Cold Gather

Engaging God's World

This recording consists of twelve pieces - four choral anthems, two World Church songs and six arrangements of published songs from the musical mine of the Wild Goose Resource Group. Songsheets also available. Will you come and follow me Be still and know Before the world began Sing a new song Today I awake Lord, you have been our refuge If you believe Freedom is coming Darkness is gone Many waters A touching place Glory to God in the highest.

Rhythms of Worship

The rift between Protestants and Roman Catholics continues to separate Christians from one another and to diminish our witness in the world. Words such as "heretic," "apostate," "idolater," and "papist" have characterized much of the discussion over the last several centuries since the reformation. While changes in both groups over the last few decades have improved the tone of the discussion, much remains to be accomplished. Author Bob LaRochelle, as a former Roman Catholic and now a United Church of Christ minister, is well-equipped to guide us toward a more constructive relationship. Crossing the Street speaks to the heart of the Energion Publications mission statement by advocating a "mainstream ecumenical center" in which Roman Catholics and Protestants can come to a deeper appreciation and understanding of the gifts they bring to one another. It demonstrates ways in which these traditions have misunderstood one another and even themselves, and then proposes strategies for both ecumenical cooperation and self-understanding. This book is founded in a thorough understanding of both traditions and a commitment to ecumenical dialog and cooperation. It addresses both theory and practice. In a series of four chapters, it examines how we live in our own houses, the author's own story, and then the gifts that each group offers the other.

Worship & Rejoice

Hymns and Hymnody III

The God Who Sends

While many evangelical congregations have moved away from hymns and hymnals, these were once central fixtures in the evangelical tradition. This book examines the role and importance of hymns in evangelicalism, not only as a part of worship but as tools for theological instruction, as a means to identity formation, and as records of past spiritual experiences of the believing community. Written by knowledgeable church historians, *Wonderful Words of Life* explores the significance of hymn-singing in many dimensions of American Protestant and evangelical life. The book focuses mainly on church life in the United States but also discusses the foundational contributions of Isaac Watts and other British hymn writers, the use of gospel songs in English Canada, and the powerful attraction of African-American gospel music for whites of several religious persuasions. Includes appendixes on the American Protestant Hymn Project and on hymns in Roman Catholic hymnals. Contributors: Susan Wise Bauer Thomas E. Bergler Virginia Lieson Brereton Esther Rothenbusch Crookshank Kevin Kee Richard J. Mouw Mark A. Noll Felicia Piscitelli Robert A. Schneider Rochelle A. Stackhouse Jeffrey VanderWilt

All Will Be Well

A leading expert in New Testament ethics discovers in the biblical witness a unified ethical vision -- centered in the themes of community, cross and new creation -- that has profound relevance in today's world. Richard Hays shows how the New Testament provides moral guidance on the most troubling ethical issues of our time, including violence, divorce, homosexuality and abortion.

How to Write a Book!

The Moral Vision of the New Testament

This indispensable volume is the most comprehensive resource on the Psalms for use in Christian worship ever published. It offers a single-volume anthology of psalm use, covering the history, reception, and practice of the Psalms in Christian worship. The book contains all 150 psalms, most in multiple formats, and utilizes a wide variety of musical and spoken settings. It also provides complete musical settings for morning and evening prayer. Each psalm appears in its actual biblical text, including as responsive readings. This invaluable resource for churches of all traditions is well suited to congregational use, helping pastors, worship leaders and planners, and choirs bring the Psalms back into the heart of congregational worship.

Psalms for All Seasons

Why write a book? A book brings you opportunities. You will be offered speaking

engagements, projects, jobs, invitations to join advisory boards with pre-IPO stock, and invitations to start companies. The author has written ten books and more than 75 computer manuals. This book shows you how to write and publish your book in 90 days.

Vatican Council II, Vol. I

Gather Comprehensive Hymnal

Documents the stories behind some of America's most revered hymns, in an account that shares the author's concerns about how hymn traditions are being compromised by modern hymn adaptations and traces his search for community and religious grace through hymn singing. 30,000 first printing.

Wonderful Words of Life

While many evangelical congregations have moved away from hymns and hymnals, these were once central fixtures in the evangelical tradition. This book examines the role and importance of hymns in evangelicalism, not only as a part of worship but as tools for theological instruction, as a means to identity formation, and as records of past spiritual experiences of the believing community. Jubilation Mass

Simple Gifts

An inspiring guide for developing the Christian mind extols the crucial roll of Christian higher education in the intellectual and spiritual formation of believers.

