The Scarlet Bride

This is a book about tiny events that had huge impacts. Some of these small events even changed the world. As you'll see here in Napoleon's Hemorrhoids, much of history turns out to be the consequences of small acts of fortune, accident or luck, good or bad. In the historical anecdote which lends its name to book, Napoleon's painful attack of hemorrhoids on the morning of the famous battle of Waterloo keep him from his usual practice of inspecting the battlefield. You'll learn that Marie Antoinette might have avoided execution if she hadn't changed her escape plan at the last minute and how Nixon's White House taping system which caused his downfall in the Watergate scandal was revealed by an aide accidentally. Along with history, this book also covers the fields of science, arts, sport and business. Each area is bursting with instances of major achievement coming from the smallest of beginnings. You'll also learn that one of the world's greatest nuclear scientists became a physicist only because he chose the wrong line while registering for his college classes. You'll discover how Gone with the Wind, one of the most successful novels in publishing history, came about because Margaret Mitchell, laid up with an injury, had to give up her job and stay home. How Scooby Doo, the famous cartoon dog, got his name when chance when its creator heard Frank Sinatra singing the chorus for Strangers in the Night which contains the words 'Scooby-scooby-do' and how the Russians arrived late for at one early Olympics because they forgot they were on a different calendar and that Coca-Cola's most famous advertisement, launched in 1971 was inspired by an unplanned all night layover at an Irish airport.

Control Burn Resist - Sequence Two

Resigning himself to the doldrums of middle age, the only thing Curly Watkins has left of his former life as a punk rocker is a guitar and a tattoo of an octopus on his head. But his quiet new life quickly evaporates when old vices come back to haunt him, leading to a newfound hell of drugs, drink, and murder.

How to Heal a Grieving Heart

A “tough, honed-to-the-bone thriller” of family, revenge, and organized crime along the border of Texas and Mexico—from the award-winning author (The Dallas Morning News). Eddie Gato Wolfe is a young, impetuous member of the Wolfe family of Texas gun-runners that goes back generations. Increasingly unfulfilled by his minor role in family operations and eager to set out on his own, Eddie crosses the border to work security for a major Mexican drug cartel led by the ruthless La Navaja.

Falling for a mysterious woman named Miranda, Eddie learns too late that an intimate member of La Navaja's organization considers her his property. When their romance is discovered, Eddie and Miranda are forced to run for their lives, fleeing into the deadly Sonora Desert in hope of crossing the border to safety. But La Navaja's reach is far and his lust for revenge insatiable. If La Navaja's men don't kill Eddie and Miranda, the brutal desert just may. Their only hope: help from the family that Eddie abandoned. A Men's Journal Best Book of the Year that was shortlisted for the CWA Gold Dagger, this intimate look inside the Mexican drug trade is "one hell of a ride" (Booklist, starred review). "Brilliant . . . Blake's masterful action-driven narrative and his revealing look at the ultraviolent Mexican drug trade rival the best of Don Winslow and Kem Nunn." —Publishers Weekly, starred review "Blake's customary zest for life and death makes his latest modern historical thriller violent, sexy and exciting." —Kirkus Reviews "This sand-blasted odyssey is quick, bloody and beautiful with prose as eloquent and unexpected as a cactus flower." —Madison County Herald

Dogcrime

Notorious bad boy Simon Harrington, third in line for his uncle's title, has finally conceded to settling down and finding a noble wife. Then he stumbles across a courtesan in peril on a dark London street, and his life takes an unexpected turn. Fearing for her safety, he brings the mysterious beauty to his cousin's School for Brides, where compromised women are taught how to be suitable wives. But he finds it impossible simply to walk away. A poor country squire's daughter, Laura Precott was promised in marriage to the shadowy Earl of Westwick. Instead of making her his wife, however, he betrayed her and forced her to become his mistress. When she learned of his plan to sell her at auction, she fled for her life. Simon knows he must forget his feelings for such an unsuitable woman or risk disgracing his family. But when Laura's former lover turns out to have been murdered the very night of her escape, suspicion falls squarely on Laura. Now it is up to Simon to prove her innocence—even if it leads to his downfall...

