The record-breaking records annual is back and packed with more incredible accomplishments, stunts, cutting-edge science and amazing sporting achievements than ever before. With more than 3,000 new and updated records and 1,000 eye-popping photos, it has thousands of new stats and facts and dazzling new features. There is so much to explore inside. Go on a whirlwind tour of the planet's most amazing places, from the largest swamps to the deepest points on Earth. Find out what happens when you give an octopus a Rubik's Cube, and why all you need to defend yourself from a crocodile is a rubber band! You'll also find all your favorite records and categories such as Big Stuff, Collections, Mass Participation and Fun with Food, plus the year's most significant sporting achievements. Our editors have also taken inspiration this year from the world of superheroes – both fictional and real-world – so look out for our feature chapter charting your favorite caped crusaders in comic books, TV shows and movies. We also meet the real-life record-breakers with genuine superpowers, such as the Canadian strongman vicar who can pull a jumbo jet and an actual cyborg who uses technology to augment his senses. You'll also learn all about the science of superheroes, such as who the fastest and strongest superheroes would be if they came to life, and who would win in a royal rumble between Superman, Batman, Hulk and Dr Strange! Also new this year is a celebration of the superlative with infographic poster pages that explore the most exciting absolutes, such as the longest, tallest, fastest and heaviest. Does the longest sofa outstretch the longest train? Is the tallest Easter egg bigger than the tallest snowman? Find out in this amazing new edition. You'll also find these special pages available as free poster downloads at guinnessworldrecords.com! From science to showbiz via stunts and sports, there are real-life heroes all around us in all shapes and sizes, achieving the extraordinary every day. There's only one book where you'll find so many amazing facts all in one place, and that's Guinness World Records 2018!

The Guinness World Records Gamer's Edition 2019 is the global authority on all things videogames. The 12th edition of the world's best-selling videogames annual is bursting with amazing records, remarkable feats and marvellous achievements by gamers just like you, who have been inspired by the games they love to play. Inside you'll be able to delve into your favourite games like never before – from returning favourites such as FIFA, Overwatch, Call of Duty, Minecraft, Super Mario and The Legend of Zelda, to all-new instant classics such as Monster Hunter: World, Dragon Ball FighterZ, NieR: Automata and Cuphead. You'll be able to discover who the best FIFA 18 player in the world is, the size of the biggest monster in Monster Hunter: World (clue: it's really, really big), which Overwatch player has healed more players than any other and find out which eSports pro won more than \$2.4 million in 2017 alone! We'll also introduce you to some of the most amazing gamers on the planet. From Nathaniel "Nathie" de Jong, the world's most popular VR-dedicated YouTuber, to Ray "Stallion83" Cox who has the world's highest Xbox Gamerscore. And that's not forgetting Joseph Garrett, Stampy Cat himself, who holds one of Minecraft's strangest records ever – let's just say cake is involved Stampy Cat has also provided a special guest intro that you'll only find in Gamer's Edition 2019. Talk of Stampy Cat brings us speedily to our World Builders special chapter – a well-constructed celebration of the games that let us build, including Minecraft, LEGO® Worlds, Roblox, Terraria and more. You'll have the chance to don your hard hat, too, by taking part in our Reader Challenges that could put your name in lights in next year's Gamer's Edition. So, whether you want to know what the fastest time to complete Dark Souls is (while upside down), see the planet's biggest Game & Watch or find out which nation is the best at Pokémon, you've come to the right place!

Guinness World Records: Science & Stuff is a whirlwind tour through the astounding, record-breaking world (and universe) around us, with an intro from TV science educator and author Science Bob. Packed with spectacular superlatives, shocking stats, fantastic facts and fun figures, Science & Stuff celebrates the simple joy in finding things out. It tackles the big questions that keep people up at night, such as: • Can you belch in space? • What does woolly mammoth taste like? • How much would the Death Star cost? • Is the answer to this question no? Join us as we rise from the depths of the ocean, home to vampire squids from hell, to the dizzy heights of the International Space Station, where scientists unravel the secrets of (pooping in) zero-g. On the way we stop to talk with some of the men and women who are out in the world finding answers and making stuff. Ever wanted to know what it's like to ride a motorized toilet at highway speeds, command a swarm of tiny robots or spend a year in space? Well, you'll find your answers in here. And that's not all - have a go at ten record-breaking science experiments in the special Make & Break section. Our very own mad professor, Burnaby Q Orbax, and his trusty lab assistant Sweet Pepper Klopek, guide you through at-home challenges, from the greatest height to drop an egg without it breaking to the farthest distance by a Mentos and soda car. It's gonna get messy! Guinness World Records: Science & Stuff - the grossest, smelliest, weirdest and noisiest guide to, well, science and stuff.

