The 39 Clues #6: In Too Deep

Bobbie Smith is a headstrong woman. Yet when it comes to love, she's a fool for her neglectful, drug dealing boyfriend, Freddie. When Freddie messes around with the wrong Drug Lord, Bobbie is taken by the notoriously abusive Agostino Carmine. He's man she couldn't stand for the life of her. Agostino on the other hand is quite infatuated with her. Bobbie figures to get on his good side, she has to pretend to adore him and follow his strict rules. She never expected her dangerous game to land her in too deep.***PLEASE NOTE: This book has triggers and abusive moments****

In Too Deep

New York Times bestselling author Lexi Ryan brings readers a sexy NFL player who's pulled out all the stops for one more chance with the love of his life. I have four months to make my wife fall in love with me or let her go forever. I loved Bailey Green long before she watched her loser ex take his last breaths. I held her while they lowered his coffin into the ground, stilled her shaking hands when the nightmares would tear her from sleep. I waited for her through her grief. But while she was always willing to let me in her bed, she refused to let me in the one place I longed to be—her heart. Tired of playing second string to a dead man, I let her go. I moved to Florida to begin my NFL career and tried to pretend my perfect life didn't leave me empty. I'd almost given up. Until one drunken night in Vegas, we stumbled down the aisle and said, "I do." In exchange for the divorce she wants so badly, she's agreed to remain my wife until the end of the year. She has no idea the favors I've called in or the lies I've told to get her here, but if I succeed, none of that matters. My secrets always

seemed justified, but Bailey has her own—secrets that explain why she always pushed me away, secrets that make me wonder if I should have let her. Now we're in too deep and I might lose the only girl I've ever loved and the best friend I've ever had. In Too Deep is a sexy and emotional novel intended for mature readers. It's the fifth book in the world of the Blackhawk Boys, but can be enjoyed as a standalone. Football. Secrets. Lies. Passion. These boys don't play fair. Which Blackhawk Boy will steal your heart? Book 1 - SPINNING OUT (Arrow's story) Book 2 - RUSHING IN (Christopher's story) Book 3 - GOING UNDER (Sebastian's story) Book 4 - FALLING HARD (Keegan's story) Book 5 - IN TOO DEEP (Mason's story)

In Too Deep

Heading for Paradise Island to meet the father she has never known, Tally Cruise stumbles into the heart of a mystery and into the path of a mysterious explosion from which she is rescued by the enigmatic Michael Wright, a former Navy SEAL seeking revenge on Tally's father for the accident that destroyed his military career. Original.

In Too Deep

When the Carrington dive team discovers an encrypted laptop with connection to an open murder case, detective Adam Campbell turns to the only person he can trust--but what they find may require a choice between loyalty and the truth.

In Too Deep

I did a bad thing. I did a really bad thing. I'm not a bad person, I swear. I just made a few mistakes. Mistake number one was agreeing to rent my hotel out to an insufferable a**hole, named Aden Smith. Mistake number two was ignoring his threats to sue me when he handed over a list of items he deemed "unacceptable." Mistake number three was diving into the pool to save his life when he fell. It would have been less complicated to hide his body. When the hospital refuses to let me know how he is, I panic. Claiming to be his wife might be my biggest mistake yet-especially when he believes me! He might have been the one drowning, but I'm sinking in a bed of lies, going down fast-and there's not a rescue in sight. Complete Standalone FULL LENGTH NOVEL. Happy Ending, Laugh Out Loud Comedy and an Alpha Hero with his eyes and other things only on one woman all contained inside.

In Too Deep

From International Bestselling author, Dr. Rebecca Sharp, comes the new standalone in the Winter Games series Nick My life had been a series of unfortunate events: Some of them out of my control, some of them entirely my fault. I was only weeks away from being able to take my daughter and finally be free from the past that had imprisoned us. And then Tamsin Lucas showed up on my doorstep, looking every inch the innocent angel yet begging to be ruined. I told myself I could live not knowing her

secrets or the reason for her hurt. And I swore I could survive never touching her again. Until I needed her to homeschool my daughter. Now, every day, I'm fighting to rein in my desire for the woman who's always been perfect and protect her from those who are out to destroy me. Tammy was too good to want someone like me. But what if I was too bad to care to stay away? Tamsin Making the right choice was the slogan for my life and the motto for my soul, until all the right decisions led to a very wrong result. In the moment when life felt like a catastrophe, I ran to him. Nick Frost. The callous man who was colder than the mountain and possessed more secrets than it did snowflakes. For one night, I traded sense for sensibility and my well-kept order for his comfortable chaos. I thought one night and one wrong choice would be enough until he became my boss and wrong began to look a lot like right. With every day that passes, I learn there's more to his story than the world knows and more to the unquenchable desire being written between us. Nick was too bad to want someone like me. But what if what we had was too good to keep me away? IN TOO DEEP is the fourth standalone in the Winter Games series*Note: While this book takes place in the Winter Games world, it is not a sports romance.

