Kabbalah for Health and Wellness

This is an autobiographical collection of poems, prose and music about the author's tortuous path to adulthood as she recovers from severe PTSD. It chronicles her journey from victim to survivor and now, within sight of conqueror. (PTSD – Post Traumatic Stress Disorder – It is what remains and destroys normal life after overwhelming, unresolved trauma finally affects one's every step and breath. Every voice, every sound, odor, flash of light can trigger a fight or flight or panic reaction. Adrenaline rushes through the body and irrational fear can rule every hyper-vigilant moment of life. Nightmares replace sleep. An otherwise physically healthy person becomes totally disabled. And well-intentioned ignorant observers tell you to, "Just get over it.") The author was adopted from Korea as an infant with severe, undetected medical problems that affected her behavior. She was repeatedly traumatized in her first adoptive home. Then at the age of ten she was sent away, never welcome to return, and further traumatized in hospitals, group homes and foster care. Multiple suicide attempts led to more hospitalizations and abuse by a seemingly endless number of training-challenged people. This book weaves a background story of spiritual and relational growth. It chronicles her undying and persistent prayer – from early childhood – that one day she would be part of a Christian family who would want her and love her and cherish her. A story about how that prayer was answered five years ago when she was adopted a second time and given the chance to grow and heal from the horrors of the past. It is a story of the ascendancy of her relationship with the God of Abraham, Isaac and Jacob and the gradual unfolding and awareness of who she is while she struggles to cast off deep emotional numbness and begin to feel and express love. One theme runs through these pages – the author's love of God and how it has brought her through the toughest of times and is still guiding her through her daily battles as she recovers from the trials of PTSD.

The Instruction Manual for Receiving God

When the Judaism of her childhood doesn't satisfy Dani Antman's yearning for spiritual awakening, she embarks on a quest for a spiritual path. Dani finds herself immersed in the world of yoga, energy healing, and Kabbalah but her journey of inner transformation has only just begun. A healing crisis, misplaced trust and a failed marriage, intensify her desire for a teacher who can lead her to self-realization. Her prayers are answered in the form of a realized adept, a Swami from the faraway shores of Rishikesh, India, who initiates her in his lineage of Kundalini Science, the study of the Divine force within every human being that is the initiator of spiritual growth. And so begins an incredible inner journey as Dani dedicates herself to a spiritual practice aimed at the redirection and completion of a challenging Kundalini process related to her Jewish past. Paradoxically, with the completion of her process she experiences a triumphant return to the religion of her birth. *Wired for God* is the candid and compelling memoir of Dani Antman's spiritual journey from mystical Judaism through Kundalini Science and back again, told in a conversational and informal style. Her story gives inspiration and hope to all sincere seekers looking to make real spiritual progress and find their own unique spiritual path.

Plus Full Length Title: *Conscious Visualization* You will not achieve fulfillment and happiness until YOU become the architect of your own reality. Imagine that with a few moments each day, you could begin the powerful transformation toward complete control of your own life and well being through positive affirmation. Because you can. You will be able to release all fear and doubt simply because you know that you can. Utilize this simple, proven technique to regain the lost comforts of joy, love, and fulfillment in your life. You have the ability to unlock your full inner-potential and achieve your ultimate goals. This is the age-old secret of the financial elite, world class scholars, and Olympic champions. For example, when you watch the Olympics, you'll find one consistency in all of the champions. Each one closes their eyes for a moment and clearly affirms & visualizes themselves completing the event flawlessly just before starting. Then they win gold medals and become champions. That's merely one example of how the real power of affirmation can elevate you above any of life's challenges. Life is too short to be exhausted on thousands of everyday anxieties and fears. Sadly, the average person will get to the end of their life and realize that more than half of it was spent struggling with these kind of problems. Because they didn't