Ritual Song

Hymns and the music the church sings in worship are tangible means of expressing worship. And while worship is one of, if not the central functions of the church along with mission, service, education, justice, and compassion, and occupies a prime focus of our churches, a renewed sense of awareness to our theological presuppositions and cultural cues must be maintained to ensure a proper focus in worship. *Hymns and Hymnody: Historical and Theological*

Introductions is a sixty-chapter, three-volume introductory textbook describing the most influential hymnists, liturgists, and musical movements of the church. This academically grounded resource evaluates both the historical and theological perspectives of the major hymnists and composers who have impacted the church over the course of twenty centuries. Volume 1 explores the early church and concludes with the Renaissance era hymnists. Volume 2 begins with the Reformation and extends to the eighteenth-century hymnists and liturgists. Volume 3 engages nineteenth century hymnists to the contemporary movements of the twenty-first century. Each chapter contains these five elements: historical background, theological perspectives communicated in their hymns/compositions, contribution to liturgy and worship, notable hymns, and bibliography. The mission of Hymns and Hymnody is (1) to provide biographical data on influential hymn writers for students and interested laypeople, and (2) to provide a theological analysis of what these composers have communicated in the theology of their hymns. We believe it is vital for those involved in leading the worship of the church to recognize that what they communicate is in fact theology. This latter aspect, we contend, is missing—yet important—in accessible formats for the current literature.

Taize - Songs for Prayer

Great Hymns of the Faith

This work was written between the years 393 to 396, when Augustine served as a priest at Hippo. In the first book he answers the question of the true meaning of The Sermon on the Mount: Is it humanely possible to put The Sermon into practice? The second book deals with the sixth and seventh chapters of this Gospel, and offers a condensed theology of prayer.

Crossing the Street

Funeral Hymns

Cold Gather begins as notorious, self-destructive glassblower Neil Bishop is diagnosed with a malignant, inoperable tumor. Told he has less than six months to live, he turns to his old friend, Jack Scanlon, to organize a Pre-Wake Party in their hometown to say good-bye to his friends. At the party, Jack gets his first real look at Neil's live-in lover of four years, Marla Stone. Neil has often vividly described Marla's fiendish temper and consuming libido. Jack is instantly pole-axed by her poise, her smoky beauty and her sensuality, generating this inebriated exchange at the end of the day;"I turned to my dear friend, this man with whom I had howled at the moon and raised so much hell across the years and said, 'Of course you

realize that, as soon as you're cold, I'm coming after Marla.'He squeezed my shoulder, smiled broadly and said, 'You should do that. She'd be good for you.'He had never been more wrong, but sometimes we hear only what we want. I could not ignore an imprimatur like this."Neil is dead within three months of the party.It had been rumored over many years, (although no one had seen them), that Neil had finally completed his masterwork; seven large works of molded glass he called "The Deadly Sins." In 1994, he had given the first piece, "Lust", to Jack for safekeeping. The existence and whereabouts of the other six pieces were unknown until Jack's first trip to visit Marla in California. As an intensely passionate relationship unfolds between Marla and Jack, she finally takes him to see five mind-blowing pieces; Envy, Gluttony, Anger, Pride and Sloth-- bequeathed to her by Neil.Beautifully written, Tom Buechler's muscular first novel revolves around the tempestuous, often explosive, relationship between Jack and Marla as they fall in and out of love during their search for the missing Seventh Sin--Greed.In Cold Gather, Buechler showcases his trademark earthy dialogue and his unique gift for creating offbeat characters. He has crafted a robust story that is smart, bold and darkly funny with a satisfyingly twisted finale.

Why Catholics Can't Sing

An updated approach to the roles, skills and spirituality of the cantor. Also addresses gestures, eye contact and the liturgy.