Down Too Deep

Scargill Cove is the perfect place for Fallon Jones, confirmed recluse and investigator of the paranormal. It's a hot spot, a convergence point for unusually strong currents of energy, which might explain why

the town draws misfits and drifters like moths to a flame. Now someone else has been drawn to the cove - Isabella Valdez, on the run from some very dangerous men. When she starts work as Fallon's assistant, she impresses him by organising his pathologically chaotic office - and doesn't bat an eye at the psychic aspect of his job. She's a kindred spirit, sanctuary from a world that considers his talents a form of madness. But after a routine case unearths an antique clock infused with dark energy, Fallon and Isabella are dragged into the secret history of Scargill Cove and forced to fight for their lives as they unravel a cut-throat conspiracy with roots in the Jones family business . . . and Isabella's family tree.

unforgettable cast of characters? Each book in the Due South series contains a sizzling, sexy love story set on an unspoilt, wild island in New Zealand. Meet Piper and West She vowed never to return. To save her brother from financial ruin, Piper Harland must do the one thing she swore she'd never do-return to the tiny island hometown where Ryan "West" Westlake crushed her heart. Piper is tough, resilient and a little wild-much like the remote and beautiful Stewart Island where she grew up. As a cop who's part of the elite New Zealand Police National Dive Squad, bringing the dead back to their families still doesn't stop the guilt she feels over her father's drowning death. Now nine years later she's obligated to return to a hostile community as the outsider, and forced to work with the man who was once her best friend and first lover. She's a risk he can't take. West is an Island man, through and through. As owner of the local pub, he lives and breathes the local community, and sure as hell can't imagine living anywhere else. But most of all he refuses to ever fall for a woman like his flighty mother. He lost Piper once to give her the chance to fulfil her dreams of becoming a cop. But now she's back for an unexpected six week visit to help her brother-his best mate. Maybe West wants her a little bit, maybe he can't resist the temptation to tease and touch her, but can he fall in love with such a flight risk? Saying goodbye for the second time might just destroy them both. **Winner of Best First Book in the Romance Writers of New Zealand 2014 Koru Award for Excellence.** The Due South Series: Book 1: In Too Deep. Book 2: Melting Into You. Book 3: Ready To Burn. Book 4: Christmas With You.

Could Amy and Dan's biggest enemy be . . . a friend? Book 6 in the bestselling The 39 Clues series challenges everything you thought you knew about the Clue race. Fourteen-year-old Amy Cahill and her younger brother, Dan, head to the Land Down Under to discover what their own mother and father knew about the hunt for the 39 Clues. But following in their parents' footsteps brings up lost memories for Amy so awful that she can't share them . . . even with Dan. Haunted by the ghosts of their past, chased by deadly competitors, Dan and Amy can't see who is an enemy and who is a friend. Their blindness leads to a terrible mistake . . . and the death of a hidden ally.

In Too Deep

After running away a year ago, Bobbie finally has peace. She's given birth and has re-established her life. Suddenly, she finds herself in chaos when the shadow of her past, Agostino, her husband crosses her path. "You really thought I was just going to let you walk away?" he chuckled, sending a chill up her spine. "You actually thought after finally getting you, tasting you, fucking you, having you at my side, I was just going to let you leave me? No," he adds with a twisted smirk, "we're in this forever. You're minetill death do us part." With Agostino, there comes a level of danger and this time, his presence brings someone much more sinister who may destroy all he's come to love.

In Too Deep

Fallon is a brilliant tattoo artist with inherent magic. Tired of men and their games, she climbs onto her Harley and leaves her old life behind. Brody is a talented motorcycle mechanic and werewolf stuck in his painful past. It's just another depressing night until he's attacked by vampires. Thinking he's killed them, he runs into the night and crashes into Fallon. Unwilling to walk away from anyone in need, she heals Brody and then takes out the vampires who aren't as dead as he thought. Her past collides with the present, and she finds herself stranded in Edenton, Washington where an old friend lives. With no ride and no real plan, she winds up staying in Brody's empty apartment. Feeling alive for the first time in years, Brody is determined to claim Fallon's heart and keep her safe from the shadows in her past. However, she prides herself on her independence and would rather keep him safe, even from herself. With the impending danger from the group of vampires and dark mages, they will have to work together. The closer they get, the harder it is for her to fight her attraction. Be prepared for monsters, magic and lots of ink.

