ingenuity of Scottish people who often needed to be frugal. From the ninth century to the present, from the simplicity of porridge and oatcakes to the gourmet delights of fish and game, *A Caledonian Feast* offers a fascinating history of Scotland, complete with author Annette Hope's personal collection of authentic recipes. *A Caledonian Feast* is widely acknowledged to be the definitive culinary history of Scotland. Immensely readable and informative, it draws upon many strands of Scotland's literary heritage, including works by Scott, Boswell, Smollett, and Hogg, as well as agriculturalists, social historians, and specialist food writers like Marian McNeill. It was shortlisted for Scotland's premier literary prize, the McVitie, and given a Scottish Arts Council Award when first published in 1987. This edition of *A Caledonian Feast* includes a superb introduction from Clarissa Dickson Wright. "Exceptionally wide-ranging, well-organized and nicely put." —Sunday Times "A joy to read." —Sunday Telegraph

The Fire Maker

Neil Diamond, writer and singer of some of the most memorable songs in history, is the focus of this biography that looks beyond his glittering legend. Readers learn of his intriguing blend of contradictions—a charismatic and engaging live performer, he was deeply introspective offstage and prone to bouts of crippling self-doubt. From his childhood struggle to get out of Brooklyn through five decades of global stardom, this book marries his personal history with his public persona.

The Year Without Summer

In Richard Bach's best-selling book Illusions, the mysterious hero Donald Shimoda seems to carry the keys to the universe with him as he barnstorms the Midwest in a Travel Air biplane. Shimoda's secret is a small book, bound in what appears to be suede, called the Messiah's Handbook. This slim volume, which the hero frequently quotes, is said to contain "whatever you need to know." All Shimoda has to do is hold a question in his mind, close his eyes, open the book at random, open his eyes-- and the answer is there. Here, at last, is the "lost book" from Illusions--the Messiah's Handbook. Within these pages, you will find the answers to all your most important questions as well as answers to questions that you may have never thought to ask--until now.

The Garden Awakening

There was a master come unto the earth, born in the holy land of Indiana, raised in the mystical hills east of Fort Wayne and he smiled upon the multitudes and said pleasantly unto them, 'I quit.'

An American Duchess

In the cloud-washed airspace between the cornfields of Illinois and blue infinity, a man puts his faith in the propeller of his biplane. For disillusioned writer and itinerant barnstormer Richard Bach, belief is as real as a full tank of gas and sparks firing in the cylinders until he meets Donald Shimoda--former mechanic and self-described messiah who can make wrenches fly and Richard's imagination soar. In Illusions, the unforgettable follow-up to his phenomenal bestseller Jonathan Livingston Seagull, Richard Bach takes to the air to discover the ageless truths that give our souls wings: that people don't need airplanes to soar that even the darkest

clouds have meaning once we lift ourselves above them and that messiahs can be found in the unlikeliest places--like hay fields, one-traffic-light midwestern towns, and most of all, deep within ourselves.

A Gift of Wings

In his latest novel *One*, phenomenally bestselling author Richard Bach asks the questions--what if we could meet the people we are destined to be in twenty years? What if we could confront the people we were in the past, and those we are right now in parallel lifetimes, in alternate worlds?

Air Ferrets Aloft

In *Nothing by Chance*, Richard Bach shares the adventure of one magical summer he spent as an old-fashioned barnstormer flying an antique biplane. The journey is another soaring adventure of wonder and insight from the author of *Jonathan Livingston Seagull*.

Above the Clouds

When she was about to turn five, a little girl named Rae Hansen invited Richard

Bach to her birthday party. Though deserts, storms, mountains, and a thousand miles separated them, Rae was confident that her friend would appear. "There's No Such Place As Far Away" chronicles the exhilarating spiritual journey that delivered Rae's anxiously awaited guest to her side on that special day--and tells of the powerful and enduring gift that would keep him forever close to her heart. Written with the same elegant simplicity that made "Jonathan Livingston Seagull" a bestselling phenomenon, "There's No Such Place As Far Away" has touched the hearts of thousands of readers since its first publication in 1979. Richard Bach's inspiring, now-classic tale is a profound reminder that miles cannot truly separate us from friendsthat those we love are always with us--every moment of the infinite celebration we call life.

50 Spiritual Classics

A poignant and inspirational love story set in Burma, *The Art of Hearing Heartbeats* spans the decades between the 1950s and the present. When a successful New York lawyer suddenly disappears without a trace, neither his wife nor his daughter Julia has any idea where he might be...until they find a love letter he wrote many years ago, to a Burmese woman they have never heard of. Intent on solving the mystery and coming to terms with her father's past, Julia decides to travel to the village where the woman lived. There she uncovers a tale of unimaginable hardship, resilience, and passion that will reaffirm the reader's belief in the power of love to move mountains.

