Define educational. educational synonyms, educational pronunciation, educational translation, English dictionary definition of educational. adj. 1. (= teaching) issue → pädagogisch; educational theory → Pädagogik f, → Unterrichtstheorie f; educational method or methodology → Erziehungsmethode f; Educational Administration

Journal of Educational Administration | Emerald Insight

Educational leadership is the process of enlisting and guiding the talents and energies of teachers, pupils, and parents toward achieving common educational aims. This term is often used synonymously with School leadership in the United States and has supplanted educational management in the United Kingdom. Several universities in the United States offer graduate degrees in educational leadership.

Online Doctorate in Educational Leadership & Management

Educational administration is a discipline within the study of education that examines the administrative theory and practice of education in general and educational institutions and educators in particular

activities. The field ideally distinguishes itself from administration and management through its adherence to guiding principles of educational philosophy.

Education Policy, Organization & Leadership | College of

Introduction. In an article entitled 'Distributed properties: a new architecture for leadership', Peter Gronn (2000) outlined the concept of 'distributed leadership' (DL) as a potential solution to the tendency of leadership thinking to be divided into two opposing camps: those that consider it largely the consequence of individual agency (e.g. Bass 1985) and those that present it as
