Jesus Said What?

A book on faith has been for years my hope and intention. And now it comes to final form during the most terrific war men ever waged, when faith is sorely tried and deeply needed. Direct discussion of the war has been purposely avoided; the issues here presented are not confined to those which the war suggests; but many streams of thought within the book flow in channels that the war has worn. Since the conflict had to come, I am glad for this book's sake that it was not written until it had Europe's holocaust for a background. Against one misunderstanding the reader should be guarded. If anyone approaches these studies, expecting to find detailed and special views of Christian doctrine, he will be disappointed. The perplexities of mind and life and the affirmations of religious faith, with which these studies deal, lie far beneath sectarian doctrinal controversy. I have tried to make clear a foundation on which faith might build its thoughts of Christian truth. And while I have spoken freely of God and Christ and the Spirit, of the Cross and life eternal, I have not intended or endeavored a complete theology. - Preface.

Successfully MidAir

Change happens, whether we want it to or not. How we experience that change is completely up to us. Successfully MidAir

provides ten real and specific tools that can be practically applied right in the moment to relieve stress, ease frustration, and deliberately have fun in the midst of whatever is going on in your life! So, rather than your "midair" experience feeling turbulent, or frustrating, or even painful to you, you can choose to take advantage of those things to deliberately and powerfully create an amazing, joyful ride right into the life you want! Whether your struggle is in your relationships with other people (or yourself), or in your circumstances, these tools can help you to: 1. Open the way for things to shift dramatically, right where you stand. 2. Know what to do right in the moment to deliberately change whatever it is you are experiencing. 3. Recognize - and neutralize - three "monsters" that we all deal with in midair AND in our everyday life. 4. Understand exactly what the "problem" is, and watch as solutions seem to magically "just appear" for you. 5. Do you want to feel powerful - or empowered - in your life? Tool #5 helps you understand what P.O.W.E.R. really is, and how to live a genuinely empowered experience. 6. Choosing faith over fear is the way to go every time. Tool #6 helps you to stand anchored in faith so that fear can never knock you off balance for any length of time. 7. Literally change things by changing the story that you tell "about" those things. 8. INSTANTLY relieve stress and bring yourself to a place of clarity and feeling really, really good! 9. Let go of whatever it is you're hanging onto so that you can reach forward, trusting completely that all is as it should be. 10. Ask yourself the most important question ever Just the asking of the question changes how you feel about - and experience - whatever is going on. Every one of these tools is meant to be used in the moment, not to change your circumstances - because that is not possible - but to change "who you ARE" in those circumstances, which cannot help but to change things for you! Even if you just pick one to use consistently, I promise that your life will never be the same! If you want to feel more empowered and more in control of your life than ever before - without making yourself crazy with stress - then Successfully MidAir is a GREAT book for you!

Blind Faith

This edition of the Heidelberg Catechism is produced by the Reformed Church in the United States. It is reprinted with all of the references in the New King James Version of the Bible and the updated language adopted by the Synod of the RCUS in 2011. This small book is one of the finest fruits of the Reformation and epitomizes its essential teaching. Holding forth faith in Jesus Christ as our only comfort in life and in death, it presents, very personally and eloquently, what is necessary to know that we may live and die in that comfort. While many played a role in its composition, it was especially Zacharias Ursinus and Caspar Olevianus who imparted its theological content and practical spirit. Having received hearty approval by the pastors and teachers in Heidelberg, it was published on January 19, 1563. Its influence in Germany, the Netherlands, Hungary, and beyond exceeded all expectations. It was welcomed by Reformed believers everywhere. Today, those who are yearning for a beautiful statement of biblical truth will find this work a treasure. It remains as fresh as when it was first published 450 years ago.

Evening Wolves

The goal and purpose of every Christian is to be "conformed into the image of Christ." A true Biblical night season is a Father-filtered period of time designed to do just that. God deprives us of the natural light that we are so used to, in order that He might strengthen our faith and we might come to know Him in His fullness.