Sumbawa Island, Indonesia Mount Tambora explodes in a cataclysmic eruption, killing thousands. Sent to investigate, ship surgeon Henry Hogg can barely believe his eyes. Once a paradise, the island is now solid ash, the surrounding sea turned to stone. But worse is yet to come: as the ash cloud rises and covers the sun, the seasons will fail. 1816 In Switzerland, Mary Shelley finds dark inspiration. Confined inside by the unseasonable weather, thousands of famine refugees stream past her door. In Vermont, preacher Charles Whitlock begs his followers to keep faith as drought dries their wells and their livestock starve. In Suffolk, the ambitious and lovesick painter John Constable struggles to reconcile the idyllic England he paints with the misery that surrounds him. In the Fens, farm labourer Sarah Hobbs has had enough of going hungry while the farmers flaunt their wealth. And Hope Peter, returned from the Napoleonic wars, finds his family home demolished and a fence gone up in its place. He flees to London, where he falls in with a group of revolutionaries who speak of a better life, whatever the cost. As desperation sets in, Britain becomes beset by riots - rebellion is in the air. The Year Without Summer is the story of the books written, the art made; of the journeys taken, of the love longed for and the lives lost during that fateful year. Six separate lives, connected only by an event many thousands of miles away. Few had heard of Tambora - but none could escape its effects.

Rescue Ferrets at Sea

Jonathan Livingston Seagull

How can we rethink teaching practices to include and engage the whole student? What would student experience look like if we integrated silence and feeling with empirical analysis? *Tuning the Student Mind* is the story of one teacher's attempt to answer these questions by creating an innovative college course that marries the spiritual and the theoretical, integrating meditation and self-reflection with more conventional academic curriculum. The book follows Molly Beauregard and her students on their intellectual and spiritual journey over the course of a semester in her class, "Consciousness, Creativity, and Identity." Interweaving personal stories, student writing, and Beauregard's responses, along with recommendations for further reading and a research appendix, it makes the case for the transformative power of consciousness-centered education. Written in a warm, engaging voice that reflects Beauregard's teaching style, *Tuning the Student Mind* provides an accessible, step-by-step template for other educators, while inviting readers more broadly to reconnect with the joy of learning in and beyond the classroom.

Illusions II

#1 New York Times Bestseller A touching, funny, heart-wrenching, and triumphant memoir from one of the biggest names in radio, the host of The Bobby Bones Show, one of the most listened-to drive time morning radio shows in the nation. Growing up poor in Mountain Pine, Arkansas, with a young, addicted mom, Bobby Estell fell in love with country music. Abandoned by his father at the age of five, Bobby saw the radio as his way out—a dream that came true in college when he went on air at the Henderson State University campus station broadcasting as Bobby Bones, while simultaneously starting The Bobby Bones Show at 105.9 KLAZ. Bobby's passions were pop, country music, and comedy, and he blended the three to become a tastemaker in the country music industry, heard by millions daily. Bobby broke the format of standard country radio, mixing country and pop with entertainment news and information, and has interviewed some of the biggest names in the business, including Luke Bryan, Taylor Swift, Blake Shelton, Tim McGraw, Lady Antebellum, and Jason Aldean. Yet despite the glamour, fame, and

money, Bobby has never forgotten his roots, the mom and grandmother who raised him, the work ethic he embraced which saved him and encouraged him to explore the world, and the good values that shaped him. In this funny, poignant memoir told in Bobby's distinctive patter, he takes fans on a tour of his road to radio. Bobby doesn't shy away from the curves he continues to navigate—including his obsessive-compulsive disorder—on his journey to find the happiness of a healthy family. Funny and tender, raw and honest, Bare Bones is pure Bobby Bones—surprising, entertaining, inspiring, and authentic.

smartphone. So new realities are rocketing their way to 37 Palisade Row, where everything will change, every day, and at mortal speed. Until Lonnie finds himself in a stitch: he'll have to join this new world, or wither in it. Or can he mastermind a vanishing act? The story of a hapless father's love and loss, and a speedball, starburst satire, *Meanwhile in Dopamine City* is a passionate, freewheeling work from the winner of the Booker Prize: a riotous cry for the soul and the flesh and the heart in the cooling bathwater of our automatic times.

Meanwhile in Dopamine City

'What if we could talk face-to-face with the people we were in the past, with the people we are in parallel lifetimes, in alternate worlds? What would we tell them, and what would we ask? How would we change if we new what waits beyond space and time?' In a journey with his wife, Leslie, Richard Bach travels to a realm where survival depends on discovering what the other aspects of themselves have learned on roads they never took; where imagination and fear are tools for saving worlds and destroying them; where dying is one step to overcoming death. One is Bach's most startling story yet, opening a mystical door on an alternative path to finding ourselves.

Seven Conversations is a thought experiment on life and existence. The characters might be fictitious but their questions are not. What happens when we choose happiness over convenience? For Meera Sachdev, choosing a divorce at an early age of thirty over a comfortable and convenient life was a leap of faith. Leaving her successful career and friends behind in the United States, she returns to India where she is now reduced to 'a failed woman who could not save her marriage'. As self-doubts and the realisation of the suffering she has caused her loved ones overwhelm her, she begins to crumble. Her call for help is answered by none other than Krsna: The Lord who is all-attractive. Her odyssey will take her through the temples of Vrindavan, the mythical City of Justice, a deserted barn and the Himalayas as she unearths her deep spiritual roots and the divine truth. In seven pivotal conversations with Krsna, friends, father, teacher and herself, she rediscovers life, love and her own identity. Beware, after reading the book, you might dare to choose happiness yourself. Are you prepared?

The Bridge Across Forever

Richard Bach's first book, *Stranger to the Ground* is above all else an insight into the character of a man whose great compulsion is to measure himself against storm and night and fear. On the surface it is the tale of a memorable mission of a young fighter pilot utilizing his skills in a lonely duel with death. Yet between the lines emerges the portrait of the airman as a breed, probing outward, but even more significantly, inward.
