### There Was an Old Lady Who Swallowed a Bat!

My campaign manager says no one wants a bachelor in the White House and this election is drawing near. The solution? To hold a cattle call, and what's up for auction? Me. Lucky for me I cross paths with Mandy Buchanan—a feisty blonde who isn't afraid to call me a jerk to my face. But she's in quite the predicament herself. Mandy needs money since her dad refuses to pay for a frivolous degree. So, we strike a bargain. I get a wife, and she gets her degree. The deal was simple. No complications. No problems. While Mandy pretends to be the perfect First Lady, I start noticing her in a way that has nothing to do with politics or practicality. Those curves. Her eyes. The way her face lights up when she talks about her work. She's beautiful. Suddenly she's no longer just a pawn to help me get into the White House. She's more than that, and I no longer want to play pretend. I want her to be mine in every way. Now I just need to convince her that our sham marriage might just be the real deal.

### Jamaica Ladies

“I used to be a lesbian.” In *Gay Girl, Good God*, author Jackie Hill Perry shares her own story, offering practical tools that helped her in the process of finding wholeness. Jackie grew up fatherless and experienced gender confusion. She embraced masculinity and homosexuality with every fiber of her being. She knew that Christians had a lot to say about all of the above. But was she supposed to change herself? How was she supposed to stop loving women, when homosexuality felt more natural to her than heterosexuality ever could? At age nineteen, Jackie came face-to-face with what it meant to be made new. And not in a church, or through contact with Christians. God broke in and turned her heart toward Him right in her own bedroom in light of His gospel. Read in order to understand. Read in order to hope. Or read in order, like Jackie, to be made new.

### Lady Gregory

## File Type PDF Lady On The Hill How Biltmore Estate Became An American Icon

After rising from poverty to earn two Ivy League degrees, an Appalachian lawyer pays tribute to the strong “hill women” who raised and inspired her, and whose values have the potential to rejuvenate a struggling region. “Destined to be compared to Hillbilly Elegy and Educated.”—BookPage (starred review) “Poverty is enmeshed with pride in these stories of survival.”—Associated Press Nestled in the Appalachian mountains, Owsley County is one of the poorest counties in both Kentucky and the country. Buildings are crumbling and fields sit vacant, as tobacco farming and coal mining decline. But strong women are finding creative ways to subsist in their hollers in the hills. Cassie Chambers grew up in these hollers and, through the women who raised her, she traces her own path out of and back into the Kentucky mountains. Chambers’s Granny was a child bride who rose before dawn every morning to raise seven children. Despite her poverty, she wouldn’t hesitate to give the last bite of pie or vegetables from her garden to a struggling neighbor. Her two daughters took very different paths: strong-willed Ruth—the hardest-working tobacco farmer in the county—stayed on the family farm, while spirited Wilma—the sixth child—became the first in the family to graduate from high school, then moved an hour away for college. Married at nineteen and pregnant with Cassie a few months later, Wilma beat the odds to finish school. She raised her daughter to think she could move mountains, like the ones that kept her safe but also isolated her from the larger world. Cassie would spend much of her childhood with Granny and Ruth in the hills of Owsley County, both while Wilma was in college and after. With her “hill women” values guiding her, Cassie went on to graduate from Harvard Law. But while the Ivy League gave her knowledge and opportunities, its privileged world felt far from her reality, and she moved back home to help her fellow rural Kentucky women by providing free legal services. Appalachian women face issues that are all too common: domestic violence, the opioid crisis, a world that seems more divided by the day. But they are also community leaders, keeping their towns together in the face of a system that continually fails them. With nuance and heart, Chambers uses these women’s stories paired with her own journey to break down the myth of the hillbilly and illuminate a region whose poor communities, especially women, can lead it into the future.

### **River Lady**

Lady Katherine Gordon, daughter of the much-married Earl of Huntly, starts life with a handicap; she is uncertain which of her father's wives had been her mother. Her courage and beauty overcome this uncertainty, and in course of a varied life she acquires the lasting devotion of her own king, James IV, and of many other men.

