Student Support Assessments 2021: Get the support you need Find out about changes to assessments, FREE teaching and learning resources, professional learning courses, and how you can access specialist support and guidance.

### chemrevise | Resources for A-level and GCSE Chemistry

This applies to both A-level and GCSE. It is amazing how many marks are thrown away when writing about the collision theory. Increasing temperature, concentration and surface area all increase the frequency of collisions. It is not

enough to say only there are more collisions as there is no reference to time.. More collisions per second is fine though.. A greater chance of collisions is not

### **KS3 Exploring Science International - Pearson**

The General Certificate of Secondary Education (GCSE) is an academic qualification in a particular subject, taken in England, Wales, and Northern Ireland. State schools in Scotland use the Scottish Qualifications Certificate instead. Private schools in Scotland may choose to use an alternative qualification. Each GCSE qualification is offered in a specific school subject (e.g. Mathematics)
