A Home for Bird

A heart can be hopeful, or silly, or happy. A heart can be rugged, or snappy, or lonely. A heart holds every different feeling, and debut author-artist Michael Hall captures each one with a delicate touch. For each feeling, the bold, graphic artwork creates an animal out of heart shapes, from "eager as a beaver" to "angry as a bear" to "thoughtful as an owl." An accessible and beautiful debut, *My Heart Is Like a Zoo*

is everything a classic picture book should be: honest, sincere, and speaking directly to even the very youngest child. Ages: 0 - 5

Gideon

This story, told in clear, simple dialogue with bright, childlike illustrations, gives straightforward insight into the complications that can threaten even the best of friendships. The youngest audience will delight in the simple resolution that mends these friends' relationship as well as their toy.

BooBoo

Inconceivable! Introducing 100 First Words for Little Geeks, a deliciously nerdy primer for kids learning their first words! Forget apple and dog.