### **Elizabeth Widville, Lady Grey**

WARNING: ETIQUETTE IS BACK THIS TIME IT'S SEXY! The old-fashioned, repressed, bland man has been banished to the Himalayas and a new breed is taking center stage. He is a man of style, sophistication, and security, just as strong and confident as his predecessor, but far more diverse in his interests, his tastes, and, most importantly, his self-image. He may be seen at an NBA game one night and an art gallery opening the next. Bereolaesque is that much needed fusion between being a gentleman and being sexy. This savoir-faire man's guide walks every man

through the stages of ordinary to excellence in just two hundred pages. Perfect for that coffee table discussion, Bereolaesque lends quality information to everyday people and celebrities alike. Beyond the book's mysteriously eye capturing cover are innovative and appealing ways to maneuver through life's crazes, while keeping cool and maintaining manners. In the midst of a world plagued with economic turmoil, tasteless politics and dark behavior, the gentleman is refreshing and necessary. Bereolaesque is for every man and every woman who believe that chivalry is NOT dead, and individuals who are willing to learn exactly how far something as simple as being a gentleman and proper etiquette can get you in life. Not to mention, ladies are always quite pleased to meet a real gentleman

## **Gay Girl, Good God**

Lady Gregory, Abbey Theatre founder and patron of W. B. Yeats, writer and daughter of a Galway landowner, became a key figure in the Irish Revival. This new biography investigates Augusta Gregory's varied relationships and the contradictions and achievements of her life. This portrait of a fascinating woman places Lady Gregory in the Ireland of her time, showing how her nationalism in politics and literature shaped her life and work.

## **His First Lady**

"Billie Holiday deserves a biography in which her musicianship isn't overshadowed by the tragic events of her life. O'Meally has written that book," says Entertainment Weekly about this absorbing and authoritative account of the greatest jazz singer in history. O'Meally emphasizes Holiday's artistry and training rather than her personal miseries, and he uses voluminous archival material to correct common myths about Holiday. Chronicling her rigorous musical apprenticeship in Baltimore, her reception in New York by Benny Goodman and Duke Ellington, and her work with various musicians, particularly Lester Young, Lady Day is an impassioned testament to Holiday's genius that confirms her place in American jazz.

## **The White Lady**

The New York Times and USA Today bestseller! "a hauntingly atmospheric love letter to the first mobile library in Kentucky and the fierce, brave packhorse librarians who wove their way from shack to shack dispensing literacy, hope, and — just as importantly — a compassionate human connection."—Sara Gruen, author of *Water for Elephants* The hardscrabble folks of Troublesome Creek have to scrap for everything—everything except books, that is. Thanks to Roosevelt's Kentucky Pack Horse Library Project, Troublesome's got its very own traveling librarian, Cussy Mary Carter. Cussy's not only a book woman, however, she's also the last of her kind, her skin a shade of blue unlike most anyone else. Not everyone is keen on Cussy's family or the Library Project, and a Blue is often blamed for any whiff of trouble. If Cussy wants to bring the joy of books to the hill folks, she's going to have to confront prejudice as old as the Appalachias and suspicion as deep as the holler. Inspired by the true blue-skinned people of Kentucky and the brave and dedicated Kentucky Pack Horse library service of the 1930s, *The Book Woman of Troublesome Creek* is a story of raw courage, fierce strength, and one woman's

## File Type PDF Lady On The Hill How Biltmore Estate Became An American Icon

belief that books can carry us anywhere—even back home. Additional Praise for *The Book Woman of Troublesome Creek*: "A unique story about Appalachia and the healing power of the written word."—Kirkus "A timeless and significant tale about poverty, intolerance and how books can bring hope and light to even the darkest pocket of history."—Karen Abbott, New York Times bestselling author of *Liar* *Temptr* *Soldier Spy* "Emotionally resonant and unforgettable, *The Book Woman of Troublesome Creek* is a lush love letter to the redemptive power of books."—Joshilyn Jackson, New York Times and USA Today bestselling author of *The Almost Sisters*