Mortals

Choosing between Heaven and Hell isn't as easy as it seems, especially when angels hunt you down and demons save your sorry derrière. After nineteen years of being treated like a time bomb by the witches who raised her, Lily Star Morgan tries her luck in the human world. She doesn't fit in, but she's determined to stay, and her decision pays off when gorgeous strangers lead her into a world she never knew existed. A world where she feels she may belong, despite the fact that some would stop at nothing to see her dead. Roth doesn't know what to do with his young, innocent mate, who was raised in the dark about everything she needs to know. Enlightening her about the lies and betrayals woven around her isn't an option, nor can he inform her of the history binding them together; for now, all he can do is attempt to keep her alive. Although every day with her might just bring him closer to madness. Little Morning Star is a New Adult paranormal romance verging

on Urban Fantasy. This is a second version extended in 2020.

Seller's Midwifery 3e

Rhiann, an Alban priestess and princess, submits to a marriage of political necessity to Eremon, an exiled Irish prince. Out of duty grows a powerful and desperate love that will bind them together through conflict and betrayal. As Rhiann searches for guidance in the spirit world, little realizing how big a part she will play in this endgame, Eremon knows only that he must risk and sacrifice many lives, perhaps even his own. The second book in the epic Dalriada trilogy, *The Dawn Stag* spans three centuries and spectacularly recreates Celtic Britain at the momentous time of the Roman invasion.

God in New Testament Theology

Chanda is the Lord of Honey Flower House, which caters to those who have a taste for the paranormal between the sheets. Being an incubus makes him all the better at the job, even if it also leaves him lonely. Then a demon appears on his doorstep in search of a missing person, and Chanda is quickly reminded why he prefers the relatively quiet life as master of a pleasure house—but is also reminded of a bitter past he's tried to leave behind and dreams he gave up on a long time ago.

Dreams of Amputation

"We found so much to say, to share, to learn. For it wasn't just the Marquis de Sade profile and the sporty thighs-and-calves that seduced me. It was even more, perhaps, or certainly just as much, the speed at which you used to read, and still do."—Julia Kristeva "We're married, Julia and I, that's a fact, but we each have our own personalities, our own name, activities, and freedom. Love is the full recognition of the other in their otherness. If this other is very close to you, as in this case, it seems to me that what's at stake is harmony within difference. The difference between men and women is irreducible; there's no possibility of fusion."—Philippe Sollers *Marriage as a Fine Art* is an enchanting series of exchanges in which Julia Kristeva and Philippe Sollers, married for fifty years, speak candidly about their love. Though they live separately, Kristeva and Sollers are fully committed to each other. Their bond is intellectual and psychological, passionate and mundane. They share everything when together, and lose themselves in their interests when apart. Their marriage is art, rich with history and meaning, idiosyncratic, and dynamic in its expression. Yet it is also as common as they come. Kristeva and Sollers have lived through the same challenges, peaks, and lulls as all married couples do. With humor and honesty, they elaborate on these moments, turning marriage's familiar aspects into exceptional examples of relating, struggling, transcending, and being. *Marriage as a Fine Art* is a rare chance to know these intellectuals—and

marriage—more intimately.

Telepsychics

The greatly anticipated new novel by Norman Rush—whose first novel, *Mating*, won the National Book Award and was

