Let Him Go

Four ordinary New Jersey women--a lawyer, a nurse, an Avon Lady, and a modeling agent--head to Monte Carlo posing as wealthy women, only to discover that they have attracted the interest of four charming men who may also be enjoying a masquerade.

When Kids Kill

A classic entry in Chester Himes's trailblazing Harlem Detectives series, Cotton Comes to Harlem is one of his hardest-hitting and most entertaining thrillers. Flim-flam man Deke O'Hara is no sooner out of Atlanta's state penitentiary than he's back on the streets working the scam of a lifetime. As sponsor of the Back-to-Africa movement, he's counting on a big Harlem rally to produce a massive collection—for his own private charity. But the take is hijacked by white gunmen and hidden in a bale of cotton that suddenly everyone wants to get his hands on. As NYPD detectives "Coffin Ed" Johnson and "Grave Digger" Jones piece together the complexity of the scheme, we are treated to Himes's brand of hard-boiled crime fiction at its very best.

My James

A classic of African-American fiction, Chester Himes's tale of a young black man who becomes a union organizer during WWII examines major problems in American life: racism, anti-Semitism, labor strife, and corruption.

Don't Let Him Go

I Let Him Go

The Sleep of Reason

This is the second book in the Complete Piano Player course and is every bit as rewarding as the first. You will learn how to play songs by Elvis Presley, Rod Stewart, The Beatles and more, while introducing new notes for both hands, extending past the range of the original five-finger position. Letter names will appear alongside new notes only. Carefully follow the lessons and you will find you have learned all about accidentals, chord symbols, dotted rhythms and wrist staccato, as well as having increased your repertoire and grown as a musician. Remember playing little and often is the best way to make rapid progress and become the complete piano player. Songlist: - A Hard Days Night [The Beatles] - Bright Eyes [Art Garfunkel] - By The Time I Get To Phoenix [Glen Campbell] - Danny Boy (Londonderry Air) [Trad.] - Guantanamo [Trad.] - He'll Have To Go [Jim Reeves] - Laughing Samba [Edmundo Ros] - Let Him Go, Let Him Tarry [Trad.] - Let It Be [The Beatles] - Liebestraum [Liszt] - My Own True Love (from Gone With the Wind) - Plaisir D'amour [Martini] - Puff The Magic Dragon [Peter, Paul & Mary] - Sailing [Colin Downs] - Silent Night [Trad.] - Take Me Home Country Roads [John Denver] - The Winner Takes It All [ABBA] - Those Lazy Crazy Days Of Summer [Nat King Cole] - Under The Bridges Of Paris [Dean Martin] - What Kind Of Fool Am I? - William Tell Overture - Theme [Rossini] - Wooden Heart [Elvis Presley]

Don't Let Him Know

This book offers clarity, healing, and restoration to a generation of men who are confused about their God-given purpose and vision. Ideal for groups or individuals.

You Better Not Cry

From acclaimed novelist Larry Watson, a multigenerational story of the West told through the history of one woman trying to navigate life on her own terms. Edie—smart, self-assured, beautiful—always worked hard. She worked as a teller at a bank, she worked to save her first marriage, and later, she worked to raise her daughter even as her second marriage came apart. Really, Edie just wanted a good life, but everywhere she turned, her looks defined her. Two brothers fought over her. Her second husband became unreasonably possessive and jealous. Her daughter resented her. And now, as a grandmother, Edie finds herself harassed by a younger man. It's been a lifetime of proving that she is allowed to exist in her own sphere. The Lives of Edie Pritchard tells the story of one woman just trying to be herself, even as multiple men attempt to categorize and own her. Triumphant, engaging, and perceptive, Watson's novel examines a woman both aware of her

Read Free I Let Him Go The Heartbreaking Book From The Mother Of James Bulger

physical power and constrained by it, and how perceptions of someone in a small town can shape her life through the decades.

American Boy

Larry Watson's bestselling novel *Montana 1948* was acclaimed as a "work of art" (Susan Petro, *San Francisco Chronicle*), a prize-winning evocation of a time, a place, and a family. *Justice* is the stunning prequel that illuminates the Hayden clan's early years, and the circumstances that led to the events of *Montana 1948*. With the precision of a master storyteller, Watson moves seamlessly among the strong and hard-bitten characters that make up the Hayden family, and in the process opens an evocative window on the very heart of the American West.

