama, this is an immersion into the innermost folds of the human condition, where loneliness, helplessness, and the struggle between madness and the desire to live meet. Throughout her treatment, Anne becomes a mirror in which each reader will recognize at least one of his or her own traits. This is a story which brings together the pain of existence and the courage of someone who, with the help of her therapist, manages to get her life back on track.

## **Dracula anotado**

Siguiendo la misma pauta que "Alicia anotada" o "Sherlock Holmes anotado", el presente libro ofrece el clásico de Bram Stoker acompañado de un amplio corpus de notas en las que se dilucidan numerosas cuestiones relacionadas con el autor, los personajes o los escenarios en los que transcurre la acción. Los textos se acompañan de un impresionante aparato gráfico que incluye mapas, grabados y fotogramas de las principales películas que han abordado uno de los textos fundacionales (si no el texto fundacional) de la literatura de vampiros.

## **Romania-- in Pictures**

Vlad the Impaler - The Real Dracula is a biography of the 15th century Wallachian Prince in what it now modern day Romania. Vladthe Impaler was the inspiration for the main charachter in Bram Stoker's Dracula novel which was originally published in 1897 and loosely based off of the real person. Vlad the Impaler got his name because he used cruel punishments agaisnt his political enemies, most notably impaling them with a large stake and sticking them in the ground to die. During the impalement, Dracula had the blood collected and he dipped his food in their blood, which is what made him known to this day as a blood drinker. Vlad ruled Wallachia during the periods of 1448, 1456-62, and 1476. Vlad the Impaler - The Real Dracula is a highly recommended publication for those interested in learning the details of the story of Vlad the Impaler and also for those who are fans of Dracula and would like to learn about the real man behind the story.