everywhere acclaimed—is his richest work yet. It is at once a political adventure, a social comedy, and a passionate triangle. It is set in the 1990s in Botswana—the African country Rush has indelibly made his own fictional territory. *Mortals* chronicles the misadventures of three ex-pat Americans: Ray Finch, a contract CIA agent, operating undercover as an English instructor in a private school, who is setting out on perhaps his most difficult assignment; his beautiful but slightly foolish and disaffected wife, Iris, with whom he is obsessively in love; and Davis Morel, an iconoclastic black holistic physician, who is on a personal mission to “lift the yoke of Christian belief from Africa.” The passions of these three entangle them with a local populist leader, Samuel Kerekang, whose purposes are grotesquely misconstrued by the CIA, fixated as the agency is on the astonishing collapse of world socialism and the simultaneous, paradoxical triumph of radical black nationalism in South Africa, Botswana’s neighbor. And when a small but violent insurrection erupts in the wild northern part of the country, inspired by Kerekang but stoked by the erotic and political intrigues of the American trio—the outcome is explosive and often explosively funny. Along the way, there are many pleasures. Letters from Ray’s brilliantly hostile brother and Iris’s woebegone sister provide a running commentary on contemporary life in America. Africa and Africans are powerfully evoked, and the expatriate scene is cheerfully skewered. Through lives lived ardently in an unforgiving land, *Mortals* examines with wit and insight the dilemmas of power, religion, rebellion, and contending versions of liberation and love. It is a study of a marriage over time, and a man’s struggle to find his way when his private and public worlds are shifting. It is Norman Rush’s most commanding work.

Girl from the Tea Garden

Short Treatise on the Joys of Morphinism

Written by one of the foremost contemporary authorities on Saint Dominic, this book represents the latest, best, most concise and readable spiritual biography of Saint Dominic. The focus of the biography is the way in which Saint Dominic embodied the role of Christ as preacher and the results that came from this grace. From his earliest youth, Sacred Scripture was the very heart and foundation of Dominic's spiritual life. He never ceased to plunge into the Word of God, to study it, to pray it. Bedouelle thus documents how Saint Dominic's whole life and mission was one continuous proclamation of the power of the Gospel to transform individual lives and society. "Written in both a popular and scholarly style, the combination of historical comprehensiveness and keen theological insight in this work brings Dominic alive as the contemplative and tireless preacher, fed from a deeply interior stream of life" - Gabriel O'Donnell, O.P., from the Preface

Lithium

'I stare at the coffee I poured myself, and I think: caffeine is a poison that stimulates the heart. There are plenty of instances of people killing themselves with coffee, hundreds and thousands of them. Caffeine is a deadly poison, maybe almost as deadly as morphine. Why didn't it ever occur to me before: coffee is my friend!' Drawing on Hans Fallada's own history of addiction, these two stories and are written with a remarkable, tough, spartan clarity. As a man desperately, haplessly tries to get enough morphine to make it through the day and a drunk embezzler struggles to get himself arrested, they are at one second crushing, the next darkly comic. This book includes A Short Treatise on the Joys of Morphinism and Three Years of Life.

Love So Right

Necessary Betrayals

Fifteen-year-old Charley Thompson wants a home; food on the table; a high school he can attend for more than part of a year; and some structure to his life. But as the son of a single father working at warehouses across the Pacific Northwest, he's been pretty much on his own for some time. Lean on Pete opens as he and his father arrive in Portland, Oregon and Charley takes a stables job, illegally, at the local race track. Once part of a vibrant racing network, Portland Meadows is now seemingly the last haven for washed up jockeys and knackered horses, but it's there that Charley meets Pete, an old horse who becomes his companion as he's forced to try to make his own way in the world. A portrait of a journey - populated by a vivid cast of characters against a harsh landscape - Lean on Pete is also the unforgettable story of a friendship and of hope in dark times.

Little Morning Star

For fans of Lauren Kate's Fallen series comes the exciting conclusion to the trilogy that includes The Beautiful and the Cursed and The Lovely and the Lost. The Waverly sisters must save themselves before all is lost. Since the Waverlys arrived in Paris, the streets have grown more fearsome by the day. As Ingrid learns to master her lectrux gift, she must watch Axia's power grow strong enough to extend beyond her Underneath hive. By all indications, the fallen angel's Harvest is near--and the timing couldn't be worse. Targeted by vengeful gargoyles, Gabby has been exiled to London for her own protection. Meanwhile, the gargoyle castes are in disarray, divided between those who want Luc to lead them and those who resent him and his fondness for humans. The Alliance is crumbling from the inside as well, its members turning against one another, and possibly against the Waverlys, too. Axia has promised that the world will burn. An now, unable to trust the Alliance, separated from Luc, Gabby, and her twin, Grayson, Ingrid is left to face the demon uprising alone. Curious Freckles

