The Last Black Unicorn

Tomas loves playing outdoors he hates school, books and being dragged to the library by his mother. But his world is turned upside down the day he meets the Unicorn and the Unicorn Lady and is spellbound by their story. Discover the power of storytelling to transform lives as Tomas, with his newfound love of books, becomes instrumental in saving his burning library when his village is devastated by war. We challenge you not to believe in unicorns absolutely!

Unicorns I Believe In Unicorns More Than You

Do you believe in bunnycorns? That's right-- half-unicorn, half-bunnies are hopping your way in this candy-colored die-cut board book companion to I Love My Llamacorn! Wake up! Bunnies with unicorn horns abound in a glittery, rainbow world! They're fluffy, they're energetic, and they leave a trail of sparkle dust wherever they go. This rhyming board book--dashed with glitter and with a die-cut flower blooming in a new color on every page--will bring a smile to any child's face (and grown-ups too!). This sweet springtime mash-up fits nicely into an Easter basket, but will bring delight any day of year.

Magical Unicorns

A tactile, touch-and-feel book with color-changing sequins! Everyone loves unicorns, but the groovicorns are even more fun! This unique touch-and-feel book, with a funny rhyme that explains why groovicorns are better than unicorns, is perfect for young children. Innovative two-way sequin touches feature on every spread. Children will love watching the colors change as they interact with the book. This tactile book offers plenty for young children to enjoy, helping to promote an early love of reading!

The Odious Ogre

Be careful what pet you wish for in this hilarious picture book from bestselling author Ame Dyckman and beloved illustrator Liz Climo. When a little boy throws a coin in a well asking for a pet unicorn, he has no idea what kind of trouble he's in for. Unbeknownst to him, unicorns make the absolutely worst pets: they shed, they poke holes in your ceiling, and they make a big mess. With a knowing wink from Ame Dyckman, creator of Wolfie the Bunny and cheerful illustrations from Rory the Dinosaur creator and Tumblr star Liz Climo, this rollicking story shares all of the ways a pet unicorn can ruin your life, and is sure to have readers in stitches.

Be a Unicorn & Live Life on the Bright Side

Amy Krouse Rosenthal's New York Times bestselling story of friendship, unicorns, and the power of believing! Uni is just like all the other unicorns . . . except for one thing: she believes that little girls are REAL. This magical story by Amy Krouse Rosenthal (author of *I Wish You More*) illuminates Uni's not-so-fantastical dream and celebrates the sparkle of believing. Uni the unicorn is told there's no such thing as little girls! But no matter what the grown-up unicorns say, Uni believes that little girls are REAL. Somewhere there must be a smart, strong, wonderful, magical little girl waiting to be best friends. In fact, far away (but not too far away), a real little girl believes there is a unicorn waiting for her, too. This magical story of friendship reminds believers and nonbelievers alike that sometimes wishes really can come true.

I Don't Believe in Humans

The Land of Stories: The Wishing Spell

I Believe in Unicorns

A stunning novel about friendship, war, and one girl's bravery which changes her life forever. It's 1943, and twelve-year-old Lily Tregenza lives on a farm in an idyllic seaside village in England. Apart from her father being away and the "townie" evacuees at school, her life is scarcely touched by the war . . . until Lily and her family, along with 3,000 other villagers, are ordered to evacuate their homes to allow the Allied forces to practice their landings for D-day. It's a dangerous operation--guns firing and bombs exploding--and the whole area is off-limits. But Adolphus Tips, Lily's adored cat, has other ideas--barbed wire and "Keep out!" signs mean nothing to her. Tips (cont'd)

I Believe in Dragons, Fairies, Unicorns, Good Men, and Other Fantasy Creatures

Unicorn-themed rhyming board book with 6 material tabs.

Reflections of My Thoughts

Is that a horse wearing a hat, or is it a unicorn in disguise? It all depends on how you look at it in this charming story about finding the extraordinary in the ordinary.

The Magical Unicorn Society: A Brief History of Unicorns

Alex and Conner Bailey's world is about to change. When the twins' grandmother gives them a treasured fairy-tale book, they have no idea they're about to enter a land beyond all imagining: the Land of Stories, where fairy tales are real. But as Alex and Conner soon discover, the stories they know so well haven't ended in this magical land - Goldilocks is now a wanted fugitive, Red Riding Hood has her own kingdom, and Queen Cinderella is about to become a mother! The twins know they must get back home somehow. But with the legendary Evil Queen hot on their trail, will they ever find the way? The Land of Stories: The Wishing Spell brings readers on a thrilling quest filled with magic spells, laugh-out-loud humour and page-turning adventure.

thoughts with us. Just write a customer review.

