The Pop-Up Kama Sutra

This beautiful boxed set is the perfect gift of love for the modern couple to share. 69 Ways to Please Your Lover offers sexy suggestions and provocative pointers to stimulate both mind and body. It features a wealth of ways to tickle the erotic imagination, with techniques that range from playing to penetrating; a tour of the body's many hot spots (with hints on how to arouse them); and ways to bring all five senses into play. Among the 60 explicit photographs are many hidden in special pages that you must "unzip" to reveal the secrets within. Pocket Kama Sutra takes the most potent ingredients from Eastern eroticism, adds sumptuous photographs, and mixes in a tantalizing blend of ancient and modern wisdom. All the sex-enhancing ideas come from the classic texts: The Kama Sutra, Ananga Ranga, and The Perfumed Garden. Four sensuous chapters explain it all, including the secret recipe for languid lovemaking that lasts for hours; fast and passionate ideas for sex driven by speed, urgency, and excitement; a menu of intensely penetrative positions; and an aptly titled "adventurous" chapter with creative, challenging, and fun moves. The result is an irresistible magic potion for the best sex ever!

The Complete Kama Sutra

Hooper presents a 28-day plan to improve sexual stamina and physical suppleness while burning calories and getting pumped up for fabulous sex.

Manuale illustrato del perfetto Trucco e Make Up

Il Mondo Degli Ebook Presenta 'Kamasutra Illustrato'

Ermyntrude and Esmeralda was written as an exchange of correspondence between two teenage girls who have pledged themselves to find out all they can

about sex, love, and making babies. Their reported discoveries include a passionate love affair between Esmeralda's younger brother and his male tutor ("Will they have babies? If not, why not?"); Ermytrude's affair with a handsome footman on a staircase; the attempted seduction of Ermytrude by her governess. By using nursery terms for private parts of the anatomy (bow-wows and pussy cats will never sound the same), Strachey makes all the more ludicrous society's standard reaction of horror to sex and deviation. Wit, irony, exaggeration, melodrama, these were Lytton Strachey's methods in this recently discovered and never before published novella.

The Heart of Female Same-Sex Attraction

Kamasutra Illustrato

Queneau uses a variety of literary styles and forms in ninety-nine exercises which retell the same story about a minor brawl aboard a bus

The Force

Transform your lovemaking into erotic ecstasy with the secrets of the Kama Sutra -- the most ancient, renowned and explicit guide to sexual pleasure.

Posizioni Sessuali

The De Amore of Andreas Capellanus (André the Chaplain), composed in France in the 1180s, is celebrated as the first comprehensive discussion of theory of courtly love. The book is believed to have been intended to portray conditions at Queen Eleanor of Aquitaine's court at Poitiers between 1170 and 1174, and written the request of her daughter, Countess Marie of Troyes. As such, it is important for its connections to themes of contemporary Latin lyric, in troubadour poetry and in the French romances of Chrétien de Troyes. Thereafter its influence spread throughout Western Europe, so that the treatise is of fundamental importance for students of medieval and renaissance English, French, Italian and Spanish. In this comprehensive edition, P.G. Walsh includes Trojel's Latin text with his own facing English translation with explanatory notes, commentary and indexes, along with introduction which sets the treatise in its contemporary context and assesses its purpose and importance.

Tantric & Kashmiri Massages

A collection of humorous cartoons featuring frogs in positions that the Karma Sutra has never even thought of.

Mark Wilson's Complete Course in Magic

With a backpack, a young engineer travels the world seeking to enhance his education and gain insight into the world at large and the human condition. His quest for knowledge takes him beyond the visible world and into a world of

quantum connections, non-physical beings, and a story of history that isn't teachable in the classroom. Working with spiritual leaders and channelers as a source of knowledge, he weaves the story of his travels into the story of the source and nature of humanity, of Earth, and the cosmos. Eduardo left everything he had and started to travel the world alone, using only a backpack, and staying with local people. In some parts of the world, he traveled without using any money at all. After visiting almost every country of the world and talking to many people, he discovered the nature of humanity and a hidden, ancient history of the world. He met people who shared this knowledge. After several spiritual experiences, he met higher dimensional beings who helped him to deepen his understanding. He describes what he found in simple, straightforward language, making it easy to understand. You will find interesting stories from all over the world, impressive information from ancient civilizations, religions, history, psychology, physics, medicine, politics, and how it's all related to our modern world. But most importantly, how to use it in your daily life. He explains how powerful our thoughts are, and how we experience our reality through mental images that he calls forms.

