Great Girls in Michigan History

As the school year draws to a close, Ruth and her friends plan a trip to Lighthouse Point with Jennie "Heavy" Stone. Mary Cox makes a point of telling Heavy that she has been slighted and that only members of Ruth's club are invited to go on the trip. At Ruth's insistence and under the other girls' protests, Heavy invites Mary along on the trip. On the way home after the last day of school, Mary Cox slips and falls off the boat into the water. Ruth saves Mary, who cannot swim, from drowning. Mary snubs Ruth and refuses to thank her. Later, Ruth returns to the Red Mill and finds that Uncle Jabez has lost a large sum of money by investing it in an old mine out west. Uncle Jabez feels that he cannot afford to send Ruth back to Briarwood Hall for a second year. Ruth leaves for Lighthouse Point with this unpleasant thought uppermost in her thoughts. She was unconscious when they lifted her out. During their stay at Lighthouse Point, a girl named Nita is rescued from a sinking ship. It turns out that Nita has run away from a western ranch, and her real name is Jane Hicks. Before Ruth and her friends leave Lighthouse Point, Jane Hicks is reunited with her uncle, and the Hickses invite Ruth and her friends out to Silver Ranch on a vacation.

The London Gazette

The Mattamuskeet Lodge in rural North Carolina, once a paradise for hunters, now stands abandoned near the edge of the lake. Yet Margaret Windley, a local artist, still remembers the day, twenty years before, when she danced there at the annual Christmas ball with the love of her young life, John Ashton, a lawyer's son from New York. Margaret has heard nothing from John since that Christmas, but when a letter arrives from his brother, she will be drawn back into the story of their relationship, hopefully to finally learn what became of their love.

Where Dreams Are Born

The 37th edition of International Directory of Arts (IDA) contains more about 150,000 addresses (including telephone and fax numbers, eMail and URL) from all over the world: Museums and Public Galleries Universities, Academies, Schools Associations Art and Antique Trade, Numismatics Art and Antiques Fairs Galleries Auctioneers Restorers Art Publishers Art Journals Antiquarians and Art Booksellers Within each chapter, addresses are arranged by country and within country, sections are set out alphabetically by city. Details of the specializations of museums, as well as the names of curators and senior academic museum staff are also included. The address contents were revised and updated for this edition following a questionnaire mailing. The revision also took into account numerous national and international reference works. The eBookPLUS format comprises the content and search criteria of the printed edition and its indices, facilitating complex searches.

Light House

In this highly accessible history of ships and shipping on the Great Lakes, upper elementary readers are taken on a rip-roaring journey through the waterways of the upper Midwest. Great Ships on the Great Lakes explores the history of the region's rivers, lakes, and inland seas—and the people and ships who navigated them. Read along as the first peoples paddle tributaries in birch bark canoes. Follow as European voyageurs pilot rivers and lakes to get beaver pelts back to the eastern market. Watch as settlers build towns and eventually cities on the shores of the Great Lakes. Listen to the stories of sailors, lighthouse keepers, and shipping agents whose livelihoods depended on the dangerous waters of Lake Michigan, Superior, Huron, Erie, and Ontario. Give an ear to their stories of unexpected tragedy and miraculous rescue, and heed their tales of risk and reward on the low seas. Great Ships also tells the story of sea battles and gunships, of the first vessels to travel beyond the Niagara, and of the treacherous storms and cold weather that caused thousands of ships to sink in the Great Lakes. Watch as underwater archaeologists solve the mysteries of Great Lakes shipwrecks today. And learn how the shift from sail to steam forever changed the history of shipping, as schooners made way for steamships and bulk freighters, and sailing became a recreation, not a hazardous way of life. Designed for the upper elementary classroom with emphasis on Michigan and Wisconsin, Great Ships on the Great Lakes includes a timeline of events, on-page vocabulary, and a list of resources and places to visit. Over 20 maps highlight the region's maritime history. The accompanying Teacher's Guide includes 18 classroom activities, arranged by chapter, including lessons on exploring shipwrecks and learning how glaciers moved across the landscape.

The American Peoples Encyclopedia

Sixteen lighthouses were built before the Revolution; hundreds more have been built since, creating the world's most complex system of navigational aid. No other national lighthouse system compares with that of the United States in size and diversity of architecture and engineering.

Kosti Ruohomaa

Explore Victoria 2013 is the essential, full-colour travel guide and atlas to the state of Victoria, home to the Twelve Apostles and Wilsons Promontory. With detailed information on Victoria's towns, and in-depth coverage of capital city Melbourne, this comprehensive guide will help you decide where to go and what to see and do when you get there. It also includes food and accommodation listings. The detailed and interactive town, city and state maps will help you navigate your trip, and the hyperlinks between maps, towns, and regions will make your planning easy.