If He Hollers Let Him Go

If He Hollers, Let Him Go

On Thanksgiving Day 1962, the shooting of a young woman sets off a chain of unsettling events in small-town Willow Falls, Minnesota, all revolving around Matthew Garth, who becomes obsessed with the shooting victim and with the apparent lavish lifestyle of a local doctor's family.

Let Him Go Let Him Tarry Easy Piano Sheet Music

Believers across this nation and around the world are overwhelmed, oppressed, struggling, and defeated in their attempt to live the abundant life Christ came to give them. I am convinced, however, that if more churches would embrace the ministry of deliverance and employ a systematic approach in offering deliverance, the results would be phenomenal. Instead of an army of weak and ineffective believers, a new generation of bold conquerors set free by God and empowered to set others free would arise. Dr. Moussa Touré has released a powerful weapon against the prince of darkness in his new book, "Loose Him and Let Him Go!" Intellectually prepared to analyze the problems and research the issues, Dr. Touré is experienced in the subject of deliverance and addresses herein the controversies that unfortunately surround and hinder the ministry of deliverance. If you, as an individual, or your church need theological and practical help to remove one of the major obstacles to spiritual growth-demonic oppression-this is the book for you! Dr. Touré is also the author of *The Prayer Warrior's Confession*, a document to help believers "hold fast 'their' profession." He and his wife, Esther, have two children, Yannick and Faith.

Lonely Crusade

You've seen *Manhunt*, now read this powerful and personal account from Milly Dowler's sister Gemma . . . 'My name is Gemma Dowler. court, the fatal errors made by the police, how it very nearly destroyed her family and how love and hope helped the family survive. Everyone thinks they know the story of Milly Dowler, but only one person knows the true pain of having lost her sister, and how a family can rediscover hope to survive. _____

'Compelling. An amazing book' Jeremy Vine, BBC Radio 2 'Heartbreaking' Daily Mail
'Tragic, poignant, full of emotional memories' Daily Mirror

Loose That Man and Let Him Go! with Workbook

Before the world knew Kerouac, Ginsberg, and Cassady, this “brilliant and important” novel chronicled the author’s early years among the Beats (Los Angeles Free Press). Published five years before *On the Road*, this candid and perceptive roman à clef chronicles the adventures of Jack Kerouac, Allen Ginsberg, and Neal Cassady before they became literary icons. In dive bars and all-night diners, cabs racing across Manhattan and squalid apartments sticky with “tea” smoke, these would-be artists pursue the ecstatic experiences that shape their work and satisfy their restless desire to live beyond the limits of convention. At the heart of *Go* is Paul Hobbes, the alter ego of John Clellon Holmes. An aspiring novelist who shares the same creative interests as his friends, Paul frequently participates in their reckless, self-indulgent behavior. Yet his innate solemnness makes him an outsider, as does his commitment to his marriage. As Paul seeks to strike the right balance between experimentation and orthodoxy, freedom and obligation, he casts a discerning eye on his peers. The result is a thrilling and indispensable portrait of the Beat movement before it took America by storm.

- Over 11 million copies sold - #1 New York Times Bestseller for 8 years running - Now celebrating its 25th anniversary
Simple ideas, lasting love
Falling in love is easy. Staying in love—that’s the challenge. How can you keep your relationship fresh and growing amid the demands, conflicts, and just plain boredom of everyday life? In the #1 New York Times bestseller *The 5 Love Languages*, you’ll discover the secret that has transformed millions of relationships worldwide. Whether your relationship is flourishing or failing, Dr. Gary Chapman’s proven approach to showing and receiving love will help you experience deeper and richer levels of intimacy with your partner—starting today. *The 5 Love Languages* is as practical as it is insightful. Updated to reflect the complexities of relationships today, this new edition reveals intrinsic truths and applies relevant, actionable wisdom in ways that work. Includes the Couple's Personal Profile assessment so you can discover your love language and that of your loved one.

My Sister Milly

On 12 February 1993, three year old James Bulger wandered away from his mum Denise in a shopping mall in Bootle. Grainy images from a security camera showed him trustingly holding the hand of ten year old Jon Venables as they walked away. Venables and Robert Thompson murdered James. In this book, James' father describes how his world fell apart.

