Latino Los Angeles

Al contrario di quanto avviene solitamente nei romanzi del genere noir, gli eroi in questo libro di delitti e misteri agiscono alla luce del luminoso sole di Grecia. Storie del tutto imprevedibili, che avvengono ora nella casa accanto, ora nelle bianche isole greche o talvolta nelle azzurre profondità del mare. Tra i misteri e i codici del teatro antico, o sul sedile di una rossa Ferrari, alla fine matura sempre un atroce delitto. Lassassino sa il perché! La signora Gilda si impossessa della Casa degli oleandri; Nassos rincorre Lauto rossa delle donne di facebook; davanti al faro dell'isola di Paros, sotto lo sguardo della telecamera della CNN avviene la scoperta di un singolare delitto; Oreste nell'antico teatro di Epidauro indaga i misteri di

Asclepio e trova la sua Elena. Un rasta va alla ricerca dei segreti della sirena tra le rocce della fortezza veneziana di Monenvassia; il marinaio Mimis decide di porre fine all'angoscia che gli procurano i sofismi del Maestro; Uninnocua amicizia entra nella vita di un marito geloso. Le Theatre

"Until recently, most research on Latina/os in the U.S. has ignored historical and contemporary dynamics in Latin America, just as scholars of Latin America have generally stopped their studies at the border. This volume roots Los Angeles in the larger arena of globalization, exploring the demographic changes that have transformed the Latino presence in LA from primarily Mexican-origin to one that now includes peoples from throughout the hemisphere. Bringing together scholars from a range of disciplines, it combines historical perspectives with analyses of power and inequality to consider how Latina/os are responding to exclusionary immigration, labor, and schooling practices and actively creating communities. Book jacket."--BOOK JACKET.

Notes

"Geographia" A1 Atlas of Bristol

Merchant Vessels of the United States (including Yachts)

The fifth volume of The Oxford History of Historical Writing offers essays by leading scholars on the writing of history globally since 1945. Divided into two parts, part one selects and surveys theoretical and interdisciplinary approaches to history, and part two examines select national and regional historiographies throughout the world. It aims at once to provide an authoritative survey of the field and to provoke cross-cultural comparisons. This is chronologically the last of five volumes in a series that explores representations of the past across the globe from the beginning of writing to the present day.

Merchant Vessels of the United States

In Giacomo Puccini: A Discography, librarian and music historian Roger Flury brings together information on nearly 10,000 recordings of Giacomo Puccini's music. Flury looks at each of Puccini's operas chronologically from Le Villi to Turandot, followed by sections on Puccini's instrumental, chamber, orchestral, and solo vocal works. Details of each complete opera are listed by recording date, followed by excerpts in the order in which they occur in the opera. Recordings of each aria are listed

alphabetically by the name of the artist. For ease of use, Flury establishes as the main criteria for inclusion those recordings assigned a commercial issue number and available for purchase, ensuring that this audio recording history of Puccini is free of gaps.
