Imperialism, Sovereignty and the Making of International Law

Source: Modern Law Review `Imperialism, Sovereignty and International Law is a work of expert scholarship that is simultaneously accessible and engaging. It inspires a questioning of our assumptions about international law about the motivations for our own work. It should be read by anyone interested in the future of international law.'

The Beta Israel made contact with other Jewish communities in the later 20th century. Following this, a rabbinic debate ensued over whether or not the Beta Israel were Jews. After halakhic (Jewish law) and constitutional discussions, Israeli officials decided, in 1977, that the Israeli Law of Return was to be applied to the Beta Israel.