### **Bereolaesque**

When Pastor John Endicott returns from burying his mother, he discovers the legendary haunted house in town really is inhabited, and he sets out to determine if the lady in white is a ghost or real. Constance Whetherhill left the city when her wealth failed rather than endure the sympathy of her socialite circle. Renting a "haunted" house was the most economical choice she could make to secure a home for her aging grandmother. But when wealth and privilege are offered back to her, she must choose between the new life she made and the old life she was raised to expect.

### **Women and Embodied Mythmaking in Irish Theatre**

"Originally published: New York: Viking Press, 1959; Edition with an introduction by Laura Miller published 2006"--Title page verso.

### **Talk with You Like a Woman**

The classic ghost story from the author of *The Mist in the Mirror*: a chilling tale about a menacing spectre haunting a small English town. Now a major motion picture starring Daniel Radcliffe. Arthur Kipps is an up-and-coming London solicitor who is sent to Crythin Gifford—a faraway town in the windswept salt marshes beyond Nine Lives Causeway—to attend the funeral and settle the affairs of a client, Mrs. Alice Drablow of Eel Marsh House. Mrs. Drablow's house stands at the end of the causeway, wreathed in fog and mystery, but Kipps is unaware of the tragic secrets that lie hidden behind its sheltered windows. The routine business trip he anticipated quickly takes a horrifying turn when he finds himself haunted by a series of mysterious sounds and images—a rocking chair in a deserted nursery, the eerie sound of a pony and trap, a child's scream in the fog, and, most terrifying of all, a ghostly woman dressed all in black. Psychologically terrifying and deliciously eerie, *The Woman in Black* is a remarkable thriller of the first rate.

### **Hill Women**

Unearth the true story of green-thumbed pioneer and activist Kate Sessions, who helped San Diego grow from a dry desert town into a lush, leafy city known for its gorgeous parks and gardens. Katherine Olivia Sessions never thought she'd live in a place without trees. After all, Kate grew up among the towering pines and redwoods of Northern California. But after becoming the first woman to graduate

## File Type PDF Lady On The Hill How Biltmore Estate Became An American Icon

from the University of California with a degree in science, she took a job as a teacher far south in the dry desert town of San Diego. Where there were almost no trees. Kate decided that San Diego needed trees more than anything else. So this trailblazing young woman singlehandedly started a massive movement that transformed the town into the green, garden-filled oasis it is today. Now, more than 100 years after Kate first arrived in San Diego, her gorgeous gardens and parks can be found all over the city. Part fascinating biography, part inspirational story, this moving picture book about following your dreams, using your talents, and staying strong in the face of adversity is sure to resonate with readers young and old.

### **Hotel Roanoke: The Grand Old Lady on the Hill**

By turning upside down the traditional paradigm of women's history as one of rights, Kerber shows us that there is no "right" to be excused from the obligations of citizenship. Hers is an invaluable new way of understanding the history of women in America - and American history more generally.

### **The Haunting of Hill House**

Although historians over the past two decades have written extensively on the plantation mistress and the slave woman, they have largely neglected the world of the working woman. Neither Lady nor Slave pushes southern history beyond the plantation to examine the lives and labors of ordinary southern women--white, free black, and Indian. Contributors to this volume illuminate women's involvement in

## File Type PDF Lady On The Hill How Biltmore Estate Became An American Icon

the southern market economy in all its diversity. Thirteen essays explore the working lives of a wide range of women--nuns and prostitutes, iron workers and basket weavers, teachers and domestic servants--in urban and rural settings across the antebellum South. By highlighting contrasts between paid and unpaid, officially acknowledged and "invisible" work within the context of cultural attitudes regarding women's proper place in society, the book sheds new light on the ambiguities that marked relations between race, class, and gender in the modernizing South. The contributors are E. Susan Barber, Bess Beatty, Emily Bingham, James Taylor Carson, Emily Clark, Stephanie Cole, Susanna Delfino, Michele Gillespie, Sarah Hill, Barbara J. Howe, Timothy J. Lockley, Stephanie McCurry, Diane Batts Morrow, and Penny L. Richards.