know what to do, many of these people never found any satisfaction in life. You can and will become bigger than those struggles by enhancing the energy that already flows within you. Too often people are held hostage and limited by a cycle of negative thinking and pessimism. This kind of thinking creates a streak of what many choose to call, "bad luck." I have good news for you. There is no such thing as "bad luck." This phenomenon is merely a cycle of negative affirmation that must be broken and mended with a fresh regimen of positive affirmation and vision. By repeating and remembering these affirmations in times of difficulty, we transform our rigid affirmations of defeat and intimidation into warm, confident manifestations of the world as we choose it to be. Get what you want and desire from the world like millions of others around the globe using affirmations. You already possess the power to assert your own perceptions and transform your thoughts and desires into reality. By using positive affirmations daily, you will unlock that natural potential inside of you. If you want to see positive change now, you'll find the quickest path to fulfillment with positive affirmation and visualization. There is no time to spend on loss, negativity, and defeat when you can be achieving tangible, historically proven results with minimum time and effort invested. There is no limit to changes that can be made through the power of creating truth with affirmation Read This Book To Change Your Life Today! Also available in Ebook Format

Enlighten Up: The Keys to Kabbalah

Prayer is the key to tapping into the healing energy of the Divine. Yet for many people, prayer has been reduced to a rote practice that has lost its basic meaning and efficacy. In his long-awaited first book for an ecumenical readership, internationally renowned spiritual healer Ron Roth teaches his unique approach to prayer as energy medicine. The Healing Path of Prayer explains in detail the connection between healing, faith, and prayer. Roth shows you how to find your own path to prayer in a way that connects with God's healing energy. As Roth explains, you can use this energy not only for physical healing but also, perhaps more significantly, for healing emotional and spiritual wounds that may be at the root of physical maladies. The Healing Path of Prayer gives you specific guidance in setting up a daily healing prayer practice. Through a series of simple but effective exercises and rituals, Roth shows you how to celebrate your own sacraments and become a mystic in the course of your everyday life. Each chapter offers a new, higher level of prayer, enabling you to acquire more advanced techniques of focus, intention, and insight. As Roth revitalizes many tired, traditional prayers with his fresh and inspiring reinterpretations from original scripture, he also recounts the dramatic story of when he discovered his healing abilities, as well as true cases of healing in which he has participated. The Healing Path of Prayer is a blueprint

for a truly democratic spirituality. Roth's instruction on how to pray and establish a daily practice of meditation will lead readers into a vital path of everyday mysticism and personal power.

Path of the Templar

Energy Psychology presents a comprehensive approach to healing that combines leading-edge Western bodymind psychological methods with a broad system of ancient, sacred traditions. Incorporating Dr. Mayer's integral approach called Bodymind Healing Psychotherapy, Energy Psychology draws on Chinese medicine approaches, including Qigong and acupuncture self-touch; kabalistic processes; methods drawn from ancient traditions of meditation and postural initiation; and psycho-mythological storytelling techniques. Drawing on thirty years of training in Tai Chi and Qigong, Dr. Michael Mayer shows how integrating the essences of these traditions and methods can restore vitality and give the average person self-healing tools for physical and mental health. Unlike the quick-fix books on energy restoration, this book uses time-tested, age-old practices from sacred traditions in combination with well-established clinical approaches. Dr. Mayer teaches readers bodymind healing methods to treat anxiety, chronic pain, addictions, hypertension, insomnia, trauma, and other prevalent conditions. Written in a clear, intelligible style, Energy Psychology includes real-life case studies that highlight the effectiveness of his techniques.

The Hebrew Letters Speak

Paralyzed Without Fear

Gornia and Sarcus had been at peace for over a hundred years since the Great War, but peace wouldn't last much longer since the powerful black magician, Druck, took control of Sarcus from his weak father. Black Magic had been outlawed after the war, but Druck studied the dark arts in hiding with the help of an old councilman who wanted revenge against Gornia. Together, they renewed the darkest of magic in order to put the entire world under the dark clouds of tyranny and slavery. Lord Nilet, the most powerful magician in Gornia, sensed the dark arts, and he made a "diplomatic" journey to Druck's castle to find out exactly what Druck was up to. He found the answers, but before he could slip away, Druck struck him with powerful magic, and the elderly magician had to protect himself from forces he had never seen before. Lord Nilet's entourage narrowly escaped Druck, and before the last guard died from an incineration spell, Lord Nilet was put into the hands of the local Healer and his son. How will Gornia survive Druck's wrath? It all begins in the small village of Heshire with a young Magician and an apprentice Healer. They don't know the challenges ahead. Friends will become enemies, spies are all around, and Druck's magic is deceptive and confusing. They have just a few days to take action, or Druck will run a dark

spear through the heart of their country.

