In her debut poetry collection, Darshana Suresh explores what it means to be alive, and how hurting and healing can often be overwhelmingly intertwined. She does not write about recovery. Instead, she writes about carrying on until you are ready to recover. -- CELESTIAL BODIES is the study of poetry as body; of gleaning words from stars. The series aims to entice and encompass, to invite the reader to enter their orbit, to begin anew.

### **Howling at the Gibbous Moon**

*Howling at the Moon* is a singular work, a hunger-ballad spanning several hundred lines and changing direction like a jack-rabbit. At one moment the verse is sturdy, like a thigh, at the next mercurial; wispish as the thrill of new love. The author has described the work as a poem "that just wouldn't stop bloody going" but at its core the book is an exploration of what people can't say, and what a howl can.

Peter Johnson has long been acclaimed by such poets as Russell Edson and Charles Simic as one of the masters of the prose poem. In his new book, *Old Man Howling at the Moon*, he continues his exploration of the genre, exhibiting his usual comic touch. Johnson calls these new poems "complaints" and traces his influences back to fourteenth-century France, while pointing out in the preface that his wise-fool Grumpy Old Everyman is also very much a part of a tradition, including writers as diverse as Allen Ginsberg, Catullus, and Nicanor Parra. *Old Man Howling at the Moon* is a welcome arrival at a time when anger and satire are desperately needed to enliven a contemporary poetry scene where often fashionable irony reigns supreme.

### **On the Prowl**

The ultimate showbiz insider's expose, *HOWLING AT THE MOON*, is the wildly entertaining and brilliantly narrated autobiography of Walter Yetnikoff, head of CBS Records during its heyday in the 1980s, and then the most powerful man in the music industry. Yetnikoff knew most of the stars and embraced all the excesses of this era: he was mentor to Streisand, father confessor to Michael Jackson, shared a mistress with Marvin Gaye and came to blows with Mick Jagger. He feuded with David Geffen and outmanoeuvred Rupert Murdoch. He was also addicted to cocaine and alcohol - until his doctor gave him just 3 months to live. Yetnikoff came from a working-class Jewish family from Brooklyn; he graduated from law school in the 1950s and proceeded to climb the corporate ladder to the very top. His high-flying ended in breakdown, but throughout his rise and fall, Yetnikoff remained a man of huge charisma and disarming charm. *HOWLING AT THE MOON* is written with David Ritz, the only 4-time winner of the Ralph J Gleason Music Book award, who has collaborated on the autobiographies of such stars as Ray Charles, BB King, Aretha Franklin and Etta James.

Barbra Streisand and James Taylor. They were all under contract to CBS Records, making it the most successful label of the era. And, as the company's president, Walter Yetnikoff was the ruling monarch. He was also the most flamboyant, volatile and controversial personality to emerge from an industry and era defined by sex, drugs and debauchery. Having risen from working-class Brooklyn and the legal department of CBS, Yetnikoff, who freely admitted to being tone deaf, was an unlikely label head. But he had an uncanny knack for fostering talent and intimidating rivals with his appalling behavior—usually fueled by an explosive combination of cocaine and alcohol. His tantrums, appetite for mind-altering substances and sexual exploits were legendary. In Japan to meet the Sony executives who acquired CBS during his tenure, Walter was assigned a minder who confined him to a hotel room. True to form, Walter raided the minibar, got blasted and, seeing no other means of escape, opened a hotel window and vented his rage by literally howling at the moon. In *Howling at the Moon*, Yetnikoff traces his journey as he climbed the corporate mountain, danced on its summit and crashed and burned. We see how Walter became the father-confessor to Michael Jackson as the King of Pop reconstructed his face and agonized over his image while constructing *Thriller* (and how, after it won seven Grammys, Jackson made the preposterous demand that Walter take producer Quincy Jones's name off the album); we see Walter, in maniacal pursuit of a contract, chase the Rolling Stones around the world and nearly come to blows with Mick Jagger in the process; we get the tale of how Walter and Marvin Gaye—fresh from the success of "Sexual

Healing"—share the same woman, and of how Walter bonds with Bob Dylan because of their mutual Jewishness. At the same time we witness Yetnikoff's clashes with Barry Diller, David Geffen, Tommy Mottola, Allen Grubman and a host of others. Seemingly, the more Yetnikoff feeds his cravings for power, sex, liquor and cocaine, the more profitable CBS becomes—from \$485 million to well over \$2 billion—until he finally succumbs, ironically, not to substances, but to a corporate coup. Reflecting on the sinister cycle that left his career in tatters and CBS flush with cash, Yetnikoff emerges with a hunger for redemption and a new reverence for his working-class Brooklyn roots. Ruthlessly candid, uproariously hilarious and compulsively readable, *Howling at the Moon* is a blistering *You'll Never Eat Lunch in this Town Again* of the music industry.

Memoirs are generally written by people who are well into adulthood and who have led extraordinary lives. So why would Tess, a shy seventeen-year-old, feel compelled to start writing hers? Sure, things aren't great. It's 1982. She has fractious family relationships. She has good friends, but she's too shy to approach boys. There is a boy who seems to like her, and he's definitely her intellectual equal, but he's the most unpopular kid in town, and their 'friendship' would render her a social pariah if anyone found out. It's when she's at a typewriter, or with pen and paper, that she really shines. So, what's she going to write about? That adults - whether they're good or bad - wield all the power? Her creepy uncle? Her foray into civil disobedience when she was only twelve years of age? The plethora of quirky types that populate the small town where she lives? Her secret underground newspaper? But what event would trigger a self-conscious and introverted teenager to attempt her life story? Howling on a Concrete Moon is a coming-of-age story that will in turn make you laugh, cringe, and cry as you share Tess's emotional journey.