### **Rants from the Hill**

Lady on the Hill tells the inspiring story of the thirty-five-year effort to restore this fading beauty to her former glory—all without a penny of government funding or outside foundation grants. Central to this true-life tale of rebirth against the odds is George Vanderbilt's grandson William A. V. Cecil, a well-mannered, highly educated man who, when caught up in an idea, becomes a whirling dervish, generating enough energy and enthusiasm to motivate everyone around him. And, according to author Howard Covington Jr., Cecil gets a week's worth of ideas before he's done with his Monday morning shave. In the late 1950s, attorneys, financial managers, and tax accountants were united in advising Cecil and his brother, George, to sell off the estate's 12,000 acres in order to create a suburban subdivision. Cecil quietly ignored this advice and came up with a better idea: over the next four decades, he would turn this down-at-the-heels mansion that was a drain on the family business into the most successful, privately preserved historic site in the United States, perhaps even the world. Cecil succeeded beyond even his wildest dreams. Not only did he raise the money needed to begin and continue a painstaking, decades-long restoration of the house itself, but he also achieved a goal that even his grandfather had found elusive. He made Biltmore Estate a self-sustaining, working enterprise that included a vibrant tourist destination, a working winery and vineyard, and a farming operation; employed hundreds of people; and attracted hundreds of millions of dollars to the local economy every year. Lady on the Hill tells a lively tale of eccentric, upper-crust characters, seemingly insurmountable obstacles, and one man's determination, innovation, loyalty, and stubborn persistence to succeed against the odds. It also provides a brilliant, if unorthodox, model for anyone involved with the preservation and restoration of a historic home.

## File Type PDF Lady On The Hill How Biltmore Estate Became An American Icon

Elizabeth of York, Elizabeth Widville was a central figure during the War of the Roses. Much of her life is shrouded in speculation and myth – even her name, commonly spelled as ‘Woodville’, is a hotly contested issue. Born in the turbulent fifteenth century, she was famed for her beauty and controversial second marriage to Edward IV, who she married just three years after he had displaced the Lancastrian Henry VI and claimed the English throne. As Queen Consort, Elizabeth’s rise from commoner to royalty continues to capture modern imagination. Undoubtedly, it enriched the position of her family. Her elevated position and influence invoked hostility from Richard Neville, the ‘Kingmaker’, which later led to open discord and rebellion. Throughout her life and even after the death of her husband, Elizabeth remained politically influential: briefly proclaiming her son King Edward V of England before he was deposed by her brother-in-law, the infamous Richard III, she would later play an important role in securing the succession of Henry Tudor in 1485 and his marriage to her daughter Elizabeth of York, thus ending the War of the Roses. Elizabeth Widville was an endlessly enigmatic historical figure, who has been obscured by dramatizations and misconceptions. In this fascinating and insightful biography, Dr John Ashdown-Hill brings shines a light on the truth of her life.

### **Luster**

New from the Top Author of Inspirational Regency Romance Return to Ivy Hill in The Ladies of Ivy Cottage as friendships deepen, romances blossom, and mysteries unfold. Living with the two Miss Groves in Ivy Cottage, impoverished gentlewoman Rachel Ashford is determined to earn her own livelihood . . . somehow. When the village women encourage her to open a subscription library with the many books she has inherited or acquired through donations, Rachel discovers two mysteries hidden among them. A man who once broke her heart helps her search for clues, but will both find more than they bargained for? Rachel's friend and hostess, Mercy Grove, has given up thoughts of suitors and fills her days managing her girls' school. So when several men take an interest in Ivy Cottage, she assumes pretty Miss Ashford is the cause. Exactly what--or who--has captured each man's attention? The truth may surprise them all. Meanwhile, life has improved at the coaching inn and Jane Bell is ready to put grief behind her. Now if only the man she misses would return--but where is he? As the women of Ivy Hill search for answers about the past and hope for the future, might they find love along the way?

