### **The Covenant of Genesis**

An autobiographical novel about growing up gay in a working-class town in Picardy. "Every morning in the bathroom I would repeat the same phrase to myself over and over again . . . Today I'm really gonna be a tough guy." Growing up in a poor village in northern France, all Eddy Bellegueule wanted was to be a man in the eyes of his family and neighbors. But from childhood, he was different—"girlish," intellectually precocious, and attracted to other men. Already translated into twenty languages, The End of Eddy captures the violence and desperation of life in a French factory town. It is also a sensitive, universal portrait of boyhood and sexual awakening. Like Karl Ove Knausgaard or Edmund White, Édouard Louis writes from his own undisguised experience, but he writes with an openness and a compassionate intelligence that are all his own. The result—a critical and popular triumph—has made him the most celebrated French writer of his generation.

### **Eddie Green - The Rise of an Early 1900s Black American Entertainment Pioneer**

THE NEW YORK TIMES BESTSELLER "Izzard is one of the funniest people alive, a talented actor, a sharp cross-dresser, an experienced marathon runner, and a great writer. Writing with the same candor and insight evident in his comedy, he reflects on a childhood marked by the loss of his mother, boarding school, and alternative sexuality, as well as a life in comedy, film, politics, running and philanthropy. Honest and generous, Believe Me is an inspired account of a very singular life thus far.

## **Eddie's Garden**

What really happened to Eddie Aikau? In her inspirational children's book, Eddie Wen' Go: The Story of the Upside-Down Canoe, former Hokule'a crewmember Marion Lyman-Mersereau imagines what Hawai'i's ocean creatures saw when the voyaging canoe capsized and the heroic Aikau went for help. Illustrated in lavish watercolor by Melissa DeSica, the 64-page hardcover book tells the story of the Hokule'a's disastrous journey--over 30 years ago--from the canoe's launch to the crewmembers' rescue. The colorful cast of characters--including a wise grandmother whale and her curious grandson, a sassy young dolphin, a tough pidgin-speaking shark, and a free-spirited 'iwa (frigate bird)--share in the telling of the story, with liberal use of Hawaiian words and phrases. Each of the older animals take their turn in relating their part in the tale, the events they saw, or the family lore handed down about the "upside-down canoe" and the brave human who went for help. Together, the animals come to a conclusion about what happened to Eddie: "As long as there's an ocean and creatures

in it, that's where Eddie will be." Eddie's example, the animals remind us, challenges us all to live courageously and to use our own gifts to be of service to others.
