1. Desert and Entitlement. It is important here at the outset that we draw attention to a distinction between desert and another concept with which it might be confused. We will speak of this latter concept as the concept of entitlement, though different philosophers use different terminology to mark this distinction.. A typical desert claim is a claim to the effect that someone – the

Example

Philosophy of mind - Philosophy of mind - The soul and personal identity: Perhaps the problem that most people think of first when they think about the nature of the mind is whether the mind can survive the death of the body. The possibility that it can is, of course, central to many religious doctrines, and it played an explicit role in Descartes's formulations of mind-body dualism, the