Octopus on My Head

From Montreal to Bar Harbour, Louisiana via New York and Florida, former bush pilot and photographer Jack leads us on a quest to conquer the shadows of a past life and into the heart of an ultimately warm and heady universe. Peace comes at a price and sometimes that price means burning bridges. Jack and Monica broke up a long time ago, but there is still something broken inside. After years of silence, the truce is over when Tristan, Monica's younger brother, reappears in Jack's life. Memories may have been buried deep, but there is no escaping the force of erosion. Tristan talks Jack into a road trip, a trip without a destination, where the point is to keep moving and open oneself up to chance. What follows is a trip and an encounter with Nuna, the young woman with disorienting eyes. But a triangle doesn't always travel easily, desire

being a dangerous fuel. Guillaume Vigneault gives ample proof in this novel of his gift for translating subtle affairs of the heart. In elegant, measured prose, he paints a portrait of loving and leaving by a new generation.

Cassidy's Girl

Tia and Will's lives get flipped upside down when they're voted Yearbook's Biggest Flirts in this sassy novel from the author of Endless Summer and The One That I Want. Tia just wants to have fun. She's worked hard to earn her reputation as the life of the party, and she's ready for a carefree senior year of hanging out with friends and hooking up with cute boys. And her first order of business? New guy Will. She can't get enough of his Midwestern accent and laidback swagger. As the sparks start to fly, Will wants to get serious. Tia's seen how caring too much has left her sisters heartbroken, and she isn't interested in commitment. But pushing Will away drives him into the arms of another girl. Tia tells herself it's no big deal...until the yearbook elections are announced. Getting voted Biggest Flirts with Will is, well, awkward. They may just be friends, but their chemistry is beginning to jeopardize Will's new relationship—and causing Tia to reconsider her true feelings. What started as a lighthearted fling is about to get very complicated...

Love Works Wonders

The Dawn Stag

They say that a man needs a woman to go to hell with. Cassidy had two. One was his wife who kept him chained with ties of fear, jealousy, and paralyzing sexual need. The other was a frail angel with a bottle instead of a halo. With those two, Cassidy learned that the ride to hell could be twice as fast.

Strange Toys

Burn: Here's how it's going to be, goddess. Until you surrender yourself to me fully, I will not touch you. Until the world can know you belong to me, I will not kiss you. I'm going to be inches away, at your side. I'm going to whisper in your ear and put my breath on your neck, but the heat of my skin will not feel the shudder of yours until you commit yourself to me completely.

The Rules of Wolfe

"DREAMS OF AMPUTATION reads like the nightmares Derek Raymond might have experienced if he'd written cyberpunk. An exceptionally strange work, but a smart and thoughtful one as well. Disturbing, haunting, and inimitably weird, this is a book like no other." - Brian Evenson

Lone Star Joy

Call Me Home has an epic scope in the tradition of Louise Erdrich's *The Plague of Doves* or Marilynne Robinson's *Housekeeping* and braids the stories of a family in three distinct voices: Amy, who leaves her Texas home at 19 to start a new life with a man she barely knows, and her two children, Jackson and Lydia, who are rocked by their parents' abusive relationship. When Amy is forced to bargain for the safety of one child over the other, she must retrace the steps in the life she has chosen. Jackson, 18 and made visible by his sexuality, leaves home and eventually finds work on a construction

crew in the Idaho mountains, where he begins a potentially ruinous affair with Don, the married foreman of his crew. Lydia, his 12-year-old sister, returns with her mother to Texas, struggling to understand what she perceives to be her mother's selfishness. At its heart, this is a novel about family, our choices and how we come to live with them, what it means to be queer in the rural West, and the changing idea of home.