Unicorns

Highly controversial when it was first published in 1981, Alasdair MacIntyre's *After Virtue* has since established itself as a landmark work in contemporary moral philosophy. In this book, MacIntyre sought to address a crisis in moral language that he traced back to a European Enlightenment that had made the formulation of moral principles increasingly difficult. In the search for a way out of this impasse, MacIntyre returns to an earlier strand of ethical thinking, that of Aristotle, who emphasised the importance of 'virtue' to the ethical life. More than thirty years after its original publication, *After Virtue* remains a work that is impossible to ignore for anyone interested in our understanding of ethics and morality today.

Uni the Unicorn

Bringing hard data to the way we think about entrepreneurial success, this bold call to action draws on the latest scientific evidence to dispel the most pervasive startup myths and light a path to entrepreneurship for those eclipsed by the hype. When you think of a successful entrepreneur, who comes to mind? Bill Gates? Mark Zuckerberg? Or maybe even Jesse Eisenberg, the man who played Zuckerberg in *The Social Network*? It may surprise you that most successful founders look very different from Zuckerberg or Gates. In fact, most startup origin stories are very different from the famous "unicorns" that have achieved valuations of over \$1 billion, from Facebook to Google to Uber. In *The Unicorn's Shadow: Combating the Dangerous Myths that Hold Back Startups, Founders, and Investors*, Wharton School professor Ethan Mollick takes us to the forefront of an empirical revolution in entrepreneurship. New data and better research methods have overturned the conventional wisdom behind what a successful founder looks like, how they succeed, and how the startup ecosystem works. Among the issues he examines: Which founders are most likely to succeed? Where do the best startup ideas come from? What's the most foolproof way of securing the funding needed to take a company to the next level? Should your sales pitch really be something out of Hollywood? What's the best way to grow and scale your company and create a thriving culture that won't hinder expansion? Mollick argues that entrepreneurship is too important, both for society and for the individuals who start companies, to be eclipsed by the shadows of unicorns. He shows we can democratize entrepreneurship—but only by following an evidence-based approach that puts to rest the false narratives that surround it.

I Believe in Unicorn

"A Protegee of Jack Hamlin's, and Other Stories" by Bret Harte. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

I Believe in Unicorns

This shiny board book is a magical twist on the popular bedtime lullaby, “Twinkle, Twinkle, Little Star!” Twinkle, twinkle, unicorn, sparkle with your magic horn. Leaping over clouds so high, like a diamond in the sky. A magical twist on the popular bedtime nursery rhyme, Twinkle, Twinkle, Unicorn is the first book in a brand-new board book series that’s perfect for parents and little ones to snuggle up with and share.

I Believe In Unicorns More Than You

NEW YORK TIMES BESTSELLER “An inspiring story that manages to be painful, honest, shocking, bawdy and hilarious.” —The New York Times Book Review From stand-up comedian, actress, and breakout star of *Girls Trip*, Tiffany Haddish, comes *The Last Black Unicorn*, a sidesplitting, hysterical, edgy, and unflinching collection of (extremely) personal essays, as fearless as the author herself. Growing up in one of the poorest neighborhoods of South Central Los Angeles, Tiffany learned to survive by making people laugh. If she could do that, then her classmates would let her copy their homework, the other foster kids she lived with wouldn’t beat her up, and she might even get a boyfriend. Or at least she could make enough money—as the paid school mascot and in-demand Bar Mitzvah hype woman—to get her hair and nails done, so then she might get a boyfriend. None of that worked (and she’s still single), but it allowed Tiffany to imagine a place for herself where she could do something she loved for a living: comedy. Tiffany can’t avoid being funny—it’s just who she is, whether she’s plotting shocking, jaw-dropping revenge on an ex-boyfriend or learning how to handle her newfound fame despite still having a broke person’s mind-set. Finally poised to become a household name, she recounts with heart and humor how she came from nothing and nowhere to achieve her dreams by owning, sharing, and using her pain to heal others. By turns hilarious, filthy, and brutally honest, *The Last Black Unicorn* shows the world who Tiffany Haddish really is—humble, grateful, down-to-earth, and funny as hell. And now, she’s ready to inspire others through the power of laughter.

I Believe in Unicorns

Take your students on an imagination journey! Filled with thrilling activities that build creativity in your students, *I Believe in Unicorns* is a must-have for teachers interested in encouraging imaginative thinking. Get an elephant down from a tree, build a monstrous (and odorous) “smelt,” evaluate the job performance of an octopus who moonlights as a lifeguard, or remove a porcupine from your lunchbox! Activities like these will challenge your students' creativity and imagination. *I Believe in Unicorns* offers fun, exciting activities designed to encourage creativity and imagination among children in grades K-4. Written by a master of creativity teaching, this book offers activities that strengthen the skills essential for creative thought—fluency, flexibility, originality, and elaboration. This book was meant to be torn apart! Each student activity page was designed for duplication so that it can be used by individuals or the entire class. Mix these activities in with other classroom learning projects. Most of the adventures involve writing, however, it is important that open-ended discussion and brainstorming be frequently

incorporated into these activities.

