### Readers' Guide to Periodical Literature

Offers vital advice for anyone seeking or owning any of these classic Italian cars: highlights the cars to buy and how to look after them. A huge variety of Italian cars have one important thing in common - the famous Twin Cam engine designed by Aurelio Lampredi. One of the most successful passenger car power units of all time, with a production lifespan of 32 years, it has also powered drivers to many victories on race tracks and rally stages, from minor club events to world championships. Owners and enthusiasts of these and all the other cars powered by the Lampredi Twin Cam engine will find much to delight them in this major expansion of Phil Ward's earlier book, Fiat and Lancia Twin-Cams.