Double Crossing

Sailing Directions for the South-east Coast of Nova Scotia and Bay of Fundy.

Thinking Skills, second edition, is the only endorsed book offering complete coverage of the Cambridge International AS and A Level syllabus.

The Canada Gazette

Acclaimed photographer Kosti Ruohomaa is widely known for his photographs of hard scrabble Yankees in mid-century Maine. No one was more acutely aware than Ruohomaa that his work was capturing a way of life that was rapidly fading. Before his work in Maine, however, Ruohomaa started out with Disney, then went on to become a freelance photographer for the Black Star Agency, where he was a regular contributor to Life, National Geographic, Look, and Ladies Home Journal. His true passion, however, was documenting the lives of the people of Maine. In this biography by curator Deanna Bonner-Ganter, of the Maine State Museum, Kosti's life and work is made relevant and important to an audience that may be unfamiliar with his work.

Great Lakes Maritime History

Scientific American

Set against the backdrop of the historic flooding of the Mississippi River, *The Tilted World* is an extraordinary tale of murder and moonshine, sandbagging and saboteurs, and a man and a woman who find unexpected love, from Tom Franklin, the acclaimed author of the New York Times bestseller *Crooked Letter*, *Crooked Letter*, and award-winning poet Beth Ann Fennelly *The year is 1927*. As rains swell the Mississippi, the mighty river threatens to burst its banks and engulf everything in its path, including federal revenue agent Ted Ingersoll and his partner, Ham Johnson. Arriving in the tiny hamlet of Hobnob, Mississippi, to investigate the disappearance of two fellow agents who'd been on the trail of a local bootlegger, they are astonished to find a baby boy abandoned in the middle of a crime scene. Ingersoll, an orphan raised by nuns, is determined to find the infant a home, and his search leads him to Dixie Clay Holliver. A strong woman married too young to a philandering charmer, Dixie Clay has lost a child to illness and is powerless to resist this second chance at motherhood. From the moment they meet, Ingersoll and Dixie Clay are drawn to each other. He has no idea that she's the best bootlegger in the county and may be connected to the agents' disappearance. And while he seems kind and gentle, Dixie Clay knows full well that he is an enemy who can never be trusted. When Ingersoll learns that a saboteur might be among them, planning a catastrophe along the river that would wreak havoc in Hobnob, he knows that he and Dixie Clay will face challenges and choices that they will be fortunate to survive. Written with extraordinary insight and tenderness, *The Tilted World* is that rarest of creations, a story of seemingly ordinary people who find hope and deliverance where they least expect it—in each other.

Chase's Calendar of Events 2014

Michigan's Pictured Rocks National Lakeshore is the jewel of Lake Superior's South Shore. Every year, over 70,000 people take the cruise boats to view the towering, mineral-stained sandstone cliffs that give the park its name. Pictured Rocks is beginning to draw international tourism, and this photo book easily fits into a suitcase and is inexpensive to mail.

Great Lakes Lighthouses Encyclopedia

The third volume in the *Lost In Michigan* book series. Fun and informative stories that are off the beaten path throughout the "Mitten State" that are. Tales of tragic accidents, to historic places and inspirational people that showcases Michigan's unique history. If you have traveled to the popular tourist destinations in Michigan, and are looking for something a little different, you will enjoy reading this book. It's the perfect book to take on a road trip and get "Lost In Michigan."

Great Lakes Lighthouses, American & Canadian

The Study of Sociology

Thinking Skills

A little lighthouse on the Hudson River regains its pride when it finds out that it is still useful and has an important job to do.

Wisconsin Lighthouses

Sportsman's Connection's Northern Michigan All-Outdoors Atlas & Field Guide contains maps created at twice the scale of other road atlases, which means double the detail. And while the maps are sure to be the finest quality you have ever used, what makes this eBook unique is all the additional information. Your favorite outdoor activities including fishing lakes and streams, hunting, camping, hiking and biking, snowmobiling and off-roading, paddeling, skiing, golfing and wildlife viewing are covered in great depth with helpful editorial and extensive tables, which are all cross-referenced and indexed to the map pages in a way that's fun and easy to use.

The Little Red Lighthouse and The Great Gray Bridge

Eastern Great Lakes Lighthouses

Includes more than twelve thousand holidays, holy days, national and ethnic celebrations, astronomical phenomena, festivals, fairs, anniversaries, and other events from around the world.