Ask a Manager

Are you the pursuer or do you let men pursue YOU? The answer is the difference between you becoming a side toy for a man to play with or a girlfriend with a title and eventually a woman who any man would be eager to call his wife. Many of us modern 21st century women have been taught that in order to get a guy we have to go out there and snag him, trick him, tag him and drag him home. But that doesn't work -- at least not in the long run. Men are natural hunters. They won't always admit it, but they absolutely LOVE the chase. They want a woman who is interesting, confident and vocal. They want a woman who sets boundaries and keeps them on their toes. They want to earn a woman's love. This simple, easy-to-follow guide explains how you can shake off meaningless flings with men and start to attract men who are serious about you. What You'll Learn: * How to avoid Friends with Benefits and Booty Calls * How to recognize when a man is just toying with you * Why men love bad girls and strippers * The single most irresistible thing about a woman * What makes a man fall in love, I mean head over heels for you
Love Lynn

The President's Book of Secrets

On February 12th, 1993, Denise's life changed forever. As she was running errands at New Strand Shopping Centre, she let go of her two-year-old son's hand to take out her purse. Denise never saw her son again. In this extraordinary and heart-wrenching book comes the unflinching account of that terrible day from James Bulger's mother, Denise. What if she had never taken James shopping? What if she had turned right coming out of the butchers, instead of left? Would she have seen her son being led out of the centre by two children? Denise's initial hope - of seeing her son on CCTV with other kids - quickly turned to devastation when, two days later, James' body was found. His murder shocked the world, as his killers became the youngest convicted murderers in the UK. Denise then took up a tortuous legal battle for James, and it was her astonishing strength and love for her son that ultimately helped to change the way the law treats victims of crime. This is a mother's tale, of finding a way through the despair to remember the happiness and wonderful memories that James brought his family. Above all, Denise doesn't want her son to be remembered as a murdered child, and with this beautifully written book she does just that.

Loose that Man & Let Him Go!

Boy Missing

Read Free I Let Him Go The Heartbreaking Book From The Mother Of James Bulger

“Honest, warm, humane, and at times shocking, *As Good as Gone* is an achievement of empathy and dignity.” —Smith Henderson, author of *Fourth of July Creek* Calvin Sidey is always ready to run, and it doesn't take much to set him in motion. As a young man, he ran from this block, from Gladstone, from Montana, from this country. From his family and the family business. He ran from sadness, and he ran from responsibility. If the gossip was true, he ran from the law. It's 1963, and Calvin Sidey, one of the last of the old cowboys, has long ago left his family to live a life of self-reliance out on the prairie. He's been a mostly absentee father and grandfather until his estranged son asks him to stay with his grandchildren, Ann and Will, for a week while he and his wife are away. So Calvin agrees to return to the small town where he once was a mythic figure, to the very home he once abandoned. But trouble soon comes to the door when a boy's attentions to seventeen-year-old Ann become increasingly aggressive and a group of reckless kids portend danger for eleven-year-old Will. Calvin knows only one way to solve problems: the Old West way, in which scores are settled and ultimatums are issued and your gun is always loaded. And though he has a powerful effect on those around him--from the widowed neighbor who has fallen under his spell to Ann and Will, who see him as the man who brings a sudden and violent order to their lives--in the changing culture of the 1960s, Calvin isn't just a relic; he's a wild card, a danger to himself and those who love him. In *As Good as Gone*, Larry Watson captures our longing for the Old West and its heroes, and he challenges our understanding of loyalty and justice. Both tough and tender, it is a stunning achievement.

Go

Candace Gleason passed the bar, landed a great job, and is making a killer salary--basically, all of her dreams are coming true. Until she's assigned to keep the boss's petulant son out of trouble. Jack Morrison is the rebellious black sheep of a mighty real estate family. He runs a nonprofit whose mission is to save poor people from evil corporations, like the one his own family owns. He is obnoxious, ridiculously charming, and insanely hot. He is the bane of Candace's very existence. Sparks fly from the moment they meet. Candace suddenly has more to worry about than keeping Jack out of jail. She has to keep him out of her heart.

The Complete Piano Player: Book 2

Award -winning author Benjamin Percy presents an explosive and deeply layered literary thriller set in the American West. They live among us. They are our neighbors, our mothers, our lovers. They change. When government agents kick down Claire Forrester's front door and murder her parents, Claire realizes just how different she is. Patrick Gamble was nothing special until the day he got on a plane and hours later stepped off it, the only passenger left alive, a hero. Chase Williams has sworn to protect the people of the United States from the menace in their midst, but he is becoming the very thing he has promised to destroy. So far, the threat has been controlled by laws and violence and drugs. But the night of the red moon is coming, when an unrecognizable world will emerge and the battle for humanity will begin.