Unicorns Unite

Who says unicorns aren't real? Life's never dull when you have a unicorn by your side. These sparkly friends bring magic into our lives, from the tips of their magical horns to the swishy ends of their rainbow tails. Enter the awesomely cute world of unicorns, and whatever anyone says—don't stop believing!

Bad Unicorn

First published in 1931, "The Place of the Lion" is a fantasy novel by British writer Charles W. S. Williams. A small English town is plunged into chaos when platonic archetypes start to appear near it, bringing out the spiritual strengths and flaws of all those who live there. The focus of their manifestations seems to be the house of Mr Berringer, the leader of the group who falls into a deep coma after coming into contact with a mysterious lion. Charles Walter Stansby Williams (1886 - 1945) was a British theologian, novelist, poet, playwright, and literary critic. He was also a member of the "The Inklings", a literary discussion group connected to the University of Oxford, England. They were exclusively literary enthusiasts who championed the merit of narrative in fiction and concentrated on writing fantasy. He was given an scholarship to University College London, but was forced to leave in 1904 because he couldn't afford the tuition fees. Other notable works by this author include: "The Greater Trumps" (1932), "War in Heaven" (1930), and "The Place of the Lion" (1931). This volume is highly recommended for lovers of fantasy fiction, and it would make for a fantastic addition to any collection. Many vintage books such as this are increasingly scarce and expensive. It is with this in mind that we are republishing this volume now in an affordable, modern, high-quality edition complete with the original text and artwork.

Do You Believe in Groovicorns?

This notebook features 120 6" x 9" sized pages (60 sheets) of lined, wide ruled paper and a bright, full-color glossy soft cover. This journal is the perfect gift for any person who loves going to renaissance gatherings!

The Place of the Lion

Reflections Of My Thoughts depicts a woman who is torn between her flesh, her spirit, and her underlying desire for freedom, strength, and the ability to dream again, represented by the unicorn, in whatever form it may be. However, her questions and desire for understanding who she believes she is with where she is in life ultimately lead her on a spiritual journey. It is an attempt to articulate the challenges that she faces with her flesh such as jealousy, lust, anger, true friendship, self-imagery, and faith. This is a story of a woman who learns that her ability to persevere through challenges, her real freedom, strength, ability to dream, and ultimately her identity comes not from her, rather, Jesus Christ who has sustained her even when she didn't realize or acknowledge He existed.

Believe in Unicorns

All the movers, shakers and change-makers of the world continue to tackle the growing list of problems facing humanity. However, there's a problem. Nonprofits and foundations need each other to fulfil their quest to eradicate global poverty like a unicorn needs a rainbow, but the way in which they work together is far from perfect. Enter the Unicorns. Part relationship-counseling, part manifesto, part workbook. Unicorns Unite provides the game-changing ideas and talking points for

the conversation we really need to have; how can non-profits and foundations work better together?

I Believe in Unicorns

The Perfect gift for teachers, students, Kids, or Anyone who loves unicorns, Horses, Or Mythical Creatures!

Do You Believe in Unicorns?

The Magical Unicorn Society has released from its top-secret case files an entire book full of tales of unicorn encounters from throughout world history. From the story of the 17th century sailors rescued from pirates by Water Moon unicorns, to the mystery about the girls who believed they'd discovered a Woodland Flower unicorn in modern-day Central Park, this book shares some of the most amazing stories of humanity's experiences alongside these magical creatures. Brought to life by vivid and enchanting artwork throughout, A Brief History of Unicorns is an essential companion to The Magical Unicorn Society Official Handbook. A truly magical must-have for unicorn enthusiasts of all ages!

I Believe in Bunnycorns

A charming picture book that inspires confidence, boosts self-esteem, and lovingly tells a child: No matter what you do, I believe in you! Some days little dragon feels bold, and some days shy. Some days he dreams of spreading his wings to fly! Unicorn is always there by his side for all little dragons and the big unicorns who love and support them. Every child sometimes needs a little extra encouragement, a reminder that they are capable, resilient, and loved no matter what. Maybe it's on the first day of school, or before a music recital or trying out for a team, or maybe it's before going to the birthday party of a brand new friend. I Believe in You is the book for just that moment--an irresistibly sweet tale about a little dragon learning to spread his wings and a unicorn who offers unconditional support and motivation along the way.
