Do Less, Live More, Get Accepted What if getting into your reach schools didn't require four years of excessive A.P. classes, overwhelming activity schedules, and constant stress? In *How to Be a High School Superstar*, Cal Newport explores the world of relaxed superstars—students who scored spots at the nation's top colleges by leading uncluttered, low stress, and authentic lives. Drawing from extensive interviews and cutting-edge science, Newport explains the surprising truths behind these superstars' mixture of happiness and admissions success, including:

- Why doing less is the foundation for becoming more impressive.
- Why demonstrating passion is meaningless, but being interesting is crucial.
- Why accomplishments that are hard to explain are better than accomplishments that are hard to do.

These insights are accompanied by step-by-step instructions to help any student adopt the relaxed superstar lifestyle—proving that getting into college doesn't have to be a chore to survive, but instead can be the reward for living a genuinely interesting life.

How to Be a High School Superstar

The Orange County, California, that the Becker brothers knew as boys is no more—unrecognizably altered since the afternoon in 1954 when Nick, Clay, David, and Andy rumbled with the lowlife Vonns, while five-year-old Janelle Vonn watched from the sidelines. The new decade has ushered in the era of Johnson, hippies, John Birchers, and LSD. Clay becomes a casualty of a far-off jungle war. Nick becomes a cop, Andy a reporter, David a minister. And a terrible crime touches them all in ways they could never have anticipated when the mutilated corpse of teenage beauty queen Janelle Vonn is discovered in an abandoned warehouse.

How to Get Into the Top Colleges, 3rd ed

The five United States military service academies are some of the most elite schools in the nation, taking the finest high school students and turning them into commissioned officers of the Army, Navy, Air Force, Coast Guard, and Merchant Marine. Over 60,000 students a year begin the arduous process of applying, and about 4,000 get in. At West Point alone, over 15,000 candidates start the applications process. Less than a third of them finish it. Some figure out that they aren't going to be competitive, some get derailed with specific problems, and some get lost and drop out even though they might have gotten in. From applications to Congressional nominations, from athletics to medical qualifications, the process is unlike any other for getting into college. This book leads students and their families through the process step by step, offering the tools needed for the very best chance of success. Covering special issues and concerns like LGBTQ, women and minorities, criminal records, and more, the author also discusses whether attending a service academy is RIGHT for the prospective student, and what he or she can expect upon acceptance, admission, and attendance. Using his personal

'How to Get into Medical School in Australia' is the definitive guide on how to succeed in your application to medical school - and how to excel once there. The book provides comprehensive details of the admissions processes - both undergraduate and graduate - in an easy-to-digest, chronological format, to help you manage your application step by step. This detailed handbook includes an overview of the admissions process and the career of a doctor, characteristics sought in potential medical students and how to optimise them, study techniques for high school and undergraduate students, information on how to prepare for the medical school entry exams (UMAT and GAMSAT), the pros and cons of undergraduate and postgraduate medical school, and timelines on when to begin preparing for each step of the application process. The guide also features advice on special applications (for mature age, indigenous, rural and international students), non-traditional routes of entry, how to optimise your medical school application form (including sample resumes), and the all-important medical school interview - including how to prepare, how to dress and how to answer questions successfully on the day, as well as several pages of practice interview questions. Once you have succeeded in gaining admission, the book also offers information on what medical school is like, and advice on how to excel and enjoy it (including a list of necessary textbooks). Additionally, the guide includes advice from people who have excelled in various parts of the process: those who aced their high school leaver's exams, medical students, and junior and senior doctors. They describe their experiences and, most importantly, provide tips and guidance on how to succeed in getting into and studying at medical school. Also included are the profiles of every medical school in Australia, detailing entry requirements, contact details, fees, numbers of places for students and the focus and academic ranking of each individual school.
