How to be an Alien

When I first started dating my British man, I never gave a second thought about differences in language and culture. Why would I? After all, we Americans speak English, or do we? As dating quickly turned into being engaged to, and then getting married to my British gentleman, I also found that our common language and

Access Free How To Be A Brit A George Mikes Minibus

culture was a quirky, eye-opening, and highly amusing roller-coaster ride. At times during the most basic every-day conversations, I'd be listening to his words with glazed eyes, wondering what on earth he was saying. It really was as if we were both speaking a completely different language, even though the words that comprised the language were the same. I very quickly learned so much more about the language I was supposed to have been taught at school, the commonalities, the differences, and the good old-fashioned belly-laughs about it all that still punctuate our married life to this day. With the Anglo-American Royal Marriage of Prince Harry and Meghan Markle, I decided to write this essential guide and dedicate it to them, and all transatlantic couples who will regularly find themselves completely divided, and confused, by their common language and culture. 230-250 Pages.

English Humour for Beginners

The British are not who you think they are In fact, they're not even who they think they are! Come on a hilarious tour of the most misunderstood people on Earth. Throwing away all the usual, boring stereotypes, best-selling author (and Brit) Adam Fletcher will explain: - What cricket has to do with the Grim Reaper. - When you shouldn't say sorry. - The real reason Brexit happened. - Which secret religion every Brit is a member of. - The twenty most annoying phrases in the English language. - What every Brit automatically does when left alone. - The revolutionary

hangover cure invented in Scotland. - The secret ideology behind roundabouts. - The Ten Commandments of British humour. And much more. Packed with warmth, humour, honesty, insight, and more than forty hilarious illustrations, Understanding the British is the definitive irreverent guide to a strange nation--a book that will appeal to lovers of George Mikes, Bill Bryson, and George Mahood. The truth about the British will surprise you. Discover it now! Bonus: includes a How British Are You? quiz that will reveal just how well you understand the British mentality.

The Devil's Triangle

NEW YORK TIMES BESTSELLER "Bittersweet, sexy, morally fraught." -The New York Times Book Review "Luminous... engrossing and poignant, this is one not to miss." -People, Pick of the Week "Fantastic... a book that feels alive on the page." -The Washington Post The beloved New York Times-bestselling novel about young love and a big secret in a small community, from the author of The Vanishing Half. Set within a contemporary black community in Southern California, Brit Bennett's mesmerizing first novel is an emotionally perceptive story about community, love, and ambition. It begins with a secret. "All good secrets have a taste before you tell them, and if we'd taken a moment to swish this one around our mouths, we might have noticed the sourness of an unripe secret, plucked too soon, stolen and passed around before its season." It is the last season of high school life for Nadia Turner, a rebellious, grief-stricken, seventeen-year-old beauty. Mourning her own mother's

Access Free How To Be A Brit A George Mikes Minibus

recent suicide, she takes up with the local pastor's son. Luke Sheppard is twenty-one, a former football star whose injury has reduced him to waiting tables at a diner. They are young; it's not serious. But the pregnancy that results from this teen romance—and the subsequent cover-up—will have an impact that goes far beyond their youth. As Nadia hides her secret from everyone, including Aubrey, her God-fearing best friend, the years move quickly. Soon, Nadia, Luke, and Aubrey are full-fledged adults and still living in debt to the choices they made that one seaside summer, caught in a love triangle they must carefully maneuver, and dogged by the constant, nagging question: What if they had chosen differently? The possibilities of the road not taken are a relentless haunt. In entrancing, lyrical prose, *The Mothers* asks whether a "what if" can be more powerful than an experience itself. If, as time passes, we must always live in servitude to the decisions of our younger selves, to the communities that have parented us, and to the decisions we make that shape our lives forever.

Trying To Understand Brazilian Culture

"A thriller packed with nonstop action, real-life name-dropping and enough cutting-edge science to make you wonder how much of it could be true." —Kirkus Reviews
The newest entry in the sizzling international thriller series featuring Nicholas Drummond, from #1 New York Times–bestselling author Catherine Coulter. Freshly minted FBI agent Nicholas Drummond is barely out of his Quantico training when

Access Free How To Be A Brit A George Mikes Minibus

he and his partner, Mike Caine, are called to investigate a stabbing on Wall Street. Their investigation, however, yields more questions than answers. It quickly becomes clear that the victim, John Pearce, was more than the naval historian and antiques dealer he appeared to be. What Drummond doesn't know is that buying and selling rare books was Pearce's cover, and that he had devoted his life to discovering the whereabouts of a missing World War I U-boat concealing a stash of gold bullion, and an unexpected surprise that only raises more questions. When Drummond and Caine find both of Pearce's adult children have disappeared, the case assumes a new sense of urgency. The FBI agents know their best lead lies in the victim's cryptic final words—"The key is in the lock." But what key? What lock? The search for Adam and Sophia Pearce takes them on an international manhunt, which threatens to run them afoul of an eccentric billionaire industrialist with his own plans not only for the lost gold, but the creation of a weapon unlike anything the world has ever seen.