Guinness Sports Record Book

"Eric Bogosian's Talk Radio is just about the best theatrical expression of our fucked-up culture that I know." -- John Hellpern, New York Observer "A gut-grabbing revival. Live Schreiber is playing Barry Champlain, an abrasive radio talk show host who, as another character puts it, has seen the face of God 'in the mirror.' In the course of one eventful night, Barry will be forced to confront another, less august image of himself... the most lacerating portrait of a human meltdown this side of a Francis Bacon painting. Like the original production, which starred Mr. Bogosian as Barry, it allows the star to grab an audience by the lapels and shake it into submission." -- Ben Brantley, New York Times "More timely today than it was twenty years ago... Radio crackles with intensity." -- Joe Dziemianowicz, New York Daily News "Hypnotic! Both as an actor's tour-de-force and a stinging cultural analysis." -- David Rooney, Variety This is the fully revised version of Eric Bogosian's Talk Radio, his breakthrough 1987 Public Theater hit, which was named a finalist for the Pulitzer Prize for Drama, was adapted to film by Oliver Stone, and was revived on Broadway in 2007 in celebration of the play's twentieth anniversary. One of America's premier performers and most innovative and provocative artists, Eric Bogosian's plays and solo work include suburbia (Lincoln Center Theater, 1994; adapted to film by director Richard Linklater, 1996); Sex, Drugs, Rock & Roll, Pounding Nails in the Floor with My Forehead; Griller; Humpty Dumpty; 1+1; Skunkweed; Wake Up and Smell the Coffee; Drinking in America; Notes from Underground and Talk Radio (Pulitzer Prize finalist; New York Shakespeare Festival, 1987; Broadway, 2007; adapted to film by director Oliver Stone, 1988). He has starred in a wide variety of film, TV and stage roles. Most recently, he created the character of Captain Danny Ross on the long-running series Law & Order: Criminal Intent. In 2014, TCG published 100 (monologues), a collection that commemorates thirty years of Bogosian's solo-performance career.

The Imaginary

The newest collection of jaw-dropping feats from around the world. Ever since the first Guinness World Records was first published in 1955, people have been searching for new ways to push the boundaries of achievement. This new edition of fabulous feats includes profiles of people who set new standards for highest, fastest, largest, or oldest; natural wonders that will cause readers to gape in amazement; and mechanical marvels that make the inventions of yesteryear look like child's play.

Fact Hunt

A complete, illustrated history of video games--highlighting the machines, games, and people who have made gaming a worldwide, billion-dollar industry/artform--told in a graphic novel format. Author Jonathan Hennessey and illustrator Jack McGowan present the first full-color, chronological origin story for this hugely successful, omnipresent artform and business. Hennessey provides readers with everything they need to know about video games--from their early beginnings during World War II to the emergence of arcade games in the 1970s to the rise of Nintendo to today's app-based games like Angry Birds and Pokemon Go. Hennessey and McGowan also analyze the evolution of gaming as an artform and its impact on society. Each chapter features spotlights on major players in the development of games and gaming that contains everything that gamers and non-gamers alike need to understand and appreciate this incredible phenomenon.

Guinness World Records: Amazing Animals

A bumper collection of facts about video games from YouTuber extraordinaire, Larry Bundy Jr, this book will debunk myths and urban legends, delve into developers' biggest successes and failures, explore the odd characters behind the games and unearth the obscure, the forgotten, the cancelled and the abandoned aspects of the gaming world. For the past decade, Larry has painstakingly trawled through countless old magazines, routinely harassed developers, and blackmailed journalists to uncover these amazing tidbits and anecdotes that would have fallen by the wayside of history. Now he has compiled them into a fun, full-colour book with sections on botched game launches, pointless peripherals, unreleased video game movies, weird guest fighters and much, much more. Along the way, he has invited a few famous gaming guests, including Stuart Ashen and Did You Know Gaming?, to provide their favourite quips for your personal perusal. So whatever your level of knowledge about video games, you're guaranteed to learn a ton of entertaining new information.