Diary of a Minecraft Zombie Book 18

An introduction to a broad range of topics in deep learning, covering mathematical and conceptual background, deep learning techniques used in industry, and research perspectives. “Written by three experts in the field, Deep Learning is the only comprehensive book on the subject.” —Elon Musk, cochair of OpenAI; cofounder and CEO of Tesla and SpaceX Deep learning is a form of machine learning that enables computers to learn from experience and understand the world in terms of a hierarchy of concepts. Because the computer gathers knowledge from experience, there is no need for a human computer operator to formally specify all the knowledge that the computer needs. The hierarchy of concepts allows the computer to learn complicated concepts by building them out of simpler ones; a graph of these hierarchies would be many layers deep. This book introduces a broad range of topics in deep learning. The text offers mathematical and conceptual background, covering relevant concepts in linear algebra, probability theory and information theory, numerical computation, and machine learning. It describes deep learning techniques used by practitioners in industry, including deep feedforward

networks, regularization, optimization algorithms, convolutional networks, sequence modeling, and practical methodology; and it surveys such applications as natural language processing, speech recognition, computer vision, online recommendation systems, bioinformatics, and videogames. Finally, the book offers research perspectives, covering such theoretical topics as linear factor models, autoencoders, representation learning, structured probabilistic models, Monte Carlo methods, the partition function, approximate inference, and deep generative models. Deep Learning can be used by undergraduate or graduate students planning careers in either industry or research, and by software engineers who want to begin using deep learning in their products or platforms. As he travels the British Empire, diplomat Charles Kittridge leaves behind three daughters: Ailsa in the Scottish Highlands; Li-an in Peking, China; and Genevra in Delhi, India. Bound by threads they neither see nor understand, the three sisters are haunted by their absent father--each in her own way. Creative and intuitive, often lost and without hope, they come together through their dreams in times of fear and need. Those dreams grow vivid, changing as these extraordinary women learn the lessons the Empire has to teach. And the all-important lessons within their own hearts. No matter the courage and passion, betrayal and loss they experience, their dreams never leave them. In the end, they believe Charles Kittridge has the power to heal them. But the truth is far more complicated than any of them understand.

In Too Deep

Book 1 in the Freshman Roommates Series from New York Times and USA Today bestselling author Mara Jacobs. I didn't believe in love at first sight, until I first saw Lucas Kade. I was giving swimming lessons to children when I first saw him. Turns out one of the kids was Lucas's little brother. So, I'd be seeing a lot more of Lucas. And that was just fine with me. I had a lot going on—a freshman at an elite college, first time away from home, and, oh yeah, roommates with a girl I'd been sent to spy on. I wasn't exactly looking for anything exclusive. Something casual, though, would be great. But there was nothing casual about my feelings for Lucas. He was a townie, hiding a secret, and I knew better than to get involved. I was always the sensible one, the peacekeeper. Before I knew it...I was In Too Deep. This New Adult contemporary romance contains 3-4 graphic love scenes. If it was a movie, it would be rated R. The books of the Freshman Roommates Series: 1) In Too Deep (Lily and Lucas) 2) In Too Fast (Jane and Stick) 3) In Too Hard (Syd and Montrose)

In Too Deep

I'm thinking it's finally got to be my turn. I've got no man and no money. Nothing but a personality and a smile. But maybe that's enough this time. The richest guy in New York is looking for a secretary, and lucky for me, he's young and as hot as sin. Too bad he's an alpha asshole rich boy who's stuck on himself. Nothing I do is right. Throw in a crazy ex and a father

that can't stand anything that breathes in his personal space, and I. Am. Out. He can find someone else to take notes and get his coffee. I'm fine being broke and single. I've gotten good at it. Besides, I'm not interested in a billionaire affair. Or am I already in too deep to leave? Sure as hell feels that way. This is book 2 of a 3 book series. You will need to read the last book to complete the story.

Gone Too Deep

The bestselling author of "Too Deep for Tears" and "All We Hold Dear" continues her acclaimed Scottish saga. New to the legend is Edna Rose, Ailsa's daughter, who is more at home among the woodland animals than she is among people.