The Heidelberg Catechism, 450th Anniversary Edition

Born into a Jewish ghetto in Hungary, as a child, Elie Wiesel was sent to the Nazi concentration camps at Auschwitz and Buchenwald. This is his account of that atrocity: the ever-increasing horrors he endured, the loss of his family and his struggle to survive in a world that stripped him of humanity, dignity and faith. Describing in simple terms the tragic murder of a people from a survivor's perspective, Night is among the most personal, intimate and poignant of all accounts of the Holocaust. A compelling consideration of the darkest side of human nature and the enduring power of hope, it remains one of the most important works of the twentieth century. New translation by Marion Wiesel, with a new introduction by Elie Wiesel.

When You Are in a Strait-Jacket

"The Journey," set forth in poetic fashion, is designed for those who can understand the hardships that come along with the Christian walk and it applies to those who are learning to completely consecrate their lives to the Lord Jesus Christ. Having concluded over many years the great value and blessings of faith with heartache, the author has written this book to parallel those whose hearts have been called on by the Lord to experience God's boot camp of spiritual transformation. It's important for us to know the way of the Lord; and that way is non-other than the ongoing development of the inner-man, that we might, through the toil of afflictions, reflect the true features of his personhood. Born in 1970 in Fall River, Massachusetts, William Scott determines for all to be encouraged while stepping up to face the most horrible circumstances that life may bring. Food, Faith, and Facing My Fears

We must realize that God has designed life to take place in seasons. We go through various seasons in life. The seasons in our life keep changing. The book of Ecclesiastes brings out this truth vividly. "He has made everything beautiful in its time|" (Ecclesiastes 3:1). We must realize that God does not work at random. He does not suddenly decide to implement something arbitrarily. God works according to 'times' and 'seasons.'

The Quiver

Faith of the Heart

This Personal Application Workbook is designed to help you apply the Scriptural principles presented in the Faith in the Night Seasons textbook. The goal and purpose of every Christian is to be 'conformed into the image of Christ.' A true Biblical night season is a Father-filtered period of time designed to do just that. God deprives us of the natural light that we are so used to, in order that He might strengthen our faith and we might come to know Him in His fullness. Through this workbook, you will receive deeper insights into how much God loves you and how He desires to have an intimate relationship with you. You will also get a glimpse into your own underlying (and often hidden) self-centered ways, and at the same time, learn an alternative way of dealing with them.

Faith in the Night Seasons-Workbook

"Food, Faith & Facing My Fears" plunges into my lifelong pursuit of perfection and the inevitable eating disorder that accompanied it. It uncorks the intimate details of a journey bubbling with pain and isolation, as well as self-love and resurrection. As a sixteen year old girl I, along with many others, fell victim to the body-image pressures of society. After finally claiming the rights of a toned, thin, "dream" body, I soon figured out that it wasn't as great as I'd expected - it was actually much worse. Leaked are my raw insecurities and the peculiar ways I found security in the mayhem my life becomes. This book proves that, in a world that promotes the opposite, our appearances do not cradle the keys to our happiness. This is a story of tears, tenacity, and testimony. This is my story of how I transformed my rocky relationship with food, my body, and my wealth of fears into a sovereign, overflowing Faith in God.

Seasons Growing Faith

The Night Seasons

The Way of Agape

A Faith for All Seasons

How can we live the Christian Life? But the righteous shall live by faith "Faith as a grain of mustard seed.' Have you seen a mustard seed? If I had a handful of mustard seed in the palm of my hand, it could not be seen very well from a short distance away. But if I took one grain of mustard seed and put it in the palm of my hand, it would be very difficult to see it unless you were close to me and had good sight. Our Lord said that is all you need to remove a mountain" p. 40. Also, as hymn writer Ira D. Sankey pens: "Even when my faith is small, Trusting Jesus- that is all." Our mustard seed sized faith can be placed in our infinite God, who ultimately is the One doing the mountain moving.