The New Kama Sutra

Learn how to plan and organize any training project-AND control its time, cost, quality, and scope-with this fast-paced and highly readable book. Read solutions you can use immediately to build flexible project management plans, estimate required work effort, schedule steps and allocate resources, communicate project status, and perform a post-project review.

The Pocket Kama Sutra / 69 Ways to Please Your Lover

The first book to combine Kama Sutra positions with fitness workouts, including 350 illustrated sensual sexercises. Enhance your fitness while reaching new heights of sexual bliss with exciting sex positions designed to work and tone key muscle groups for both partners. Each clearly illustrated sexercise includes stats and tips to maximize your workout. Heart rate and flexibility ratings allow you to choose positions based on your level of fitness, then build your strength for more challenging positions. Whether you're in the mood for a high-intensity quickie or a lovemaking marathon, Kama Sutra Workout will help to get you physically fit and sexually satisfied.

The Married Kama Sutra

Posizioni Sessuali: il Manuale Più Completo per Rompere la Routine

- Discover the ancient classical customs of the Kama Sutra in this tastefully produced and beautifully illustrated gift edition- Includes two separate volumes entitled The Amorous Man and The Sensuous Woman- Illustrated throughout with rare miniatures, gouache and tantric paintings, and sculptures on ivory panel The Kamasutra is an ancient classical work on the art of love. Its uniqueness lies in that it discusses the theme of sexual pleasure without any feeling of shyness or shame. The author, Vatsyayana talks about Kama, that is, sexual pleasure, and explains the rules which govern life according to Kama. Through its discussion on erotic love, the book manages to highlight the social customs and individual habits of ancient India. This tastefully produced and beautifully illustrated gift edition treats the subject of male and female sexuality in two separate volumes, suggestively entitled The Amorous Man and the Sensuous Woman. The male-female union is portrayed in all its splendor through the use of Indian miniatures and Khajuraho sculptures.

Life is Real Only Then, when "I Am"

A psychiatrist draws from case histories in his discussion of complete sexual satisfaction and the significance of love as they relate to personality

Project Management for Trainers

The Trobes provide a road map for bringing sex and vulnerability together to deepen and enrich intimacy based on examples from their own lives and the lives of those they have counseled.

The Bedtrick

Swans of the Kremlin

The Force that Stuart describes is magnanimous beyond description - perhaps you might want to call it God. It is growing, dynamic, and has an inner drive or desire to become more of itself.

The Joy of Frogs

'Funny, kind, generous and smart - I could have done with the wisdom of Flo Perry far sooner' Dolly Alderton We talk about feminism in the workplace and we talk about dating after #MeToo, but women's own patriarchal conditioning can be the hardest enemy to defeat. When it comes to our sex lives, few of us are free of niggling fears and body image insecurities. Rather than enjoying and exploring our bodies uninhibited, we worry about our bikini lines, bulging tummies and whether

we're doing it 'right'. Flo broaches everything from faking it to consent, stress to kink, and how losing your virginity isn't so different to eating your first chocolate croissant. Her mission is to get more people talking openly about what they do and don't want from every romantic encounter.

The Ananga Ranga

"Somehow I woke up one day and found myself in bed with a stranger." Meant literally or figuratively, this statement describes one of the best-known plots in world mythology and popular storytelling. In a tour that runs from Shakespeare to Hollywood and from Abraham Lincoln to Casanova, the erudite and irrepressible Wendy Doniger shows us the variety, danger, and allure of the "bedtrick," or what it means to wake up with a stranger. The Bedtrick brings together hundreds of stories from all over the world, from the earliest recorded Hindu and Hebrew texts to the latest item in the Weekly World News, to show the hilariously convoluted sexual scrapes that people manage to get themselves into and out of. Here you will find wives who accidentally commit adultery with their own husbands. You will read Lincoln's truly terrible poem about a bedtrick. You will learn that in Hong Kong the film *The Crying Game* was retitled *Oh No! My Girlfriend Has a Penis*. And that President Clinton was not the first man to be identified by an idiosyncratic organ. At the bottom of these wonderful stories, ancient myths, and historical anecdotes lie the dynamics of sex and gender, power and identity. Why can't people tell the difference in the dark? Can love always tell the difference between one lover and another? And what kind of truth does sex tell? Funny, sexy, and engaging, *The Bedtrick* is a masterful work of energetic storytelling and dazzling scholarship. Give it to your spouse and your lover.