How to be Decadent

The indispensable manual for everyone who longs to attain True Britishness - Over 600,000 copies sold George Mikes's perceptive best-seller provides a complete guide to the British Way of Life. Having been born in Hungary, he eventually spent more than forty years in the field, and the fruits of his labour include insights on important topics including the weather, how to be rude and how to panic quietly.

Access Free How To Be A Brit A George Mikes Minibus

Loved by readers and authors alike, How to Be a Brit contains Mikes's three major works -- How to be an Alien, How to be Inimitable and How to be Decadent. If you're British, you'll love it; if you're a foreigner, you'll appreciate it. How to plan a town: "Street names should be painted clearly and distinctly on large boards. Then hide these boards carefully." Queuing: "An Englishman, even if he is alone, forms an orderly queue of one." Sex: "Continental people have sex lives: the English have hot water bottles."

The Sixth Day

Nobody is a bigger fan of actor Thomas Cassidy than Libby. Nobody. That's why she's totally going to marry him. She's going to write a novel, name the main character after Thom, and find a way to get it to him. Intrigued and flattered, he will read it, fall in love with her prose, and ask to turn it into a movie. She will pretend to think about it, then say, 'Sure, but can I work on it with you?' Their eyes will meet over the script and fade to black. But with four interwoven lives in play, can anything be that simple? Thoughtful, quirky, and moving, Unscripted is a story of friendship and second chances, and asks the question: how far can you take your dream?

Superman

Access Free How To Be A Brit A George Mikes Minibus

George Mikes has written many successful books on a variety of interesting subjects, but one so successful as those on the subject most central to his own experience: his adopted country. The first of these came out in 1946: the ever famous "How to be an Alien." Later he enlarges the picture with "How to be inimitable" and "How to be Decadent." All three books were illustrated by the master of the cartoonists' art, the late Nicolas Bentley. Here they are, all in one volume, which will make life much easier for today's would-be Brits than it was for those who pervaded them. It is said that a few of the latter actually failed to become indistinguishable from the genuine British article because they found it too tiresome to seek out three separate books: a misfortune that need never again occur to anyone.

The Mothers

DEFINITELY, MAYBE OR LOVE, ACTUALLY? English professor Bonnie Blythe expects her life to play out like her favorite novels, especially now that her long-term boyfriend has finally proposed. So when a shocking discovery leads Bonnie to end her engagement, she decides to close the book on love. But the plot thickens when a brand-new character enters the scene—and quickens Bonnie's heart. With his brilliant blue eyes, sexy accent, and irresistible charm, Theo Wharton is like a romantic hero straight out of a Jane Austen novel. When fate places Bonnie in England for a summer—conveniently close to Theo—she realizes a hot friends-with-

benefits fling is exactly what she needs to start a fresh chapter. Just as Bonnie begins to believe she's falling in love, an eye-opening revelation into Theo's life makes Bonnie feel like she's wandered into one of her favorite books. Will Bonnie have the courage to risk her heart and turn the page with the dashing Brit to find her true happy ending after all?

Smitten by the Brit

The quintessential A to Z guide to British English—perfect for every egghead and bluestocking looking to conquer the language barrier Oscar Wilde once said the Brits have "everything in common with America nowadays except, of course, language." Any visitor to Old Blighty can sympathize with Mr. Wilde. After all, even fluent English speakers can be at sixes and sevens when told to pick up the "dog and bone" or "head to the loo," so they can "spend a penny." Wherever did these peculiar expressions come from? British author Christopher J. Moore made a name for himself on this side of the pond with the sleeper success of his previous book, *In Other Words*. Now, Moore draws on history, literature, pop culture, and his own heritage to explore the phrases that most embody the British character. He traces the linguistic influence of writers from Chaucer to Shakespeare and Dickens to Wodehouse, and unravels the complexity Brits manage to imbue in seemingly innocuous phrases like "All right." Along the way, Moore reveals the uniquely British origins of some of the English language's more curious sayings. For

Access Free How To Be A Brit A George Mikes Minibus

example: Who is Bob and how did he become your uncle? Why do we refer to powerless politicians as “lame ducks”? How did “posh” become such a stylish word? Part language guide, part cultural study, *How to Speak Brit* is the perfect addition to every Anglophile’s library and an entertaining primer that will charm the linguistic-minded legions.