I Let Him Go

In the wake of a third student's murder, reticent Wanekia High School teacher Peter begins keeping a disturbing journal of the community's actions and his own that makes him realize his personal ambivalence toward violence. Reprint.

She Let Him Continue

You've eaten too much candy at Christmas but have you ever eaten the face off a six-foot stuffed Santa? You've seen gingerbread houses but have you ever made your own gingerbread tenement? You've woken up with a hangover but have you ever woken up next to Kris Kringle himself? Augusten Burroughs has, and in this caustically funny, nostalgic, poignant, and moving collection he recounts Christmases past and present—as only he could. With gimlet-eyed wit and illuminated prose, Augusten shows how the holidays bring out the worst in us and sometimes, just sometimes, the very, very best.

Titan's Curse, The (Percy Jackson and the Olympians, Book 3)

The New York Times bestseller—a stunning first novel, both literary and thriller, about a retired orthopedic surgeon with dementia. With unmatched patience and a pulsating intensity, Alice LaPlante brings us deep into a brilliant woman's deteriorating mind, where the impossibility of recognizing reality can be both a blessing and a curse. As the book opens, Dr. Jennifer White's best friend, Amanda, who lived down the block, has been killed, and four fingers surgically removed from her hand. Dr. White is the prime suspect and she herself doesn't know whether she did it. Told in White's own voice, fractured and eloquent, a picture emerges of the surprisingly intimate, complex alliance between these life-long friends—two proud, forceful women who were at times each other's most formidable adversaries. As the investigation into the murder deepens and White's relationships with her live-in caretaker and two grown children intensify, a chilling question lingers: is White's shattered memory preventing her from revealing the truth or helping her to hide it? “An electrifying book. Thought-provoking, humane, funny, tragic, a tour de force that can't be a first novel—and yet it is.” —Ann Packer, New York Times–bestselling author “This poignant debut immerses us in dementia's complex choreography . . . [A] lyrical mosaic, an indelible portrait of a disappearing mind.” —People “LaPlante has imagined a lunatic landscape well. The twists and turns of mind this novel charts are haunting and original.” —The New York Times Book Review

Headhunters

Robert Jones is a crew leader in a naval shipyard in Los Angeles in the 1940s. He should have a lot going for him, being educated, with a steady job and a steady relationship. But in the four days covered in this novel, the impossibility of life as a black man in a white world is made devastatingly clear. Jones is surrounded by prejudice, suspicion and paranoia, and his daily experiences influence his thoughts, dreams and behaviour. Immediately recognised as a masterful expose of racism in everyday life, *If He Hollers Let Him Go* is Chester Himes' first book, originally

Read Free I Let Him Go The Heartbreaking Book From The Mother Of James Bulger

published in 1945.

Red Moon

When the goddess Artemis goes missing, she is believed to have been kidnapped. And now it's up to Percy and his friends to find out what happened. Who is powerful enough to kidnap a goddess?

Justice

It's one of the most shocking unsolved missing-child cases in the world. Where is Kyron Horman? Why hasn't the woman who police suspect is responsible for his disappearance-Kyron's stepmother-been charged? On the last day he was seen, June 4, 2010, the boy with the toothy smile, crew cut, and glasses posed in front of his science project on frogs. Kyron grinned for a photo taken by his stepmother. She said he walked to his second-grade classroom and turned to wave at her. Then he vanished. That Kyron disappeared from his grade school got the attention of parents around the world. The twists of the case -adultery, sexting, murder-for-hire-keep the story in the spotlight. On the tenth anniversary of Kyron's disappearance, New York Times bestselling author Rebecca Morris tells for the first time the story of the investigation and the toll the boy's disappearance took on his family and law enforcement. Based on years of research and interviews with people close to the case, including Kyron's mother, Desiree Young. the book is the story of the boy's disappearance, the suspicion that quickly fell on one member of a messy blended family, and how Desiree Young turned grief into advocacy. "Boy Missing" examines what recourse families have as they wait for a loved one to be found. It challenges a common assumption in no-body cases: that prosecutors must wait until there is a confession or remains are found. No-body cases can be prosecuted successfully. Jeff Guinn, author of "Manson" and "The Road to Jonestown: Jim Jones and Peoples Temple," calls "Boy Missing " "an important book and one readers will never forget." Rebecca Morris is the author of "If I Can't Have You: Susan Powell, Her Mysterious Disappearance, and the Murder of Her Children," "Ted and Ann: They Mystery of a Missing Child and Her Neighbor Ted Bundy," and other books. A veteran journalist, she appears frequently on network and cable TV as a crime expert.