### **The Haunting of Hill House**

The greatest haunted house story ever written, the inspiration for a 10-part Netflix series directed by Mike Flanagan and starring Michiel Huisman, Carla Gugino, and Timothy Hutton First published in 1959, Shirley Jackson’s The Haunting of Hill House has been hailed as a perfect work of unnerving terror. It is the story of four seekers who arrive at a notoriously unfriendly pile called Hill House: Dr. Montague, an occult scholar looking for solid evidence of a “haunting”; Theodora, his lighthearted assistant; Eleanor, a friendless, fragile young woman well acquainted with poltergeists; and Luke, the future heir of Hill House. At first, their stay seems destined to be merely a spooky encounter with inexplicable phenomena. But Hill House is gathering its powers—and soon it will choose one of them to make its own. For more than seventy years, Penguin has been the leading publisher of

classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

## The Captain's Lady

One of the Most Anticipated Books of Summer 2020 Vogue, Elle, Time, The New York Times, Esquire, Harper's Bazaar, Vulture, Parade, USA Today, Literary Hub, BuzzFeed, Electric Literature, Refinery29, The Rumpus, Book Riot, Thrillist, Domino, PopSugar, New York Amsterdam News, Bookshop.org "Exacting, hilarious, and deadly . . . A writer of exhilarating freedom and daring." —Zadie Smith, Harper's Bazaar "Impossible to put down." —Ling Ma, author of Severance No one wants what no one wants. And how do we even know what we want? How do we know we're ready to take it? Edie is stumbling her way through her twenties—sharing a subpar apartment in Bushwick, clocking in and out of her admin job, making a series of inappropriate sexual choices. She is also haltingly, fitfully giving heat and air to the art that simmers inside her. And then she meets Eric, a digital archivist with a family in New Jersey, including an autopsist wife who has agreed to an open marriage—with rules. As if navigating the constantly shifting landscapes of contemporary sexual manners and racial politics weren't hard enough, Edie finds herself unemployed and invited into Eric's home—though not by Eric. She becomes a hesitant ally to his wife and a de facto role model to his adopted daughter. Edie may be the only Black woman young Akila knows. Irresistibly unruly and strikingly beautiful, razor-sharp and slyly comic, sexually charged and utterly absorbing, Raven Leilani's *Luster* is a portrait of a young woman trying to make sense of her life—her hunger, her anger—in a tumultuous era. It is also a haunting, aching description of how hard it is to believe in your own talent, and the unexpected influences that bring us into ourselves along the way.

## Lady Day

Nominated for an NAACP Image Award A Publishers Weekly Top 10 History Title for the season Booklist's Top 10 Diverse Nonfiction titles for the year BookRiot's "50 Must-Read Poetry Collections" Most Anticipated Books of the Year--The Rumpus, Nylon A revelatory work in the tradition of Claudia Rankine's *Citizen*, DaMaris Hill's searing and powerful narrative-in-verse bears witness to American women of color burdened by incarceration. "It is costly to stay free and appear / sane." From Harriet Tubman to Assata Shakur, Ida B. Wells to Sandra Bland and Black Lives Matter, black women freedom fighters have braved violence, scorn, despair, and isolation in order to lodge their protests. In *A Bound Woman Is a Dangerous Thing*, DaMaris Hill honors their experiences with at times harrowing, at times hopeful responses to her heroes, illustrated with black-and-white photographs throughout. For black American women, the experience of being bound has taken many forms: from the bondage of slavery to the Reconstruction-era criminalization of women; from the brutal constraints of Jim Crow to our own era's prison industrial complex, where between 1980 and 2014, the number of incarcerated women increased by 700%.\* For those women who lived and died resisting the dehumanization of

