The Gospel According to Mamma

Applying principles from Linda and Carla's latest book, *Interventions That Work: A Comprehensive Intervention Model for Reversing Reading Failure*, their DVD series, *Interventions that Work* illustrates how teachers use data to implement research-based interventions—from kindergarten to eighth grade—that transform struggling students into successful readers and writers. The interventions are part of the authors' Comprehensive Intervention Model (CIM), a design for preventing reading failure in the early grades and reversing reading failure in the upper grades. The Guided Reading Plus (GRP) collection includes two disks of classroom video, lesson plans, and a wealth of resources along with a facilitator's guide for training and implementing the small group intervention. The GRP video collection is structured to provide training and support for teachers in learning about Guided Reading Plus as an intervention for struggling readers and as an intervention for their school's Response to Intervention (RTI) plan. Features: Provides a small-group intervention, based on the authors'

Comprehension for Intervention Model (CIM) ,for students in grades three and beyond who are lagging behind their peers in reading. Consists of a series of 30-minute daily reading and writing lessons designed to promote students' knowledge of genre and text structures through in-depth units of study. Includes opportunities for teachers to collect systematic data for progress monitoring. Guides teachers in implementing explicit teaching and concrete examples to assist struggling readers to develop efficient strategies for problem solving in texts and to comprehend the message at deeper levels. Features two disks: Disk One contains supplemental materials such as the Facilitators' Guide, Power Point Presentation slides, guide sheet of lesson components, planners, Text Map/Writing Guide, and mentor texts for personal narrative. Disk Two contains CFG video lessons in reading and writing based on a unit of study for personal narrative texts. This disk is divided into four chapters with each chapter representing a unique phase with a total of 13 episodes under the phases. The episodes take place over a period of four weeks.

Daily Guided Writing

"Writing allows each of us to live with that special wide-awakeness that comes from knowing that our lives and our ideas are worth writing about." -Lucy Calkins Teaching Writing is Lucy Calkins at her best—a distillation of the work that's placed Lucy and her colleagues at the forefront of the teaching of writing for over thirty years. This book promises to inspire teachers to teach with renewed passion and power and to invigorate the entire school day. This is a book for readers who want an introduction to the writing workshop, and for those who've lived and breathed this work for decades. Although Lucy addresses the familiar topics—the writing process, conferring, kinds of writing, and writing assessment—she helps us see those topics with new eyes. She clears away the debris to show us the teeny details, and she shows us the majesty and meaning, too, in these simple yet powerful teaching acts. Download a sample chapter for more information.

The Next Step Forward in Reading Intervention

The Gospel According to Mamma is a collection of twenty-one extraordinary lessons the author learned from her charming and captivating mamma. These "mamma teachings" are packed with sassy inspiration, practical insights and real-life anecdotes. Leaving Georgia with her mamma late one September night when her daddy was en route to end their lives marked the beginning of a lifetime of instruction. How to maintain faith in God and yourself, love the hell out of folks and be happy when there's no obvious reason to be are just a few of the messages you'll find in this book. PRAISE FOR THE GOSPEL ACCORDING TO MAMMA "Annette's first book is a winner! She picked the perfect subject - her irrepressibly joyous mother, who has given her daughter important and inspiring words of wisdom to cherish. If you yearn to help your daughter navigate life experiences with assurance and spunk, give her *The Gospel According to Mamma*." —Mary Jo Beebe, coauthor of *Jesus' Healings* and *New Testament Healings* "If only there were more mothers like Annette Bridges' mamma: always encouraging, always believing the best of her children, a 'steel magnolia' whose motherly advice is based on the Bible and

common sense. Remembering events in her own past, Annette gives us 21 valuable life lessons based on the wisdom of her indefatigable Southern mamma.”—Renee Corley, former editor at UPI’s religionandspirituality.com “Once you get to the end of reading about Mamma and her wonderful lessons, you will walk away a little wiser. Annette puts life in perspective. She lives a fulfilling life, just as her Mamma taught her. Whether to find your faith, believe in your self or master the ability to see the good in others, Mamma lessons help you find the positive. There is much to learn from these strong and inspiring women.” —SingleMom.com “A look into the heart and soul of Annette Bridges. It could be anyone’s story, but it couldn’t be told any better.” —Bob Belcher, Managing Editor, Corsicana Daily Sun “For anyone who has ever had a mother (and you know who you are), synthesizing that experience can leave many of us speechless. It is ‘good news’ that Annette Bridges is at no loss for words. She liberally shares her mom’s gospel in deep drafts of down-to-earth good sense and faith, liberally laced with Southern humor.” —Susan J. Cobb, author of *Virgin Territory: How I Found My Inner Guadalupe* “Irresistibly heartfelt. Perfect for all mothers and daughters, past, present and future!” —Jennifer Bridges, author’s daughter and Ph.D. student “I have been hearing stories about Nellie, Annette’s Mamma for the last 25 years. Annette makes you feel like you are sitting down with her in her ranch house or on that beach she talks about going to while she shares her Mamma with you from her perspective, with the insights she has gained over her lifetime. I hope you enjoy getting to know Nellie and Annette, 2 Georgia peaches transplanted to Texas. I love the way Annette brings the Bible into her daily life and shares it with us so that we can feel the love of God that is so present today in her life and illustrates how the Bible can show us how to go in ours. Way to go Girlfriend... you finally did it! You wrote a book and it’s a winner! I can’t wait to share this with my family and friends!” —Kathy Glover, friend to both Annette and her mamma

Chalkboard Teacher Plan Book

Literacy lies at the heart of student understanding and achievement. Yet too many educators mistakenly assume that the reading, writing, speaking, and thinking skills that students developed in elementary school are sufficient for the sophisticated learning tasks they face in middle and high school. The result? Disappointing test scores, high dropout rates, and students unprepared for higher education, citizenship, and the world of work. *Taking Action on Adolescent Literacy: An Implementation Guide for School Leaders* presents a structured approach to using literacy as a lever for overall school improvement. Literacy instruction is not an “add-on,” authors Judith L. Irvin, Julie Meltzer, and Melinda Dukes insist; it’s an ongoing essential. All adolescent students, no matter what their level of achievement, can benefit from direct instruction in reading, writing, speaking, and thinking. And all secondary school leaders can improve students’ literacy and learning by following the five action steps outlined in this book: (1) develop and implement a literacy action plan, (2) support teachers to improve literacy instruction, (3) use data to make curricular decisions, (4) build capacity for shared leadership, and (5) creatively allocate resources to support the literacy plan. The book also offers strategies to help educators integrate literacy and learning across the content areas, provide targeted interventions for students who are struggling the most, and

develop a supportive school environment that involves parents, community members, and district leaders. Practical tools, helpful resources, and vignettes based on the authors' extensive work in school districts nationwide make this an indispensable guide for principals, central office administrators, literacy coaches, department chairs, and other school leaders committed to helping students succeed.