Great Ships on the Great Lakes

As featured on The Today Show! 12,500 entries. 196 countries. 365 days. Find out what's going on any day of the year, anywhere across the globe! If you're looking to tie a promotional event to a special month, create a suggested reading list based on a literary birth anniversary, travel to a music festival halfway around the world, blog about a historical milestone or do a celebrity birthday round-up on your radio show or Twitterfeed, Chase's Calendar of Events is the one resource that has it all. For broadcasters, journalists, event planners, public relations professionals, librarians, editors, writers or simply the curious, this is one reference you can't do without! Chase's Calendar of Events 2014 brings you: Major sporting events such as the Games of the XXII Winter Olympiad at Sochi, Russia (Feb 7-23), and the FIFA World Cup in Brazil (June 12-July 13). Milestones such as the 450th birth anniversary of William Shakespeare; the 200th anniversary of "The Star-Spangled Banner"; the 100th anniversaries of the beginning of World War I and the opening of the Panama Canal; the 75th anniversary of the beginning of World War II; the 50th anniversaries of the Civil Rights Act of 1964 and Beatlemania and much more. New birthday entries for sports stars such as Mo Farah (Mar 23), Ryan Lochte (Aug 3) and Gabrielle Douglas (Dec 31); actors such as Kerry Washington (Jan 31), Lena Dunham (May 13) and Mads Mikkelsen (Nov 22); musical artists such as Carly Rae

Jepsen (Nov 21) and Psy (Dec 31); and authors such as Téa Obreht (Sept 30) and Ann Patchett (Dec 2) and many others. Special days such as National Ferret Day (Apr 2), World Lindy Hop Day (May 26), Extra Mile Day (Nov 1), Lost and Found Day (Dec 12) and more. Search Chase's Any Way You Want! Whether you want to target a specific date, location or subject, our fully searchable CD-ROM (PC and MAC-compatible) makes your research quick and easy. Also included is a free installer, so you can load Chase's directly to your hard drive.

Freshwater Fury

Postal Bulletin

Features over 300 lighthouses, with photos and descriptions, historical data, locations, and a comprehensive index. The only all Great Lakes guide!

Explore Victoria 2013

The Great Lakes Basin is the largest surface freshwater system on Earth. The more than 30,000 islands dotted throughout the basin provide some of the best ways to enjoy the Great Lakes. While the vast majority of these islands can only be reached by private boat or plane, a surprising number of islands—each with its own character and often harboring more than a bit of intrigue in its history—can be reached by merely taking a ferry ride, or crossing a bridge, offering everyone the chance to experience a variety of island adventures. *Great Lakes Island Escapes: Ferries and Bridges to Adventure* explores in depth over 30 of the Great Lakes Basin islands accessible by bridge or ferry and introduces more than 50 additional islands. Thirty-eight chapters include helpful information about getting to each featured island, what to expect when you get there, the island's history, and what natural and historical sites and cultural attractions are available to visitors. Each chapter lists special island events, where to get more island information, and how readers can help support the island. Author Maureen Dunphy made numerous trips to a total of 135 islands that are accessible by ferry or bridge in the Great Lakes Basin. On each trip, Dunphy was accompanied by a different friend or relative who provided her another adventurer's perspective through which to view the island experience. *Great Lakes Island Escapes* covers islands on both sides of the international border between the United States and Canada and features islands in both the lakes and the waterways that connect them. Anyone interested in island travel or learning more about the Great Lakes will delight in this comprehensive collection.

The Lighthouse Murders

WINNER of the 2012 BEST FIRST NOVEL Spur Award from Western Writers of America AND a 2012 FINALIST for the USA BOOK NEWS Awards - for Fiction: Western
A murder arranged as a suicide a missing deed and a bereft daughter whose sheltered world is shattered. August, 1869: Lily Granville is stunned by her father's murder. Only one other person knows about a valuable California gold mine deed -- both are now missing. Lily heads west on the newly opened

transcontinental railroad, determined to track the killer. She soon realizes she is no longer the hunter but the prey. As things progress from bad to worse, Lily is uncertain who to trust--the China-bound missionary who wants to marry her, or the wandering Texan who offers to protect her for a price. Will Lily survive the journey and unexpected betrayal?

Light List, 2013, V. 7, Great Lakes and the St. Lawrence River Above the St. Regis River

Freshwater Fury is the first comprehensive history of the Great Storm.

Pictured Rocks

Michigan Off the Beaten Path features the things travelers and locals want to see and experience--if only they knew about them. Michigan Off the Beaten Path®

One calendar. Twelve lighthouses. Two hearts. Cassidy Knowles, the nation's fastest rising food-and-wine writer, receives a gift. A calendar of lighthouses surrounding Seattle. And a dozen letters revealing a past she never knew. Russell Morgan, born to a fortune, went out and made one of his own. With a calendar of lighthouses as a chart, he steps aboard a sailboat, seeking a new heading for his future. Where their courses collide? That is Where Dreams Are Born.

