It all comes down to this: the final confrontation between Kong and those damn dirty apes who tore him from his home!

Exciting Times

One of The New York Times' 100 Notable Books of 2017 “A pinball machine zinging with sharp dialogue, breathtaking plot twists and naughty humor McBride at his brave and joyous best.” —New York Times Book Review
Exciting new fiction from James McBride, the first since his National Book Award-winning novel *The Good Lord Bird*. The stories in *Five-Carat Soul*—none of them ever published before—spring from the place where identity, humanity, and history converge. They’re funny and poignant, insightful and unpredictable, imaginative and authentic—all told with McBride’s unrivaled storytelling skill and meticulous eye for character and detail. McBride explores the ways we learn from the world and the people around us. An antiques dealer discovers that a legendary toy commissioned by Civil War General Robert E. Lee now sits in the home of a black minister in Queens. Five strangers find themselves thrown together and face unexpected judgment. An American president draws inspiration from a conversation he overhears in a stable. And members of *The Five-Carat Soul Bottom Bone Band* recount stories from their own messy and hilarious lives. As McBride did in his National Book award-winning *The Good Lord Bird* and his bestselling *The Color of Water*, he writes with humor and insight about how we struggle to understand who we are in a world we don’t fully comprehend. The result is a surprising, perceptive, and evocative collection of stories that is also a moving exploration of our human condition.

The David Story: A Translation with Commentary of 1 and 2 Samuel

King Kong Theory is Despentess' candid account of how she became notorious: reviled and admired in equal measure for her rape-revenge novel turned film, *Baise-Moi*, she is the poster girl for modern female rebellion. Powerful, provocative

and personal, King Kong Theory describes the ways her ideas have been shaped by her experiences of rape, prostitution and working in the porn industry. Feminist theory sheds its fusty image and takes on a punk mentality as Despentes claims that sisterhood explodes our belief in feminine perfection and creates a space for all those who can't or won't obey the rules. Woolf and de Beauvoir are revived and updated by the loudest, most fiercely unapologetic misfit writing in France today.

The Letter for the King

Critiques films about prehistoric animals, ranging in quality from classics like *The Lost World* (1925), *King Kong* (1933), and *One Million B.C.* (1940), to duds like *Reptilicus* (1962).

Make Change

“A captivating memoir of change. A hope-filled sermon for change. A tactical blueprint for how we can each make change. *Make Change* is all three and all the more towards an equitable and just world.” —Ibram X. Kendi, National Book Award-winning author of *Stamped from the Beginning* and *How to Be an Antiracist* Activist and journalist Shaun King reflects on the events that made him one of the most prominent social justice leaders of our time and lays out a clear action plan for you to join the fight. As a leader of the Black Lives Matter movement, Shaun King has become one of the most recognizable and powerful voices on the front lines of civil rights in our time. His commitment to reforming the justice system and making America a more equitable place has brought challenges and triumphs, soaring victories and crushing defeats. Throughout his wide-ranging activism, King’s commentary remains rooted in both exhaustive research and abundant passion. In *Make Change*, King offers an inspiring look at the moments that have shaped his life and considers the ways social movements can grow and evolve in this hyper-connected era. He shares stories from his efforts leading the *Raise the Age* campaign and his work fighting police brutality, while providing a roadmap for how to stay sane, safe, and motivated even in the worst of political climates. By turns infuriating, inspiring, and educational, *Make Change* will resonate with those who believe that America can—and must—do better.

King Lear

"I loved this book not just from the first chapter or the first page but from the first paragraph The voice is just so honest and riveting and insightful about creativity and life." —Curtis Sittenfeld #ReadWithJenna Book Club Pick as Featured on Today Emma Roberts Belletrist Book Club Pick A New York Times Book Review’s Group Text Selection An extraordinary new novel of art, love, and ambition from Lily King, the New York Times bestselling author of *Euphoria* Following the breakout success of her critically acclaimed and award-winning novel *Euphoria*, Lily King returns with another instant New York Times bestseller: an unforgettable portrait of an artist as a young woman. Blindsided by her mother’s sudden death, and wrecked by a recent love affair, Casey Peabody has arrived in Massachusetts in the summer of 1997 without a plan. Her mail consists of wedding invitations and final notices from debt collectors. A former child golf prodigy, she now waits tables in Harvard Square

and rents a tiny, moldy room at the side of a garage where she works on the novel she's been writing for six years. At thirty-one, Casey is still clutching onto something nearly all her old friends have let go of: the determination to live a creative life. When she falls for two very different men at the same time, her world fractures even more. Casey's fight to fulfill her creative ambitions and balance the conflicting demands of art and life is challenged in ways that push her to the brink. *Writers & Lovers* follows Casey—a smart and achingly vulnerable protagonist—in the last days of a long youth, a time when every element of her life comes to a crisis. Written with King's trademark humor, heart, and intelligence, *Writers & Lovers* is a transfixing novel that explores the terrifying and exhilarating leap between the end of one phase of life and the beginning of another.