confinement--physical, social, intellectual--the threat of being bound was real, constant, and lethal. In *A Bound Woman Is a Dangerous Thing*, Hill presents bitter, unflinching history that artfully captures the personas of these captivating, bound yet unbridled African-American women. Hill's passionate odes to Zora Neale Hurston, Lucille Clifton, Fannie Lou Hamer, Grace Jones, Eartha Kitt, and others also celebrate the modern-day inheritors of their load and light, binding history, author, and reader in an essential legacy of struggle. \*The Sentencing Project

## **The House on Cold Hill**

*Jamaica Ladies* is the first systematic study of the free and freed women of European, Euro-African, and African descent who perpetuated chattel slavery and reaped its profits in the British Empire. Their actions helped transform Jamaica into the wealthiest slaveholding colony in the Anglo-Atlantic world. Starting in the 1670s, a surprisingly large and diverse group of women helped secure English control of Jamaica and, crucially, aided its developing and expanding slave labor regime by acquiring enslaved men, women, and children to protect their own tenuous claims to status and independence. Female colonists employed slaveholding as a means of advancing themselves socially and financially on the island. By owning others, they wielded forms of legal, social, economic, and cultural authority not available to them in Britain. In addition, slaveholding allowed free women of African descent, who were not far removed from slavery themselves, to cultivate, perform, and cement their free status. Alongside their male counterparts, women bought, sold, stole, and punished the people they claimed as property and vociferously defended their rights to do so. As slavery's beneficiaries, these women worked to stabilize and propel this brutal labor regime from its inception.

## **Action Movie Freak**

Jude Deveraux portrays the power of a woman set on a bold course for true love -- and the glory of fulfilling a magnificent promise. River Lady Handsome plantation owner Wesley Stanford would barely recall the poverty-stricken young girl named Leah Simmons who adored him from afar years ago. Now, in an unexpected twist of fate -- a chance encounter on the Virginia riverfront -- he will become Leah's reluctant husband. Determined to forge a new life in untamed Kentucky, Wesley discovers that the bride he hopes to abandon is passionate, proud, and brave -- and may be the woman he cannot live without.

## **The Book Woman of Troublesome Creek**

The rich legacy of women's contributions to Irish theatre is traditionally viewed through a male-dominated literary canon and mythmaking, thus arguably silencing their work. In this timely book, Shonagh Hill proposes a feminist genealogy which brings new perspectives to women's mythmaking across the twentieth and twenty-first centuries. The performances considered include the tableaux vivants performed by the *Inghinidhe na hireann* (Daughters of Ireland), plays written by Alice Milligan, Maud Gonne, Lady Augusta Gregory, Eva Gore-Booth, Mary Devenport O'Neill, Mary Elizabeth Burke-Kennedy, Paula Meehan, Edna O'Brien and

Marina Carr, as well as plays translated, adapted and performed by Olwen Four. The theatrical work discussed resists the occlusion of women's cultural engagement that results from confinement to idealised myths of femininity. This is realised through embodied mythmaking: a process which exposes how bodies bear the consequences of these myths, while refusing to accept the female body as passive bearer of inscription through the assertion of a creative female corporeality.

## **Lady Kate**

"If Thoreau drank more whiskey and lived in the desert, he'd write like this."—High Country News Welcome to the land of wildfire, hypothermia, desiccation, and rattlers. The stark and inhospitable high-elevation landscape of Nevada's Great Basin Desert may not be an obvious (or easy) place to settle down, but for self-professed desert rat Michael Branch, it's home. Of course, living in such an unforgiving landscape gives one many things to rant about. Fortunately for us, Branch—humorist, environmentalist, and author of *Raising Wild*—is a prodigious ranter. From bees hiving in the walls of his house to owls trying to eat his daughters' cat—not to mention his eccentric neighbors—adventure, humor, and irreverence abound on Branch's small slice of the world, which he lovingly calls Ranting Hill.