Cotton Comes to Harlem

THE SUNDAY TIMES BESTSELLER, with an updated chapter from Denise. 'I was crying so much I couldn't breathe. The thought of leaving the shopping centre without him was crushing. I knew that walking away from the place where he had gone missing, without any idea where he now was, meant that things were really bad. James had been right by my side and then he was gone forever.' On 12th February 1993, Denise Fergus' life changed forever. As she was running errands at New Strand Shopping Centre, she let go of her two-year-old son's hand for a few seconds to take out her purse. Denise never saw her son again. For the first time since that moment 25 years ago, Denise tells her extraordinary story in this heart-wrenching book, an unflinching account of that terrible day. What if she had never taken James shopping? What if she had turned right coming out of the butcher's,

Read Free I Let Him Go The Heartbreaking Book From The Mother Of James Bulger

instead of left? Denise's initial hope after seeing her son on CCTV with other children quickly turned to devastation when, two days later, James' body was found. His death reverberated around the world and his killers became the youngest ever convicted murderers in UK legal history. Four minutes is all it took for them to lead James away from his mother to his death. Denise took up a tortuous legal battle for James, and it was her astonishing strength and love for her son that ultimately helped to change the way the law treats victims of crime. This is a mother's tale, of finding a way through the despair to remember the happiness and wonderful memories that James brought his family. Above all, Denise doesn't want her son to be remembered as a murdered child, and with this beautifully written book, she does just that.

As Good as Gone

The tragic tale of a Montana family ripped apart by scandal and murder: “a significant and elegant addition to the fiction of the American West” (Washington Post). In the summer of 1948, twelve-year-old David Hayden witnessed and experienced a series of cataclysmic events that would forever change the way he saw his family. The Haydens had been pillars of their small Montana town: David’s father was the town sheriff; his uncle Frank was a war hero and respected doctor. But the family’s solid foundation was suddenly shattered by a bombshell revelation. The Hayden’s Sioux housekeeper, Marie Little Soldier, tells them that Frank has been sexually assaulting his female Indian patients for years—and that she herself was his latest victim. As the tragic fallout unravels around David, he learns that truth is not what one believes it to be, that power is abused, and that sometimes one has to choose between loyalty and justice. Winner of the Milkweed National Fiction Prize

The 5 Love Languages

The go-to guide to getting infants and toddlers to fall and stay asleep, completely revised and updated Kim West, LCSW-C, known to her clients as The Sleep Lady®, has developed an alternative and effective approach to helping children learn to gently put themselves to sleep without letting them "cry it out" -- an option that is not comfortable for many parents. Essential reading for any tired parent, or any expectant parent who wants to avoid the pitfalls of sleeplessness, Good Night, Sleep Tight offers a practical, easy-to-follow remedy that will work for all families in need of nights of peaceful slumber! New material and updates include: New yoga recommendations Updated information for parents of young infants Expanded information on nighttime potty training Ending co-sleeping Sleep training for twins and multiples

The Sleep Lady's Good Night, Sleep Tight

Every president has had a unique and complicated relationship with the intelligence community. While some have been coolly distant, even adversarial, others have found their intelligence agencies to be among the most valuable instruments of policy and power. Since John F. Kennedy's presidency, this relationship has been distilled into a personalized daily report: a short summary of

Read Free I Let Him Go The Heartbreaking Book From The Mother Of James Bulger

what the intelligence apparatus considers the most crucial information for the president to know that day about global threats and opportunities. This top-secret document is known as the President's Daily Brief, or, within national security circles, simply "the Book." Presidents have spent anywhere from a few moments (Richard Nixon) to a healthy part of their day (George W. Bush) consumed by its contents; some (Bill Clinton and George H. W. Bush) consider it far and away the most important document they saw on a regular basis while commander in chief. The details of most PDBs are highly classified, and will remain so for many years. But the process by which the intelligence community develops and presents the Book is a fascinating look into the operation of power at the highest levels. David Priess, a former intelligence officer and daily briefer, has interviewed every living president and vice president as well as more than one hundred others intimately involved with the production and delivery of the president's book of secrets. He offers an unprecedented window into the decision making of every president from Kennedy to Obama, with many character-rich stories revealed here for the first time.