The Tilted World

A deep-sea diver, a dancer, an activist, an aviator, a singer, and a soldier—Great Girls in Michigan History highlights some of the girls from Michigan’s past who did amazing things before they turned twenty years old. Author Patricia Majher presents easy-to-read mini-biographies of twenty girls with ties to Michigan, representing a variety of personal backgrounds and interests, locations across the state, and historical time periods. Majher introduces little-known stories, like those of female aviator Nancy Harkness (Love), pioneer Anna Howard Shaw, escaped slave Dorothy Butler, professional baseball player Marilyn Jenkins, union leader Myra Komaroff (Wolfgang), and Native American writer Jane Johnston (Schoolcraft). She also includes figures that many readers will recognize—including First Lady Betty Bloomer (Ford), jockey Julie Krone, Motown star Diana Ross, and tennis champion Serena Williams. Majher shows that while life wasn’t always easy for these girls, they were able to overcome any number of obstacles to achieve their goals. Great Girls in Michigan History includes a brief section on each girl’s life after the age of twenty and a glossary of selected vocabulary words at the end of the book. With its depictions of young women who have not typically been represented in history texts, this book will be inspirational reading for upper elementary school students (ages 8 to 12) and welcomed by Michigan schools, bookstores, and public libraries.

Lost In Michigan Volume 3: History and Travel Stories From An Endless Road Trip

Featuring more than 650 lighthouses located throughout the five Great Lakes, a lavish encyclopedia uncovers the history behind these noble structures, which helped guide thousands of sailors and now mostly serve as monuments to an exciting period in history and points of pilgrimage for maritime enthusiasts.

Buoy List, Great Lakes, United States

“Lighthouses are a reflection of the human spirit and a mirror to our past.”—from the Introduction No symbol is more synonymous with Wisconsin’s rich maritime traditions than the lighthouse. These historic beacons conjure myriad notions of a bygone era: romance, loneliness, and dependability; dedicated keepers manning the lights; eerie tales of haunted structures and ghosts of past keepers; mariners of yesteryear anxiously hoping to make safe haven around rocky shorelines. If these sentinels could talk, imagine the tales they would tell of ferocious Great Lakes storms taking their toll on vessels and people alike. In this fully updated edition of Wisconsin Lighthouses, Ken and Barb Wardius tell those tales, taking readers on an intimate tour of lighthouses on Lake Superior, Lake Michigan, and Lake Winnebago. Both delightful storytellers and accomplished photographers, the couple complement their engaging text with more than 100 stunning color photographs, along with dozens of archival photos, maps, documents, and artifacts. Detailed “how to get there” directions, up-to-the-minute status reports on each light, and sidebars on everything from lighthouse vocabulary to the often lonely lives of lightkeepers make this the definitive book on Wisconsin’s lighthouses.

English Mechanic and World of Science

Poetry. "Written over a span of six years, the poems of Brian Lucas's LIGHT HOUSE operate in what musician Brain Eno calls 'the long now, ' a vast span of human time which redraws the lines of social priorities, away from the pathological hyperactivity of a market-driven attention span toward compassion and long horizons.a critical retuning of the ear, mind and heart"--Brian Strang. "Brian Lucas's first book is also the document of an exilic voice, original in it's wandering, a book composed of spectral coils, knots, and spirals, a book of arabesque (that perfect synthesis of irony and enthusiasm), whose language is limitlessly defined as "an intentional science of ecstasy beyond the decay"--Andrew Jordan

International Directory of Arts 2013

Lighthouses, crosswords puzzles, a cast of suspicious characters, and suspense follow Lou Searing and his new assistant, Jack Kelly, as they work to solve the murders of Frieda Bowman and Arthur S. Webberson. From Door County to Bloomfield Hills, with action in between (Squaw Island, Manistee, Ludington, Alma, Eastern Michigan University) Lou and Jack delve into family relationships only to find greed, jealousy, and revenge. In the end, justice prevails as is always the case with a Baldwin mystery.

Winter Symphony on Lake Mattamuskeet

Northern Michigan All-Outdoors Atlas & Field Guide

Omni Gazetteer of the United States of America: Great Lakes states

Billie Bradley on Lighthouse Island: Large print by Janet D. Wheeler One of Billie's friends owned a summer bungalow on Lighthouse Island, near the coast. The school girls made up a party and visited the Island. There was a storm and a wreck, and three little children were washed ashore. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.