How to Speak Brit

Watching the English, Second Edition

From Catherine Coulter, the #1 New York Times-bestselling author of the FBI Thriller series, and J.T. Ellison, bestselling author and ITW Award winner, comes the first book in a brilliant new international thriller series featuring the new hero: American-born, UK-raised Nicholas Drummond. Scotland Yard’s new chief inspector

Access Free How To Be A Brit A George Mikes Minibus

Nicholas Drummond is on the first flight to New York when he learns his colleague, Elaine York, the “minder” of the Crown Jewels for the “Jewel of the Lion” exhibit at the Metropolitan Museum of Art, was found murdered. Then the centerpiece of the exhibit, the infamous Koh-i-Noor Diamond, is stolen from the Queen Mother’s crown. Drummond, American-born but raised in the UK, is a dark, dangerous, fast-rising star in the Yard who never backs down. And this case is no exception. Special Agents Lacey Sherlock and Dillon Savich from Coulter’s bestselling FBI series don’t hesitate to help Drummond find the cunning international thief known as the Fox. Nonstop action and high stakes intensify as the chase gets deadly. The Fox will stop at nothing to deliver the Koh-i-Noor to the man who believes in its deadly prophecy. Nicholas Drummond, along with his partner, FBI Special Agent Mike Caine, lay it on the line to retrieve the diamond for Queen and country.

That's Not English

A surprising and lively history of an overlooked era that brought the modern world of art, culture, and science decisively into view.

Brit-think, Ameri-think

It's a truth acknowledged by pretty much every seventeen-year-old guy with an

Access Free How To Be A Brit A George Mikes Minibus

Internet connection: Brazil is one of the sexiest countries on the planet. When looking at pictures of the country online you can expect to see samba dancing goddesses, ridiculously tropical beaches and, of course, the infamous Carnival celebrations. But if you've ever wondered what life is like beyond these images, this is the book for you. Penned by award-winning British blogger Andrew Creelman, this memoir will give you an intimate insight into the reality of Brazilian culture. After arriving in the country on a bit of a whim, Andrew has spent the last four years in São Paulo attempting to understand Brazilians and their culture. Within the book, some incredibly highbrow questions are explored. Does Brazil really resemble one giant, dangerous game of Grand Theft Auto? What's it like to live in a football-mad country? Are ALL Brazilian women beautiful? What is it like to teach over here? And perhaps the most important question of all is addressed within these pages: why, oh why, do Brazilians wear so little on the beach!?! Contents of the book include: Chapter One - How I Ended Up In Brazil Chapter Two - Settling In Chapter Three - Teaching Brazilians Chapter Four - Going Out In São Paulo Chapter Five - Music Chapter Six - Five Things About Brazilians I Didn't Expect To Discover In My First Six Months Chapter Seven - Brazilian Women Chapter Eight - Crime Chapter Nine - Football Chapter Ten - Brazilian Beach Culture Chapter Eleven - Being British In Brazil Chapter Twelve - Conclusion About The Author Reviews: Mark Hilary This is a short, easy to read introduction to life in Brazil. Andrew has not written this as a tourist guide, it's more like a memoir of how he settled into living life in Brazil - what worked, what was unusual, and what could be a complete

Access Free How To Be A Brit A George Mikes Minibus

disaster. He has a friendly style that keeps you turning the pages. If you are a foreigner living in Brazil then it's worth reading just to see what you identify with too, if you are thinking of taking the plunge and moving to Brazil then take a look too. It's not a detailed how-to guide - he is not telling you how to get a visa or pay your taxes, this is entirely personal observations on the cultural difficulties a Brit can have when settling into Brazil and being in that position myself I can identify with much of his book!Chris WrightOne of the best ways to get a feel for a country is to look through the eyes of someone who's gone through the hard cultural landing of just arriving and is now living out all the cool reasons for coming. And Brazil has many. Brazil seduces and has a vibe that most countries would love to rent for the weekend. Andy helps you see it, experience it, laugh at it all and feel it. As a fellow Brit i appreciate his sharpness and humour to pin point the unusual and the fascinating. Better than a tour guide Andy is your Sao Paulo contact - your man who knows what makes Rio's big ugly sister show her bad cool side. Well recommended!

