A collection of poems from the heart of Jody-Anne E. Taylor-Green, who grew through depression, anxiety and low self-esteem. Go, Grow, Glow is a divine inspiration from God to push forward, despite personal fears and insecurities that have truly helped Jody-Anne to take on growing from a shy and seemingly quiet teenage girl, to a young woman who stands boldly in faith and whole-hearted trust in the Most High God. GO: Do what life allows for you to experience. GROW: Love all that you are and appreciate everyone with the life lessons they leave. GLOW: Experience and embrace the glow that will shine through you as God's love takes over your whole being! Take a chance and challenge yourself to go into doing what you must do to live a fulfilled life. Grow through each challenge that comes your way. Prepare for and embrace the glow that will show up your beauty, and victory, through God's grace. Reach for the best life has to offer you and continue living with hope for true purpose in life.