Wonderful Words of Life

Psalter Hymnal

Each book in the 30 Days with a Great Spiritual Teacher series provides a month of daily readings from one of Christianity's most beloved spiritual guides. For each day there is a brief and accessible morning meditation drawn from the mystic's writings, a simple mantra for use throughout the day, and a night prayer to focus one's thoughts as the day ends. These easy-to-use books are the perfect prayer companion for busy people who want to root their spiritual practice in the solid ground of these great spiritual teachers. Drawing deeply from the wisdom writings of medieval English mystic Julian of Norwich, *All Will Be Well* welcomes even spiritual newcomers to the spirituality of this fourteenth-century visionary who was well ahead of her time.

Gather Comprehensive C Instrument Book

In this informative and entertaining critique of music in the Catholic Church, Thomas Day outlines a stinging indictment of the influence of popular culture on American Catholicism, particularly as expressed in church music. Taking aim at the Irish-American repertoire of songs that overwhelms Catholic music in America, Day assails the secularization of liturgical practices that began, in the author's view, with the Second Vatican Council in 1962. And while targeting the demise of services, Day remains optimistic, offering several key solutions to revitalize and nurture the latent vitality that remains among the parishioners of the American

Catholic Church.

Behold the Beauty of the Lord

This twentieth anniversary edition (more than 111,000 copies sold) brings Henri J.M. Nouwen's writings on Eastern Orthodox icons to a new generation and adds to the Nouwen collection published by Ave Maria Press. With a foreword by Br. Robert Lentz, a well-known painter of contemporary icons, this classic Nouwen book invites readers to pray with four Russian icons with their eyes open by emphasizing seeing or gazing, which are at the heart of Eastern spirituality. Nouwen's meditations reveal his viewing of the icons not as decorations, but holy places. The book includes four full-color icons for private contemplation or meditation.

The Lord's Sermon on the Mount

Evangelical Lutheran Worship

The Sabbath Hymn Book for the Service of Song in the House of the Lord

Hymns and the music the church sings are tangible means of expressing worship. And while worship is one of, if not the, central functions of the church along with mission, service, education, justice, and compassion, and occupies a prime focus of our churches, a renewed sense of awareness to our theological presuppositions and cultural cues must be maintained to ensure a proper focus in worship. *Hymns and Hymnody: Historical and Theological Introductions* is a 60-chapter, three-volume introductory textbook describing the most influential hymnists, liturgists, and musical movements of the church. This academically grounded resource evaluates both the historical and theological perspectives of the major hymnists and composers that have impacted the church over the course of twenty centuries. Volume 1 explores the early church and concludes with the Renaissance era hymnists. Volume 2 begins with the Reformation and extends to the eighteenth-century hymnists and liturgists. Volume 3 engages nineteenth century hymnists to the contemporary movements of the twenty-first century. Each chapter contains these five elements: historical background, theological perspectives communicated in their hymns/compositions, contribution to liturgy and worship, notable hymns, and bibliography. The mission of *Hymns and Hymnody* is (1) to provide biographical data on influential hymn writers for students and interested laypeople,

and (2) to provide a theological analysis of what these composers have communicated in the theology of their hymns. We believe it is vital for those involved in leading the worship of the church to recognize that what they communicate is in fact theology. This latter aspect, we contend, is missing-yet important-in accessible formats for the current literature.

Belgic Confession

The book of Acts tells the story of what happened after the death and resurrection of Jesus. The book is filled with adventure and entertainment as Acts narrates God's activity among his people and the world. In this book I explore one way of reading Acts that attends closely to the plotline of the book and seek to invite readers into the story that Acts tells. Along the way, I examine some of the most important themes of Acts, including divine activity, the extension of the gospel to surprising people in surprising ways, conflict and congruence between the gospel and the broader world, and the ongoing importance of Israel as God's people. While there are many excellent reasons to read Acts, I reflect too upon the theological and ethical vision of Acts for those who read this book as Christian Scripture.

Gather

Handbook for Cantors

The Use of the Means of Grace

There are many books written for liturgical experts, but not many for laypeople. This book bridges that gap. In clear, everyday language, Waschevski and Stevens describe why Protestants worship and help to equip worship planners and leaders for excellence in their tasks. The authors explore the different elements of the worship service and how each expresses our Christ-centered faith. They also describe the feasts and festivals of the liturgical year, helping the reader understand and appreciate these special times and seasons in worship. An additional chapter considers music and arts in worship. Discussion questions at the end of each chapter invite discussion in local congregations. This book will be a valuable resource for pastors, worship committees, members, and all others who engage in worship planning and leadership.