The Modern Kama Sutra

Classical ballet was perhaps the most visible symbol of aristocratic culture and its isolation from the rest of Russian society under the tsars. In the wake of the October Revolution, ballet, like all of the arts, fell under the auspices of the Soviet authorities. In light of these events, many feared that the imperial ballet troupes would be disbanded. Instead, the Soviets attempted to mold the former imperial ballet to suit their revolutionary cultural agenda and employ it to reeducate the masses. As Christina Ezrahi's groundbreaking study reveals, they were far from successful in this ambitious effort to gain complete control over art. *Swans of the Kremlin* offers a fascinating glimpse at the collision of art and politics during the volatile first fifty years of the Soviet period. Ezrahi shows how the producers and performers of Russia's two major troupes, the Mariinsky (later Kirov) and the Bolshoi, quietly but effectively resisted Soviet cultural hegemony during this period. Despite all controls put on them, they managed to maintain the classical forms and traditions of their rich artistic past and to further develop their art form. These aesthetic and professional standards proved to be the power behind the ballet's worldwide appeal. The troupes soon became the showpiece of Soviet cultural achievement, as they captivated Western audiences during the Cold War period. Based on her extensive research into official archives, and personal interviews with many of the artists and staff, Ezrahi presents the first-ever account of the inner workings of these famed ballet troupes during the Soviet era. She follows their struggles in the postrevolutionary period, their peak during the golden

age of the 1950s and 1960s, and concludes with their monumental productions staged to celebrate the fiftieth anniversary of the revolution in 1968.

Kama Sutra Workout

The Kama Sutra has enhanced sexual experiences since the fourth century--and a leading sex author has reinterpreted this iconic manual for today. Richard Emerson provides twenty-first-century couples with practical advice on sexual technique, relationships, and emotional well-being, while maintaining the book's belief in uninhibited pleasure through sex. The empowering text, exquisite art, and tasteful erotic photographs celebrate the art of lovemaking.

28 Days to Fabulous Sex

The first book to combine Kama Sutra positions with fitness workouts, including 350 illustrated sensual sexercises. Enhance your fitness while reaching new heights of sexual bliss with exciting sex positions designed to work and tone key muscle groups for both partners. Each clearly illustrated sexercise includes stats and tips to maximize your workout. Heart rate and flexibility ratings allow you to choose positions based on your level of fitness, then build your strength for more challenging positions. Whether you're in the mood for a high-intensity quickie or a lovemaking marathon, Kama Sutra Workout will help to get you physically fit and sexually satisfied.

Love and Orgasm

Among the various techniques of self-improvement and caring, I chose Tantric and Kashmiri massages to rediscover my body but also to experience an intensification of my sensations in order to get the most out of life. Nakedness, being touched all over our body enables us to renew with our prepubertal innocence, the innocence of childhood and the happy days when we were discovering tactile pleasure. We feel alive again As I received various Tantric massages in the course of my research, I tried to conceptualize the different techniques used and the impulse which transmits love through the sense of touch. This led directly to my taking note of what the different Tantric and Kashmiri massages have in common. The 6 full body massage protocols I describe in my book provide a framework for the moves to be performed and transitions to be smoothed out, as well as tips and tricks meant to increase the fluidity of a Tantric massage. You may simply draw your initial inspiration from these and go on to massage freely with an open heart. Tantric & Kashmiri massages includes various solo exercises such as undulatory orbital breathing, chakra balancing, and the Who-Am-I or karsai nei tsang self-massage, as well as a number of easy twosome exercises associated with the Tantra. In an age when we are constantly bombarded with stimuli of every sort, getting in tune with our own sensibility and that of our partners and even renewing contact with the sacred through shamanism or the Tantra will strengthen our sense of rootedness shattered by stress.