The Final Cut

If you want to succeed here you must be able to handle the English sense of humour. So proclaims George Mikes' timeless exploration of this curious phenomenon. Whether it's understatement, self-deprecation or plain cruelty, the three elements he identifies as essential to our sense of humour, being witty here

Access Free How To Be A Brit A George Mikes Minibus

is a way of life. Perfectly placed as an adopted Englishman himself, Mikes delivers his shrewd advice - helpfully divided into 'Theory' and 'Practice' - with a comic precision that does his chosen country proud. Drawing on a trove of examples from our rich comic canon, from Orwell ("Every joke is a tiny revolution") to Oscar Wilde, this is the essential handbook for natives and foreigners alike. Mrs Kennedy: "I don't think, Mr Churchill, that I have told you anything about my grandchildren." Winston Churchill: "For which, madam, I am infinitely grateful."

Brit(ish)

Special agents Nicholas Drummond and Michaela Caine take on a criminal mastermind in the next captivating thriller in the New York Times bestselling A Brit in the FBI series. "Coulter and Ellison smoothly mix contemporary political issues with eerie historical legend in this fast-paced" (Publishers Weekly) thriller. The mystery: shocking. When several major political figures die mysteriously, officials blame their deaths on natural causes. However, when a small drone is spotted at the scene of the most recent death, it quickly becomes clear to FBI agents Nicholas and Michaela that there's more to this mystery than meets the eye. The key: indecipherable. Dr. Isabella Marin is a language expert, and she's dedicated her entire life to researching an ancient text that has long been considered indecipherable...that is, until now. When it becomes clear that there's an alarming pattern between the text and the recent deaths, she teams up with the FBI to find

the link. It's clear that the manuscript is the key to catching the killer. But how? The case: nearly impossible. When Nicholas and Michaela uncover plans for a devastating attack on London, they must race against the clock to stop the killer before it's too late. Not only are they in danger of losing the manuscript—an object of extreme value—but they're also at risk of losing more innocent lives: including their own. With their signature heart-pounding tension and suspense, Catherine Coulter and J.T. Ellison's *The Sixth Day* is “another amazing entry in this ongoing series” (Associated Press).

Unscripted

The New York Times bestselling Brit in the FBI series continues with this thrilling “popcorn movie in print form” (Associated Press) pitting special agents Nicholas Drummond and Michaela Caine against a private French space agency that has the power to end the world as we know it. Galactus, France's answer to SpaceX, has just launched a communications satellite into orbit, but the payload actually harbors a frightening weapon: a nuclear bomb that can trigger a massive electromagnetic pulse (EMP). When the satellite is in position, Galactus's second-in-command, Dr. Nevaeh Patel, will have the power to lay waste to the world. A former astronaut, Patel believes she is following the directions of the Numen, aliens who saved her life when she space-walked outside the International Space Station. She is convinced that with the Holy Grail—just discovered by the owner of

Access Free How To Be A Brit A George Mikes Minibus

Galactus, eccentric treasure hunter Jean-Pierre Broussard—she can be reunited with the Numen, change the world's destiny, and become immortal with them. The countdown has begun when Special Agents Nicholas Drummond and Michaela Caine are thrown into the pending disaster. They must stop the EMP that would wreak havoc on communication and electronic systems on Earth, resulting in chaos and anarchy. With their high-octane and suspenseful prose, “Coulter and Ellison are a thriller writer's dream team, and *The Last Second* is some of their best work yet” (The Real Book Spy).

Classic British Cooking

Don't play the silly bugger in front of your mates! Take a deep dive into British language and culture with this “hilarious and entertaining” reference (Chicago Tribune). Brits and Americans dress the same, eat at the same chain restaurants, and pass music back and forth across the Atlantic, and our national leaders are practically conjoined twins. But the second the Brits open their mouths, all bets are off. So don't dream of visiting the United Kingdom, dating a Brit, or truly understanding what Jude Law is saying without this handy, hilarious, and informative guide to Britspeak. With the cheekiness of Austin Powers and the tidbit quotient of Schott's Miscellany, screenwriter Jonathan Bernstein's collection of Cockney rhyming slang, insults culled from British television shows of yore, and regional and “high British” favorites provides hours of educational, enlightening,

even life-saving hilarity. And if it doesn't accomplish that, at least you'll be aware that when a British citizen describes you as a "wally," a "herbert," a "spanner," or a "bampot," he's not showering you with compliments. Knickers in a Twist is as indispensable as a London city guide, as spot-on funny as an episode of The Office, and as edifying as Born to Kvetch and Eats, Shoots and Leaves. "Indispensable." —Vanity Fair "Will probably do more for revolutionizing the way you and your nearest and dearest address one another than any other book out this year . . . Often bring[s] an overt chuckle." —Edge New York

Knickers in a Twist

The author thought he had met his soul mate online and eventually moved to the U.S.A. to marry her. Unfortunately, she was not the soul mate he thought. The tragic story of this "lost love" and others show some of the inherent perils of Internet dating and boy meets girl/boy loses girl sagas.