The Healer

SECOND EDITION Once in a great while, life gives us a fairytale. Not that anyone wishes to be paralyzed in a motorcycle accident at age twenty-five, but tragedy set the stage for triumph and the making of a fairytale, in this case, a real life fairytale. When the harsh reality of paralysis turns the dream of having a family together into a nightmare, Erik and Jennifer had to face their deepest fears and live courageously; because sometimes fairytales are just stories of risk and perseverance. This sequel to Gratitude and Grit - A Mother's Healing Journey, written by Erik's mother continues the story of her son's unprecedented, unbelievable sage from paralysis to parenthood.

Healing East and West

What would it feel like if you realized that from the very beginning, you were designed to look for, to find, and to receive God? That you were designed to awaken to reality? How would it feel to know that this would definitely happen in your lifetime, because you were made to accomplish this very thing? Rather than encouraging us to seek God, Jason Shulman believes we need only make ourselves available to receive God, who is always present and awaiting us. In The Instruction Manual for Receiving God, you will encounter the presence of God through 108 seed passages —profound and insightful statements that are meant to unlock your mind and open your heart. Shulman offers generous reflection of each seed passage, illuminating the depth and meaning of its precious message. Reading this book is like entering a personal sanctuary where you will: Experience complete liberation—the act of being truly human Feel the constant rain of compassion washing over your spiritual life and receive the sacred blessings that are endlessly offered by reality itself Learn practical ways to connect to the Divine each and every day Here, Jason Shulman offers contemplations that access the reality of God, who is always knocking at the door of our hearts, and whose voice is always speaking. Whether read cover-to-cover or opened to a random verse for inspiration, The Instruction Manual for Receiving God is a book readers of all faiths will cherish and return to time and again.

Kabbalistic Healing

An emotional story about a man coming to terms with his past, pressing forward with life, and learning to love again. Four years after the death of his boyfriend, Alex has become an empty shell of his old self. Numb and indifferent, he has allowed his life to spin out of control. But, when an old, familiar face begins at Alex's workplace, he is suddenly confronted by his

traumatic past and withdraws from life entirely, attempting to block out the horrors he has so long tried to forget-then, he meets Kit, and life is never the same again. A random night, a random bar-that's how it began. But when Alex drunkenly confesses everything he's bottled up for years to the stranger, his life changes. Kit helps him get back on his feet, embrace and accept his past, forgive himself, and take charge of his life once more. As Alex reclaims his life, he begins to feel something that he hasn't felt in years-happiness. Reader Advisory: This Erotic Gay Romance contains adult themes.

Path of Grace

In describing the career of Abraham Yagel, a Jewish physician, kabbalist, and naturalist who lived in northern Italy from 1553 to about 1623, David Ruderman observes the remarkable interplay between early modern scientific thought and religious and occult traditions from a wholly new perspective: that of Jewish intellectual life. Whether he was writing about astronomical discoveries, demons, marvelous creatures and prodigies of nature, the uses of magic, or reincarnation, Yagel made a consistent effort to integrate empirical study of nature with kabbalistic and rabbinic learning. Yagel's several interests were united in his belief in the interconnectedness of all things--a belief, shared by many Renaissance thinkers, that turns natural phenomena into "signatures" of the divine unity of all things. Ruderman argues that Yagel and his coreligionists were predisposed to this prevalent view because of occult strains in traditional Jewish thought He also

suggests that underlying Yagel's passion for integrating and correlating all knowledge was a powerful psychological need to gain cultural respect and acceptance for himself and for his entire community, especially in a period of increased anti-Semitic agitation in Italy. Yagel proposed a bold new agenda for Jewish culture that underscored the religious value of the study of nature, reformulated kabbalist traditions in the language of scientific discourse so as to promote them as the highest form of human knowledge, and advocated the legitimate role of the magical arts as the ultimate expression of human creativity in Judaism. This portrait of Yagel and his intellectual world will well serve all students of late Renaissance and early modern Europe.