## **The Bearded Lady**

## **The Woman in Black**

This time around, a bat, an owl, a cat, a ghost, a goblin, some bones, and a wizard are all on the menu! This Halloween-themed twist on the classic "little old lady" books will delight and entertain all brave readers who dare to read it!

## **No Constitutional Right to Be Ladies**

The Lady from Philadelphia records the antics of the most memorably and hopelessly bumbling of respectable American families. Confronted by the endless challenges of daily life, the Peterkins rise to every occasion with misguided aplomb: They sit out in the sun for hours and fail to go for a ride because they've forgotten to unhitch the horse; they play the piano from the porch through the parlor window because the movers left the keyboard turned that way; they decide to raise the ceiling to accommodate a too-tall Christmas tree. Only the timely intervention of their great and good friend, the lady from Philadelphia, can be counted on to get the Peterkins out of their latest scrape. A classic of American children's literature and a masterpiece of deadpan drollery, *The Lady from Philadelphia* restores our astonishment at the ordinary, finding a rich vein of humor and happy surprise in the mere fact of our surviving the trivialities and tribulations of family life.

## **King of White Lady**

After rising from poverty to earn two Ivy League degrees, an Appalachian lawyer pays tribute to the strong "hill women" who raised and inspired her, and whose values have the potential to rejuvenate a struggling region--an uplifting and eye-opening memoir for readers of *Hillbilly Elegy* and *Educated*. Nestled in the Appalachian mountains, Owsley County is one of the poorest counties in both Kentucky and the country. Buildings are crumbling and fields sit vacant, as tobacco farming and coal mining decline. But strong women are finding creative ways to subsist in their hollers in the hills. Cassie Chambers grew up in these hollers and, through the women who raised her, she traces her own path out of and back into the Kentucky mountains. Chambers's Granny was a child bride who rose before dawn every morning to raise seven children. Despite her poverty, she wouldn't hesitate to give the last bite of pie or vegetables from her garden to a struggling neighbor. Her two daughters took very different paths: strong-willed Ruth--the hardest-working tobacco farmer in the county--stayed on the family farm, while spirited Wilma--the sixth child--became the first in the family to graduate from high school, then moved an hour away for college. Married at nineteen and pregnant with Cassie a few months later, Wilma beat the odds to finish school. She raised her daughter to think she could move mountains, like the ones that kept her safe but also isolated her from the larger world. Cassie would spend much of her childhood with Granny and Ruth in the hills of Owsley County, both while Wilma was in college and after. With her "hill women" values guiding her, Cassie went on to graduate from Harvard Law. But while the Ivy League gave her knowledge and opportunities, its privileged world felt far from her reality, and she moved back home to help her fellow rural Kentucky women by providing free legal services. Appalachian women face issues that are all too common: domestic violence, the opioid crisis, a world that seems more divided by the day. But they are also community leaders, keeping their towns together in the face of a system that continually fails them. With nuance and heart, Chambers uses these women's stories paired with her own journey to break down the myth of the hillbilly and illuminate a region whose poor communities, especially women, can lead it into the future.

## **The Lady of Bolton Hill**

Captain James Templeton's orders from General Washington are clear. His target: Lord Bennington, a member of George III's Privy Council. The assignment: find Bennington's war plans. The risks: the future of the East Florida Colony, Jamie's life...and his heart. In spite of the dangers of their hopeless situation, he's fallen in love with Lady Marianne Moberly, Lord Bennington's daughter. Desperate to protect his country, Jamie carries out his orders with a heavy heart. But Marianne's persistence is a challenge he never expected. With love and faith, they must navigate troubled waters to win their future together.