How to be a Brit

'I THOUGHT I'D GONE TO A PRISON'This was Hilda Newman's first impression when, at the age of 19, she left her parents' little terraced cottage in Lincolnshire and embarked on a new life as a lady's maid at Croome Court, the enormous stately

Access Free How To Be A Brit A George Mikes Minibus

home of Lord and Lady Coventry. The year was 1935: the twilight of the English aristocracy. It was a time of wealth and glamour; of lavish balls and evening gown; of tiaras and a Coronation. As personal maide to Lady Coventry, Hilda had a unique insight into the leisured life of one of Britain's most noble families. In her fascinating memoir of life upstairs and down, Hilda takes us back to a gilded era which would be brutally swept away by the Second World War. Hers is a very personal story of being transplanted from a tiny house with no bath or hot water to an eighteenth-century Neo-Palladian mansion surrounded by parkland landscaped by Lancelot 'Capability' Brown. But it also the remarkable story of the family who service she entered - and that of Croome Court itself: during World War Two, it housed the Dutch Royal Family - who had fled the Nazi occupation - and it was also home to the top-secret RAF base where radar was developed. This is Hilda's story.

How to Buy Property in Bulgaria

Queenan Country

In this hilarious romp through England, one of America's preeminent humorists seeks the answer to an eternal question: What makes the Brits tick? One semitropical Fourth of July, Joe Queenan's English wife suggested that the family might like a chicken vindaloo in lieu of the customary barbecue. It was this pitiless act of gastronomic cultural oppression, coupled with dread of the fearsome Christmas pudding that awaited him for dessert, that inspired the author to make a solitary pilgrimage to Great Britain. Freed from the obligation to visit an unending

Access Free How To Be A Brit A George Mikes Minibus

procession of Aunty Margarets and Cousin Robins, as he had done for the first twenty-six years of their marriage, Queenan decided that he would not come back from Albion until he had finally penetrated the limey heart of darkness. His trip was not in vain. Crisscrossing Old Blighty like Cromwell hunting Papists, Queenan finally came to terms with the choochiness, squiffiness, ponciness, and sticky wicketness that lie at the heart of the British character. Here he is trying to find out whose idea it was to impale King Edward II on a red-hot poker-and what this says about English sexual politics. Here he is in an Edinburgh pub foolishly trying to defend Paul McCartney's "Ebony and Ivory." And here he is, trapped in a concert hall with a Coventry-based all-Brit Eagles tribute band named Talon who resent that they are nowhere near as famous as their evil nemeses, the Illegal Eagles. At the end of his epic adventure, the author returns chastened, none the wiser, but encouraged that his wife is actually as sane as she is, in light of her fellow countrymen.

A Brit of Trivia

The author of *The Time Traveler's Guide to Medieval England* takes you through the world of Shakespeare and Queen Elizabeth I. From the author of *The Time Traveler's Guide to Medieval England*, this popular history explores daily life in Queen Elizabeth's England, taking us inside the homes and minds of ordinary citizens as well as luminaries of the period, including Shakespeare, Christopher Marlowe, Sir Walter Raleigh, and Sir Francis Drake. Organized as a travel guide for the time-hopping tourist, Mortimer relates in delightful (and occasionally disturbing) detail everything from the sounds and smells of sixteenth-century England to the complex and contradictory Elizabethan attitudes toward violence, class, sex, and religion. Original enough to interest those with previous knowledge of Elizabethan England and accessible enough to entertain those without, *The Time Traveler's Guide* is a book for Elizabethan enthusiasts and history buffs alike.