The Outsider

To facilitate scalability and resilience, many organizations now run applications in cloud native environments using containers and orchestration. But how do you know if the deployment is secure? This practical book examines key underlying technologies to help developers, operators, and security professionals assess security risks and determine appropriate solutions. Author Liz Rice, VP of open source engineering at Aqua Security, looks at how the building blocks commonly used in container-based systems are constructed in Linux. You'll understand what's happening when you deploy containers and learn how to assess potential security risks that could affect your deployments. If you run container applications with kubectl or docker and use Linux command-line tools such as ps and grep, you're ready to get started. Explore attack vectors that affect container deployments Dive into the Linux constructs that underpin containers Examine measures for hardening containers Understand how misconfigurations can compromise container isolation Learn best practices for building container images Identify container images that have known software vulnerabilities Leverage secure connections between containers Use security tooling to prevent attacks on your deployment

Deacon King Kong

The Films of Fay Wray

A collection of five short stories that have been made into movies includes "The Mangler," in which a skeptical writer investigates a supposedly haunted hotel room that has apparently caused at least forty-two deaths.

Kong

Widely acclaimed as a horror movie actress, Fay Wray is best remembered for her performances in *King Kong* and four other classic 1930s film thrillers, *Doctor X*, *The Most Dangerous Game*, *Mystery of the Wax Museum* and *The Vampire Bat*. Yet Wray appeared in 77 feature films between 1925 and 1958, playing leading roles in 67. Many of her films, including her entire silent film output, have been lost or are available only on a limited basis. This heavily illustrated filmography at last makes

obvious her sizeable contribution to the film industry. After an overview of her professional acting career, the filmography is divided into three sections. The first introduces Wray's early silent feature film appearances; the second covers her "leading lady" period in popular horror thrillers and other films in the sound era; and the third covers her latter-day supporting roles. Appendices document her work in film shorts and her television appearances. Commentary throughout includes first-person interviews with Fay Wray.

King Kong

This riveting sequel to "My Bloody Life" traces Reymundo Sanchez's struggle to create a "normal" life outside the Latin Kings, one of the nation's most notorious street gangs, and to move beyond his past. Sanchez illustrates how the Latin King motto "once a king, always a king" rings true and details the difficulty and danger of leaving that life behind. Filled with heart-pounding scenes of his backslide into drugs, sex, and violence, *Once a King, Always a King* recounts how Sanchez wound up behind bars and provides an engrossing firsthand account of how the Latin Kings are run from inside the prison system. Harrowing testaments to Sanchez's determination to rebuild his life include his efforts to separate his family from gang life and his struggle to adapt to marriage and the corporate world. Despite temptations, nightmares, regressions into violence, and his own internal demons, Sanchez makes an uneasy peace with his new life. This raw, powerful, and brutally honest memoir traces the transformation of an accomplished gangbanger into a responsible citizen.

Beasts and Behemoths

Sixteen-year-old Tiuri must spend hours locked in a chapel in silent contemplation if he is to be knighted the next day. But as he waits by the light of a flickering candle, he hears a knock at the door and a voice desperately asking for help. A secret letter must be delivered to King Unauwen across the Great Mountains--a letter upon which the fate of the entire kingdom depends. Tiuri has a vital role to play, one that might cost him his knighthood. He must trust no one. He must keep his true identity secret. Above all, he must never reveal what is in the letter . . . Tiuri's journey will take him through dark, menacing forests, across treacherous rivers, to sinister castles and strange cities. He will encounter evil enemies who would kill to get the letter, but also the best of friends in the most unexpected places.

King, Warrior, Magician, Lover

McBride brings to vivid life the people affected by a shooting. As the story deepens, it becomes clear that the lives of the characters - caught in the tumultuous swirl of 1960s New York - overlap in unexpected ways

Practical Cloud Security

Kong on the Planet of the Apes #6

A giant ape is captured and brought from his remote island home by an ambitious promoter who hopes to use King Kong as the ultimate attraction, in an authorized reworking of the classic novel. Original.

