## **Gunfight: The Battle Over the Right to Bear Arms in America**

A provocative history that reveals how guns—not abortion, race, or religion—are at the heart of America's cultural divide. Gunfight is a timely work examining America's four-centuries-long political battle over gun control and the right to bear arms. In this definitive and provocative history, Adam Winkler reveals how guns—not abortion, race, or religion—are at the heart of America's cultural divide. Using the landmark 2008 case *District of Columbia v. Heller*—which invalidated a law banning handguns in the nation's capital—as a springboard, Winkler brilliantly weaves together the dramatic stories of gun-rights advocates and gun-control lobbyists, providing often unexpected insights into the venomous debate that now cleaves our nation.

### **Firearms Record Book**

A new strawberry varietal has someone seeing red in this “intricate whodunit” featuring the curmudgeonly Japanese American gardener and reluctant sleuth (Kirkus Reviews). Hiroshima survivor Mas Arai first arrived in Watsonville, California in the 1940s. Now a semi-retired gardener living in an LA suburb, he returns for a cousin’s funeral only to get entangled in the mystery of a young woman’s murder. Was his cousin murdered, too? Mas has to figure out what happened, keep himself safe in the face of considerable peril, and uncover the mystery of a new

strawberry varietal so important that someone just might be willing to kill for it. A skillfully plotted tale of family intrigue, revenge, and gardening that moves seamlessly between the past and the present, Strawberry Yellow is another outstanding chapter in an Edgar-Award winning series marked by “a shrewd sense of character and a formidable narrative engine” (Chicago Tribune). “Mas, less an amateur detective than a cranky, accidental one, is what makes the story work. His obdurance, his skill as a listener, and even his broken English are charming in a quirky, uncomplicated way.” —Booklist

### **Personal Firearms Record Book**

50 years of an iconic classic! This international bestseller and inspiration for a beloved movie is a heroic story of friendship and belonging. No one ever said life was easy. But Ponyboy is pretty sure that he's got things figured out. He knows that he can count on his brothers, Darry and Sodapop. And he knows that he can count on his friends—true friends who would do anything for him, like Johnny and Two-Bit. But not on much else besides trouble with the Socs, a vicious gang of rich kids whose idea of a good time is beating up on “greasers” like Ponyboy. At

least he knows what to expect—until the night someone takes things too far. *The Outsiders* is a dramatic and enduring work of fiction that laid the groundwork for the YA genre. S. E. Hinton's classic story of a boy who finds himself on the outskirts of regular society remains as powerful today as it was the day it was first published. "The Outsiders transformed young-adult fiction from a genre mostly about prom queens, football players and high school crushes to one that portrayed a darker, truer world." —The New York Times "Taut with tension, filled with drama." —The Chicago Tribune "[A] classic coming-of-age book." —Philadelphia Daily News A New York Herald Tribune Best Teenage Book A Chicago Tribune Book World Spring Book Festival Honor Book An ALA Best Book for Young Adults Winner of the Massachusetts Children's Book Award

## **Firearms Collector's Log Book**

The former mayor of Charlottesville delivers a vivid, first-person chronicle of the terror and mayhem of the August 2017 "Unite the Right" event, and shows how issues of extremism are affecting not just one city but the nation itself. The deadly invasion of Charlottesville, Virginia, by white nationalist militias in August 2017 is a microcosm of the challenges facing American democracy today. In his first-person account of one of recent American history's most polarizing events, Michael Signer, then Charlottesville's mayor, both tells the story of what really happened and draws out its larger significance. Signer's gripping, strikingly candid "you are there" narrative sets the events on the ground-the lead-up to

August's "Unite the Right" rally, the days of the weekend itself, the aftermath-in the larger context of a country struggling to find its way in a disruptive new era. He confronts some of the most challenging questions of our moment, namely how can we: Reconcile free speech with the need for public order? Maintain the values of pragmatism, compromise, even simple civility, in a time of intensification of extremes on the right and the left? Address systemic racism through our public spaces and memorials? Provide accountability after a crisis? While Signer shows how easily our communities can be taken hostage by forces intent on destroying democratic norms and institutions, he concludes with a stirring call for optimism, revealing how the tragic events of Charlottesville are also bolstering American democracy from within.

Proudly record the guns in your collection in the official NRA National Firearms Museum Gun Collector's Logbook. Handsomely bound, sporting the NRA Museum and NRA logos on the front cover, this sturdy firearms record album will withstand frequent handling, making it an excellent choice for gun shows and firearm exhibits. This is the best way for gun collectors to document their compliance with Title 27 ATF Documentation Requirements for Firearms Collectors. Each page has fields for recording information on the firearm as prescribed in Table 4 of Title 27, Part 478. At the back of the logbook is a convenient envelope for saving receipts, photos, and other important loose documentation of your guns. Maintaining a record of the disposition and acquisition of every firearm you own for insurance purposes, as well as to aid in the recovery of lost or stolen guns, is the hallmark of a responsible and conscientious gun owner. The new National Firearms Museum-sponsored gun collector's logbook makes the process of recordkeeping easy and enjoyable. Also included in the logbook is a list of NRA-affiliated associations, details on NRA programs, and a money-saving offer for NRA membership.

## Firearm Data Log Book

Read Online Firearms Record Log Journal Log Book 125 Pgs 8 5 X 11 Inches Firearms Records Log Logbook X Large Centurion Logbooks Record Books

Gray Ram Tactical, LLC has created the most user friendly Firearm Data Log Book on the market today. Designed with input from military and law enforcement snipers, competition shooters, hunters and firearms collectors, this log book is useful for any owner of any type of firearm. This log book is a must have for each and every firearm in an owner's collection. Data fields are created for the most important information shooters require, yet it is highly customizable for handguns, rifles, shotguns or even crossbows. The size of this log book allows for shooters to keep it in a gun case with the firearm, but is large enough to be easily read and written in. With features such as zero charts, total rounds fired count log, shotgun pattern charts, target sketch areas and much more, this is the one and only Firearm Data Log Book you will ever need.

This book is the perfect accessory for anyone who owns a firearm. Firearms Logbook was written for the general public consumer who wants to keep firearm records but is unsure what information is required or how to record this information. This book provides a consolidated, comprehensive listing of firearm specifics that will enable quick identification and ease the burden of proof should it become necessary. This book has many uses: For the novice. It serves as an instructional tool. For the first time gun owner who wants to record the information about their new possession, but does not know what is required, or where to start, it provides a good base for records. This book makes an excellent gift to accompany anyone's first firearm. For the collector/investor. It serves as a log book, recording transactions and point of sale information from acquisition to sale of the weapon in one place. It allows freeform annotation of modifications made to the weapon to ensure the investment is properly catalogued. For the heirloom. It also provides a notes section for the owner to annotate heirloom items for future generations. For the Insurance company. This book is an excellent record for producing information about these valuable firearms when filing insurance claims after any disaster. Report of theft to authorities. This book records information necessary to properly identify the weapon in the event the authorities need to identify a stolen firearm. About this log book: The fields contained in this book were written in a manner to enable logical collection of information related to the firearm. Substantial effort was put into deciding what types of information most collectors were interested in retaining on their firearms, in addition to generic

legal requirements for logging weapon information. There are specific fields for details of the firearm, receipt data, as well as disposition data for those instances when a firearm is sold or traded. In addition to a page dedicated to the owner's information, this publication gives space for 100 firearms (2 firearms per page, 50 pages of inventory). It also includes four pages for miscellaneous free-form notes.
