La contabilizzazione dei costi del personale rappresenta, anche per gli addetti ai
lavori, un'operazione non sempre facile e spesso fonte di dubbi: la presente guida

Online Library Fiat Idea 1 4 16v 2003 2012 Workshop Service Repair Manualfiat Idea 1 3 Jtd 16v 2003 2012 Service Repair Manual

ha l'obiettivo di illustrare, in maniera semplice e mediante l'ausilio di esempi pratici, come contabilizzare il costo del personale, evitando problematiche legate al non corretto appostamento delle voci nel bilancio di esercizio - soprattutto in presenza di eventi particolari, come la malattia, gli infortuni e così via - e alle conseguenti ripercussioni, in termini di imposizione fiscale. In virtù di questa considerazione, al fine di appostare correttamente tutte quelle voci di bilancio utili al calcolo delle imposte, è necessario valutare gli aspetti relativi agli oneri contributivi ed assicurativi, al fine dell'eventuale deduzione dalla base imponibile IRAP. La disamina, alle cui fondamenta soggiacciono i principi contabili, si caratterizza per il gran numero di esempi - che, di fatto, rappresentano una sintesi delle casistiche più comuni che possono incontrarsi in azienda - volti a consentire un rapido approccio al lettore, soprattutto in quelle situazioni di particolare urgenza, come nel caso di dover calcolare il costo per esigenze di budget. Viene, infine, proposto un caso concreto di contabilizzazione del costo, partendo dal cosiddetto "cedolone", vale a dire il riassunto avvenuto nel periodo di lavoro considerato. Andrea Sergiacomo Dottore commercialista, Revisore legale dei conti, Mediatore civile, componente della Commissione cooperative O.D.C.E.C. di Roma e componente della Commissione diritto societario O.D.C.E.C. di Tivoli. Svolge attività pubblicistica per riviste specializzate in materia di bilancio, fisco e operazioni straordinarie.

England and the Continent in the Eighth Century

This pocket-sized, illustrated guide covers every significant make and model of car sold in Europe and North America during the 2006-2007 model year, from giants like Ford and VW to small-scale manufacturers such as Morgan and Noble. Each model is pictured in color, with a data table providing vital statistics to enable comparisons between models. Providing full details for over 700 cars and stretching to 400 pages, this is a must-have reference source and a useful "spotter's guide" for all car enthusiasts.

Motor Industry Magazine

This collection investigates the culture and history of the Low Countries in the sixteenth and seventeenth centuries from both international and interdisciplinary perspectives. The period was one of extraordinary upheaval and change, as the combined impact of Renaissance, Reformation and Revolt resulted in the radically new conditions – political, economic and intellectual – of the Dutch Republic in its Golden Age. While many aspects of this rich and nuanced era have been studied before, the emphasis of this volume is on a series of interactions and interrelations: between communities and their varying but often cognate languages; between different but overlapping spheres of human activity; between culture and history. The chapters are written by historians, linguists, bibliographers, art historians and literary scholars based in the Netherlands, Belgium, Great Britain and the United States. In continually crossing disciplinary, linguistic and national boundaries, while keeping the culture and history of the Low Countries in the Renaissance and Golden Age in focus, this book opens up new and often surprising perspectives on a region all the more intriguing for the very complexity of its entanglements.

Big Sam: My Autobiography

Paris Match

Football fans will love this insight into the life and mind of Big Sam. With nearly 20 years as a player - plus almost 25 years as a coach and manager - under his belt, Sam Allardyce is one of the most recognisable figures in British football. 'Big Sam' has been a robust defensive general throughout the seventies and eighties, and an imposing touchline presence as a gaffer since 1994. Over the last four decades, Allardyce has seen it all. The game he so loves is radically different to that in which he made his debut back in 1973, and in telling his wonderfully colourful story for the very first time, Allardyce talks intriguingly about the changing face of players and managers. His autobiography positively crackles with characteristic insight, honesty and hard-hitting opinions.
