Master the techniques and problem-solving skills needed to manage spinal and TMJ disorders! Manual Physical Therapy of the Spine, 2nd Edition provides guidelines to manipulation, manual physical therapy examination, and treatment procedures of the spine and temporomandibular joint. Informed by evidence-based research, this text offers detailed instructions for reaching an accurate diagnosis and developing a plan of care. Written by well-known spinal manipulation expert Kenneth Olson, this resource provides the complete information you need to make sound decisions during clinical interventions. Descriptions of manual therapy techniques include evidence-based coverage of the examination and treatment of spine and TMJ disorders, along with discussions of alternative treatment methods and potential adverse effects and contraindications to manipulation. Guidelines for completing a comprehensive spinal examination include medical screening, the patient interview, disability assessment, and tests and measures, along with an evaluation of the examination findings and the principles involved in arriving at a diagnosis and plan of care. Impairment-based manual physical therapy approach includes a

review of the evidence to support its use to evaluate and treat spinal and TMJ conditions. Case studies demonstrate the clinical reasoning used in manual physical therapy. Guide to Physical Therapist Practice terminology is incorporated throughout the book, using accepted terms familiar in physical therapy settings. Expert author Ken Olson is a highly respected authority on the subject of spinal manipulation in physical therapy. A clear, consistent format for explaining techniques makes this reference easy to use in the clinical setting. NEW! Coverage of emerging topics includes soft tissue assessment, mobilization, dry needling, myofascial pain and trigger points, thoracic outlet syndrome, cervicogenic dizziness, and differentiation of headache types, plus expanded coverage of examination procedures and psychologically informed management strategies for chronic low back pain. NEW! Full-color design and photographs show essential concepts and procedures from multiple angles, illustrating hand and body placement and direction of force. UPDATED evidence-based research provides the latest thinking on manual therapy of the spine.

Struggling to find time to study for the GMAT? Brandon Wu's '30 Day GMAT Success' might be exactly the right remedy for you. Devised out of desperation and an impending admissions deadline Brandon developed a highly effective strategy that aimed to; (a) achieve a high score in (b) a limited amount of time! What he discovered was genius - a simple way to create a self-tailored study plan, and THE MOST EFFECTIVE test-taking techniques available. The result? An incredible score of 780. That put him in the top 1% of all GMAT test-takers! Eliminate the need to over-study everything and learn way too many strategies. Study smart: cut down your workload, focus on your weakest spots and try these tested techniques today. What you will not find here is a pointless repetition of practice questions. Practice questions are incredibly valuable but the only ones you need are those official ones published by the Graduate Management Admissions Council (GMAC). Therefore, to compliment your '30 Day GMAT Success' study guide, we recommend also purchasing 'The Official Guide for GMAT Review'.

The GMAT Reading Comprehension strategy guide empowers students to tackle puzzling questions about difficult reading passages on the GMAT. It teaches how to peel back layers of complicated wording to make sense of confusing content and find proof for the correct answer quickly. Unlike other guides that attempt to

convey everything in a single tome, the GMAT Reading Comprehension strategy guide is designed to provide deep, focused coverage of one specialized area tested on the GMAT. As a result, students benefit from thorough and comprehensive subject material, clear explanations of fundamental principles, and step-by-step instructions of important techniques. In-action practice problems and detailed answer explanations challenge the student, while topical sets of Official Guide problems provide the opportunity for further growth. Used by itself or with other Manhattan Prep Strategy Guides, the GMAT Reading Comprehension strategy guide will help students develop all the knowledge, skills, and strategic thinking necessary for success on the GMAT. Purchase of this book includes one year of access to Manhattan Prep's Reading Comprehension Question Bank. All of Manhattan Prep's GMAT Strategy Guides are aligned with the GMAC Official Guide, 2016 edition.

University" Drawing upon research from leading scholars in the fields of social psychology, organization behavior, sociology, and cognitive psychology, this invaluable resource for both young managers and seasoned executives alike covers both basic and cutting-edge team building and management principles as it outlines in a clear, step-by-step fashion how to improve the functioning of teams within an organization. Introduces the basic building blocks for analyzing and perfecting teamwork; addresses the assessment of a team's performance and productivity; and discusses when and how to reward teamwork in organizations. Focuses on "internal dynamics," i.e, structuring tasks, selecting people, and fostering team relationships; how teams communicate, process information, and create a collective team intelligence; and ways to bring out a team's maximum creativity. Covers "external dynamics," i.e, team boundaries, inter-team relations, networking, and boundary-spanning; dual-tasks of effective leadership; issues of conflict and competition between teams in the organization; and the impact of information technology on both global and local teamwork. Begins each chapter with a case study of a real team and company, and includes practical appendices that include tips on how to run a meeting; discussions on how to build and maintain an effective study group; and examples of 360-degree evaluations. For organizational managers and team leaders.