Anthony Browne's King Kong

From legendary master storyteller Stephen King, a riveting story about “an ordinary man in an extraordinary condition rising above hatred” (The Washington Post) and bringing the fictional town of Castle Rock, Maine together—a “joyful, uplifting” (Entertainment Weekly) tale about finding common ground despite deep-rooted differences, “the sign of a master elevating his own legendary game yet again” (USA TODAY). Although Scott Carey doesn’t look any different, he’s been steadily losing weight. There are a couple of other odd things, too. He weighs the same in his clothes and out of them, no matter how heavy they are. Scott doesn’t want to be poked and prodded. He mostly just wants someone else to know, and he trusts Doctor Bob Ellis. In the small town of Castle Rock, the setting of many of King’s most iconic stories, Scott is engaged in a low grade—but escalating—battle with the lesbians next door whose dog regularly drops his business on Scott’s lawn. One of the women is friendly; the other, cold as ice. Both are trying to launch a new restaurant, but the people of Castle Rock want no part of a gay married couple, and the place is in trouble. When Scott finally understands the prejudices they face—including his own—he tries to help. Unlikely alliances, the annual foot race, and the mystery of Scott’s affliction bring out the best in people who have indulged the worst in themselves and others. “Written in masterly Stephen King’s signature translucent...this uncharacteristically glimmering fairy tale calls unabashedly for us to rise above our differences” (Booklist, starred review). Elevation is an antidote to our divisive culture, an “elegant whisper of a story” (Kirkus Reviews, starred review), “perfect for any fan of small towns, magic, and the joys and challenges of doing the right thing” (Publishers Weekly, starred review).

The Journey to the West

Looks at the life and legacy of King Solomon, describing his temple, the nature of his wisdom, and his biblical writings.

Reproduction of the original: The Mirror of Kong Ho by Ernest Bramah

King Kong Theory

Second version

The King Kong Joke Book

There is a reason why Stephen King is one of the bestselling writers in the world, ever. Described in the Guardian as 'the most remarkable storyteller in modern American literature', Stephen King writes books that draw you in and are

impossible to put down. Part memoir, part master class by one of the bestselling authors of all time, this superb volume is a revealing and practical view of the writer's craft, comprising the basic tools of the trade every writer must have. King's advice is grounded in the vivid memories from childhood through his emergence as a writer, from his struggling early career to his widely reported, near-fatal accident in 1999 - and how the inextricable link between writing and living spurred his recovery.

RESTful API Design

On Writing

Skull Island: The Birth of Kong

The bestselling, widely heralded, Jungian introduction to the psychological foundation of a mature, authentic, and revitalized masculinity. Redefining age-old concepts of masculinity, Jungian analysts Robert Moore and Douglas Gillette make the argument that mature masculinity is not abusive or domineering, but generative, creative, and empowering of the self and others. Moore and Gillette clearly define the four mature male archetypes that stand out through myth and literature across history: the king (the energy of just and creative ordering), the warrior (the energy of aggressive but nonviolent action), the magician (the energy of initiation and transformation), and the lover (the energy that connects one to others and the world), as well as the four immature patterns that interfere with masculine potential (divine child, oedipal child, trickster and hero). King, Warrior, Magician, Lover is an exploratory journey that will help men and women reimagine and deepen their understanding of the masculine psyche.

Mister Spoonface

Containing chapters 51-100 of China's best-loved work, in an edited, yet complete and wholly accurate translation for the Western reader. Travel with Monkey, Pig, Friar Sand and the Tang Priest as they continue their journey to India and finally attain the scriptures. Volume 2 contains some of the most famous episodes from this classic, including Monkey's duel with the Princess Iron Fan.

Geek Monthly

They used to call King Kong the "tallest, strongest, handsomest leading man in Hollywood." Now you can add that he's howling funny as well. Jokes and humor with Godzilla, Mothra, Tarzan and others of the Monster-Verse.

The Illustrated London News

Now an HBO limited series starring Ben Mendelsohn! Evil has many faces...maybe even yours in this #1 New York Times bestseller from master storyteller Stephen King. An eleven-year-old boy's violated corpse is discovered in a town park.

Eyewitnesses and fingerprints point unmistakably to one of Flint City's most popular citizens—Terry Maitland, Little League coach, English teacher, husband, and father of two girls. Detective Ralph Anderson, whose son Maitland once coached, orders a quick and very public arrest. Maitland has an alibi, but Anderson and the district attorney soon have DNA evidence to go with the fingerprints and witnesses. Their case seems ironclad. As the investigation expands and horrifying details begin to emerge, King's story kicks into high gear, generating strong tension and almost unbearable suspense. Terry Maitland seems like a nice guy, but is he wearing another face? When the answer comes, it will shock you as only Stephen King can.

