Will

Tanya is no ordinary girl. She can see fairies. But not the fairies we imagine. Evil fairies who cast spells on her, rousing her from her sleep and propelling her out of bed. At wit's end with her daughter's inexplicable behavior, Tanya's mother sends her away to live with her grandmother at Elvesden Manor, a secluded countryside mansion on the outskirts of a peculiar Essex town. There is plenty to explore, as long as Tanya stays away from Hangman's Wood- a vast stretch of forest, full of catacombs and notorious for people losing their lives. Fifty years ago a girl vanished in the woods, a girl Tanya's grandmother will not speak of. As Tanya learns more about this girl, she finds herself dangerously close to vanishing into the fairy realm forever. Debut author Michelle Harrison weaves an intricate mystery into a beautiful and haunting fantasy that captures a rich world of fairy lore where only the color red can offer protection.

“A breathtaking new epic fantasy series. Morgan Rice does it again! This magical saga reminds me of the best of J.K. Rowling, George R.R. Martin, Rick Riordan, Christopher Paolini and J.R.R. Tolkien. I couldn't put it down!” --Allegra Skye,

Bestselling author of *SAVED* From #1 Bestselling author Morgan Rice comes the debut of a dazzling new fantasy series. *A QUEST OF HEROES (BOOK #1 IN THE SORCERER'S RING)* revolves around the epic coming of age story of one special boy, a 14 year old from a small village on the outskirts of the Kingdom of the Ring. The youngest of four, the least favorite of his father, hated by his brothers, Thorgrin senses he is different from the others. He dreams of becoming a great warrior, of joining the King's men and protecting the Ring from the hordes of creatures on the other side of the Canyon. When he comes of age and is forbidden by his father to try out for the King's Legion, he refuses to take no for an answer: he journeys out on his own, determined to force his way into King's Court and be taken seriously. But King's Court is rife with its own family dramas, power struggles, ambitions, jealousy, violence and betrayal. King MacGil must choose an heir from amongst his children, and the ancient Dynasty Sword, the source of all their power, still sits untouched, waiting for the chosen one to arrive. Thorgrin arrives as an outsider and battles to be accepted, and to join the King's Legion. Thorgrin comes to learn he has mysterious powers he does not understand, that he has a special gift, and a special destiny. Against all odds he falls in love with the king's daughter, and as their forbidden relationship blossoms, he discovers he has powerful rivals. As he struggles to make sense of his powers, the king's sorcerer takes him under his wing and tells him of a mother he never knew, in a land far away, beyond the Canyon, beyond even the land of the Dragons. Before Thorgrin can venture out and become the warrior he yearns to be, he must complete his

training. But this may be cut short, as he finds himself propelled into the center of royal plots and counterplots, ones that may threaten his love and bring him down—and the entire kingdom with him. With its sophisticated world-building and characterization, *A QUEST OF HEROES* is an epic tale of friends and lovers, of rivals and suitors, of knights and dragons, of intrigues and political machinations, of coming of age, of broken hearts, of deception, ambition and betrayal. It is a tale of honor and courage, of fate and destiny, of sorcery. It is a fantasy that brings us into a world we will never forget, and which will appeal to all ages and genders. It is 82,000 words. Book #2 in the series, *A MARCH OF KINGS*, is now available, too. “Grabbed my attention from the beginning and did not let go. An award-winning, internationally bestselling author makes her American debut with this taut, riveting domestic drama with the compulsive intensity of *The Good Girl*, *The Pocket Wife*, and *The Stranger*, about a long-lost brother convicted of a horrifying crime and a sister's fight to clear his name. A single mother and lawyer, Iris has a colorful caseload, a young son with behavior issues, and a judgmental mother. She also has a brother—shocking news she uncovers by accident. Curious about this sibling she has never known, Iris begins to search for long-buried truths. What she discovers surprises—and horrifies—her. Her older brother is autistic—and in prison for brutally murdering his neighbor and her daughter. Visiting Ray, she meets a man who looks heartbreakingly like her own son. A man who is devoted to his tropical fish and who loves baking bread. A man whose naiveté unnerves her. There is no question that Ray is odd and obsessive, unable to communicate like the rest of us.