How to Have Feminist Sex

Sexual practices.

Ermyntrude and Esmeralda

A lonely squirrel goes searching for a new home, only to discover that the best place is one where the whole community can live together. Joining Barefoot's acclaimed collection of social-emotional titles, this tale offers the perfect opportunity to start conversations about coping with loneliness, the importance of community, and what makes a place feel like home. Beautiful illustrations by award-winning Italian artist Simona Mulazzani bring Squirrel's journey to life.

Playing with Forms

The mountain-goddess of many names, wife of Shiva, the third person of the Hindu Trinity, who is here termed Shambhu for Swayambhu, the Self-Existent. The invocation is abrupt and does not begin with the beginning, Ganesha (Janus), Lord of Incepts, who is invariably invoked by the Hindu, that he may further the new undertaking. This god is worshipped under the form of a short stout man, with an elephant's trunk and protuberant belly. (See Vol. III, P. 38, "A View of the History, Literature, and Mythology of the Hindus," by William Ward, of Serampore, London, 1832.) The loves of Krishna and the sixteen thousand milkmaids are recorded in the Bhagavat; this eleventh incarnation of Vishnu is a dark-blue man, playing with both hands upon the pipe, whilst Radha, his wife, stands his left side. Kamadeva, or the Hindu Cupid, the son of Bramha, is represented as a beautiful youth, the most lovely of all the gods, holding a bow and flower-tipped arrow, with which, while wandering through perfumed glades, accompanied by Rati, his spouse, he wounds the hearts of the inhabitants of the Triloka or Three Worlds. Sir William Jones says that he appears to correspond with the Greek Eros and the Roman Cupido, but that the Indian description of his person and arms, his family, attendants and attributes has new and peculiar beauties. Sambar' A'sura was one of the Rakshasas, gigantic and diabolical beings, whom Kama slew.

Kamasutra

What do you get when you combine the classic 2,000-year-old Indian treatise on the art of love with the most up-to-date paper-engineering techniques? This lively distillation of the world's most famous sex guide features choice excerpts from the original text.

Kama Sutra

Un manuale semplice ed efficace. Un must have per tutti coloro si avvicinano a questo ambito per la prima volta. Il linguaggio del corpo è una forma di comunicazione molto efficace. Tutte le posizioni sessuali del Kamasutra in un unico manuale illustrato.

Kamasutra Illustrato

The fruit of years of training, research and counseling experience, Janelle Hallman has drawn together a comprehensive resource for those who are interested in understanding and counseling women in conflict with same sex attraction. In this ground-breaking work, Hallman sets forth the unique dimensions of struggle that women experience through the presentation of research, interviews and clinical experience. This is an indispensable guide for understanding and a manual for counseling adult women seeking to "mature in giving and receiving love in all of [their] relationships, and no longer be restricted by destructive relational patterns."

The Right Place

A quirkily illustrated, brilliantly risqué, but thoroughly practical, guide to the peculiarities of one of the trickiest languages on earth, for (strictly adult) students of English as a foreign language and native speakers alike Do you know when to use whether opposed to if? For example, I wonder whether I should have added a little more poison to his tea? Or where to place the comma in a conditional sentence? English is Not Easy presents the intricacies of the English language in a whimsically illustrated guide that is appealing even to the grammar averse. If all other language and grammar guides leave you snoring, look no further. English Is Not Easy doesn't offer run-of-the-mill phrases about extreme sports and atmospheric conditions that you'll learn in a generic English textbook. This book offers vocabulary for situations the reader will actually find themselves in. Need an insult? Those are here, too, and imbecile is the kindest of the bunch. From 'to be' to complicated verb tenses and seemingly nonsensical idioms, Luci's characters, cheeky dialogue, and playful sentences bring the vocabulary, grammar and usage to life. For those who haven't brushed up on grammar since primary school or non-native English speakers looking to improve conversation, English Is Not Easy is a fresh and infectious guide to revisiting the rules with striking illustrative adventure along the way.