The Man Who Would Be King (□□□□□□)

Looking for Best Practices for RESTful APIs? This book is for you! Why? Because this book is packed with practical experience on what works best for RESTful API Design. You want to design APIs like a Pro? Use API description languages to both design APIs and develop APIs efficiently. The book introduces the two most common API description languages RAML, OpenAPI, and Swagger. Your company cares about its customers? Learn API product management with a customer-centric design and development approach for APIs. Learn how to manage APIs as a product and how to follow an API-first approach. Build APIs your customers love! You want to manage the complete API lifecycle? An API development methodology is proposed to guide you through the lifecycle: API inception, API design, API development, API publication, API evolution, and maintenance. You want to build APIs right? This book shows best practices for REST design, such as the correct use of resources, URIs, representations, content types, data formats, parameters, HTTP status codes, and HTTP methods. Your APIs connect to legacy systems? The book shows best practices for connecting APIs to existing backend systems. Your APIs connect to a mesh of microservices? The book shows the principles for designing APIs for scalable, autonomous microservices. You expect lots of traffic on your API? The book shows you how to achieve high performance, availability and maintainability. You want to build APIs that last for decades? We study API versioning, API evolution, backward- and forward-compatibility and show API design patterns for versioning. The API-University Series is a modular series of books on API-related topics. Each book focuses on a particular API topic, so you can select the topics within APIs, which are relevant for you.

Once a King, Always a King

Stephen King Goes to the Movies

Essays on gay life in the Philippines.

Solomon

With their rapidly changing architecture and API-driven automation, cloud platforms come with unique security challenges and opportunities. This hands-on book guides you through security best practices for multivendor cloud

environments, whether your company plans to move legacy on-premises projects to the cloud or build a new infrastructure from the ground up. Developers, IT architects, and security professionals will learn cloud-specific techniques for securing popular cloud platforms such as Amazon Web Services, Microsoft Azure, and IBM Cloud. Chris Dotson—an IBM senior technical staff member—shows you how to establish data asset management, identity and access management, vulnerability management, network security, and incident response in your cloud environment.

King Kong

“This debut novel about an Irish expat millennial teaching English and finding romance in Hong Kong is half Sally Rooney love triangle, half glitzy Crazy Rich Asians high living—and guaranteed to please.” —Vogue AN ANTICIPATED BOOK FROM: Vogue * Elle * O, the Oprah Magazine * Esquire * Harper's Bazaar * PopSugar * LitHub An intimate, bracingly intelligent debut novel about a millennial Irish expat who becomes entangled in a love triangle with a male banker and a female lawyer Ava, newly arrived in Hong Kong from Dublin, spends her days teaching English to rich children. Julian is a banker. A banker who likes to spend money on Ava, to have sex and discuss fluctuating currencies with her. But when she asks whether he loves her, he cannot say more than "I like you a great deal." Enter Edith. A Hong Kong-born lawyer, striking and ambitious, Edith takes Ava to the theater and leaves her tulips in the hallway. Ava wants to be her—and wants her. And then Julian writes to tell Ava he is coming back to Hong Kong Should Ava return to the easy compatibility of her life with Julian or take a leap into the unknown with Edith? Politically alert, heartbreakingly raw, and dryly funny, Exciting Times is thrillingly attuned to the great freedoms and greater uncertainties of modern love. In stylish, uncluttered prose, Naoise Dolan dissects the personal and financial transactions that make up a life—and announces herself as a singular new voice.

Container Security

Powerful tragedy of an aging king, betrayed by his daughters, robbed of his kingdom, descending into madness. Perhaps the bleakest of Shakespeare's tragic dramas, complete with explanatory footnotes.

Merian C. Cooper's King Kong

"A masterpiece of contemporary Bible translation and commentary."—Los Angeles Times Book Review, Best Books of 1999 Acclaimed for its masterful new translation and insightful commentary, The David Story is a fresh, vivid rendition of one of the great works in Western literature. Robert Alter's brilliant translation gives us David, the beautiful, musical hero who slays Goliath and, through his struggles with Saul, advances to the kingship of Israel. But this David is also fully human: an ambitious, calculating man who navigates his life's course with a flawed moral vision. The consequences for him, his family, and his nation are tragic and bloody. Historical personage and full-blooded imagining, David is the creation of a literary artist comparable to the Shakespeare of the history plays.