Mitch, Please!

Friday, 12th February, 1993. Two outwardly unremarkable ten-year-old boys began the day by playing truant and ended it running an errand for the local video shop. In between they abducted and killed a two-year-old boy, James Bulger. In search of an explanation, award-winning journalist David James Smith looks behind the misinformation, misunderstanding and sensational reporting to an exact account of the events of that day. A sensitive and definitive account, *The Sleep of Reason* achieves a unique understanding of the James Bulger case, and comes as close as may ever be possible to explaining how two ten-year-olds could kill.

Let Him Chase You: A Simple Guide for Women Who Want Both Long-Lasting Love and Respect in Their Relationships with Men

Jonathan Paul goes behind the sensationalist headlines of 'child killers' to investigate why these crimes happen. He examines child homicide in today's violent, confusing world and contextualises it against the cruel unforgiving retribution of yesterday. Children are increasingly experimenting with drugs and committing offences, but there are those who commit the worst possible crimes: to end another person's life before their own could properly have begun. The cases are shocking but sometimes the path towards them is even more so. This is a fascinating exploration of disturbing events aimed at discovering what happens when childhood is trodden underfoot, and when and why kids kill.

Loose Him and Let Him Go!

The ideal graduation gift for anyone about to enter the workforce, a witty, practical guide to 200 difficult professional conversations—featuring all-new advice from the creator of the popular website Ask a Manager and New York's work-advice columnist. There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know

Read Free I Let Him Go The Heartbreaking Book From The Mother Of James Bulger

what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when

- coworkers push their work on you—then take credit for it
- you accidentally trash-talk someone in an email then hit “reply all”
- you're being micromanaged—or not being managed at all
- you catch a colleague in a lie
- your boss seems unhappy with your work
- your cubemate's loud speakerphone is making you homicidal
- you got drunk at the holiday party

Advance praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Clear and concise in its advice and expansive in its scope, Ask a Manager is the book I wish I'd had in my desk drawer when I was starting out (or even, let's be honest, fifteen years in).”—Sarah Knight, New York Times bestselling author of *The Life-Changing Magic of Not Giving a F*ck*

In a Dark Time

A retired sheriff and his wife go after their young grandson in a riveting tale of familial love and its unexpected consequences. *Let Him Go*, Larry Watson's ninth book, returns to big sky country in mid-century America but, with the pervasive menace of a small town family gone wrong and a shocking and deadly ending, this novel charts new territory for the author and provides a powerful dose of suspense for the reader. It's been years since George and Margaret Blackledge lost their son James and months since his widow Lorna took off with their only grandson and married Donnie Weboy. Margaret is resolved to find and retrieve the boy — while George is none too eager to stir up trouble. Soon, the Blackledges find themselves entangled with the entire Weboy clan, who are determined not to give up the boy without a fight.

The Lives of Edie Pritchard

The New York Times and Wall Street Journal bestseller about how Mitch McConnell has been bad for Kentucky—and why he needs to be voted out of office from the founder of Kentucky Sports Radio and attorney Matt Jones. They say all politics is local. In 2020, Mitch McConnell will have served five full terms as a US Senator. Thirty years. The Senate Majority leader's power is as undeniable as it is infuriating, and the people of Kentucky have had enough. Led by Matt Jones, they (and they alone) have the power to oust him from office. How did Jones, a local boy turned attorney turned sports radio host come to shine the brightest light on McConnell's ineptitude? Simple—he knows Kentucky inside and out, and has used the state's love of sports as an entry point for showcasing how McConnell has failed his fellow citizens both economically and socially for three decades. Entertaining, maddening, yet ultimately inspiring, these stories from Kentuckians in each of its 120 counties illustrate the Senate Majority leader's stunning shortcomings. “Jones employs a sharp, political scalpel eviscerating

Read Free I Let Him Go The Heartbreaking Book From The Mother Of James Bulger

McConnell...[and this book is] an effective combination of description and vivisection” (Kirkus Reviews). Jones brings his trademark wit and wisdom throughout the book, while also offering a beautiful portrait of a state with arguably the most untapped potential in our country. Ultimately, the white-hot hatred for McConnell on the coasts is just white noise. Only the people of Kentucky can remove him from office. Here, Matt Jones demonstrates he has the influence, charisma, and institutional knowledge to lead the charge. He and his fellow Kentuckians have had enough—and they’re ready for a fight.