Being American Married to a Brit

An expat's witty and insightful exploration of English and American cultural differences through the lens of language that will leave readers gobsmacked In *That's Not English*, the seemingly superficial differences between British and American English open the door to a deeper exploration of a historic and fascinating cultural divide. In each of the thirty chapters, Erin Moore explains a different word we use that says more about us than we think. For example, "Quite" exposes the tension between English reserve and American enthusiasm; in "Moreish," she addresses our snacking habits. In "Partner," she examines marriage equality; in "Pull," the theme is dating and sex; "Cheers" is about drinking; and "Knackered" covers how we raise our kids. The result is a cultural history in miniature and an expatriate's survival guide. American by birth, Moore is a former book editor who specialized in spotting British books—including *Eats, Shoots & Leaves*—for the US market. She's spent the last seven years living in England with her Anglo American husband and a small daughter with an English accent. *That's Not English* is the perfect companion for modern Anglophiles and the ten million British and American travelers who visit one another's countries each year.

Both practical and inspirational, this is a celebration of the best of British cooking past and present. This book was previously published as The National Trust Complete Traditional Recipe Book.

Understanding the British: a Hilarious Guide from Apologising

to Wimbledon

From #1 New York Times–bestselling author Catherine Coulter, the explosive new addition to the remarkable thriller series featuring Nicholas Drummond and Mike Caine. FBI agent Nicholas Drummond and his partner, Mike Caine, are deep into an investigation of COE—Celebrants of the Earth—a violent group known for widespread bombings of power grids and oil refineries across the country. While investigating a tip from a civilian who’s overheard about a possible bombing plot, the Bayway Refinery in New Jersey explodes. Nicholas and Mike race to the scene and barely escape being killed by a secondary device. Returning to the civilian’s home to continue their interrogation, they discover the tipster—and the FBI team left to guard him—dead. While Nicholas calls in the assassinations, COE strikes again, this time launching a cyber-attack on several major oil companies and draining their financial and intellectual assets. But COE has been infiltrated by a deep-cover counterterrorism agent named Vanessa Grace. A bomb-making expert, Vanessa must leave COE and join forces with Nicholas and Mike to stop the organization’s devious plan to assassinate the President. But there’s an assassin on the loose who could tip the scales in COE’s favor, and no one knows his ultimate target, or who has contracted his services. Working with the CIA, the Secret Service, Mossad, MI-5, and even Savich and Sherlock, Nicholas and his team put their lives on the line to prevent another conflagration—and save the President.

Anita Diamant. The author of popular books on Jewish weddings and baby rituals, Diamant now joins with family therapist Karen Kushner to help you through the next steps. They give creative, practical answers to these and many other questions, provide guidance on how to foster Jewish decision making for children of all ages, describe how to make your home a "Jewish space," and explain the importance of synagogue membership, holiday celebrations, community service, and other family activities. Diamant and Kushner draw from many sources to describe the practices, customs, and values that go into creating a Jewish home. They combine insights from Jewish tradition with contemporary developmental thinking about how children learn and grow. They provide addresses (including Web sites) where you can find specific information and other resources. And since experience may be the best of all teachers, they share their own and other parents' stories and observations. For Diamant and Kushner, the number-one goal of *How to Be a Jewish Parent* is to give parents (and grandparents) guideposts to raising joyful children within the rich tradition of the Jewish faith and culture. No Jewish family should be without it. From the Hardcover edition.

How to Be a Jewish Parent

If you like bossy British guys with big heartsone click this one today! Sexy billionaire Liam Bennett is cocky, dangerously handsome, and more importantly, my new boss. If only my ovaries didn't flutter when he was near—yeah, that'd be

super helpful. When our long hours lead to a dare—and an X-rated encounter—I never expected it to be the hottest sex of my life. It'd also be super helpful if Liam didn't know it and taunt me about it every chance he got. Unable to deny our attraction any longer, our work relationship brings a whole new meaning to the term inbox. But being with him comes with some baggage—like an ex-wife and three kids kind of baggage. And a lawyer who wants half of his company. Unsure that I'm cut out for this new level of complicated, my traitorous ovaries beg me to try. Heaven help us all. This is a standalone novella with lots of steam and a guaranteed HEA.

Worth It

Brit Barron grew up in an Evangelical megachurch in the '90s, trying to fit neatly inside the boundaries her church and its narrow view of God had placed around her. She was boxed in by her fears, unable to realize her full potential. All that changed when she met a girl named Sami, fell in love, and chose to leave behind those narrow boundaries in favor of a fuller and more vibrant life. In *Worth It*, Brit tells her story to inspire all of us to overcome our own fears--the kinds of fears that keep us from evolving beyond the narratives that have been handed to us by others. We can't avoid or outrun these fears, but if we face them, we'll find out that it was so worth it!