Brusko Pink, King Kong Barbies & Other Queer Files

When a movie crew lands on an unknown island, Ann Darrow, the leading lady, is kidnapped as an offering to the giant ape, King Kong

The Mirror of Kong Ho

The definitive modern take on the timeless tale of King Arthur and his Knights of the Round table. The legends of King Arthur date back to medieval Europe, and have become some of the dominant myths of Western culture. In *The Once & Future King*, T. H. White reinvents the story for a modern audience. The novel starts by introducing the reader to a young Arthur – just a child, and far from the King he will become – as he is raised by the wizard Merlyn, and moves on to chronicle his rise to Kingship, the affair between Guinevere and Lancelot, and the eventual destruction of the round table. The first section, released independently as *The Sword in the Stone*, was adapted into an animated film by Walt Disney Pictures. Penguin Random House Canada is proud to bring you classic works of literature in e-book form, with the highest quality production values. Find more today and rediscover books you never knew you loved.

The King Kong Effect

Chronicling the making of all seven feature films in which King Kong has appeared - including the Peter Jackson film due for release in December 2005 - this book includes coverage of all the original films as well as the many variants and offshoots.

The Shi King, the Old "Poetry Classic" of the Chinese

Fred never thought he wanted children and now it's all he can think about. When presented with the chance to have his own unorthodox family he gives in to a dark obsession. A thoroughly modern novel about parenthood, responsibility and obsession.

How to Be an Antiracist

#1 NEW YORK TIMES BESTSELLER • From the National Book Award-winning author of *Stamped from the Beginning* comes a “groundbreaking” (Time) approach to understanding and uprooting racism and inequality in our society—and in ourselves. “The most courageous book to date on the problem of race in the Western mind.”—The New York Times NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • Time • NPR • The Washington Post • Shelf Awareness • Library Journal • Publishers Weekly • Kirkus Reviews Antiracism is a transformative concept that reorients and reenergizes the conversation about racism—and, even more fundamentally, points us toward liberating new ways of thinking about ourselves and each other. At its core, racism is a powerful system that creates false hierarchies of human value; its warped logic extends beyond race, from the way we regard people of different ethnicities or skin colors to the way we treat people of different sexes, gender identities, and body types. Racism

intersects with class and culture and geography and even changes the way we see and value ourselves. In *How to Be an Antiracist*, Kendi takes readers through a widening circle of antiracist ideas—from the most basic concepts to visionary possibilities—that will help readers see all forms of racism clearly, understand their poisonous consequences, and work to oppose them in our systems and in ourselves. Kendi weaves an electrifying combination of ethics, history, law, and science with his own personal story of awakening to antiracism. This is an essential work for anyone who wants to go beyond the awareness of racism to the next step: contributing to the formation of a just and equitable society. Praise for *How to Be an Antiracist* “Ibram X. Kendi’s new book, *How to Be an Antiracist*, couldn’t come at a better time. . . . Kendi has gifted us with a book that is not only an essential instruction manual but also a memoir of the author’s own path from anti-black racism to anti-white racism and, finally, to antiracism. . . . *How to Be an Antiracist* gives us a clear and compelling way to approach, as Kendi puts it in his introduction, ‘the basic struggle we’re all in, the struggle to be fully human and to see that others are fully human.’ ”—NPR “Kendi dissects why in a society where so few people consider themselves to be racist the divisions and inequalities of racism remain so prevalent. *How to Be an Antiracist* punctures the myths of a post-racial America, examining what racism really is—and what we should do about it.”—Time

The Once & Future King

“DO YOU WANT TO KNOW THE TRUTH?” As the ultimate monster icon returns to the big screen in the global blockbuster *Kong: Skull Island*, Legendary Comics expands the MonsterVerse with the official graphic novel prequel to the film. Discover the secrets of Kong’s mythic origins as the cryptozoological adventurers of Monarch return to the birthplace of one our world’s greatest wonders. As a journey of discovery becomes a desperate escape mission, a team of operatives will fight to survive the hidden dangers of the island – and each other. Now available for the first time as one epic saga, join Monarch’s mission into myth, revealing the untold history of this god-like creature and the battle for survival that made him the last of his kind. This all-new collected edition includes declassified files from the Monarch datacore, revealing expert zoological analysis of some of Skull Island’s most extraordinary florafauna.

Five-Carat Soul

This anthology of tales by Rudyard Kipling contains some of the most memorable and popular examples of the genre of which he is an undisputed master. *The Man Who would be King* (later adapted as a spectacular film) is a vivid narrative of exotic adventure and disaster.
